way he expressed it

The Young Adult Suffrages are a non-partisan group, composed of Republicans, Democrats and Independents. Their main concern is to get the voting age lowered.

Officers, in addition to Calhoun, include Mike Gibbons, Franklin County president; Tom Parker and Jack Balog, vice-presidents; Sharon Calhoun, John's wife, secretary; and Ken Rickard treasurer. Balog is from Cleveland.

Calhoun optimistically believes that if he can get the legislature to go along with the constitutional amendment, the people, in turn, will follow suit.

"The assemblymen, for some reason or the other appear to have a fear that the new voters won't endorse them when election time comes along," Calhoun commented.

He points out that the move has gained favor.

"In 1957, our proposal didn't even get out of the house hearing committee. But in 1959, it cleared committees in both legislative bodies and passed the house by three votes. But the senate turned thumbs down on it by the same margin."

Calhoun's figures show that

'FEEL SORRY FOR HIM . . . NOW'

Victim Tells Shooting Story

By John Auble, Jr.

An Eastmoor High School student, who played a major role in the dramatic shooting scene staged last Tuesday evening at the Town and Country Shopping Center, revealed the following day that he 'felt sorry for the bandit.'

This feeling was brought about by a gunman who attempted to rob the Town and Country Kroger Store, and, after being foiled, shot the store's manager and two of the carry-out boys.

Malcolm Stricklin, Jr., 17, of 1650 Huxley-dr, was released from St. Anthony's Hospital approximately three hours after the incident occurred. He suffered a bullet wound in the left leg.

Stricklin, who is employed at the Kroger Co. at Town and Country, works after school as a carry-out boy and stock clerk. He works nearly every evening and has since June 5.

This is his account of what happened:

"I was sacking groceries for a woman at a cash register about 15 feet from the manager, Dwight Figlestahler's, office. There weren't too many customers in the store—a typical Tuesday—and there wasn't too much going on.'

Stricklin stated that a schoolmate of his, Roger Barrett, was also sacking groceries at the cash register next to him. The manager's office is easily visible from all check out points.

He continued:

"Suddenly, Roger yelled at me. Then, things started happening fast.

"I looked over at Dwight—he was standing up. He was bleeding from the neck. I learned later that the bandit pistol whipped him there, apparently.

"We all took off after him—I don't know why, it just seemed to come natural. I wanted to run over and help Dwight. While I was running to the office, I hollered for someone to telephone the police.

"Dwight didn't seem to be hurt—he was running right along with us. We didn't know if the bandit had taken any money or not.

"We all ran around Gravs' Drug Store and out in the parking lot behind the store. While out there, the man fired at us—I thought twice, but I guess he only shot once.

"We all figured that he had blanks in his gun, I didn't hear any 'zinging' sound after he fired. We played hide-and-seek with him among the cars in the lot.

"We saw him run into the Zettler Hardware Store and thought that he had run clear through and out the east door. He entered through the west door.

"When we got into Zettler's the store's manager, Eugene Malone, said 'If you're looking for that man, he ran in there' and motioned to a little alcove at the side of the store that's used for storage.

"Dwight said, 'Be careful, he's got a gun.' Just as we got near the alcove, he walked out in front of us and said, 'Hold it right there.' He then cut loose shooting at us and ran out the same door in which he entered."

Stricklin also said, contrary to earlier reports, that his trio did not grapple with the bandit in the hardware store.

"We didn't have a chance to,"

Bexley Schools Research Study Due To Begin

By John Poeppelmeyer

Industry proven techniques—that of research and development—is soon to find its way into Bexley classrooms.

Students, teachers, testing—all will be observed, studied and reported upon in what could become a lifetime project.

Along with Bexley, two other districts, Upper Arlington and Grandview, are ready to begin the first phase of the study: a search for quality education in suburban schools. The Ohio State University Department of Education will be cooperating with the schools in the venture.

Each school district has agreed to sponsor the survey with an offer of $1,000 apiece for the first year's work according to Dr. Emerson Jarvis, Bexley superintendent.

"We would like to start as soon as possible," Dr. Jarvis stated. "All that remains is to find a man from Ohio State, probably a graduate student."

He added that the project's first phase is likely to be completed this winter with another two possibly being started at that time.

"It is an effort on the part of the schools involved to do what industry has been doing for years: namely, research and development," Jarvis explained.

He indicated that all school districts in Central Ohio are invited to join, "providing they are willing to invest $1,000." Another restriction: membership is limited to districts with not over 10,000 pupils in average daily attendance.

Jarvis believes that an exchange of ideas between the districts will be of utmost value in determining future phases of instruction of academic life in schools.

"It is obvious that some districts do some things better than another along certain lines. Our object is to find the best way and put these ideas to use."

The success of the mission,

Lutherans To Install New Pastor

Rev. Bernhard

First English Lutheran Church E. Main-st at 22nd-st will install Rev. Leopold W. Bernhard as its pastor Sunday, Oct. 9, 10:30 a.m.

A graduate of the University of Zurich, Rev. Bernhard took post graduate work at the Lutheran Theological Seminary, Philadelphia. He came here from serving Christ the Shepherd Lutheran Church, Chicago.

Officiating officer at the installation service will be Rev. Paul E. Bressler, Emmanuel Lutheran Church, Germantown, O., and president of the Southern Conference, Ohio Synod of the United Lutheran Church in America.

A reception for the pastor and his wife, Thelma, will be held in the assembly room following the service. Members and friends are invited to attend.

Rev. and Mrs. Bernhard are residing at the parsonage, 305 S. Cassady-av.

As State Lt. Gov. Of Kiwanis, Evan Williams Is On The Go

To say that Evan Williams is a busy man would be the understatement of the year.

Especially this last year, when he as State Lt. Gov. of the Kiwanis, was on the go constantly.

"Couldn't really afford to get sick, if I were to meet my obligations, he mused." "Sometimes I shouldn't even sit down."

During his working hours, he is assistant to the vice-president at Columbus and Southern Ohio Electric Co.

But at noon and at night, during this past year, he could usually be found at Kiwanis luncheons and meetings.

He sometimes has as many as two to three meetings a day. During one stretch of his tenure in office he attended 11 meetings in 12 days.

His job as lieutenant-governor he supposes, amounts to being a "cheering section" for the various clubs. His duties and responsibilities are superimposed over 17 Kiwanis organizations in four counties, comprising 1,374 members. His area extends to Madison, Franklin, Fairfield and Pickaway counties.

The hunt is on for a new recreation director at Whitehall.

After a short four month stay in the position, Don Ecker has submitted his resignation to Mayor Walter B. Moling.

Moling said at Tuesday night's council session that the resignation would be accepted.

Ecker was named to the post in June, ending a prolonged debate between the city's Recreation Board and the administration.

At that time Moling said "that he was very much impressed with the man."

Ecker said Wednesday that his resignation was due to "personal cinsiderations," but did not expand on the statement.

Democrats At Bexley Hear Senator Young Call For 'Fast Action'

With the November presidential election just five short weeks away, U. S. Senator Stephen M. Young spoke before a group of Democrats in Bexley last Wednesday evening and urged an "America on the move" campaign.

The vigorous 70 year-old Senator, who still manages to play some three sets of tennis a day, termed the discussion in Bexley High School's auditorium "a serious discussion of world problems."

Some 450 area Dems attended the meeting. The figure was short of the anticipated 600. Approximately 70 per cent were from the Bexley area, with Reynoldsburg well represented.

"Kennedy will be a forceful, vigorous, determined President," Young said, "fully capable of dealing with Premier Khruschev without compromise, vacillation or appeasement, but with courage, intelligence and determination as befits the chief executive of a great nation and leader of the Free World."

Young warned that every disarmament talk in the history of the world, such as is presently being carried on by the United States and the USSR, has led to war.

"We want to stop this talk," Young stated, "and take an aggressive role in negotiations with Communist leaders."

Young cited Senator Kennedy's long experience in the Senate and the House of Representatives, asserting that the Democratic candidate's service on the Senate Committee on Foreign Relations "has given him a background of knowledge in foreign affairs far superior to that of Vice President Nixon, a command of the subject a President must have in this grim period of international anarchy."

Among Young's other campaign promises were:

An end to Eisenhower's "tight money" policy.

An end to "negative government by vote."

Passage of the Medical Care for the Aged Bill.

An end to the disarmament race.

Columbus' Richard E. Liming, Democratic candidate for Representative to the U. S. Congress introduced the Senator and offered these remarks of his own:

"We are, now facing a tremendous Communist threat. The big question now is, 'What can the United States do to take the leadership in the cold war?'

"The main area," he said, "is food." In this country we have a surplus of food and call it a problem. It can be, however, an asset in our foreign policy.

Bipartisan Politics To Be Subject Of Tuesday Program At Center

A bipartisan presentation of the major issues of the current political campaign will highlight the first meeting of the Lilon group, Columbus Chapter of Hadassah Tuesday, Oct. 11 at 8:15 p.m. in the auditorium of the Jewish Center.

James DeLeone, Columbus attorney, will speak in behalf of the Republican Party. DeLeone holds a bachelor of science degree in labor economics and a bachelor of law degree from Ohio State University.

He was Assistant Attorney General under C. William O'Neill from 1951 to 1954; and from 1954 until the present, he has been in the private practice of law, associated with Isadore Topper, Esq.

During 1957-1958, DeLeone was Assistant Attorney General, Acting Chief Counsel to Attorney General William Saxbe and Chief Counsel to the Ohio Public Utilities Commission.

Spokesman for the Democratic Party will be Dr. Bernard Mindlin, active campaign manager for Richard E. Liming, Democratic candidate for U.S. Congressional Representative. Dr. Mindlin is a past president of Zion Lodge of B'nai B'rith and the Columbus Zionist District.

He is also former chairman of the Greater Columbus B'nai B'rith Council, the ADL Community Relations Committee and the Columbus Fair Employment Practices Legislation Committee. An active participant of the executive committee of the Jewish Community Center, Dr. Mindlin has also served on the ADL regional board.

Following the presentation of their party policies and goals, the speakers will answer questions from the floor. Moderator for this discussion will be Joe Waterman, Democratic candidate for State Representative.

Waterman holds degrees in business administration and law from Ohio State University. In

School Season Means Your Newspaper May Arrive Late

Don't walk away from your doorstep discouraged because your Hartley newspaper isn't there.

It isn't because your carrier isn't trying to do his best and bring your copy of a Hartley Newspaper as early as possible.

Unusual restrictions of the season including a long session of school each weekday have thrown a crimp in their summer schedules. Many carriers are only arriving home from school at the time they have their routes delivered in the summer.

So bear with the boys and girls until they finish their school work.

Woodrow Slatzer Re-Elected At State Convention

Woodrow W. Slatzer, 852 S. Roosevelt-av, was re-elected State Director of Ohio at the 45th Annual Convention of the National Society of Public Accountants at Kansas City, Mo.

This is the third year he has held this post. Slatzer took top honors at the national convention as he was awarded the state directors trophy for membership acquisition, and was also honored as top individual member.

Slatzer was appointed chairman of the membership committee for the United States and Puerto Rico. This committee has 54 members besides the chairman.

Men like to putter in kitchens, too, and even occasionally do some serious cooking by Hartley Newspapers' cooking preparing full-scale meals, judging by their interest in school and style show plans.

There will also be masculine clothing, as well as fashions for women and small fry included in the "Food 'n Fashion" event.

And detailed instruction by Miss Susan Lowe on preparation of main course foods and side dishes will make it easy for even the "sometimes" cooks like dad and the teen agers.

A special selection of new fall clothes for women will be presented by J. C. Penney's, Town and Country. They will be flown in from New York, especially for the event.

Tess Stern, well-known locally for radio and newspaper fashion stories, will coordinate the style show.

The show, sponsored by South East Rural-Urban News, Reynoldsburg Record and Eastern Review, will be staged at Whitehall-Yearling High School Auditorium.

Two sessions of the event will be held. Evening show is planned Monday, Oct. 17, at 8 p.m., and an afternoon show Tuesday, Oct. 18, 2 p.m.

Admission to the event is free. Tickets will be distributed by merchants throughout the area.

Models will display new fall fashions, supplied by area merchants in a narrated style show.

Many valuable prizes will also be awarded during the event.

CONSIDER THE HANDICAPPED

October 3rd - 8th has been declared "National Employ the Physically Handicapped Week"

Fittingly, the observance is aimed at pointing out to employers, the wealth of manpower that lies within reach - if the opportunities for jobs are put on the basis of "can-do" abilities and not restricted because of what a worker cannot do.

It's a startling fact that there are approximately 17 million handicapped individuals in the United States . . . nearly one person out of every 10! Of this number, 960,000 are blind (defined as the inability to read a newspaper even with glasses), some 109,000 are totally deaf and nearly six-million of these handicapped persons have limited motion disabilities - paralysis, disorders of bones joints and muscles.

Many of these 17 million handicapped persons are now gainfully employed, some are not in the labor market for a variety of reasons.

However, there are great numbers now unemployed, not by their own choice, but simply because they have run into a wall of opposition when it comes to employing a handicapped.

NATIONAL PHARMACY WEEK

The man behind the prescription counter — your pharmacist — is getting a little special attention this week all over the nation.

National Pharmacy Week, which started Sunday and continues through Saturday, is the occasion for paying tribute to the thousands of pharmacists who, each in his quiet way, do so much to keep the health of the nation at a high level.

What your pharmacist possesses in special knowledge and skill, he acquired the hard way — by years of study encompassing a variety of subjects. His education, like that of a doctor or lawyer, never stops.

Continued "reading up" on new developments in his field is required to keep him posted. It is a process which starts when he enters college and can end only when he retires from the practice of the profession.

The pharmacist has been described as a "key man in the never-ending campaign against disease," and this description, we feel, is most appropriate. It is a real pleasure to give him a special salute on the occasion of National Pharmacy Week, 1960.

VFW POST DEFENDS HONORS

One of the state's top VFW Posts, membership-wise, has launched its 1961 campaign.

The Paul S. Lawrence Post 9857, under the leadership of Commander Gene Perry, hopes to acquire 250 more members by this time next year. The drive started last Saturday.

The group originally started with 40 members. This past year, it gained the Past Department Commanders Percentage Gain Trophy as it doggedly notched a robust 200 per cent gain in membership

This organization is located at 2948 E. 5th-av. All veterans who qualify and who feel they may be missing something since their soldiering days should get acquainted with the Lawrence troops.

It isn't every year that a Post is awarded the Commanders Trophy. According to Post officials, this is the first group in Franklin County ever to achieve this goal.

And they want to insure that the trophy is resting in their quarters next year this time

Along Scholar Road

A 'DEVELOPMENT' AID FOR SCHOOL AREAS

By John Poeppelmeyer

The need for more classroom space is becoming evident in school district after school district as housing developments keep rising from the ground.

Hamilton Township, West Jefferson, Reynoldsburg, South Western and Scioto Darby districts are but a handful of the areas where schools face the need of providing adequate facilities for burgeoning populations.

In some of these areas land is donated by the developer for school board use, presumably as a site for a future school. In other places, homes have been turned into classrooms for either a small fee or on a gratis basis.

But, are these moves enough?

Some school men have been jokingly heard to say they would much rather buy the land themselves and have the developer provide the buildings. For by going constantly before the people [illegible] to secure funds for construction has resolved itself into an "ad infinitum" policy in some districts as they keep expanding.

In New York state Gov. Nelson Rockefeller has come up with the idea of a "hidden" tax to be imposed on telephone bills, much the same way that taxes on gas and cigarettes are levied, and to have the money handed over to the schools. Such a move could be frowned upon in some quarters, but it would provide financial aid of sorts to districts in need of it.

But another economically feasible step could also be launched and on a voluntary basis, if school officials and developers are willing to work out the legal aspects.

Developers who really "want to do good" by the districts they are moving into, instead of just turning the land over to schools so that attractive advertisements can include the words "schools nearby," could volunteer to pay into schools a set amount for each housing unit established.

What the fee would be could be arbitrarily arranged with the school board; $500 a house could not be construed as an outrageous figure. Even then, developers would probably add the figure onto the cost of the houses when sold.

In this way, schools would get the money for construction, developers would show that they are truly putting the interests of the districts at a high level, people would be unburdened part of the time at least from facing repetitious bond issues, and, most important of all, the kids would have classrooms.

"SOME HAUL"—It was a tough battle but the boys won Saturday and pulled this 32-inch carp out of tiny Harder Lake in Westgate Park. Holding their 10-pound trophy are Stephen Knott, 12 (left), of 1163 Racine-av, a Hilltop Record carrier, and Gary Fulton, 12, of 790 Racine-av. They used bacon rind for bait. Their four-pound test line broke so the lads had to "wrassle" the fish a while.—Photo—Lewis Knott.

INSIDE ON THE Outdoors
By ROD COCHRAN

This is harvest time for outdoorsmen. It's difficult to decide what to do in spare moments, for autumn activities are many and varied.

The hunting season is in full swing, of course, with squirrel hunters in the woods. Now is the time when experienced hunters are most active—the woods have been dampened with showers and the "first day gunners" have closed up shop until next September. With more moisture in the ground cover, stalking squirrels becomes much easier. The first two weeks of the season were too dry in this area for good hunting.

• • •

If you can tear yourself away from this contemplative sport, various kinds of good fishing are beckoning. In local waters, bass have been on a feeding spree. Catfishing has been excellent, and bluegills are good targets for flyrod anglers.

Many fishermen consider this time of year the best there is for angling. This is all a matter of taste and depends a lot on the type of fishing you do. Personally, I feel that May and June are hard to beat. But spring is when the fishin' fever is at a high pitch and it may influence me. At any rate, when the water cools in late summer and early fall, the fishing gets mighty good.

Mushrooms In Fall, Too

As the season rushes on, outdoor activities get even more crowded. Fall mushrooms are up some places, and the crop will depend on the amount of rain we get. Picking mushrooms is not an activity for beginners, for there is always the possibility of getting a poisonous fungus. For the people who know them, however, mushroom hunting is a lot of fun and is an outdoor activity that provides some really fine eating. Pasture mushrooms or "pinkies" and puffballs are two of most common edible kinds found around here in the fall.

The time for dog training and sharpening up is upon us. Most hunting dogs are allowed to get fat and soft in the summer, because many owners do not like to run them in the heat and when ticks are so thick. Only the field trial dogs are kept in condition the year around.

And, maybe the old shooting eye needs some sharpening along with Rover. Another sport that picks up momentum in the fall is trap shooting. This can be as simple or complicated as you want. You can buy a trap gun, join a club and spend every spare minute, and more, shooting competitively. Or you and a buddy can take a hand trap and hunting gun to a safe range and shoot a box or two of shells at clay birds.

This is very inexpensive, and your hunting score will definitely be improved. Your friend can stand behind you out of sight and throw the birds at any angle or height without warning. By doing this he can simulate almost any target from a woodcock to a duck. This will do you a lot of good, for game does not always fly when you expect and live birds go in the craziest directions.

Well, there you have it—quite a varied list of fall outdoor fun. You won't have any trouble making up this week's agenda. Or will you?

CUMBERSOME CAT—William Reed, 2648 Valleyview-dr, holds the 35-pound shovelhead catfish which he and his wife landed last week from Deercreek below Mt. Sterling. The big boy, measuring 40½ inches, was caught on a 12-pound line. A night crawler was used for bait.

Bowling Program Offered By Recreation Department

Junior bowling programs are again being offered by the Columbus Recreation Department in cooperation with local bowling proprietors at nine different places, beginning Saturday, Oct. 8.

Youngsters will be taught how to bowl, and will bowl on a team in a league, under the supervision of a recreation leader.

They will get reduced rates, and the leagues organized will be based on the children's ages.

Wherever possible separate leagues will be organized for boys and girls eight through 12, 13 through 15, and 16 through 18 years of age.

A meeting for those interested will be held at the Old Trail, 3636 W. Broad-st, on Saturday, Oct. 8 at 9 a.m.

Bible Comment:

Parents Must Be On Guard Against Hate

Through the centuries, it seems that society has watched with alarm the actions of its younger generation. Today, however, there appears to be legitimate cause for fear that the young are really in deep trouble this time.

Not all, or even a large portion, of our junior citizens are engaged in beating, smashing, stealing from and terrorizing individuals. But the rising crime tally indicates that the number is growing.

Of course, law enforcement is effective too late. Once the delinquent youth comes to the attention of the police, chances are he is well on the way to a life of active rebellion against the world.

Few can deny that the home is the logical training ground for a productive and constructive life.

"Hear, ye children, the instruction of a father, and attend to know understanding." (Prov. 4:1.)

Yet it is not enough for parents to teach their children how to get the most from the world. Each time the parent lies, takes advantage of others in the normal course of his work day, utters words of prejudice against his fellow men—these, too, become lessons to his child,, just as surely as though he sat his youngster on his knee and lectured him.

The instruction should come from the parent—but that instruction should convey the idea of Christian living, not an adult version of the juvenile delinquent's aimless hatred.

Mechanic, Dies In Auto-Truck Crash Tuesday

A test ride in a car he was working on ended in death for a local mechanic Tuesday night.

Hauley Gayheart, 30, driving at high speed crashed into a truck at Groves and Hamilton-rds, officers said. He was driving east on Groves-rd and did not stop for a stop sign.

Gayheart, a resident of St. Louisville, worked for his brother-in-law at a service station at Livingston-av and Hamilton-rd. The auto was owned by Merry Lou Gilman, 4438 St. Margaret-ln.

Truck driver Daniel Campbell, Franklin, Ind., was not hurt but his vehicle was considerably damaged. The Gilman car was wedged under its rear wheels. The window of a nearby sheriff's cruiser was broken by flying debris.

At St. Anthony Hospital, the coroner said Gayheart died of multiple fractures and internal bleeding. He is survived by his wife and two children, his parents in Newark and 11 brothers and sisters.

New Church Is Planned In Area

Member of a south side congregation held a church wide dinner Monday Oct 3 to learn details of a fund raising program to build a new church across from the Lincoln Memorial Hospital.

Members of the Wilson Avenue Christian Church (Wilson-av and Fulton-st) last spring voted to relocate to the East Side. A four-acre site on the north west corner of Barnett-rd and Livingston-av was purchased recently.

A campaign to raise $60,000 in three years to help underwrite the new church has been under way for the past month under the directorship of Orville Van Blaricon. Kenneth W Foy is pastor. It was explained that the old church will be sold to others of the same denomination.

Guest director of the campaign is Harold Herndon, a general representative of the board of church extension of Disciples of Christ, with headquarters in Indianapolis. At the 6:30 p.m. dinner last Monday, Herndon presented the initial pledges to all members.

Herndon received the AB and BD degrees from Phillips University, Enid, Okla. He also attended Butler University, Indianapolis, and was ordained to the ministry in 1943. He served pastorates in Oklahoma, Indiana and Kansas before entering extension work.

SCENE OF SHOOTING—Whitehall Police Captain R. W. Weatherby points to the floor in Zettler's Hardware Store where a gunman dropped three Kroger employes at about 6:30 p.m. last Tuesday night. Two of the three injured victims are still in Mt. Carmel and St. Anthony hospitals, listed in fair condition.

he said. "He fired three shots and hit each of us in the leg."

Stricklin was the least injured of the trio. The other two were in fair condition last Tuesday, with Barrett in Mt. Carmel Hospital and Figlestahler in St. Anthony's.

"It seems a shame," Stricklin said in concluding, "that he had to go through all this trouble and still not get the money. The night it happened, I was very mad at him, but now I feel kinda sorry for him."

The gunman was later identified as Richard Walter Ermacora, 25, of 297 S. Ashburton-rd. He is a city fireman, stationed at No. 14 Engine House at Hinman and Parsons-avs.

He was captured by Columbus police officers in a thicket behind a service station across from the shooting scene, just minutes after the robbery attempt.

According to Whitehall Police Chief Ralph Walker, Ermacora is being held on three charges of shooting with intent to wound and one charge of attempted armed robbery.

Ermacora is presently being held at the Franklin County Sheriff's Office awaiting trial.

Sam Zaayer, senior assistant chief and acting chief for vacationing Fire Chief Walter Strickfaden, said Tuesday that the incident was definitely a "black-eye on all fire departments."

Zaayer added that the gunman was suspended from the department the morning after the incident. Tomorrow Ermacora will have a hearing before Safety Director Albert Giles at 9 a.m. on the charges brought before him, Zaayer added.

Research—

(Continued from Page 1)

he implied, depends upon how well the Ohio State surveyist coordinates his findings into a workable pattern. "If we find that the venture is not paying off, say within five years, we shall probably drop it," he said.

Some of the suggested areas of research, according to a report of the group, the Central Ohio Council for Educational Experimentation:

A study of elementary foreign language instruction; use of teaching aids and electronics in the classroom for improving individualized learning; classes composed of handicapped children where insufficient numbers are available for qualifying under state regulations; evaluation of quality in teaching; beginnings in the use of teacher team testing.

Team teaching, as Dr. Jarvis has previously pointed out, consists of a master teacher being employed for lecture periods while assistants are in charge of examinations and correcting papers.

The three school districts feel that membership should be limited to approximately 10 or 15 districts and to districts within a 60-mile radius of Columbus.

Emphasis is to be placed upon the cooperative nature of the organization and the necessity for sharing. Research will be conducted upon a fact gathering basis.

Other studies in such locales as New York, Chicago and Cleveland have been conducted. In some instances, the surveys have been highly developed in these sections of the country.

Dr. Jarvis feels that if successful here, the project will take years to complete.

Great Eastern Bargain Days Next Week

Store members of the Great Eastern Shopping Center are planning "big" doin's next week as many of the store personnel will don gay nineties apparel in preparation for "Old Fashioned Bargain Days" to be put before the public next week.

Free rides have been arranged for the youngsters on western wagons drawn by horses, as well as displays of old time buggies and carts.

One other feature will be the special tickets available from merchants in the Great Eastern giving a one-half fee for amusement rides that are located in the parking area in front of the stores.

Inside, according to store officials, will be many values with old time price tags but in a completely modern setting.

"Grandma never had it so good" stated one of the Center's store managers.

"We can use our surplus food effectively with the countries abroad. We will be taking a lead on a path that the Communists cannot follow."

In concluding, Senator Young said, "I predict that a Democratic President will reverse the long decline of social services to our people and give new emphasis to programs for health, social security, housing and education."

From Bexley's auditorium, the Senator left Wednesday evening for a talk in Cleveland, and then on to Salt Lake City. He plans a return to Ohio in the near future.

During his stay as rec director, Ecker assumed command of the city's entire summer program and had planned to continue through on a year-round basis.

He was responsible for bringing community dances back to the city and had planned on more being conducted.

As for the future of recreation in Whitehall, Ecker stated that he feels the matter is "very well covered in the city's master plan."

He said that he enjoyed working with the people he had met but that for personl reasons he had decided to quit.

In fact, he pointed out, his job begins before he takes office. Usually in November a conference is arranged to train newly elected officers at an all-day meeting, usually on a Sunday. "They in turn are responsible for their own training program in their respective districts."

When he tours the clubs he likes to have a different speech prepared at each function, which involves changing his address 17 times. "I feel I owe it to the members," is the way Williams expressed it.

Williams lives at 2491 Sherwood-av in Bexley. He is a charter member of the Eastern Kiwanis organization and has been awarded a 10-year pin for perfect attendance. His term of office as lieutenant-governor commenced last January and will conclude this January.

How does he feel about being on the move almost constantly?

"I can say that I feel it has been the best year I've spent in the Kiwanis. I found that I was able to meet and know people better than I have ever done so before."

JWVA Auxiliary Members Arrange Annual Donor Luncheon, Fashion Show At Ilonka's

Capitol Ladies Auxiliary 122, JWVA, is planning its 15th annual donor luncheon for Tuesday, Oct. 18, 12:30 at Ilonka's Provincial House. Admission is payable partly or wholly ($400 face value) by sales tax stamps.

An afternoon of luncheon, highlighted by an accessory fashion show, a mad hatter's contest with prizes, souvenirs, treats and fun has been planned by Mrs. David Rosenbaum, donor chairman and her committee. All members, friends and guests of the auxiliary may attend the affair, which is by reservation only.

Reserved tickets may be purchased before Tuesday, Oct. 11, from Mrs. Max Abramson, BE. 1-9611, pledge chairman.

Mrs. Martin Kaufher, BE. 1-5951, Guys and Dolls chairman will honor children's names in the Year Book at $1 per family. Mrs. Morris Stetelman, CL. 2-1585 is memorial and professional page chairman.

Checks or money may be sent to Mrs. Bernard Kapland, donor treasurer, at 499 S. Drexel. Sales tax stamps, sorted, counted and packaged may be sent to Mrs. Victor Rofsky, tax stamp chairman, 490 Napoleon-av.

Mrs. David Rosenbaum, donor chairman, is in charge of the advertising year book, with the following committee:

Mrs. Fred Alder, Mrs. Harry Cowan, Mrs. Bertha Dulsky, Mrs. Sarah Fisher, Mrs. Jack Franklin, Mrs. Harry Garaway, Mrs. Sam Goldman, Mrs. Fred Goodman, Mrs. Herman Jacobs, Mrs. Martin Kaufher, Mrs. Morris Leasure, Mrs. Julius Margulies, Mrs. Tobias Polster, Mrs. David Raien, Mrs. Lester Seligson, Mrs. Allen Siegel and Mrs. Morris Stetelman.

Advisor is Mrs. Max Trager. Mrs. Irvin Flox is program chairman, Mrs. Harry Cowan is decorations chairman, and Mrs. Max Trager is handling publicity.

JWVA is a member of the U.S. Committee of Civil Defense.

Proceeds from the donor luncheon are used for community drives and entertainment and equipment in the Veterans Hospitals at Chillicothe, Dayton, Sandusky, Columbus State and Lockbourne Air Base Hospitals. Regular visits are made to the Benjamin Franklin Hospital.

JWVA also has an active part in the blood donor drives.

Part of the child welfare program is regular visits and provisions to the Franklin Children's Village and to those in need.

Americanism program provides the provision of new flags and patriotic literature to Scout troops, new public schools and libraries; scholarships to Brandeis University given to children of veterans, personal contacts welcoming new citizens to the community, and other philanthropies.

"PROMENDAE ALL"—Dancers from throughout the Columbus area were on hand for the twice-monthly western square dance, sponsored by the Columbus Recreation Department and held at Whetstone Recreation Center, Saturday. From top, clockwise, are Mr. and Mrs. Howard Kelley, 1060 Hillridge-rd, Reynoldsburg; Mr. and Mrs. Paul McKinley, 4623 Boynton-pl; Mr. and Mrs. Willam Ridge, Canal Winchester, and Mr. and Mrs. Ernest Winnestaffer, 1140 S. Hampton-rd.

SQUARE DANCE CRAZE IS GROWING; AREA COUPLES JOIN IN THE FUN

As American as apple pie and just as appealing to American tastes — square dancing for recreation has swept to top rating around Columbus area in the past few years.

The callers' colorful chant is music to the ears of hundreds of couples who whirl through the intricate dance patterns in weekly affairs held by Western Square Dance Clubs.

Interest in the art of American square and round dancing, first sparked by instruction classes held by the Columbus Recreation Department, has grown by leaps and bounds as more and more couples find the fun to their liking.

Dancers describe their devotion to the recreation with, "It's the fun and the fellowship of having a shared interest. And it's so absorbing —you have to listen carefully to each call so there's no time left for worrying about personal problems.

"And it's recreation for a man and his wife. Dancers develop their skill as a team, not as individuals."

A far cry from the homespun square dancing of other years with steps that could be learned in five minutes, Western-style square dancing must be taught by experts.

Six classes in square dancing, two in American round dancing and one teaching the authentic steps of folk dances will start in city recreation centers throughout the city next week.

Classes are sponsored cooperatively by Columbus Recreation Department and the Ohio Corporation of Dance Clubs.

Couples may enroll in the ten-week series by calling Miss Dorothy Jones at the Recreation Department, CA. 1-2211 or by attending any of the scheduled classes. Fee for the series is $10 a couple.

Classes are planned from 8 to 10 p.m. at the following centers:

Square dancing will be taught on Monday nights at Brookwood Presbyterian Church, 2685 E. Livingston-av; Tuesdays, Thompson Recreation Center, 1189 Dennison-av and Cranbrook School, 980 Bricker-blvd.

Wednesdays, Westgate Shelter House, 3271 Wicklow-rd, and Thursdays, Whetstone Recreation Center, 3923 N. High-st and Southview Shelter House, 1224 Deckebach.

Although classes start the week of Oct. 10, beginners may still join the following week.

Beginners may also still join two classes of stylized American round dancing. Classes are held at Westgate Shelter House Tuesdays at 7:30 p.m., and at Whetstone, Thursday, 7:30 p.m.

Folk dancing is taught at Whetstone each Monday night at 7:30. A 30-minute instruction period will precede each Wednesday night folk dance at Schiller.

New dancers are welcome to join the group at any time.

Rams To Lock Horns With Toothless Bobcats

Bexley To Duel Upper Arlington; St. Charles Mixes With Watterson

A bunch of hungry gridiron animals and a couple of football feasting birds risk their reputation in the kingdom this week as the half-way mark of the season approaches.

It'll be the Rams of Whitehall versus the Bobcats of Grandview in a homecoming affair. The Lions of Bexley are matched against the Golden Bears of Upper Arlington. The Cardinals of St. Charles vie with the Eagles of Watterson.

In another stellar attraction, Bishop Hartley's Hawks take on Scioto Valley.

Eastmoor, sporting a 1-1-2 record, moves on to South. The Bulldogs have split four decisions.

It's the half-way mark with no breathers in sight as both CBL play and City Loop squabbles heat up for area teams.

Perhaps the only predictable outcome will take place at Whitehall where the Rams match forces with Grandview. Thrown off stride last week at Urbana, the host squad figures to come out on the winning side over a punchless and winless Bobcat eleven.

Jim Bline's Whitehall defenses fell apart last week, allowing three touchdowns. Previously they had managed to hold opposition to two tallies in three games.

But the Bobcats of Grandview don't figure to be too much of a threat to last year's CBL champs. They've managed to drop all four encounters thus far and have failed to push across a score in their last two outings. The latest one was a 12-0 blanking at the hands of Bexley last week.

Bexley, riding atop the CBL standings, meets the team that is expected to be there at the end of the season. The Golden Bears had a layoff last week, but thus far bagged three opposing hunters with impressive power.

Ben Tenwalde's crew has jumped off to a jumbled start, winning and losing two. This hot and cold atmosphere could be an omen of how the season for the Lions is likely to turn out. But a victory over Arlington may be just the things the Lions need to ignite a bonfire.

Bob Stuart's Warriors haven't fared too well away from their home fortress this year. Their overall 1-1-2 record, the win being recorded at home, isn't too impressive to impartial observers. But the old Warrior defense has to be rated among the tops in the league and with Nick Cooper and Bob Beniamin in the backfield and with a line anchored by all-league man Dough Van Horn, the snarling Bulldogs of South could be effectively muzzled before the night is over.

The home team's only wins in four outings have been over Grandview, which hasn't won all year long, and over Marion-Franklin, also winless this season.

Watterson figures to be a formidable opponent for Jack Ryan's Cardinal outfit. With the top scoring outfit in the eastern sector, the Card-Watterson match looms as a high scoring affair. In their last two games the Eagles haven't failed to score at least 44 points.

The Bishop Hartley-Scioto Valley affair rounds out this week's card. The Murphymen have teeter-tottered to a two-two record and would like to get back above the .500 mark—not below it. Also, Murphy has yet to have a team with a losing record in 18 years of coaching.

EYE CATCHING EASTMOOR TWIRLERS

CENTER OF ATTRACTION—At any Eastmoor game, home or away, fans on both sides get a glimpse of the Warrior majorettes strutting their stuff. Starting from the left and working around are Bonnie Shoults, Pam Smyser, Sharon Pierce and Barbara Dearth. Head majorette, Marilyn Stevens, center, provides a fine focal point for the never weary attraction.

Warrior's Road Record Drops Another Notch

Eastmoor's record of failing to win on foreign turf was intact Saturday morning. The Warriors failed to capitalize on scoring thrusts that sent them down to a 14-6 defeat against Zanesville the night before.

Nick Cooper started things off right for the men of Stuart with a 15-yard scoot to paydirt in the second period.

For a while it looked as if that push had been enough, as Eastmoor's forward wall met the Blue Devil offensive challenge.

But the home team's Bill Portis pecked his way through for a 45-yard dash in the final canto and Carl Crist navigated an end run for the score.

With the clock running out, Frank Stavroff uncorked an aerial that ended up in the arms of the wrong man, the Blue Devil's Portis. He started out on his own 29 and ended up on the Warrior goal line for a 71-yard pay off.

To sum up: The Warriors will get to thinking they aren't wanted anywhere but at home.

Strong Urbana Stops Ram Streak With 22-14 Verdict

Riding the crest of a "not have been beaten" string tthat extended back to November of 1958, Whitehall's state-rated Rams headed for unbeaten, unscored upon Urbana territory Friday.

By the time the final gun went off, Urbana had been scored upon—twice as a matter of fact, but the men of Jim Bline had had their streak scrapped.

In the first Central Buckeye outing for the Ram outfit, last year's champs went down to defeat 22-14 as Urbana dashed off to a commanding three touchdown lead in the first half.

Whitehall forces couldn't get going until the third quarter when Randy Welsch bopped over from the five for the Rams' first score and for the first tally this year registered by a Hillclimber opponent.

In the fourth period, Dan Gartner sprinted 55 yards to set up the game's final marker. Seconds later he churned over from the 10 for a TD.

All of Urbana's scoring came in the first two periods. Jim Finch passed five yards to Don Harkins for the game's first tally.

As the second quarter got under way, a Whitehall punt found itself in the waiting arms of speedy John Wyants. With a bucketfull of Rams blocking the way, Wyant eluded capture and rode home from 92 yards out.

Later in the same period Harkins connected on a 47-yard pass play to Dave Nash to sew up the game.

Whitehall	0	0	6	8	—14
Urbana	8	14	0	0	—22

Whitehall scoring: Touchdowns—Welsch (5 run); Gartner (10, run). Conversions—Gartner (run).

Urbana scoring: Touchdowns—Harkins (5, pass from Finch); Wyant (92, punt return); Nash (47 pass-run from Harkins). Conversions—Wyant (pass from Finch); Harkins (plunge).

Zanesville Gets More Horses To The Yard As Hawks Lose

BY JOHN POEPPELMEYER

The first homecoming welcome mat in Bishop Hartley's history was rudely received Saturday night when a band of migrants from Zanesville Rosecrans proceeded to tread all over the place on their way to a 20-14 victory.

And, although a court of royal fillies held away at half-time, it was a pair of mustang halfbacks, Zanesville's Mike Hoffer and the Hawk's Buddy Thomas, running roughshod over opposing lines that lassoed most of the crowd's attention.

But in the end it turned out to be the breaks that corralled the win for the Bishops.

Unheralded by scouting reports, 150-pound Hoffer, a back that paws the ground much like the manner of a three-year-old eager to get away from the starting gate, stroked his way through Hawk linemen with the ease of a steam roller squashing a tin can. He scored two touchdowns during the evening, the last a 72-yard end skirt that wrapped up the game.

He was matched in scoring efforts by the Hawks' own Thomas as the two opposing backs, Alphonsed anad Gatsoned their way to yonder goal lines.

The heart of the game that pumped Hartley blood into disillusionment came late in the third quarter.

The Murphymen had marched to the Zanesville 39 from their own 39. With quarterback Bob Gantner cleverly mixing plays through the right and left sides of the Bishop line with first Thomas then teammate Mike Hanf punching the short yardage, the Hawks appeared ready for a giant step to the goal line when fullback Jerry Enrich fumbled into waiting Zanesville hands.

On the first play from scrimmage, Hoffer dented the left side of the Hawks line, angled through the middle of the Hawk secondary and swept into the end zone, a commanding 20-6 lead.

Less than a minute later, Thomas took a hand-off from Ganter, raced through a hole in the right side of the Zanesville line, stumbled slightly at the Zanesville 20 and eluded a couple of frantic opposing backs for a 57-yard score of his own.

The lighter, mobile Zanesville line outplayed the bigger Hawkmen the first quarter. For a while it looked to be a repeat of last year's 46-6 walloping that the Hawks absorbed.

Zanesville grabbed the opening kickoff and with Hoffer and Don Larsen alternately punching into the Hartley line, the boys from out of town rolled quickly to a TD with Hoffer going over from the three.

Hartley forces had the ball twice in the first quarter but failed to impress as the Bishop forward wall refused to give ground.

With two minutes left before the half, and with Larson and Hoffer again the workhorses in the Bishop backfield, the Zanesville crew sent fullback Dave Novaria crashing over for a second tally and a 14-0 lead. That second score apparently jolted Ganter and company into action. They took the kick-off at their own 32. Ganter ran a couple of option plays, threw in a few passes to end Bill Jacob, relied on Hanf's and Thomas' maneuverability and sent Thomas over from the seven with a little more than a minute before the half.

Late in the fourth period, Zanesville faked a kick on the Hartley 38 that went for naught. Thomas, playing with injured ribs, spurted to the Zanesville 46, squirted through Rosecrans' left side for 10 more yards, rested while Hanf beat his way to the 31, then smashed to the visitors' 25.

The thought in fans' minds, "Would they kick or run for the extra points" was quickly resolved. Hanf fumbled and the Bishops ran out the clock.

To sum up: The homecoming welcome mat was rudely trod upon.

Lions Top Grandview 'Cats, 12-0

With the unique philosophy of "if they won't join us, beat them," Ben Tenwalde's Bexley Lions choked off two first half goal line thrusts and passed their way to a 12-0 win on the good arm of Jerry Mechling last Thursday night.

"We decided to adjust to their defense during half-time," Tenwalde said. "But they got stubborn and wouldn't make any alterations. So I told Mechling to just keep passing."

And keep passing Mechling did. He managed to connect on seven of 18 passes for 114 yards and figured in both Lion TD doings.

Steve Tuckerman snared one Mechling pass early in the third period and dove over the goal line for a 6-0 lead.

Mechling plunged from the one-yard line in the fourth period for an insurance effort that, as it turned out, wasn't needed.

The Bobcats had a few moments of their own in the first half. Twice Lion stalwarts were called upon to hold off desperate one and four yard parries at their goal line.

It was an altogether different defensive unit on the Lions part from the one that watched Eastmoor scamper for four touchdowns the week before. Grandview managed only 18 yards in 19 tries last week.

To sum up: A lion's roar drowned out a bobcat's snarl.

Bexley	0	0	6	6	—12
Grandview	0	0	0	0	— 0

Bexley scoring: TD—Mechling (1, run), Tuckerman (3, pass from Mechling).

Fumbleitis Plagues Colts; Change In Lineup Hinted

Massillon Wins 14-0; Detroit Here Saturday

BY BERNIE KARSKO

"Some changes are gonna have to be made," decided coach Gene Fekete regarding the Columbus Colt offense, more lively than an untamed stalion in the first two games when they averaged 42 points but less potent than a dead horse in Sunday night's game at Massillon.

The Blue and White from Columbus not only failed to score in dropping its first decision of the year, 14-0 to an unimpressive Tiger Town Stars squad, but they were only able to cross the mid-field stripe twice.

One of the drives was late in the game when the loss was inevitable. And the other time, with the first stanza nearly over, the misfortune that halted a TD bid told the story of the game.

Charlie Brockmeyer deflected a Johnny James pass, made a one-hand snatch of the ball on the Colt 35 and returned the interception to the 50.

But a couple of plays later, Jerry Fields lost the snap from center, the first of four times that were to happen during the evening and the Colts' bid for the equalizer was thwarted.

In all Columbus fumbled nine times giving up possession on five of those miscues.

The Tiger Towners picked up their first, with only six minutes gone in the game—with their defensive unit in. Colt center Ed Johnson rolled a snap back to Jerry Fields who was attempting to punt from his own end zone line.

It was blocked and the Colts were down for the first time in their young careers.

Karsko

A fumble early in the fourth quarter gave Massillon the ball on the 24 and it only took them five plays to ice the contest. Ivory Benjamin, midget Massillon halfback, bore the brunt of the load in this drive as he did all night.

He picked up 13 yards on a fourth-and-four situation on a play even Frank Leahy wouldn't practice defending against any more—the Statue of Liberty—and carried around his own right end on the next call for the touchdown.

Late in the game a Monnett-to-Hamilton pass put the Colts on the enemy eight. But an interception denyed them a chance to save face and they had to resign themselves to the chant from the stands of: "What happened to the bus the Colts were supposed to get here on."

"The bus arrived alright," Fekete acknowledged, "it's just that the team never quite did.

"I could see this kind of a game coming. It's just too bad it had to happen against Massillon.

Fekete was quick to laud his defense stressing that "they played as good a game as they did all year."

The statistics bore this out. The Colts were ahead in everything but points scored. They led 10-9 in first downs, were out in front in rushing 141-92, topped Massillon in passing yardage and completed nine of 20 to one of three for the visitors.

"If we could have just curbed the fumbling we'd have been in good shape, Fekete lamented. "And the darndest part was that they came when we had easy situations like third and one."

Horace Gillom, former Cleveland ace, still proved his worth.

If he wasn't dropping punts dead on the Colts' own ten, he cranked them off so high that Colt deep men had trouble enough catching the ball not alone running it back for any considerable gain.

"Maybe we're a home-town club," Fekete suggested. Whether or not that's true remains to be seen when Massillon returns the visit, coming to Jet Stadium on Nov. 5.

Meanwhile the Colts have to contend with Detroit, only team to beat Massillon either this season or last, at home this Saturday night. Detroit and Massillon are tied for second place in the league.

"They're fast," Fekete assured, "and you can bet they'll throw more than the three times that Massillon did."

Although Jack Armstrong will still be sidelined Fekete can delight in the fact that Bud Hoffman, formerly of the Los Angeles Rams, will be back in uniform after a two-week tenure on the bench because of a leg injury.

Ray Clark had only managed to get in a couple of practice sessions before he started Sunday night. "He ought to show us a little more too," Fekete said.

Although Fields looked like he might join the injury list, too, when he had to be helped off the field on the last play of the first half he should be ready barring complications. He suffered an ankle sprain.

Larry Buckles ONLY averaged 5.1 yards in 20 tries against Massillon down from his six plu average per try. He's still in peak shape," Feteke assured.

Now that the Colts have learned one of the biggest lessons that a football team can—that nobody is unbeatable—they can get down to the serious business of trying to bring the American Football Conference crown down in their first year in the loop.

JEWISH CENTER STARTS BASKETBALL

The 10th Annual Jewish Center Pre-season Basketball Tournament will start on Sunday, Nov. 6 at 5 p.m.

Teams in the AA and A classification are invited to participate. Only six teams in each category will be accepted on a first come, first served basis. Each division will play five games.

The tournament fee is $42 and must be in the hands of Howard Banchefsky, Jewish Center physical education director, to confirm the entry.

Championship will be decided on the basis of won and lost records.

Admission to the games will be 25 cents for adults, 15 cents for children. Jewish Center members will be admitted free with their membership card.

Call Howard Banchefsky, BE. 1-2731, at the Jewish Center for further information.

Cap Gridders Lose Second, To Wesleyan

"Just too many mistakes," was Coach Jack Landrum's evaluation this week of why Capital University's football team is currently sporting an unimpressive 0-2 record.

After dropping the season opener to Heidelberg, Cap was whipped 40-7 by Ohio Wesleyan Saturday.

Their hopes to get into the win column this week are enhanced by the fact that Hiram has been victorious only once in the last two seasons.

Capital's all-conference halfback from last season, Al White, has been effectively stopped in his first two games, picking up a meager total of 67 yards rushing.

The Saturday game against Hiram at Bernlohr Field will be Cap's annual band day. Game time is 2 p.m.

RAMS TO NAME QUEEN

ONLY ONE WILL REIGN—A more sparkling quintet could not be found, at least that's what Whitehall students think when it comes to naming one of these young ladies as Homecoming Queen. The winner will not be known until game time. Left to right, Alice Nixon, Sally Metcalf, Pat Trees, Judy Yeakle and Nita Williams vie for the crown.

Twirler's Baton Takes Off — Anyone Know Where?

A visitor came to town Saturday and when she left she was minus what amounted to losing a life-long friend.

Gwen Greenfield, a pert drum majorette from Ohio University twirled off at the Capital University game, but failed to find her baton when the contest was over. The baton had been part of her routine since the seventh grade of school.

Anyone knowing the whereabouts of the cherished object can call BR. 4-8060.

Bexley GAC Club Gets National Award

GAC

Girls' Athletic Club had its "political" rush party Monday at Jeffrey mansion. Political banners and posters set the theme, and a skit starring officers and sportsheads presented GAC's "party platform."

Rushees were the Blue Kangaroos. Nancy Levy and Sue Eagleson received free membership into GAC for winning the contests played.

"The aim of GAC is to promote, maintain, and establish athletics in order to secure good physical health, learn better sportsmanship, and create an interest in athletic activities in and out of school," said Bev Greene, president.

GAC received a national award for its physical fitness program from the American Association for Health, Physical Education and Recreation, as a part of its national project, Operation Fitness U.S.A.

The GAC program received consideration for a national award after the club was given a Meritorius Citation by the State Association at the banquet in May.

Miss Love and Miss Donna Robson, girls' physical education teacher, serve as advisors in GAC.

Y-TEENS

Y-Teens, affiliated with the Young Women's Christian Association, will hold a picnic at Jeffrey mansion.

Mrs. Janet Buessem, new English teacher at Bexley, will join Miss Trola McCurdy and Mrs. Antoinette Barr, English teachers, as advisors to Y-Teens.

FTA

"What Greater Gift " will be movie shown at the Future Teachers of America meeting on Oct. 18.

At the last meeting on Sept. 20, Earl Metz of Capital University spoke to the club on the preparation necessary for teaching.

DRAMATICS CLUB

"The curtain is going up for membership in Dramatics Club open to all," said Carole Jolliffe, president. "The first meeting is today."

Looking forward to a good year, James Eliopulos, new Dramatics Club advisor, hopes to encourage members to strive for standing in National Thesbian, a national honorary dramatic society.

The program for the year includes a Dramatic Club play on Nov. 18, a Masquerade Ball in April, and a senior play in the spring, which will be directed by Mr. Eliopulos.

ART CLUB

"This year, in Art Club, emphasis will be on creative workshops and an understanding of contemporary art," said Terry Thall, president, at the first meeting, Sept. 29.

On Nov. 10 the Art Club will be host to representatives of all the art clubs of the public schools of greater Columbus for a special meeting. The club also hopes to sponsor a trip to one of the large midwestern cities during spring vacation.

Not In Cards For St. Charles To Dent Goaline

It's quite a let-down from a 50-point win to a scoreless tie, but St. Charles found out Friday night that last week's laurels don't mean a thing, if you don't win the next one.

The Cards traveled to Lancaster and although they managed to give a good account of themselves, statistic-wise with 205 to 130 total yardage edge, they failed to place the first toe over that goal line.

Two first half threats petered out on the Gales 15-yard line in the first half. A Joe Morris field goal try from 20 yards out with but seconds remaining in the game was blocked and the Cards headed home.

To sum up: A blank check, all the way.

When It Comes To A Birthday Party - The Right Color's An Important Thing

BARRY GETTING PRESENTS
He has a favorite color.

It seems that Barry Kaye has a favorite color—purple.

So when Barry entertained at his seventh birthday party last week he was more than delighted with the arrangements—purple.

Presents were wrapped in purple. Plates were purple. Candy dishes were purple. Even the cake and ice cream were purple.

This one color idea was supplied by his mother, Mrs. Edward Kaye. The Kayes reside at 3089 Ruhl-av.

"We played drop the clothes pin in the milk bottle," she explained. "When I set the bottles out for the milkman the next morning, they still had purple ribbon and gold stars on them.

A magician was also on the purple menu. But he managed to conduct his mystifying feats without the aid of an ultra-violet lamp.

It was a fine party. Twelve of Barry's friends showed up.

They all enjoyed the purple decor and the other purple things.

Only one clash with the color scheme occurred, it is to be assumed.

The kids delved into the purple ice cream and the purple cake until they were—yep,—blue in the face.

City To Make Spot Checks

A demonstration inspection of heating equipment in 30 city blocks will be conducted Oct. 20 by the Columbus Division of Building and Housing Regulations and the Bureau of Fire Prevention.

Purpose of the inspections is to educate people about the dangers of carbon monoxide poisoning which accompanies the cold fall and winter weather.

Area to be inspected, which will be located at various points around the city, will not be disclosed until after the demonstration is over.

During the past three years, carbon monoxide poisoning has resulted in the death of 36 individuals in Columbus.

The findings of the inspection will be made available as soon as possible after Oct. 20.

STUDENTS OF THE MONTH

AT WHITEHALL—Named students of the month at Whitehall-Yearling High School for September were Wesley Orr, son of Mr. and Mrs. Charles W. Orr, of 1031 Shady-ln, and Peggy Snider, daughter of Mr. and Mrs. John W. Snider, of 3580 Petzinger-av. Wes is senior class president. Peggy is class secretary.

Beagles—Not Butler Guilty

Art Miller, a Sandusky pond owner, recently called on wildlife fish management supervisor to help him solve a fishy whodunit.

Art Miller discovered that the bluegills in his pond were dying. He contacted Charles Selden, Wildlife District 1 fish management supervisor, Ohio Division of Wildlife, for help in solving the mystery.

Selden checked the oxygen content of the pond and found that it was satisfactory. In discussing all the factors which might have influenced the fish kill, Miller mentioned that his three beagles occasionally swam in the pond. Miller also recalled that the dogs had been treated with a flea powder containing a small amount of rotenane, an insecticide.

POW Lectures At Two Local High Schools

John Noble, 35-year-old United States citizen who spent nine and one-half years in a Russian prison camp will be a guest at Whitehall and Eastmoor High Schools this week to discuss the two books he has written on his experiences behind the Iron Curtain.

The author of "I Was a Slave in Russia" and "I Found God in Soviet Russia" will be at Eastmoor on Monday, Oct. 10 at 12.45 p.m. and at Whitehall the following morning at 9.

Noble has traveled over 300 000 miles telling the story of his imprisonment appearing several times in Congressional committee briefing sessions.

Both of his books were recently awarded the American Heritage Freedoms Book Citation.

In his local appearances Noble will tell how he and his family were trapped in Germany during World War II.

Comedians, Dogs, Tensions All In Suburbia Today-Today

Noted humorist H. Allen Smith, we are told, falls in love very easily—with places.

He recently broke up with Mexico, and immediately took up with our 50th state, Hawaii. He tells all in the October issue of SUBURBIA TODAY, which will arrive with today's edition of the Eastern Review to paid customers.

Also in this month's issue is a special interview with George Robert Newhart, the freshest and, perhaps, the funniest of the "new school" comedians. Here is his story, from its beginning in Oak Park, Ill., to fame through records, night clubs, and television appearances.

Beth Brown tells how to treat your d[illegible] once you've got him at home, and how you can help him to grow up to be your pride and joy.

A. C. Spectorsky, noted social scientist, examines some of the recent studies on tensions produced by living in the suburbs and finds that they are not as meaningful as they would appear to be on the surface.

Oh, Happy, Happy, Happy is the only way to describe the two full pages of cartoons from the pen of famous artist Charles Saxon. It is also the name of the new book from which these hilarious views of "Suburbia, Party-wise" are taken.

Garden expert John Brimer cautions gardners to stop burning leaves and other autumn wastes. Put them into compost, he says, and turn this fall's raking into next spring's profit

Getting Around, this month, introduces you to a palindrome, some very useful goblins, and a man who's thrown away over 28,000 bottles in the past ten years.

Finally, there's a treat in a new contest for people who hardly ever enter contests, this one involving a wild greeting card, and open to everyone except residents of Europe, Africa, Australia, South America, Asia and Canada.

Eastmoor High School's Warriors' Spear-It

EASTMOOR PLANS CHEERING BLOCK

The varsity cheerleaders are now in the process of organizing a block cheering section for the football games. Any Eastmoor student may participate. The cheerleaders, during their own regular practice sessions on Thursday mornings at 8 o'clock, will teach these students the cheers, the fight song, and our alma mater.

Three new officers have been chosen by the Y-Teens. Marcia Davis is the new Public Affairs Chairman, replacing Connie Long who has moved to England. Sharon Smith has taken the office of treasurer and Martha Braskett is the new membership chairman.

Junior High cheerleading tryouts will be held on Tuesday, Oct. 4, for all eighth and ninth grade girls who are interested. Judging the girls will be Mrs. Barlow, the advisor for junior high cheerleading; Larry Nichols, president of student council; Mr. Goss, the vice-principal; Miss Miller, the advisor for the senior high cheerleaders, and last year's junior high cheerleaders.

Tom Reich and Mike Kohar, two Eastmoor students, were fortunate enough to win art scholarships given by the Columbus Art School. Tom received a one-year scholarship and Mike received a half-year scholarship. Schools from all over Franklin County were represented in the Art School competition.

Officers and advisors of Senior FTA will attend the FTA State Conference at the Ohio Youth Center on the state fairgrounds on Oct. 14 and 15. There will be films, a "get acquainted" party, a report on the Chicago Conclave given by Miss Anne Gastier, an address by Joseph Andrews, and three workshops. The students going are Arlene Mara, president; Judy Hillson, vice-president; Connie Rau, treasurer; and Janet Gray, secretary. Miss Glessner, the advisor, is also attending.

Eastmoor's reserve football team defeated Linden McKinley last Thursday, 14 to 6. The Warriors overcame a 6-0 deficit to score in both the third and fourth quarters.

The United Appeals held its third annual Student Editor Press Conference Monday, Sept. 26, in the Southern Hotel for Columbus high school journalism students. Seventeen students attended. Carolyn Farkas and Kathie Kelley represented Eastmoor at the conference.

Our principal, Mr. Mayer, will speak on the subject "The Advisor's Roll in the School Publication" at the convention of the Journalism Association of Ohio Schools which takes place at the Ohio State University on Oct. 7 and 8. Gil Feiertag and Kathie Kelley have been selected to interview the famous Broadway columnist, Earl Wilson, who is one of the main speakers. Also attending the conference will be Barbara Pursell, Michele Smith.

Carl Naumoff, president of the Eastmoor Boosters Association has announced that a total of $2,305 was collected on the annual membership drive Wednesday, Sept. 28. He and Mr. Mayer would like to thank the community for its fine support.

George Snow and Cleon Harlan, two Eastmoor graduates of last year, are now in the Marines in San Diego, Calif.

Vikings Smear Little Bucks 37-8

Academy's Vikings unleashed a hurricane offense to romp over an outclassed and outmanned University eleven last week, 37-8 in a Franklin County League opener.

The Little Bucks failed to stop the Viking juggernaut on the ground and in the air as the eventual winners tallied on kickoff returns, passes and plunges.

Academy grabbed a 20 to 8 halftime lead, highlighted by Bruce Draudt's 85-yard kickoff return in the first period.

Not satisfied with the way things stood, the Vikings racked up 17 more points in the third quarter to win going away.

To sum up: Ample warning for the rest of the league.

Presidential Candidates Continue Their Debates

By Charles Rampp

The great debate between the presidential candidates will continue on Channel 10 this Friday from 7:30-8:30 p.m. Although many people are not referring to this discussion as a debate, most of the viewers share other opinions.

This is a rare opportunity, unmatched since the Lincoln-Douglas match, to see national personalities under pressure present their opposing opinions and arguments to both friendly and hostile audiences.

Opinion on the first match was that the candidates were feeling each other out, and can be expected to open up this week and engage in a little more free-swinging.

It will be interesting to observe the possible effects of these debates, since, for the first time, candidates will have an audience composed of not only their own convinced partisans, but also many members of the opposition.

Speaking of fights, the Gillette "Fight of the Week" begins a new season on a new network and a new evening, starting Saturday at 9 p.m. on Channel 6.

The dramatic story of the capture of one of World War II's most notorious criminals, Adolph Eichmann will be told on Wednesday, Oct. 12, at 10 p.m. on Channel 10. Eichmann was one of the leaders of the persecution of Jews in Hitler's Germany and was run to earth in Argentina by agents of the country of Israel.

With many comedians of today specializing in non-funny humor, it is refreshing to note that Victor Borge will appear Thursday, Oct. 6, at 9:30 on Channel 6.

Borge's humor is still funny, and his musicianship is beyond suspicion, if not a caliber to rank with the very top men. The just-mad-enough Dane will sketch a concert version of Grieg's Piano Concerto styled by himself for Latin-American performance.

His talent for showmanship extends to the company he keeps on his evening shows, and this week, Izumi Yukimura, Japan's top recording star will join him. Borge is scheduled for a comedy sequence in which he will interview Franz Liszt.

Walt Disney this week has prepared ways of making the "Plausible Impossible." He will explore the ways that fantastic things are made rational in art and literature.

University Hall is holding classes again on Channel 10, each Monday at 7:15 a.m. Ohio State's Dr. Samuel Renshaw will be conducting his internationally-known effective reading course this semester.

This course definitely places the emphasis on audience participation. It is intended for anyone of junior high age up, and is designed to improve reading speed and comprehension abilities.

Dr. Renshaw's basic tool on the program is the tachistoscope, which he invented himself. This is primarily a timing device for varying exposure time of material presented to the students to be read. He reports good success with his device and methods.

Death Valley Days, one of the better and more historically true westerns, moves to a new time, channel and day. It now appears on Thursdays on Channel 10 at 9 p.m., beginning Oct. 6.

Phil Silvers and Polly Bergen will co-star in a new show beginning Saturday, at 8:30 p.m. on Channel 10. The name of the program "Just Polly and Me" pretty well covers the format, as Silvers and Bergen will depend almost entirely on their own talents to fill an hour show.

This is a new experiment, one might say the opposite of the many recent spectaculars in which many talents are crowded into the same time span.

Odyssey of the highways, sums up the advance view of "Route 66" appearing on Channel 10, Friday at 8:30. This new show will feature not one, but a pair of adventurers, and unlike Odysseus, they have an automobile.

Another premier show will be "Mr. Garlund," a tycoon-detective, working out of San Francisco, on Fridays, 9.30 p.m. on Channel 10.

"This Man Dawson," another crime fighter, appears on Channel 10 Thursday, at 8 p.m.

Wide Range Offered In 'Y' Classes

Columbus YMCA Adult Informal Evening School opens for a nine-week term, Oct. 10. Classes meet one night per week for 90 minutes. Thirty-six courses, some divided into "beginning" and "intermediate" are offered on a Monday-to-Friday schedule by a faculty of 28 instructors.

Included are such diverse subjects as astronomy, dancing, investments, firearms, painting, creative writing, Russian, German, Spanish, French and "Planning Your Wedding." Also mathematics, sketching, photography, first aid, interior decorating, public speaking, real estate, rapid reading, fencing, and bridge, along with such substantial fare as "Great Decisions," "Interpersonal Relations," "Faith," "Practical Politics," and "Understanding Human Nature."

Enrollment may be made by mail or in person. Complete information may be secured by calling the Program Department of the Central YMCA at CA. 4-1131.

Informal Evening School is directed by Donald S. C. Davis, assisted by Robert Mason.

The committee includes Leland McClelland, cartoonist of Byer and Bowman, chairman; George Borelli, psychologist, Columbus State Hospital; Dr. Edwin Hamilton, physician and surgeon; Kurt Kindle, attorney; James McGinty, attorney, IR Dept.; Dr. George Novotny, North American Aviation; Beatrice Thurell, Ohio Bell; Dean Williams, chaplain, Columbus State Hospital.

Plan Holiday Mailing Now, Urges Rowe

Postmaster Allen M. Rowe urged the public to plan now for mailing Christmas parcels to friends and relatives in other countries.

Long sea transit, customs inspection and other formalities may delay parcels considerably, Rowe said.

Surface parcels mailed not later than the following dates will normally be delivered before Christmas: South and Central America, Nov. 10; Europe, Nov. 10; Africa, Near East, Nov. 1; Far East, Oct. 15.

The postmaster recommends that airmail packages be mailed during early December to reach the addresses before Christmas.

The period Nov. 1-20 is designated for mailing ordinary Christmas parcels to members of our Armed Forces overseas to assure delivery before Christmas. Airmail parcels should be mailed before Dec. 10.

Rosemore's 'Little School' Takes Cooperative Methods

They've got schools within schools at Rosemore Junior High in Whitehall.

Actually, the set-up involves rooms, but these rooms are known as the "little schools" and are made up of three classrooms, three teachers and approximately 100 children.

The idea behind it all is to inaugurate a cohesive multiple-study method of learning. The kids are taught math and science, social studies and language arts.

The purpose is to test the possibility of the improvement of classroom instruction. Mrs. Doris Coy, instructs math and science; Mrs. Helen Moore is language arts teacher, and Mrs. Erma Crossen delves into social studies.

Much of the project is also pointed to preparing the junior high youngsters for high school, getting them adjusted to the daily, elementary type schools are set up in a self-contained classroom situation. This means partmentalization phase. Generally, elementary level may have difficulty teaching the battery of subjects usually required. Some instructors are strong in one area, weak in another. With the method devised at Rosemore they need concentrate only on their specialties.

In areas where teachers are weak, they sometimes tend to let that particular subject slide. This, within the little schools, will be avoided.

The little school concept is to be carried on for one year. Continuance of the idea will depend upon the success during that year. If found successful it could be extended.

Eventually, Whitehall educators hope to be able to determine exactly what the best program would be to put forth to the children, which would have the most educational value in the long run.

Scholarship Tests Set For Juniors, Seniors

At a special assembly last week, Hartley principal Rev. Robert G. White made known to the juniors and seniors plans for various scholarship and college entrance tests.

Juniors will be eligible to take the National Merit Scholarship Tests Mar. 7. This test is administered yearly for the purpose of awarding scholarships on the basis of ability and financial need.

This year the seniors will be given an opportunity to take the ACT tests, required for entrance into most colleges. These measure the students ability to comprehend material in such fields as English, Mathematics, Social Studies and Science. The ACT tests are administered at local colleges and universities at various dates throughout the year.

Father White also announced plans for a college night sometime this year at Hartley. This college night, where representatives of various colleges will speak to the students, is designed to assist the students of Hartley after they have graduated by helping them to make an intelligent choice as to their future lives.

Officers for the 1960-61 CSMC executive board were elected recently in a general election throughout the school. Phip Feldemeir was named president; Peggy America, vice-president; Karen Stopper, secretary; Jim Fairbanks, treasurer.

Sister Mary Gregory, SND, moderator for the CSMC announced plans for the organization of the CSMC on a home-room basis soon. The CSMC, whose purpose is to assist missions at home and abroad, also has two other items on the immediate agenda.

The first is the inauguration of officers in an assembly to feature Msgr. Culp, the Diocesan director of the CSMC. Second is the annual costume ball to be held around Halloween time. The proceeds from this dance will be sent to aid missionaries in need.

Woman Sues For Back Pay

A $1,310 suit has been filed against the City of Columbus by Mrs. Roxie Bowman for back pay she claims the city owes her for taking care of a park in Hanford Village.

Mrs. Bowman claims the city owes her $910 for care at $35 a month, plus an additional $400 for cleaning the park after the spring flood in 1959.

The city assumed all of the debts of Hanford Village when it was annexed last August.

Cap Completes Standards For Nursing School

The appointment of a nurse with 18 years' experience as instructor of pediatric nursing has completed standards needed by Capital University for full accreditation from the National League for Nursing, Dr. Harold L. Yochum, president, has announced.

The new instructor is Mrs. Phyllis Mealy, a graduate of the Cook County, Ill., School of Nursing. Mrs. Mealy took a post-graduate course in child development at the Merrill-Palmer School and earned a master of arts degree from the University of Chicago with a major in nursing education.

Mrs. Mealy is a member of the American Nurses Association and National League for Nursing.

Capital University's Department of Nursing received full accreditation from the National League for Nursing, including beginning positions in public health, last May.

A total of 95 girls enrolled in the university's nursing course, including 40 freshmen.

Geneva Bridges Ends Course

Pvt. Geneva M. Bridges, whose parents, Mr. and Mrs. Albert C. Webster, live at 84 Frambesav, completed the typing and clerical procedures course at The Women's Army Corps School, Fort McClellan, Ala.

She entered the corps last May and completed basic training at the Alabama fort.

Private Bridges, 20, is a former student of Whitehall-Yearling High School and was employed by Cleary and Deal Tire Sales before entering the corps.

Tweenage Friendship Clubs Begin Oct. 9

The Columbus Jewish Center Tweenage Friendship clubs and special interests groups will begin Sunday, Oct. 9, with the showing of a special film reviewing the Summer Tween Camp.

Registration will also take place for the social dance and grace class, junior art class, horseback riding course, Bialik Book Club, Junior Sportsmens Club and Tween Drama Group.

Mrs. Julius Margulies, Tween Committee chairman in making the announcement, stated that this would be one of the biggest years in Tweenage programming in the history of the Jewish Center. "We have enough quality and variety of programming that we can now adequately serve the tastes and desires of all youngsters of the sixth, seventh and eighth grades."

Registration of the Tween Art Course, beginners and advanced, will be conducted by Mrs. Joan Ungar; Tween Horseback riding Course for beginners and advanced by Mrs. Carole Shapira and Ron Silverstein; the Bialik Book Club, by Mrs. J. Rosenfeld; the Junior Sportsmen Club by M. Shapior; the Drama Group by Harold Eisenstein. All open courses will be for registration in the adult lounge at 2:30 p.m., Sunday, Oct. 9.

Interested participants are invited to call Paul G. Rosenfeld, BE. 1-2731, Tween Director, for further information.

Johnson Park Cheerleaders Are Named

Student Council officers and cheerleaders have been chosen at the Johnson Park Junior High School, Principal John Young has announced.

Student Council officers selected at a meeting of the representatives were: Ton Dawson, president; Marilon Reed, vice-president; Ron Bollie, secretary; Jay O'Neill, treasurer and Dennis Day, sergeant-at-arms.

Cheerleaders selected by a faculty committee were Melva Gornall, captain; Marianne Maughan, Carole Rader, Suzanne Sage, Diane Tamanini and Kathy Westover. Mimi Culver and Terrie Dennis were picked as alternates.

There were 96 candidates for the cheerleading posts.

American Legion Donates Books On Communism

Donation of books on communism to seven schools, public and college libraries by Bexley Post No. 430, American Legion, was announced by Commander Victor Funtjar, 1064 Eastmoor-blvd.

The books donated are "Masters of Deceit," by J. Edgar Hoover, director of the Federal Bureau of Investigation, and Volume 1, "The Communist Ideology," in the "Facts on Communism" series recently launched by the House Committee on Un-American Activities.

Receiving the books were Bexley, Eastmoor, St. Charles and Bishop Hartley High schools, Capital University, and the Bexley and Whitehall public library branches.

UNITED APPEALS DRIVE BEGINS

ORGANIZE DRIVE—This year the United Appeals Drive is using military-type titles for its workers. Mrs. John H. Rosemund, "Colonel" of the drive in her area, is handing out material to the "Captains" who will be working with her. Seated from left to right are Mrs. James W. Miller, 3236 E. Livingston-av; Mrs. Ralph Richards, 1048 S. Hampton-rd; Mrs. James Baker, 1082 S. Hampton-rd; Mrs. Edward Hall, 1088 S. Ashburton-rd. Standing are Mrs Margaret Gipple, 1031 S. Hampton-rd, and Mrs. Pat Eisenberger, 1087 S. Ashburton-rd. The area covered by this group in the drive this month was from E. Livingston-av on the south to Olney-dr on the north and east, and to James-rd to the west.

EASTMOOR HAS THREE IN SCHOLARSHIP ELITE

Three students of Eastmoor Junior-Senior High School have been named semi-finalists in the 1960-61 National Merit Scholarship competition.

They are Richard England, 927 Byron-av; Ann Goldthwaite, 4891 McAllister-av, and Sandy Maxwell, 1056 Billie-dr.

Principal T. H. Mayer said the semi-finalists now move a step closer to winning a four-year merit scholarship to the college of their choice.

The local students are part of a group of 10,000 high-scoring students on qualifying tests given in more than 15,000 high schools last spring. All states and territories of the U.S. are represented.

The group will take final tests, lasting three hours, on Dec. 3. Those who become finalists (95 per cent have in the past) will be eligible for scholarships awarded by 115 organizations.

Names of the Merit Scholars will be announced about May 1.

Few Changes Ordered For Fishermen

Another liberalized fishing season is in store for Ohioans in 1961.

This was assured when the Wildlife Council at its recent meeting announced that regulations would remain the same as for 1960 with only a few minor exceptions. The season runs from March 1, 1961, to Feb. 28, 1962.

A number of suggested changes were discussed at the annual fish and game hearings in Columbus, June 23. Present were two delegates from each of the six Wildlife Districts.

The fish and game council turned down a suggestion that the spearing of northern pike be permitted on an experimental basis in three northern Ohio creeks.

The use of trot lines in well-defined areas of the Seneca, Clendening, Tappan, Atwood and Piedmont Lakes, of the Muskingum Watershed Conservancy District, was approved.

In another regulation concerning trot lines it was agreed that the aggregate number of hooks on all lines may not exceed 50 in the particular stream where used. Another eliminated all regulations on the taking of clams or mussels.

Float line fishing will be permitted for the first time on all lakes where motors are not permitted. In another order it was decided that an angler could use a maximum of 50 drop lines with one hook each for catching fish or turtles.

Wanted At Whitehall: National Geographics

An effort is being made at Whitehall-Yearling High School to assemble a complete collection of National Geographic magazines from 1940 to the present, and if possible, earlier.

Collections of a few years are complete, other years lack from few to many issues. When the collection is completed, the magazines will be bound and become a permanent part of the growing library.

The National Geographic is an excellent reference tool for many high school classes. If you have or know of magazines which may be added to the collection, call William Banks, science teacher, at BE. 5-0239.

CityPlanning Safe Holiday

Now that October has arrived, youngsters are already thinking about goblins and ghosts due to make an appearance at Halloween. In order to help groups plan for the forthcoming Halloween activities, the Columbus Police Department the, public schools and the recreation department officials urge parents to help carry out a safe and happy Halloween by confining the various penny, beggar or trick nights to Monday, Oct. 31.

It is hoped by these officials that no neighborhood visiting by the children will be made on Sunday, Oct. 30, or on Saturday, Oct. 29, which is a traditionally heavy night for traffic.

The local recreation department will be conducting the various community Halloween parties at the recreation centers on Halloween night, Oct. 31.

Traditional school and community parties for youngsters have made Columbus one of the few cities having a low vandalism record during the Halloween season.

Hunters Asked To Cooperate In Mail Survey

The Bureau of Sport Fisheries and Wildlife, Washington, D.C., urges all waterfowl hunters who have received registration cards with the purchase of their Federal duck stamps to cooperate with the government by filling out and promptly returning them.

The double postcard forms are handed to purchasers of duck stamps at 1400 post offices. One-half of the card is to be filled out by the hunter and returned at once to the Bureau. The other half is to be retained as a sort of scorecard on which the hunter can list the numbers and kinds of waterfowl which he bags during the coming season, and the number of days he hunted.

"This sample of hunters who return the cards," said Director Daniel Janzen, "will receive questionnaires at the end of the hunting season in which they will be asked to report their seasonal hunting success. Cards from everyone contacted are necessary to make our sample representative of the entire hunting population."

Chief purpose of the survey is to determine as accurately as possible the extent of the waterfowl hunting kill for the season in order that a proper balance between the harvest of thes birds and the hunting regulations may continue to be maintained.

ADDS ROOMS

John Utsinger, 410 Maplewood-av, received permission to add a bedroom and bath. Mid-States Construction Company is the contractor.

Bond Issue, Maybe?

Courtright Case Reset

Lunch Fund Down

Whitehall School Board failed to meet Tuesday night, but Superintendent Robert Crabbs had a bit of news to announce from his standpoint.

Crabbs reported that the school's attorney Morton Isaac had revealed that the Supreme Court had failed to allow any of the motions previously presented by Columbus in preliminary hearings.

Crabbs termed it "a victory for our side, as it puts us in a more favorable position for the remainder of the case."

He said that the next hearing will be held near the end of October.

"Columbus filed a petition, which in our way of thinking raised some irrelevant issues," Crabbs pointed out. "We feel that it is more important as to which party is more in the right."

The Supreme Court apparently agreed with the Whitehall attorney for the time being and gave Columbus 20 days in which to file a new petition.

Since the board did not meet this week, a "regular" meeting date has been assigned to next Tuesday.

Crabbs said that one of the biggest problems to which the board has contend is the constantly increasing number of students and the amount of space available.

"We hope to make a controlled study of the growth of enrollment that could lead to a plan for building expansion."

The superintendent did not rule out the possibility of a bond issue in 1961, "even before the November election in that year."

"We know that we must have additional areas by 1963 if we are to maintain our present level of operation," he pointed out. "We are thinking very seriously about the possibility of proposing a bond issue sometime within the next 18 months to two years."

Crabbs also noted that the cafeteria fund is $594 in the red. "Common for this time of the year," he reported, "while we are trying to build up inventories."

He said that he hopes the schools will be able to employ the same practice this spring as that of last year when school lunches were reduced a nickel.

Bexley Rules Commercial Zoning Out

By John Poeppelmeyer

Shades of Whitehall!

A lively debate erupted in moderate fashion over commercial zoning in Bexley Council chambers Tuesday night.

In the end, council unanimously held sway by rejecting a request to zone a tract of Livingston-av between Francis and College-ave commercially. But not before both sides had used a heavy amount of salesmanship and savvy to convince the other side that each was right.

For the rezoning were Louis Viereck, the man who owns the land, and Bernhard Reuben, to whom Viereck wants to sell the land.

The verbal fracas got under way with the announcement by solon William P. Hunt that his committee had turned down the request and recommended that council do likewise.

When Viereck questioned the decision, Hunt replied that "there has to be a stop somewhere" of commercial zoning, and that "nearby residents objected" to any such consideration.

Viereck and Reuben both told council that the land was good for nothing but commercial zoning. They echoed one another with the statement that it was a busy location, not fit for either apartments or any other type of residential units.

Both solon Carl Garshelis and Council President Charles Kurtz, Jr., said they were thinking not of any new residences but of "protecting the residents who live there now."

According to Reuben, the site had been selected for an approximate $100,000 shopping center with professional type buildings.

When the zoning proponents mentioned increased revenue as a factor of desirability, Kurtz replied that "we aren't thinking about revenue as much as we are concerned with the happiness of the people."

Viereck argued that the area; "as it now stands, is good for nothing . . . you should declare one way or another."

Kurtz: "We'll leave it alone, that'll be better."

Viereck: "That's the easy way out."

Garshelis: "I for one, and Mr. Hunt for another, do not want any more businesses there. We have to put a limit someplace. Bexley is a fine residential area. I am not going to approve it."

The rest of council agreed. The request was nixed by a unanimous vote.

Another surprise was in store for the solons.

Solicitor Howard C. Park had been notified that the Franklin Regional Planning Commission is asking the city for an increase in financial aid from five cents a person to 12 cents. The total amount would jump from $600 to $1,713, Park told council.

The reason, Park explained, is that the planning commission is "getting more and more into an assistance program for metropolitan subdivisions."

Council made no comment, but went on record as considering the request.

Some 11 Bexley residents will be notified, via increased tax duplicates, that they owe the city money for taking care of weeds on vacant lots. The total owed: $191.55.

DUKE'S GRAVE
The Way Of Life

Her Dog Is Missed 'Terribly'

Cindy Sue Ortman's little Beagle hound "Duke" is dead—poisoned.

Cindy, who lives at 532 Robinwood-av and attends the sixth grade at Rosemore Junior High School, came home one day last week to find the puppy as sick as a puppy can be.

That was on Thursday. On Saturday he died.

According to Cindy's mother the veterinarian said "Duke" died of caustic poisoning probably from "something he picked up" in his wanderings.

Cindy had raised the dog from the day he was born, cared for him, fed him, and kept him clean. The Beagle was only 9 months old at the time he died.

In memorandum of the lost puppy, Cindy has buried him in

East Sider Receives South Sider's Help In New Rec Project

By John Auble, Jr.

If an East Side minister ever gets a successful athletic program underway for area youth, you can credit South Side YMCA secretary Cap Hoover with an assist.

Rev. Marcus Buehrer of the Grace United Church of Christ—formerly the Wilson Avenue Evangelical and Reformed Church—is currently laying the foundation for an athletic program in the east-southeast area.

Hoover is handling the organizational end of the proposition.

"The program is green at this stage of the game," Rev. Buehrer stated, "but I have found the interest in such a project very good."

Part of this "good interest" is being generated by Hoover, who has been long known for his work with youth in the South Side area. It was Hoover who began the West Side MOWAC Club — a church group of Men of West and Central High Schools.

"I never knew Cap very well," the minister said. Rev. Buehrer has been in the Columbus area just two short years.

How did he manage to get Hoover interested in helping the program? "It wasn't very hard," he said. "I play in a volleyball league at the Central YMCA with South Side 'Y' executive secretary Jim Wagner.

"Through Jim I found out the work of the South Side 'Y'. He suggested that I get in touch with Howard Henry, secretary of the South Side Council of Organizations."

Hoover was contacted by Henry just two weeks ago, and already the East Side Recreation project boasts of having eight teams in the Junior High League, along with Senior High teams.

"We're even organizing leagues for the girls," Rev. Buehrer said. "We haven't, however, had as much response from them."

Rev. Buehrer stated that he has thus far contacted 13 churches in the east end area. Eight of the churches contacted expressed a distinct interest in the program. They include:

Grace United Church of Christ, Shady Lane Presbyterian, Reformation Lutheran, Faith Lutheran, Eastview Methodist, Christ Methodist, Brookwood Presbyterian and the Wilson Avenue Christian Church.

"I didn't realize the large scope of the project when I undertook it," Rev. Buehrer admitted. "But I'm certainly glad to see the interest being generated in the program."

Rev. Buehrer stated that he originally intended to contact the Central YMCA to handle the project. He later learned, he said, that the Central "Y" presently has no plans for extending into the East Side.

The South Side "Y" then informed the minister that it would undertake the project.

The basketball league is scheduled to play its games at Courtright School every Tuesday, Wednesday and Thursday

EASTERN CIVIC CLUB MEMBER REV. MARCUS BUEHRER AND LIVINGSTON TREES
A Curve In The Road Would 'Keep 'Em Growing'

Will City Spare The Trees If Livingston Is Extended?

A string of trees, some 50 feet in width, is barring the way for any proposed extension of Livingston-av.

Or, it could be looked at the other way.

Any proposed extension of Livingston-av means that the trees may have to go.

It all depends upon what side of the fence the trees are viewed from.

For members of the Eastern Civic Organization, both the trees and the road extension could be kept.

City engineers, naturally, are looking for the most practical and economical way of doing things. The engineers are not committed one way or another on the problem.

According to Ray Dietz, Superintendent of Parks, the engineers and the park commission "just don't know yet."

The strip of trees in question lies just east of the termination point of Livingston-av near Latimer. Livingston picks up again on the other side of Big Walnut Creek.

The proposed route is across the creek to tie the two ends of the lonely Livingstons together.

The entire location is in the promimity of the site of the yet to be constructed Walnut Ridge High School.

The main point that civic members and park commission members have so far reiterated is that vacant space exists on either side of the strip, therefore making it unnecessary for the extension to rip out the trees for the Livingston extension.

Eastern Civic members and the parks commission feel that the road could curve around the trees, "either to the north or to the south," as Dietz put it.

Trees in the controversial grove consist of pines, oaks, maples and other varieties. "It's a pretty spot," Rev. Marcus Buehrer, a member of the civic organization pointed out. "We'd like to keep it that way. There aren't many trees left these days anyway."

William Cransley, of the Parks Commission, stated that "it looks like the engineers want to go right through. But it wouldn't take that much more to curve around the trees."

Dietz pointed out that from the engineers' point of view, a 60-foot dedication lies at the spot the trees are on. It will probably be two years before the extension is ready, Dietz said.

But Rev. Buehrer feels that it is the organization's and the residents' duties to get started on trying to save the trees "before it is too late."

Paul Gearhart, president of the Eastern Civic Organization, is out of town and could not be reached for comment. His group, however, is solidly behind the move to stop the trees from going.

ART EXHIBIT STARTS AT ST. MARY'S COLLEGE

Lovers of art can have a field day at St. Mary's of the Springs College starting Sunday, Oct. 16.

Exhibitions of contemporary paintings by two local artists will highlight the first art show of the 1960-61 season continuing through Nov. 6.

Paintings by Richard Pugliese and Georgianna Bullock can be viewed in the art gallery of the Wehrle Art Memorial on campus. Director is Timothy Smith.

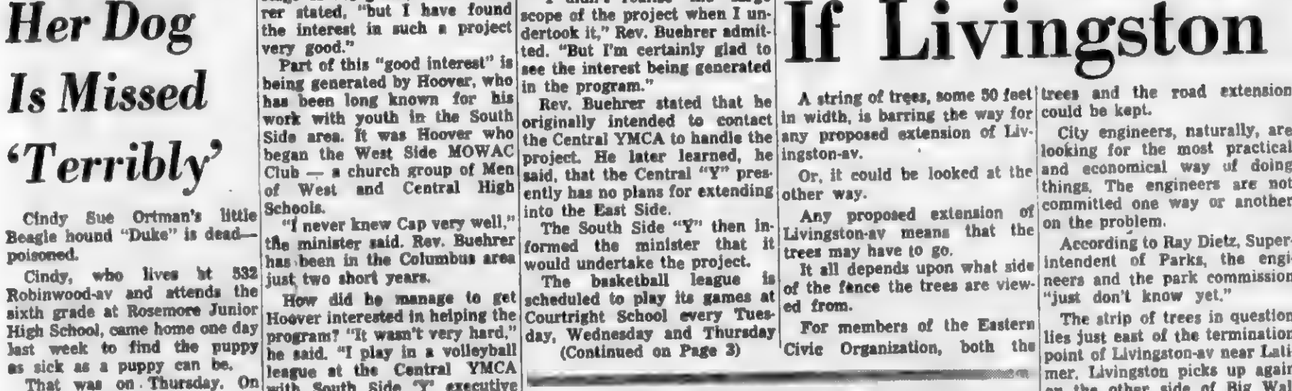
Deluged With Calls

"My husband got so many calls— he is deluged with work and could not take care of all the response." That's the word we got from Mrs. William D. Hunt, 328 Collingwood-av, after he ran a Hartley Classified Ad offering to do yard work, painting, cleaning and other odd jobs. It pays to advertise! Call BR. 4-1155.

First Reports Heard From UA Business Effort

The Bexley and Whitehall section of the small business solicitation in the 1960 United Appeal campaign just got off the ground during the first few days of the campaign.

Bexley reported 8.9 per cent of its $3,002 goal. Whitehall had 2.3 per cent of a $2,588 quota. Both Royce Huegley, Bexley chairman, and Fred Fisher, Whitehall chief, were expecting to hit high gear this week, and were hopeful their quotas could be reached by the end of the drive, Oct. 25.



Christ Lutheran Laymen To Talk

Universal Laymen's Day will be observed at Christ Methodist Church, 1480 Zettler-rd Sunday, Oct. 16. Taking part in the 8:30 a.m. worship service will be C. Edward Turley, assisted by Roger Perry, Floyd Williamson, William Liebersbach and Howard Griffin. At 10:45 Brice Zimmerman, lay leader in charge, will speak on "TV or not TV."

Kiwanis Okay Election Issues

Endorsement of vital issues in this fall's election have been forthcoming by the Board of Directors of the Eastern Columbus Kiwanis Club.

Harry R. Patterson, Kiwanis secretary, has announced that the Directors have voted to support the four bond issues and one levy to be handed before the electorate of Columbus and Franklin County Nov. 8.

ARTIST'S VIEW OF THE NEW EDUCATIONAL UNIT, GOOD SHEPHERD LUTHERAN CHURCH

EDUCATION UNIT SET AT GOOD SHEPHERD

Another important milestone in the rapid growth of Good Shepherd Evangelical Lutheran church will be reached Sunday, Oct. 23.

At 3 p.m. the congregation will dedicate a new $56,000 educational unit at the 211 N. Merkle-rd site.

Dr. Stanley Schneider of the Lutheran seminary at Capital University will deliver the dedicatory address and Pastor Richard Bosse will be the liturgist. The church choir will provide special music.

Fred Kreutz, contractor, will present the keys to Frederick Stritzel, architect, who in turn will present them to Theodore Horst, president of the congregation.

Until now, approximately 275 Sunday School youth have been meeting in the basement of the parsonage.

In January 1952, the church site was purchased by the denomination's Ohio District Mission committee. Original work to expand the church in north Bexley and adjacent areas was led by Rev. Norman Wegmeyer, Dr. E. C. Linder and Dr. Otto Ebert, and Miss Maxine Schumann. First services were held in the Maryland Avenue school.

Christ Lutheran church purchased the two lots on which the parsonage stands and presented them as a gift to the new church.

The first unit of Good Shepherd Lutheran was dedicated Apr. 26, 1953. The new parsonage was started in the following year.

The present pastor, Rev. Richard Bosse, was installed Aug. 14 of this year. He was preceded in the pulpit by Rev. Robert Reiss and Rev. Norman Wegmeyer. Rev. Schneider of the seminary staff has served as interim pastor on two occasions.

East Columbus Rec Center Offers Activities All Year Long

How goes it with the recreation department at this time of the year?

The staff at East Columbus would be the first to admit that the school season is far from being the off-season.

"In fact," outlines, new director Jack Blackburn, "things are just starting to pick up."

Along with Jeanne Kinsel, who is in charge of arts and crafts, and with Thomas Golden, athletic director, Blackburn has a host of ideas for keeping kids occupied in the after school hours.

The staff headquarters is in the basement of the East Columbus School at 738 Rarig-av.

Activities are offered at no charge and include ballet, basketball, football, music, dramatics and a host of other carefully planned recreational menus.

At the present time, the staff is looking forward to Halloween in addition to starting a model car and plane club and a cross country team.

Miss Kinsel's pet project is a service organization for girls. Golden is instigating a football team for boys 14 and under to play and independent schedule. "All of them will be under 115 pounds," he stated.

The line-up for age groups: On Mondays, Wednesdays and Fridays, kids from grades one through three take over from 3:30 to 5:30 p.m.

urdays, youngsters in fourth through sixth grades have the floor during the same hours.

The rec center, however, is open week days from 3:15 to 9:30 p.m. and Saturdays from 9 to noon.

Blackburn and company supervise the play activities of approximately 120 youngsters a day. The whole agenda of course, is under the supervision of the Columbus Recreation Department.

Between now and the first of the year, such varied projects as bowling, intramural contest in shuffleboard, checkers, chess and table tennis will be offered.

In December, a Christmas bowling tournament is slated on the agenda.

After January, basketball begins along with four shooting tournaments, badminton and volleyball.

Next spring, in April, the city championship bowling tourney pops up. Tennis, horseshoes, softball, kick ball and Junior Jet League instructions will all get underway when the weather warms up.

All in all, the East Columbus Center's rec program offers something for every youngster at all times of the year.

evenings. Six teams a night will be scheduled to play.

As for financing the program, Rev. Buehrer explained that the cost would be divided among the participating churches. Each church will be expected to pay about $3 a game to handle renting the gym and paying referee expenses.

The main reason Rev. Buehrer chose to undertake the project was this:

"I noticed in my own church that there were a lot of boys who just couldn't make the high school or junior high teams. Our inter-church league will give them a chance to express their abilities and pick up new skills."

Rev. Buehrer is active in the YMCA Businessmen's Club and resides at 1226 Shady Lane-rd with his wife, Jane, their son, Timmy, 4, and daughter, Elizabeth Ann, 1½.

The minister, himself, played on the Ridgeville Corners basketball team which took the Henry County championship for four straight years.

He was graduated from Heidelberg College in 1955 and from Eden Seminary (St. Louis) in 1958.

Semi-Sweet Orange Bars

1⅛ cup sifted Robin Hood all-purpose flour
1½ tsp. baking powder
½ tsp. salt
½ cup shortening
½ cup sugar
1 orange rind, grated
2 tsp. vanilla
1 egg
¾ cup orange juice
1—6-oz. pkg. Nestle's semi-sweet chocolate morsels

Sift together flour, baking powder and salt. Blend together shortening, sugar, orange rind and vanilla and beat in egg. Add flour mixture alternately with orange juice. Add morsels. Spread in greased pan 15"x10"x1". Bake 25 minutes in 375 degree oven.

Spread while warm with this glaze:

1 cup sifted confectioner's sugar
2 tbsp. orange juice
1 tbsp. grated orange rind

Combine sugar, orange juice and rind and stir till smooth.

Cut in bars 3"x1". Yield—approximately four dozen.

Chocolate Date Finger Cakes

¾ cup brown sugar
2 eggs
2 tsp. butter
1 tbsp. hot water
1 cup sifted Robin Hood all-purpose flour
¾ tsp. baking powder
½ tsp. salt
¾ cup Nestle's semi-sweet morsels
¾ cup cut-up dates
½ cup chopped nuts

Cream sugar and eggs. Add butter and water. Add sifted dry ingredients, morsels and dates. Spread in greased 8-inch square pan. Sprinkle nuts over top. Bake 30 minutes in 325 degree oven. Cut while still warm. Yield—32 bars.

Sweet Potato Surprise Dish

2 lbs. sweet potatoes
1 tbsp. butter
1 tsp. salt
⅛ tsp. pepper
¼ tsp. grated orange ring
¼ cup sugar
1 egg, beaten
2 bananas
2 cups crushed gingersnap cookies

Cook sweet potatoes, peel and mash. Add butter, salt, pepper, orange rind, sugar and egg; mix well. Cut bananas into two-inch pieces.

Form mixture into eight balls, with banana piece in center of each. Roll and completely coat sweet potato-banana mound with crushed gingersnaps. Place on baking sheet and heat 12 to 15 minutes. Makes eight servings.

Hunters Experience Real Test In Gunning Ducks At Preserve

INSIDE ON THE **Outdoors** By ROD COCHRAN

The duck hunting season is in full swing at the Ramblin Acres Game Farm, Opossum Run-rd, Harrisburg. While the statewide waterfowl season does not start until Oct. 20, shooting preserves are licensed to open on Sept. 1.

The reason duck hunting is in "full swing" at Ramblin doing plenty of swinging. The hunting there is pass-shooting of the highest order, and the mallards are hard flying and fast. Experienced trapshooters, whom we won't mention by name, used over a box of Magnum shells each to get four of these birds. The gunning is fast and it's tough. If you don't like to hear the roar of a shotgun, then this sport isn't for you.

Going to shooting preserves for some pheasant or partridge gunning is an established sport here in Ohio. There are several advantages to such shooting—time. By waiting until October, action is assured, you don't need a lot of time to participate, many hunters train their dogs on these areas, and the season lasts from Sept. 1 to Mar. 15. Last year quail were added to the list of any shooting preserves.

Duck hunting has had slower acceptance. For one thing, providing this sport creates plenty of work and added expense for the preserve operator. And many hunters believe it to be too easy, and therefore not sporting. Duck hunting can be as easy or tough as the preserve operator wants it to be. By proper placement of blinds, hunters with a wide range of shooting ability can all have a lot of fun. This is what Hugh McKinley and Gene Harbage have done at Ramblin Acres. Whether you are an expert shot or a beginner, your ducks will come hard.

Ramblin Acres did not open the duck hunting season as soon as the law allows, for the ducks were not fully feathered at that time. By waiting until October, their stock is beautifully plumaged. Shooting on the first day this year were Charles Hay and Francis Blauser, both of West Jefferson, and Bob and Roy Spring, of Fultonham. All four were extremely enthusiastic about the shooting, and were of the opinion that duck hunting was the supreme gunning test offered by a preserve.

Ramblin Acres started the season with 1,000 ducks, which should be a plentiful supply. They are flown for hunters each day, except Sundays, between 7:30 and 9 a.m., and a Labrador retriever is furnished to pick up the ducks shot. Your game will be plucked and dressed if you desire. By finishing the duck hunting early, the remainder of the day can be devoted to upland gunning. If a hunter really wants to make a day of it, he can shoot mallards, pheasants, chukar partridge and quail, and still be finished well before noon.

McKinley and Harbage are proud of the duck hunting facility at the preserve, for it is the first in this part of the state to offer this shooting to the public. Hunters certainly appreciate the service, and it should make the ammunition manufacturers very happy.

Bexley High Picks 'Top Ten' For Queen

Homecoming activities and journalism awards were the highlights at Bexley High School this week.

Ten senior girls, the "top ten," were chosen by the senior class last week from whom the homecoming court will be selected this week.

Voting for the queen, who will reign over the game with Worthington Oct. 21 and over the dance afterwards, will take place the day before the game. The queen will be announced at the game.

The ten senior girls selected were Harriet Davidorf, Mimi Levison, Karen Mercer, Carol Monroe, Nancy Samson, Bev Solove, Polly Taylor, Barb Volosin, Sue Yardley, and Rita Zeff.

Bexley claimed eight winners in the 30th annual Journalism Association of Ohio School convention on the campus of Ohio State University.

Karen Mercer won a first place award, the Toledo Blade trophy, for her story on fraternities. Jeff Schwartz won his third first place trophy for his story on the athletic plant. He received the Cincinnati Enquire Trophy.

Jeri Lazear won a second place award and Dortene McCrary won a third place award for their stories about the women's dormitories.

David Japikse won a third place award for photography, and Steve Ault won a third place award for his feature on the open house at the Journalism building.

Phyllis Schechter won an honorable mention for her pre-convention story, and Steve Ault won an honorable mention for his story on the library.

Twenty students from the newspaper's staff and the journalism class represented Bexley in the state-wide competition of 500 students from 70 schools.

Mayor Moling Appeals To Kids Good Judgment

Concerned over the increasing amount of bicycle traffic in Whitehall, Mayor Walter B. Moling has issued an appeal to kids and to "their good judgment" to refrain from riding after dark without lights.

"It is dangerous for the youngsters and for the motorists," Moling said. He also called attention to the increasing number of automobiles on the road "day and night — especially at night."

As for drivers, Moling has asked "When is your birthday and when did you last look at your driver's license?"

An increasing number of motorists who have been cited by the police, Moling said, have had drivers' licenses that have been expired.

"When such a person is arrested," Moling explained, "the police cannot even allow them to get back in the car and drive it away."

He also pointed out that the law requires motorists to take a new test if the license has expired for more than 30 days.

POST OFFICE PREPARES FOR PREVENTION

IF THE REAL THING COMES ALONG—This group of postal officials and safety directors took some time off from their regular duties this week to practice using fire extinguishers in observance of "Fire Prevention Week." The volunteer fireman is George W. Radekin, general superintendent of mails for the city of Columbus. Watching are (left to right): Max Bloch, assistant superintendent of the Bexley post office; John Ucker, superintendent of the Shepard sub station; a post office assistant; Lee Mackin, personnel office chief; Harry Hershberger, Bexley superintendent; Ray Salzgaber, superintendent of safety and health.

GAHANNA KIWANIS FORMED

NEW CLUB IN AREA — The area's newest Kiwanis organization was formed Tuesday night at Gahanna with the installation of officers. Board of directors, standing, left to right, are Howard Diehler, secretary; Wendel C. Green, vice-president; Howard E. Warwick, president; Edward J. Miller, treasurer; back row, James Widner, Ralph Margarum, Dave Lewis and James Dysart. Board members not shown, Huntington Carlile, Rudolph Ronckovsky and Rev. John W. Selvey.

Girls Were All On Film As Follies Opened On Schedule Last Friday

The Parsons Follies opened its doors on schedule last Friday night and carried on its show as planned, except for one thing—all the girl were on film.

The manager of the theater, LeRoy Griffith, didn't arrive at the theater until 10 minutes before opening time, which was set for 7 p.m. Friday.

Griffith had earlier announced that he would arrive at 5:30 so that he could rehearse his stage show for the opening night performance.

His delay in getting to the theater stemmed from an automobile accident to his car while it was parked in front of his downtown hotel.

When he arrived, some 15 to 20 people—both men and women—had gathered in front of the theater waiting for the opening. Inside stood newsmen, who outnumbered the show-goers.

Griffith then told the assembled persons that he wasn't sure whether or not a stage show would be held, but promised them a nude movie.

The people agreed, and the number of visitors totaled approximately 50 persons. A W.C. Fields short movie was shown as an added feature.

If Griffith had been able to put a stage show together by opening time, he probably wouldn't have been able to show it anyway due to a crackdown by the city's building department.

At last Monday evening's city council meeting Rev. Russell M. Jones asked the solons what the status of the theater was at the present time.

"A burlesque by any other name is just as naked," Jones said.

"The administration has things under control," Mayor Ralston Westlake replied. "When they're ready to strip, we will be there."

The mayor then added hastily, "Maybe we'd better say the police will be there."

Fireman Says Not Guilty In Store Robbery

A suspended fireman pleaded not guilty to one charge of attempted armed robbery and three charges of shooting to wound in an alleged holdup attempt at the Town and Country Kroger store last week.

The case of Richard W. Ermacora, 25, 297 Ashburton-rd, was continued until Oct. 25 for a preliminary hearing. He is being held under $16,000 bond.

Ermacora was arrested a week ago Tuesday when he was captured by three Kroger store employees he had wounded, police said.

Whitehall police said that Ermacora has refused to cooperate. He has been suspended from his job with the fire department and according to Safety Director, Albert Giles, faces a hearing and possible dismissal in a hearing this Friday morning.

Sixth Birthday To Be Marked At St. Edward

The community is invited to help the Church of St. Edward, Episcopal, mark its sixth anniversary in Whitehall.

A square dance will be held at the church Saturday, Oct. 15 from 8 to 11 p.m. Harvey Gardner will be the caller. Tickets are 75 cents. Free cider and doughnuts will be served.

Since September, 1954, membership has grown to include more than 300 families representing Groveport, Gahanna, Reynoldsburg and outlying areas.

Holy Communion will be observed on St. Edward's Day, Sunday, Oct. 16.

Jane Case Is Honored Nationally, By School

A senior at Whitehall-Yearling High School has been honored for outstanding performance on the National Merit scholarship qualifying test given last spring.

Jane Elizabeth Case, daughter of Mr. and Mrs. Jason C. Case, Jr., 540 S. Hamilton-av, has received letters of commendation from John M. Stalnaker, president of the National Merit Scholarship Corporation, and from her principal, Austin Peel.

Said Stalnaker: "Letters are being awarded to some 28,000 students throughout the U.S. in recognition of their excellent performance in the test.

"While these bright youngsters did not reach the status of semi-finalists, they are so outstanding that we wish to single them out for special attention. The two groups constitute less than three per cent of all high school seniors—a noteworthy achievement."

Commended students and semi-finalists who do not win Merit Scholarships are considered for certain other scholarships which are offered through the corporation. "It is our earnest hope," Stalnaker continued, "that the recipients will continue their education, and thus benefit not only themselves but also the nation."

Mogol's Open 3rd Shopping Center Store

A father-and-son men's and boys' clothing operation that has gained wide recognition in Columbus—Mogol's—has now opened its third shopping center store—at Great Southern.

Owners are David and Manuel Bogante, whose stores at Great Western and Great Eastern shopping centers have enjoyed tremendous success since their opening several years ago.

Many reasons were given by them for their success, such as, following closely today's, style trends and providing the up-to-the-minute merchandise at attractive prices; giving personal attention to every customer; selecting brand name furnishings, such as Van Heusen, Wings, Levis, Champ, Campus, Swank, Jerks, Sire, Tru-Val, etc., and last, but not least, making every customer a satisfied customer, during and after a purchase.

Census figures for 1959 show that Ohio land in farms dropped 7½ percent from 19,991,586 acres in 1954 to 18,506,796 in 1959. The per cent of land in farms was 70.6 percent in 1959 and 76.2 per cent in 1954.

Brown Claims Probate Court Powers Misused

Wilmore Brown, Columbus attorney and Democratic candidate for probate judge, charged today that Roscoe Walcutt, the incumbent, erred in the Brunson bank case by ignoring sound American business principles.

"If the Court of Appeals had not reversed Walcutt," Brown charged, "his careless and unsound action would have deprived charities of more than a quarter million dollars.

"I have established previously that Walcutt has shown gross favoritism and mismanaged the probate court — now the Brunson case indicates that he misused the powers of the court according to his personal desires," Brown's statement continued.

The Brunson Bank & Trust Co., 10 E. Broad St., is now controlled by Nationwide Insurance, one of its subsidiaries having purchased the controlling stock for $1,250,500.

"However, Walcutt did not permit acceptance of this highest bid until forced to," Brown charged. "He, instead, approved a lower bid of $988,731.90 as 'the best bid.' How can a lower bid be the best bid?

"If this Walcutt-approved transaction had been allowed to stand, charities benefitting under the will of banker William Rindfoos (who died June 15, 1956), would have been deprived of $261,768.10. Where does this case show the protective interest of a probate court?" Brown asked.

The Court of Appeals branded this attempt by Walcutt "contrary to established principles — unreasonable — arbitrary."

Candidate Brown said: "There is something wrong — somewhere — when a judge acts in such an arbitrary manner without an explanation given.

"My slogan is 'Fairness to All—Favors to None,' and I mean just that. To prevent a repetition of the Brunson incident there must be a change in our probate court," Brown declared.

Ups, Downs Plague Elevens

Lions, Rams; Hawks, Cards Joust In Neighborhood Fray

Time was when a football prognosticator could, without too many qualms, produce a reasonable thesis on why this or that team should hold sway in any given game.

But with the up-down attitude and records of eastern area teams, such a step should be made only on a "double dare you" basis.

Take the line-up for this weekend.

Bexley tangles with Whitehall in the Rams' den. Bexley sports a 2-3 record. The Rams aren't much better off with a 2-2-1 to their credit. So, who's to choose between?

A First At Hartley

There will be a first in Columbus, according to Hartley's Earl Vermillion, before the Hartley-St. Charles game on the Hawks field Saturday night.

Vermillion is the coach of the newly former soccer team at Hartley. His squad will battle St. Charles at 7 p.m.

At Eastmoor, the Warriors play host to Central. The men of Bob Stuart have been coming on fast and proved they can score when they want to as was witnessed by last week's 30-6 win over South. Still they carry but a 2-2-1 record into the fray.

The Pirates tend to have a little advantage with their 3-1-1 record; their only loss being to Massillon. Still a toss-up.

In yet another neighborhood battle, Bishop. Hartley, 3-2, engages St. Charles, 2-2-1, Saturday night; another you pick 'em.

Whitehall enters the Bexley fray after being stung by two one touchdown losses, both in CBL play. If the Rams, under Jim Bline are going to remain in contention, tonight's game looms as a must win.

The Ram defense, except in the Urbana tilt, has been more than adequate. It's the offense that has to begin showing a little bit smoother operation. One touchdown and an extra point would have been enough last week, but it never materialized.

Bexley, on the other hand, still has a chance to make it a worthwhile season. They have only lost one CBL game. Still, so far this year, they have been an up and down team.

But quarterback Jerry Mechling appears to be the area's best, and if the Lion defense is up to it, he may engineer an upset, via his good right arm.

Eastmoor started its City League crown quest in murderous fashion over the Bulldogs, although it had a tough time getting started against South and didn't score its first TD until the third quarter.

Nick Cooper, Bob Benjamin, Frank Stavroff, Doug Van Horn, et al, are a formidable combo for any opponent to face, offensively and defensively. The Warriors have allowed only three touchdowns in their last four outings.

Central got back on the winning stride last week, blasting a weak Marion-Franklin eleven, 36-6, after stumbling against Massilloon and tying East. Both teams can score. It should be a "duzy" of an affair.

Two area Catholic schools get together Saturday.

The Cards appeared to be gaining momentum after an opening game loss when the men of Jack Ryan racked up two straight wins. But during their last two outings they stumbled, tying Lancaster and losing to Watterson last week.

The men of Murphy, have proved that they are a contingent to be reckoned with.

They've managed to score in every game and smothered Scioto Valley last week with a rousing 30-0 win. If the Cards can't find a way to stop Buddy Thomas, they are in for a rough time.

Krumm Park Slates Party

Krumm Park, Ninth and Alton-ave, will hold its annual Halloween Festival this year on Oct. 31 from 7 until 11 p.m.

The East Columbus Civic Assn., sponsor of the event, announces that area merchants have donated many prizes to be given away in costume judging.

There will be games, entertainment and refreshments.

QUEEN ALICE NIXON
Elected—But No Running Mate

No Kennedy—It Had To Be Nixon

By John Poppelmeyer

"Why, of course," the voices murmured, "it had to be Nixon. . ."

(Running for Homecoming Queen at Whitehall last week were a quintet of beauties: Trees, Patricia; Yeakle, Judy; Williams, Nita; Metcalf, Sally; Nixon, Alice.)

". . . Kennedy wasn't running."

And so it was. Nixon won. But it is doubtful that even if a Kennedy were running that a Kennedy would have won.

But there occurred an incident to turn pert, pretty Alice's night of enchantment into an un-wonderland. Her Prince Charming never arrived.

Now, who can imagine any guy in his right mind dodging out on a date with a Homecoming Queen?

Decked in a rhinestone tiara with a huge bouquet of mums, and dressed in a gold suit with black accessories, Queen Alice was the very picture of regal enchantment.

But as it turned out, this Nixon had fun even without a running mate. "I danced, got kissed by football co-captain Bill Gornall, and ended up going to a party and later out for pizza."

What happened to her date? Queen Alice still hasn't heard from him.

How does Alice sum up this night of nights in her young life?

"It was the happiest and yet most disappointing I've ever had."

Jewish Center Women's Golf Ends Season; Officers Named

Ending the season with a very successful award banquet, the Jewish Center Women's Golf League elected officers for the 1961 season.

Mrs. Irving Smith was elected president, Mrs. Ben Zuckerman, vice-president, Mrs. Art Pollock, secretary, and Mrs. Howard Banchefsky, treasurer.

Awards and trophies for the summer league and the recent tournament were awarded by Howard Banchefsky, Jewish Center Physical Education Director.

In tournament play, Mrs. Art Pollock won the advanced league title with a net score of 75. Mrs. Irving Smith took second with a 78. Mrs. Pollock received an award for the lowest number of putts, 38.

In the beginner division, Mrs. Howard Banchefsky, Mrs. Joseph Scheeter and Mrs. Al Shkolnik all tied with a net 42. Mrs. Shkolnik had the low putt award for the nine-hole tournament with 21.

The individual beginner's league first place trophy went to Mrs. Howard Banchefsky with a 32.1. Mrs. Martin Davidorf took second with a 32.3 adjusted score.

In the advanced league team play, the team of Mrs. Irving Smith, Mrs. Sanford Timen and Mrs. Morrey Tarcov took top honors.

The league for 1961 will start in April and be based on handicaps. Flights will be set accordingly.

Advanced golf instruction will again be offered at the Jewish Center as will beginning golf courses.

Rosary Drops Academy 14-6

Playing without the service of quarterback Stan Brown and end Bob Morton, and with gear-shifting Bruce Draudt's forward clutch well contained, Academy found itself on the short end of a 24-6 count at the hand of never have been beaten Rosary last Friday.

The defending champs rocked through for scores in every quarter bu the third on their way through the Viking's line.

Academy's only tally came in the second stanza after a series of "you take, no you" fumbles between the two elevens. Steve Haverick slid over from the two for the TD.

Grandview Upsets Rams With 6-0 Win

Homecoming is usually a time of surprises. You're surprised when you see old friends that have somehow eluded your attention over the past years. The naming of the homecoming queen is another pleasant surprise.

But the biggest surprise at Whitehall last Friday was turned in by Grandview. The Bobcats zipped to a first quarter touchdown with the aid of a bit of chicanery and made the single six pointer stand up through the entire game.

Going into last week's fray with last year's CBL crown wearers, the Bobcats had managed to drop three out of four encounters. Their only win had been over a weak Grove City eleven. In their last two outings, Grandview hadn't tallied nary a point.

Whitehall on the other hand had ridden over Westerville and Gahanna and had succumbed by only a single TD to powerful Urbana.

The game's only goal line dent came in the first period. With a fourth and eleven situation on the Rams' 45, Cat seatback Robbie Klink stepped back to put his foot to the ball. As the Whitehall defenders stepped back to gather in the punt, Klink cradled the ball under his arm, skirted end and dashed into the end zone.

With the added inducement of playing before a homecoming crowd, Whitehall stormed back late in the final period. With four seconds to go, the Rams found themselves knocking on the Bobcats goal line, but failed to put it across.

Except for the outcome, the Rams looked like champs in the statistic departments, gaining 250 yards to Grandview's 150 and racking up 11 first downs to the victors' five.

The loss was Whitehall's second straight in CBL play. To sum up: A sad beginning for the '59 diadem wearers.

Eastmoor Dumps South 30-6 For First Road Win

"Eastmoor Smash South" read the huge banner in the corridors of the east side school last week—and "smash 'em" the school's beloved Warriors did to the tune of 30 to 6.

Unable to proclaim a victory on foreign back yards this year, Coach Bob Stuart's visiting contingent exploded for three touchdowns in a variety of ways Friday night to completely overwhelm South.

Frank Stavroff plunged for two TD's; tackle Doug Van Horn notched another via a blocked punt; Dorman intercepted a Bulldog pass and streaked 30 yards for the final one.

In the first half, South bulldozed its way to the Eastmoor 22 on a 66-yard march. Eastmoor's defense rose to the occasion and stopped the drive cold. Neither team scored during the entire first half.

Stavroff tallied the first of his two six-pointers in the third period on a keeper play from three yards out. From then on the Warriors were on their way.

To sum up: The fortress of a Warrior defense gave good lessons on how to unmari a bulldog.

HOMECOMING DANCE TOPS BIG WEEKEND

The Eastmoor Homecoming dance, sponsored by the Student Council, will highlight the big weekend commencing Friday, Oct. 21, when the Eastmoor Warriors play West.

The queen and her court will be announced at the game and will reign over the dance on Saturday night. The theme of this year's dance is "Deep Purple."

The Linden-McKinley dance band will provide the music and tickets will go on sale a week prior to the event.

Election of senior class officers took place last Friday. The officers are Tim McCool, president; Diane Friedman, vice president; Beverly Finke, secretary, and Jim Siders, treasurer.

Eastmoor students will participate in a mock election on Thursday, Nov. 3. This election provides an opportunity for students to learn fundamentals of voting in our government.

The Democratic Conference held at Capital University on Wednesday, Oct. 5, was attended by five Eastmoor students. They are Judy Hillson, Kathy Kelly, Dasha Siebienshein, Sharon Smith, and Susan Strohbach. The speakers at the conference were Sen. Stephen Young from the State of Ohio and Richard E. Liming, the Democratic candidate for the House of Representatives.

William Disbro, Eastmoor English teacher for the past two years has a special assignment in publications and public information for the Columbus School Board.

Disbro will also be associated with the radio and television networks in the planning of the new educational series televised on WOSU, Chan. 34.

Disbro initiated his new position on Monday, Oct. 10.

Eastmoor's reserve football squad edged Watterson's reserve team 6-0 at the losers field Thursday, Oct. 6. The Eastmoor reserves now hold a two win, one loss record.

The Eastmoor cross-country track team was defeated by Gahanna-Lincoln, 34-27 at Gahanna Tuesday, Oct. 4.

The Eastmoor Warriors will play host to the Central Pirates tomorrow night on the Warriors' field. The Central and Eastmoor bands will be featured at half-time. Eastmoor's football record stands at 2-1-2, while Central holds a 3-1-1 record.

The Parent-Teacher Association of Eastmoor High School had an open house at the school on Oct. 10. Entertainment was provided by the combined Eastmoor senior and 10th grade choirs. The student's parents were then invited to visit the classrooms and confer with the teachers.

The first meeting of the Debate and Speech Club was held Oct. 5. The adviser is Barbara Belk. The club's objective is to acquaint students with various methods of debate and speech delivery. The members are now preparing for a tournament to be held at Central High School Saturday, Oct. 22.

The Tuberculosis Society of Columbus and Franklin County in cooperation with a downtown daily newspaper sponsored a TB Press Conference for high school journalism students Oct. 10 at the City Health and Safety Center.

The speakers at the press conference were Dr. Joseph Boyle, nurse, Lois Booker, and William Moore. The students participated in a question-answer period preceding the speeches.

The Y-Teen Hawaiian kick-off party for new and old members held Wednesday, Oct. 12 was highlighted by Miss Shimakawa, Y-Teen advisor from the YWCA, who instructed the girls in the fine art of the hula.

Girls chosen for the 1960-61 junior high cheer leading squad were Pat Barr, Luzia Bee, Leslie Cox, Susan Hoffman, Debbie Jinick and Ann Shoemaker.

The driver education classes will sponsor Safety Week beginning Oct. 17.

They are planning many different ways of advertising the importance of safety to pedestrians, bicycle riders and drivers.

The committees are:

Announcements, Terrie Trager, Chairman; Posters, Mike Kohar, Chairman; Display case, Jeri Smallsreed, Chairman; Wrecker Car Pamphlets, Sue Decker, Chairman; Assembly, Margaret Rathburn, Chairman; Slogan Contest, Barbara Dearth, Chairman; Photography, Kurt Redinbaugh, Chairman; Room-to-room Skits, Caryl Martindale, Chairman; Testing Devices; Band Formation; Noon Movies, and Tag Day.

A Hawaiian Luau was sponsored by the Eastmoor Y-Teens Wednesday, Oct. 12, from 5:30 to 7:30 p.m. New students in grades 10 to 12 were honored at the potluck supper. Mrs. June Shimokawa, of the Y-Teen staff, taught the Y-Teens Hawaiian songs and dances.

The committee planning the Luau consists of Gerry Shoemaker, social chairman; Linda Jorgenson, food; Sue Strohbach, decoration; Donna Brown, leis; Marilyn Renick, publicity, and Michele Smith, arrangements.

HARTLEY HIGH SCHOOL'S

HAWK *Lines*

By Paul Coleman

Hawks' First Parent Night Successful

Last Saturday, Oct. 8, Hartley honored the parents of it's football players and cheerleaders in a ceremony preceeding the Hartley-Scioto Valley game. This Parents' Night, another first at Hartley, was initated by Coach John Murphy and Principal Father White, along with help of the Athletic Association and various other school organizations.

Before the kick-off, the parents met their sons at the north goal post of Hartley field, then they marched down to the center of the field where the players pinned a corsage on their Mothers and placed a cloth square with their jersey numbers on their Dad's back. The MC for this ceremony was Jeff Keener, Student Council treasurer. He was assisted by the reserve cheerleaders.

At the half, the Pep Club also saluted the Moms and Dads, and the Hi-Steps drill team put on an exhibition assisted by the Big Walnut High School Band.

The Hawk gridders won the game, 30-0. This gives the team a 3-2 record.

The staff of the Hartley Hawk-Eye, the school's newspaper, announced that the plans for the second DSPA High School Editors Workshop will be completed soon. The workshop is slated for Saturday, Oct. 22, and will be held at the school. It will be under the direction of Rev. James Magmer, S.J., Publication Director of the University of Detroit.

The first DSPA Workshop was held last spring, with representatives from other school's attending. The workshop will feature speakers from the Columbus city papers, as well as other prominent people in the field of journalism. The workshop is open to all high school newspaper staff members in the area. Those interested should contact Sister Francis Margaret, faculty moderator of the Hawk-Eye.

Next week at the Hartley-St. Charles game, the Hartley soccer team will face the Carolians in a contest starting at 7 p.m. This soccer game will preceed the grid match between the two schools. Hartley's soccer team is coached by Earl Vermillion, director of intramural activities

Plans for the annual Halloween party are in full swing, according to Phil Feldemier, CSMC president. The dance, held every year, to benefit the missions, is a costume affair, and always causes much discussion among the students as to what to wear. Prizes are given for various categories of costumes.

BEARS SWEEP PAST BEXLEY, 23-0

By John Poeppelmeyer

"We played a good first half," commented Bexley mentor Ben Tenwalde as he filed into the locker room behind his players. "We usually manage to hold our own for the first two quarters," he added.

"The boys just seem to get too tired during the last part of the game," the head Lion said reflecting upon the Friday night 23-0 loss to Upper Arlington.

Tenwalde, who should know if anyone should, hit the nail on the head. Going to the locker room at half-time, his Lions were behind just three to nothing, via a field goal by the Golden Bears Mike Nichols.

But just seconds after the third frame got underway, the score read 11-0.

The Bears had kicked off and after two running plays, Bexley fumbled on its own seven. The Golden Bears wasted no time converting the mistake into a TD, sending Bill Anthony over from the five.

From then on the Bears couldn't be stopped and the Lions couldn't get going.

The first two quarters turned out to be a fast affair, consuming just under 45 minutes, with the last two minutes monopolizing 15 of them as the boys from Arlington strove to score and managed to stall via time outs on the drive.

With fullback Anthony doing most of the ball carrying, the Bears rammed through to the Lions 24 midway through the second period. Lion back Larry Herwald smashed through the Arlington forward wall to force a fourth and ten situation. Nichols field goal attempt was short.

But the Lions found the Bear line too tough a nut to crack and were forced to kick from the 23 after taking over on the 20.

A Cal Hamrick kick to the Bexley 48 put the Bears into grabbed the kickoff on the fifteen and squirted through to the 38. Mike Taitouris scooted to the Arlington 32 with 38 seconds left. Hamrick dove to the 31. But two Jerry Mechling pass attempts went for naught and the half ended with the Lions on the Bears 40 yard line.

It turned out to be the Lions deepest penetration all night.

The next Arlington scoring thrust would have come in the third quarter but the clock ran out. They ended the period on the Bexley two — and a fourth down.

Ron Clawson lugged the ball over as the fourth period began and Bexley was behind 17-0.

Bexley's drive stalled following the kick and with Clawson and Anthony mowing 'em down of the field, Nichols put his toe to work for three points.

The Lions Terry Lane power-line jabs, the Bears drove to the Bexley 15 with 56 seconds showing. With the ball resting on the far left side action.

Between end sweeps and the Bears tallied again with 7:19 left.

The score might have been larger except for timely tackles by the Lions Bob Hepps and Herwald.

More than once the dangerous Anthony broke through the center of the Bexley line and looked as if he would go all the way. But Herwald was usually there to nail the fleet fullback, and more often than not Hepps was along with him.

UA missed a unique scoring chance after its last touchdown. On the kick-off, Bexley backs let the ball roll dead to their own five, evidently letting it slip their mind that a kickoff was a free ball. Alert Arlington downed it and set up for business. But a 15 yard penalty set them back to the 20 and seconds later the Lions grabbed a Bear fumble to end the threat.

The loss was the Lions first in CBL play after downing Grandview last week. It was Arlington's first win against no defeats.

To sum up — UA refused to give — even once.

Drivers should pull completely off the highway when stopping to change a tire. If there isn't room enough on the shoulder move on slowly. It's better to lose a tire than lose a life. At night have a flare or flashlight handy to warn approaching traffic.

Capital's Lutherans Set For Invasion to Kenyon Saturday

Following a 46-6 win over Hiram, the Fighting Lutherans of Capital University are preparing to invade Kenyon's Benson Bowl Saturday at 2 p.m.

After surviving two rough contests against Heidelberg and Ohio Wesleyan, Capital came out of Saturday's game with two injured starters. End Gary Nossaman, and center Tom Heine are both doubtful starters for Saturday's encounter. Nossaman received a leg injury, and Heine has a bad foot.

"Kenyon can move fast, and its line is exceptionally heavy," remarked Capital Coach Jack Landrum as he scanned scouting reports Monday. Cap will be attempting to counteract this with platooning. Coach Landrum said he was pleased with the results of the offensive and defensive units. "It has cost us, but a lot of our younger players are gaining valuable experience," said Landrum.

Capital's offense, led by sophomore halfback Tom Green with 101 yards, finally broke loose against the inexperienced Hiram squad last Saturday. Cap gained 317 yards on the ground. Behind quarterback Gary Clinard, other leading ground gainers were Al White and Bob Skidmore. White gained 101 yards in seven carries and played offense only the second half. Skidmore handling the offensive chores the first half picked up 53 yards in eight carries. Clinard completed four of five passes including three for TD's.

Hawks Nail 30-0 Defeat On Scioto

It took the men of John Murphy a little over three minutes to wrap up the game against Scioto-Valley last Saturday.

The Hawks of Hartley scrambled to their first TD soon after the game began and added another before the first period ended on their way to a 30-0 conquest.

According to statistics kept by the Hawks, their opponents managed to make just enough yardage for one first down — netting 10 yards in all.

George Burke, who started in place of halfback Mike Hanf, scored from 10 yards out for the first Hawk marker.

Minutes later, the diminutive but unstoppable Buddy Thomas added another six-pointer from six yards away.

Midway through the second quarter Dave Alban took over for quarterback Bob Gantner and had added a third tally. Alban played the rest of the game and Mentor Murphy cleared the bench.

Alban racked up a TD in the second quarter before the Hartley forces were finally squelched.

Two extra points came by way of a safety in the second half when Paul Coleman blocked a Valley kick in the end zone.

Defensive stalwarts for the evening turned out to be linebacker Jerry Emrich, Dough Bedell and Mike Hanf as time after time they set Valley back on its heels just when it looked as if they were ready to start running somewhere.

SCORING:

Scioto Valley	0	0	0	0	0
Hartley	14	14	0	2	30

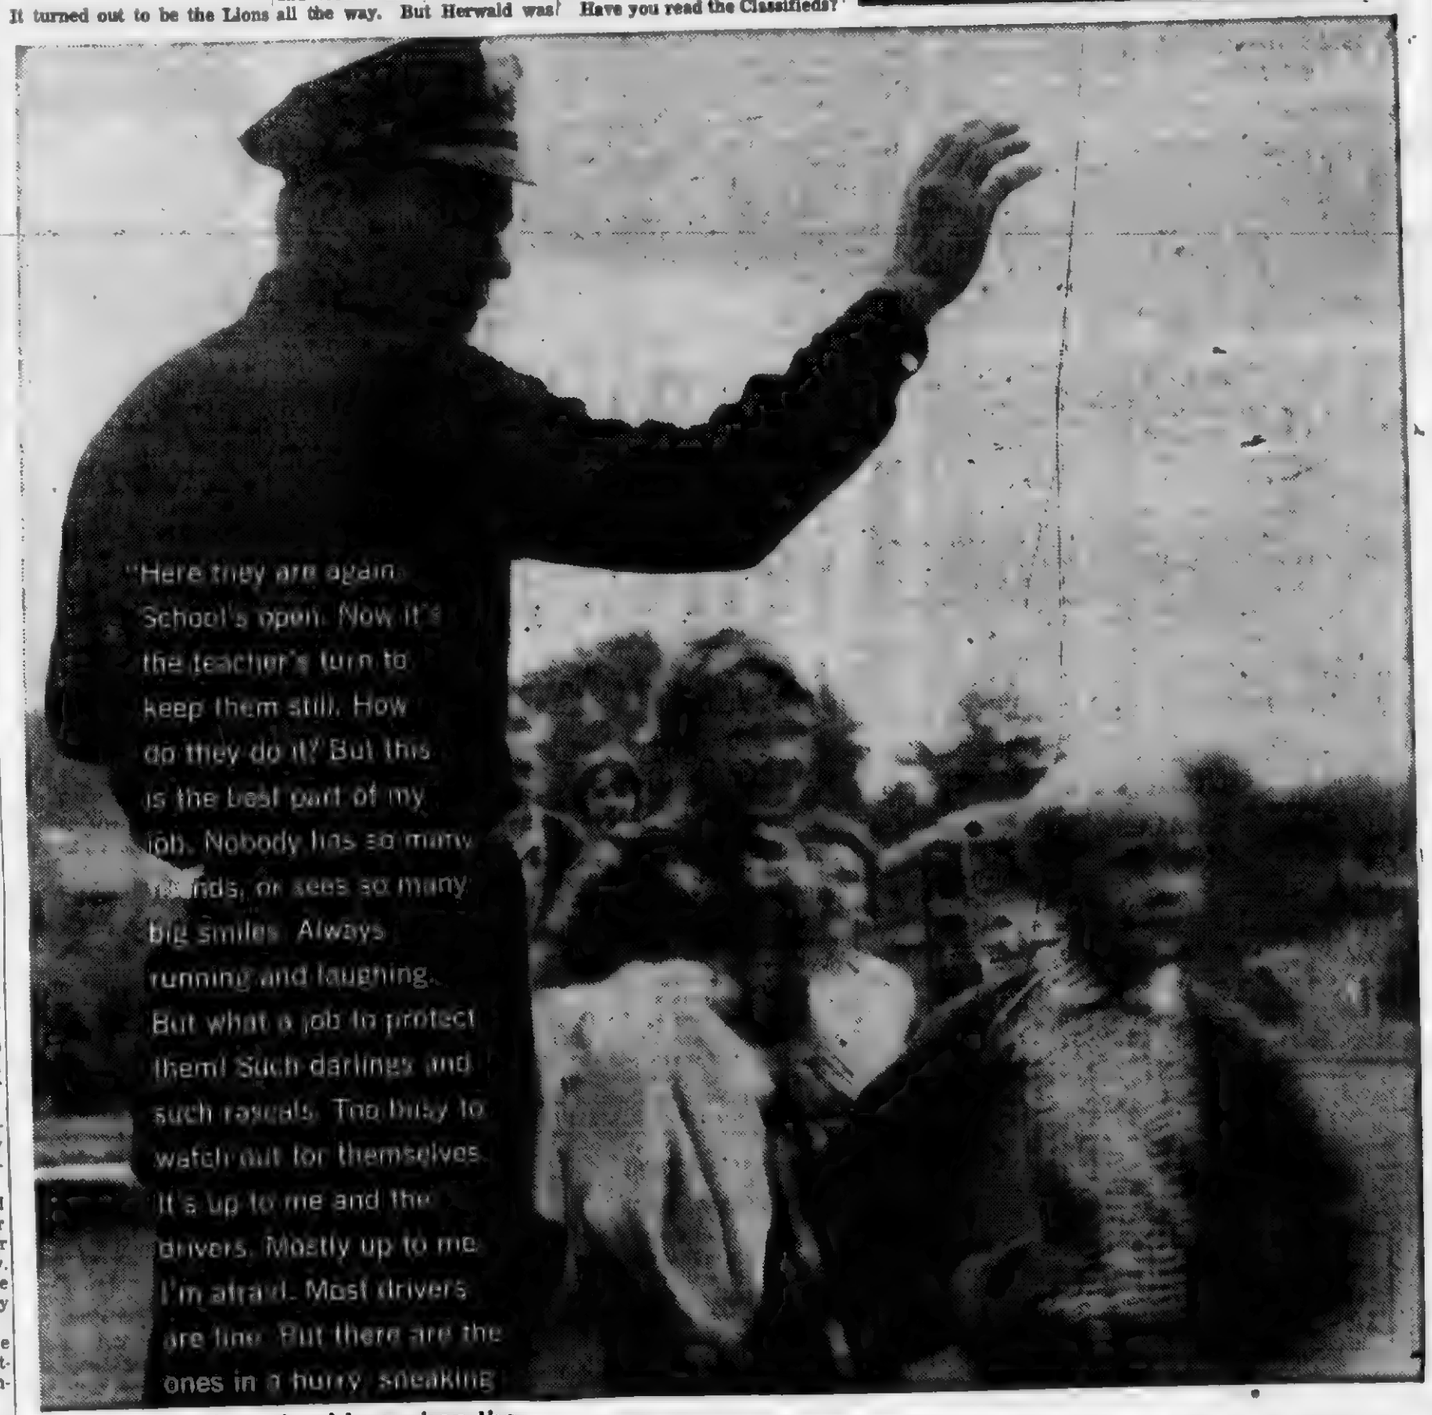
Scoring: Hartley — Burke (10, run); Thomas, (6, run); Gantner, (10, run); Alban (10, run). Extra points — Eicher, run; Gantner, run. Safety — Coleman, blocked kick in end zone.

Cap Readies 'High School Days' Plan

Capital University will play host to over 1,400 pre-college students and parents during "High School Days" Oct. 15 and Oct. 29.

Junior and senior high school students who reside in Ohio, with the exception of those living in Cuyahoga, Franklin, Lucas and Montgomery counties, will be day-long guests on the college campus Oct. 15. Two weeks later, students who reside in the four counties along with students who live in states other than Ohio, will be hosted.

Sponsored by the university's admissions office, the program is designed to offer pre-college students information necessary for college admission and acquaint them with Capital's physical plant and extra-curriculum activities.



A special program is planned for parents to acquaint them with student life on campus, preparation for admission and costs.

HELP KEEP HER BUSY—Mrs. Joyce Collins is confined to a wheelchair from an attack of polio a couple of years ago. She hopes to be walking soon but right now you can keep her occupied by sending her tax stamps.

Polio Confined Mother Needs Tax Stamps To Keep Busy

Watching three children is generally plenty to keep any woman busy even if she were in perfect health.

Mrs. Joyce Collins, 25, 4062 Doney-st, Whitehall is not. She contacted bulbar and spinal polio two years ago.

She was confined to an iron lung for three weeks, and left Children's Hospital after a six-month confinment paralized throughout her body except for her right arm.

But she had three children to care for and through exercise and will-power, strengthed her muscles so that she could do everything but walk.

Through the aid of crutches and braces she hopes to be doing that soon.

But right now she has to spend most of her time in the wheel chair.

What she would like is for people to send her tax stamps. She counts the stamps and redeems them.

Send them to: Mrs. Joyce Collins, 4062 Doney-st, Whitehall.

Two-Day Free Cooking School, Style Show Set

TO CONDUCT SCHOOL—Susan Lowe, food lecturer, will conduct two free cooking school sessions at Whitehall-Yearling High School Monday, Oct. 17 at 8 p.m. and Tuesday, Oct. 20 at 2 p.m. The school is sponsored by Hartley Newspapers and is free to all area women.

Dozens of free prizes and bags of groceries will be given away to women attending the free all-electric cooking school and show sponsored by Hartley Newspapers; Oct. 17 and Oct. 18 at Whitehall-Yearling High School.

Sessions are planned Monday at 8 p.m. and Tuesday, 2 p.m. Everyone in the area is invited. There will be no admission or other charge.

Whitehall-Yearling's spacious auditorium, with seating capacity of 1500, will enable 3000 persons to attend during the show's two sessions.

Both afternoon and evening shows are planned to accommodate women with baby-sitting problems.

Susan Lowe, nationally known home economist, will present a wide variety of new recipes, all available without charge. All dishes she demonstrates will also be given away.

Step-by-step demonstrations of food preparation will be made on the stage in an all-electric model kitchen furnished with new appliances by area merchants.

Included in the cooking demonstrations will be newest cooking methods, new menu ideas and new ways to prepare and serve meals.

Practical directions featuring fancy and everyday meal tips will be presented simply but in complete detail.

A special mirror and lighting device on stage will allow the audience to watch every step of preparation.

Tess Stern, professional broadcaster for 18 years and fashion editor of the Columbus Magazine, will narrate the style show.

A selection of women's holiday and pre-holiday clothes, including coats, suits and casual dresses, is being flown from New York by J. C. Penney Co., Town and Country, especially for the show.

Latest trends in men's wear will be displayed by Richman Bros., Town and Country.

Shoes for the style show will be supplied by Evans & Schwartz.

A number of business firms are participating in the event.

Dairy products will be supplied by Borden Co., foods by Eavey's Supermarket, carpeting, Star Furniture Co.

Flowers by Darling Flowers, weight control salon, Nihlack System; bread, Pennington Bread Co.; finance, Main Finance.

Dry Cleaners, Roscoe Cleaners; utility, Columbus and Southern Ohio Electric Co.; drapes, Mill End Shop; Edwards Drugs.

Westinghouse range and freezer, Freshman Dexter Co., and Kelvinator, B. F. Goodrich Co.

Food 'n' Fashions Show Slated Oct. 17, 18 At Whitehall-Yearling

TO NARRATE SHOW—Tess Stern, 370 S. Roosevelt-av, WMNI Radio fashion director, will narrate the style show to be presented at Foods 'n' Fashion sessions. Clothing will be by Town and Country's J. C. Penney and Richman Brothers, and shoes by Evans and Schwartz.

Creamettes 'N' Corn Casserole

1 pkg. Creamettes
1 can corn
1 egg
½ cup milk
2 tbsp. crumbs
1 green pepper, chopped
1 tsp. salt
¼ tsp. pepper
2 tbsp. butter, melted

Cook Creamettes as directed on package. Drain. Add corn and milk. Beat egg slightly and add with the remaining ingredients. Place in buttered casserole and bake 35 minutes in 350 degree oven. Serves six.

Butterscotch Butter Frosting

1—6-oz. pkg. Nestle's butterscotch morsels
2 tbsp. butter
⅛ tsp. salt
⅓ cup milk
3 cups (approximately) sifted confectioners' sugar

Melt morsels over hot (not boiling) water. Remove from heat and stir in butter, salt and milk. Stir until smooth. Gradually beat in sugar till thick enough to spread. Fills and frosts two 8" or 9" layers.

Lima Bean Skillet Meal

3 slices bacon, fried crisp
½ inch slice green pepper
¾ cup diced celery
½ cup tomato juice
¼ tsp. salt
½ inch slice medium onion
Dash black pepper
1 tbsp. Robin Hood all-purpose flour
2 cups cooked lima beans
2 cups cooked rice

Measure beans into sauce pan. Put tomato juice in the container of Osterizer. Add the crumbled bacon, green pepper, celery, onion, flour and seasonings.

Cover and run at high speed until finely chopped. Pour over the beans and simmer until the sauce thickens. Stir frequently. Serve on hot rice. Serves three to four.

Pineapple Cake For A Crowd

For the topping
½ cup canned crushed pineapple, undrained
1 cup coconut
Combine and set aside.
For the cake
2 cups sifted Robin Hood all-purpose flour
½ tsp. baking powder
1 tsp. baking soda
½ tsp. salt
½ cup shortening
¾ cup sugar
Dash ginger
2 eggs
¾ cup canned crushed pineapple, undrained
1—6-oz. pkg. Nestle's semi-sweet morsels

Sift together flour, baking powder, baking soda and salt. Blend together shortening, sugar and ginger. Beat in eggs, one at a time. Add flour mixture alternately with pineapple. Add morsels. Spread in greased pan 15"x10"x1". Sprinkle topping evenly over top of cake. Bake 25 minutes in 375 degree oven. Cool. Cut in 3"x2" pieces. Yield—25 servings.

Butterscotch Top

¾ cup light corn syrup
¼ cup evaporated milk
1—6-oz. pkg. Nestle's butterscotch morsels

Combine syrup and milk and bring just to boil over moderate heat, stirring constantly. Remove from heat and stir in morsels. Yield—one cup.

Serve warm or cool. If cooled sauce is too thick, reheat over hot water.

Paradise Relish

2 cups sugar
½ cup lemon juice
½ tsp. salt
5 or 6 bananas

Combine sugar, lemon juice and salt in saucepan and boil for five minutes. Peel bananas and slice into sugar syrup, stirring constantly, until mixture boils again. Reduce heat to just boiling. Cook until mixture thickens (15 to 20 minutes), stirring occasionally. Refrigerate. Makes two cups.

Fresh Mint Jelly

1½ cups mint infusion (1 large bunch mint)
2 tbsp. strained lemon juice
3½ cups sugar
½ bottle Certo
Green coloring

First, prepare mint infusion. Wash one packed cup mint leaves and stems. Place in a large saucepan and crunch thoroughly with a wooden masher or a glass.

Add two and one-fourth cups water and bring quickly to a boil. Remove from heat, cover, and let stand 10 minutes.

Strain; measure one and one-half cups into saucepan. Add lemon juice and a few drops green coloring.

To the mint infusion add sugar and mix well. Place over high heat and bring to a boil, stirring constantly. At once stir in Certo. Then bring to a full rolling boil and boil hard one minute, stirring constantly.

Remove from heat, skim off foam with metal spoon, and pour quickly into glasses. Cover with hot paraffin. Makes about five glasses.

Cheese Muffins

½ lb. sharp Cheddar cheese, cubed
2 cups sifted Robin Hood all-purpose flour
4 tsp. baking powder
1 tbsp. sugar
½ tsp. salt
1 egg
1 cup milk
3 tbsp. butter

Sift flour, baking powder, sugar and salt into mixing bowl. Put half the cheese in the glass container of Osterizer. Cover, and grate at high speed until fine. Place in bowl with dry ingredients.

Repeat with remaining cheese. Add to dry ingredients. Put the egg in the container, cover, and blend at high speed until well beaten. Add butter and mix until smooth at high speed. Add milk and run at high speed until blended.

Pour into dry ingredients. Mix with spoon just long enough to moisten flour. Pour into greased muffin pans. Bake 20 minutes at 350 degrees. Yield—12 muffins

De Luxe Pork Chops

4 thick pork chops
1½ cups bread crumbs
1 thin slice onion
¼ cup cut celery
½ cup cut-up orange
1 tbsp. sugar
2 inch square orange rind
¾ tsp. salt
⅛ tsp. pepper
¼ tsp. thyme
½ cup water

Brown pork chops and place in casserole. Add one-half cup water. Break one slice bread into glass container of Osterizer. Cover and run at high speed until coarsely crumbled.

Empty into measuring cup. Process enough bread to make one and one-half cups crumbs. Empty into mixing bowl.

Put the remaining ingredients into glass container. Cover and run at high speed until celery and orange are finely chopped. Add to crumbs. Stir lightly with fork until well mixed.

Top each pork chop with the crumb mixture. Cover, and bake at 350 degrees for 45 minutes. Remove cover and bake 10 minutes more.

Town-Country Officers Named

Officers and the Board of Directors for 1961 of the Town and Country Business Association were elected at a meeting last Thursday.

Charles W. Collins, of the J. C. Penney Co., is the new president, succeeding Asher Moser of the Boston Store who had held the post for two successive years.

Vice-president is Eugene R. Malone, of Zettler's Town and Country Hardware.

Virginia Jones of Lloyd's Youth Center is the organization's new secretary.

Don Fenner, of Town and Country Automatic Laundry, is to serve as treasurer.

Elected to the Board of Directors were Asher Moser, of the Boston Store; Marvin Crouse, of S. S. Kresge Co.; Noble Bray, Kiddie Korner; Frank Dietz, Dietz Shoes; Mrs. W. S. Foutch, of Foutch's Bakery.

Also named to the board were William Holzhause, of Sears Roebuck and Co.; Si Kaher, of Barry Appliances and TV; Joseph Nathan, of the Union Co.; Ray Steelman, of Summers and Son Music and William Stephan, of Western Auto.

The governing board will be responsible for carrying out the Town and Country promotional program for 1960 adopted at Thursdays meeting.

NEW T&C OFFCIERS—Recently elected to serve as officers of the Town and Country Business Association for 1961 were, left to right, Eugene Malone, vice-president of Zettler Hardware Co.; Virginia Jones, secretary, of Lloyds Youth Center; Donald Fenner, treasurer; of Town and Country Laundry; and, seated, Charles Collins, president, of J. C. Penney Co., Not pictured is William Grover, Don Caste associate, who is executive secretary of the association.

Home Seeking High Chairs

A special plea is being made by Franklin Village Children's Home for high chairs to be used while feeding babies.

Persons who have high chairs and would like to make a donation are urged to confact the Home.

WE Slates Production Of Switches

Western Electric Company's Columbus Works has begun production of a new switching device for the Bell System that will allow telephone service to be extended sooner to new customers in growing housing developments, expanding communities, and rural areas.

John D. Burlie, manager of W.E.'s Columbus Works, announced that the device will be used by Bell Telephone companies across the nation.

Called "Neighborhood Switching System," it provides more service by making existing telephone lines work harder. It eleminates the need for a pair of wires from each customer's phone to the telephone company's central office. Instead, it uses lines that otherwise would be idle.

Lehner Bows From Office, Is Elected

Members of Southway, Camp Chase and Bexley Posts of the American Legion were among those honored at the recent election of Am-Le Voiture 15 of the Forty & Eight, Legion fun and honor society.

But the one most honored in the election was John Lehner, 102 N. Roys-av.

Lehner, who is a World War 1 veteran and a past commander of Franklin Post, was elected chef de gare (leader) of the society. In a surprise move, he conducted the meeting for 40 minutes and then retired.

In the voting he was named to his thirdteenth term as commissaire intendant (treasurer) 10 of them consecutive. The honor was a "plot" of some of the younger leaders whom he had helped during their terms in office.

L. W. Pfefferle, Worthington, will be installed as chef de gare Nov. 1. Charles Kaiser of Southway Post will be chef de train; C. W. (Bill) Heacock of Bexley Post, conducteur; Joseph Thompson of Camp Chase Post, aumonier.

Class Of 1929 St. Mary's High Slates Reunion

Class of 1929 of St. Mary's High School, will hold its first reunion since graduation at Bishop Hartley High School, Livingston-av, at Zettler-rd, Saturday, Oct. 29.

The evening will begin with a 6:30 mass in the Hartley High School chapel.

Mrs. Louise Teeters, 1200 Haddon-rd, BE. 5-1936, is in charge of reservations. All members of the '29 class who have not been contacted, should call Mrs. Teeters.

A buffet style luncheon will be served.

Eagles Slate Dinner

The ritual and drill teams of Columbus Aerie 297 Fraternal Order of Eagles, 771 N. High-st, are sponsoring a roast turkey dinner, Sunday, Oct. 16, 5 to 7 p.m. with a full evening of entertainment to follow, starting at 7:30 p.m.

Glenmont Home Open House Set

A "harvest day" open house will be held at Glenmont Home for Christian Scientists, 72 Woodland-av, Oct. 16, 2 to 4 p.m.

People may meet the staff and see the new wing which has been added during the past year. Glenmont Home provides a place for those who want rest and quiet for study, and those needing nursing care

Jerry Fields And Colts Keep Opponents 'Up In The Air' – Will They Stay There?

By John Auble, Jr.

A lean, whip-armed youngster named Jerry Fields is making forward passing the trademark of the Columbus Colts and had visiting Detroit "up in the air" last Friday evening.

The home-town play-for-pay squad had the Redskins tied up from the opening gun, bursting through for eight touchdowns in their 55-26 romp at Jet Stadium.

An estimated 10,000 fans witnessed the Colt prowess which put them in an excellent position to bid for the American Football Conference crown.

In pre-game talk, the Redskin coach, John Kessey, indicated that Detroit would not use a passing game against the Colts. But, with Kessey and his squad, an aerial attack was not just a passing fancy and the losers grabbed three of their four touchdowns from the air.

"There's a lot of passing in semi-pro ball," Kessey said before the game. "But we don't do it." The statement was undoubtedly a decoy, however, and the Detroit squad proved that they could throw the ball well.

Either that, or the Colt squad was caught off guard not expecting the passing game.

Early in the first quarter, Colt fullback Jerry Buckles set scoring pace by breaking over his right guard, cutting to the outside and racing 40-yards for the first touchdown.

Buckles, the 205-pound back from Ohio University, received key blocking from left end Ray Hamilton in his 40-yard TD sprint. Hamilton hails from Ohio State and is part two of the Field-Hamilton throw-catch team.

The powerful running of right halfback Gary Limotta, the 165-pounder who graduated from Columbus' Mifflin High School a few years back, snagged two more touchdowns for the Colt cause.

Limotta sprinted 17 yards for his first goal and nine for his second.

End Bobby Franks grabbed a pass for a 14-yard touchdown run and quarterback Larry Gavin plunged three years for another Colt goal.

This all brings us to that little matter of end Ray Hamilton. Hamilton grabbed three touchdown passes and proved to be the Redskin's biggest cause for alarm.

The 205-pounder managed to catch touchdown passes for 8, 24 and 15 yards in aiding the winners.

On the Detroit side of the field, their highly-touted halfback, Charles Howton, provided the long runs in the free scoring contest, bursting through the middle for a 61-yard touchdown run in the last period.

Howton, a small 155-pounder from Wayne High School in Michigan, then took a pass from Bob McCoy for a 62-yard scoring play.

So, power, interior line blocking and passing told the Colt story last Friday evening, as the Columbus squad marched for 25 first downs. The Detroit bunch managed to get only 12.

Statistically speaking, the Colts gained 295 yards net rushing, plus 142 yards passing for a total of 437.

For the visiting squad, they gained 108 yards net rushing and 243 yards passing for a total of 351. And, figures don't usually lie.

How did the rest of the Conference do? Well, let's check the little ol' record books.

Massillon's Tiger Town Stars knocked off Dayton 35-14. The Pittsburgh Duquesne Ironmen whipped the Toledo Tornadoes, 48-9.

Next weekend the Colts hit that long lonesome road as they journey to Troy, O., where they will meet Dayton. Naturally, Columbus' coach Joe Mitchell is approaching the battle optimistically — especially since the Dayton group was beaten last week.

But, that was Dayton's first loss also and both teams are heading into the game with 3-1 records. That game will be played on Oct. 15 at Stephens High School in case you're planning to make the trip.

This is how the Friday night game ended:

Detroit	0	13	0	13	—26
COLUMBUS	14	20	14	7	—55

Detroit's scoring:: TD—Howton 2 (61, run; 42, pass-run); Carli (6, pass), Drummond (24, pass) EP—McCoy 2 (placements).

Columbus scoring—TD—Hamilton 3 (8, 24, 15 passes); Limotta 2 (17, 9 runs); Buckles (40, run); Franks (14, pass), Gavin (3, run). EP — Monnet 7 placements).

NEW AWAKENING
for your hair
by Rexall

HERE, AT LAST, are sound scientific formulas that can help REVEAL, REVIVE and DEVELOP the natural beauty of your hair, as well as constantly protect it from the damage which modern living is always inflicting on it . . . a new triumph of science from the Rexall Research Laboratories.

A. *Controlled-Action* SHAMPOO
At last! A shampoo that doesn't wash away the natural oils of your hair by over-cleaning. The scientific base for Rexall's exclusive formula is amphoteric – which means the ingredients are so balanced that they automatically meet the cleansing needs of your hair . . . protecting Nature's own precious nutrients. Leaves your hair with more of its natural strength, moisture balance, softness and sheen!

B. *Sheen 'n' Shield* RINSE
Contains Rexall's exclusive Prolanovite, a secret formula containing protein, lanolin and Panthenol, a vitamin found in the hair. Actually takes Prolanovite right into the hair shaft! Protects the beauty-building action of New Awakening Shampoo by leaving an invisible anti-static shield on each hair to help repel dust and dirt. And it makes even the stubbornest hair more controllable!

C. *Moisture Guard* CONDITIONER
Gives your hair and scalp a beneficial treatment of Rexall's exclusive Prolanovite. Helps reinforce its' natural elasticity, protects moisture balance by combating drying effects of sun, wind, dust. Used daily, it pays dividends in extra beauty!

D. *Crystal Clear* HAIR SPRAY
Different from ordinary sprays, this new Rexall formula contains Panthenol vitamin, lanolin, other ingredients, but NO lacquer, NO dulling film. Invisible, yet holds your hair in the most delicate natural styles. Anti-static to repel the dust which many other sprays seem to attract.

E. *Star Shine* HAIR GLOSS
Fortified with lanolin and Panthenol, it makes your hair dance with highlights, gleam with a natural brilliance you never dreamed was there!

HAVING A CIRCUS—Fun and frolic is assured at Town and Country Merchants' Circus Days. Rides for the kids and bargains for the parents' budget are available. The event is taking place Thursday through Saturday, Oct. 13 to 15.

A short waist can be concealed by wearing jackets that are only slightly fitted in the back. This type jacket makes a short waist appear longer.

Town-Country Stores Staging 'Circus Days'

On Thursday, Friday and Saturday, October 13, 14 and 15, merchants of the Town and Country Shopping Center on E. Broad-st, in Whitehall, are presenting "Circus Days."

The gimmicks surrounding this event are aimed at making the kids happy and the parents, in turn, happy, too.

On Friday and Saturday, from noon til dark, youngsters may enjoy free rides in a 30-seat-low built circus wagon, drawn by four handsome Shetland ponies, attired in beautiful harness and each wearing a red pom pom. Clowns will make merry and will dispense free inflated balloons to the small fry.

On the sidewalks Friday and Saturday, Tony and his wonder monkey, Chris, will create fun for the kids. In addition to their clown-monkey antics, they will play a miniature circus calliope.

To help make the boys' and girls' trip to Town and Country easy on the pocketbook, a huge portable lunch counter will sell a "soft drink and a hot dog" for ten cents.

All of the Town and Country Stores are offering attractive and seasonable "Bargain Buys", especially for Circus Days. These offerings are advertised in a special tabloid section of this paper.

Especial emphasis is being made in the urging of Lay-a-Ways, either for later in the fall or for the fast-approaching Christmas season. Huge crowds are expected for Town and Country's "Circus Days."

Potluck Dinner Slated By Kentucky Veterans

A potluck dinner at Sunshine Park, Sullivant-av and Sandusky, at 2 p.m. Oct. 16, has been scheduled for the Columbus Branch of the Out-o-f-State Kentucky Veterans, their president, John Brown has announced.

Senator "Nick" Johnson and family of Harlan, Ky., will be guests, and entertainment and a briefing of developments on the Kentucky bonus issue are planned.

Dr. Lawrence Will Join Dentist In Local Office

Larry S. Lawrence, DDS, a cum laude graduate of OSU will be associated with Dr. I. E. Henry in his dental offices at 2427 E. Main-st, Bexley.

Dr. Lawrence graduated from OSU School of Dentistry in 1958. He has had a dental internship with the Public Health Service in Seattle, Wash.

He has been associated with the U.S. Coast Guard Academy at New London, Conn., prior to his leaving the service. Dr. Lawrence, his wife, and their two sons will make their home at 855 S. Hampton-rd.

Rexall Penny Sale Starts Next Monday

A penny will do a giant job of buying at Edward's Rexall Drug Store beginning Monday, Oct. 17.

From then through Saturday, Oct. 22, Phil Vale and other independent Rexall druggists across the country are putting on the Rexall Original One Cent Sale.

He is offering hundreds of items for sale — vitamins — medicines, stationery, candy, household needs and other buys —at two for the price of one plus a penny.

Besides regular one cent sale merchandise, customers are being offered bonus buys at specially reduced prices.

Advance shopping list order blanks, a special service to shoppers, are now obtainable at the store. The lists can be checked and left at the store before the sale, selected merchandise to be sacked and reserved for the shopper to pick up at any time during the sale.

The Rexall One Cent Sale has been a regular event with Rexall druggists since 1913.

Great Eastern Stores Ready Sales Spree

There'll be an old-fashioned sale in a modern setting as the Great Eastern stores prepare for a three-day savings spree.

Stores' shelves have been lined with top-dollar bargains for the sale and will have the flavor and color of by-gone days as many of the managers and clerks will appear in colorful costumes Thursday, Friday and Saturday.

There will be free rides outside on a horse-drawn western wagon. Five amusement rides will cost half price when parents request special tickets from the stores participating in the event.

Also on the grounds facing the S. Hamilton-rd site will be a display of antique wagons and carts.

The bargains begin Oct. 13. Prices are priced-back on items that can be found in this newspaper under the title of Great Eastern Old Fashioned Bargain Days.

Stores participating in the event are Albers, the Diana Shop, W. T. Grant's, Gray's Drugs, Great Eastern Carry-out, the Laundromat, Paint Town, Great Eastern Shoe Repair, Isaly's Dairy Store, Lowe Bros. Paint Store, Evans and Schwartz Shoes, Mogol's Men's and Boys' Wear, the Moore's Store, Olan Mills Photo Studio, Schiff's Shoes, Walz Styles, F. W. Woolworth's, Wright's Jewelers.

TRIM HARMONIES appear to be the order of the day as these four Great Eastern store managers and the miss with the shears make a note of some of the savings to be had at this year's Old Fashioned Bargain Days at the S. Hamilton shoppers' mart this Thursday, Friday and Saturday. The four "Gay Blades" are, left to right, Bill Schmidt, manager of Moore's; Joe Spreviero, manager of the W. T. Grant store; Woolworth's manager, Joe Feher, in the chair; the manager of the Great Eastern Paint Store, Howard Fordyce, and the pretty barber, employee of Economy Loan, Sandy Weamhoff.

Practice Opens For Basketball At Pickerington

Basketball practice has begun at Pickerington, with Head Coach Don Heft reporting 34 candidates at the initial practice.

Heft is starting his fifth year as coach at Pickerington, and will be assisted this year by Don Haskitt who will handle the reserves, and Larry Houser, Junior High Coach.

The teams will be cut down to 12 varsity and 13 reserve players. Four lettermen reported back this year, and all of them have seen considerable service in varsity competition, all having started at one time or another in the past.

Pickerington is defending Champion of the league, last year finishing on top of the league standings, but dropping a tournament game to Bremen. There are nine teams in the league.

Messiah Church Father and Son Banquet Ready

The annual Father and Son Banquet will be held Thursday, Oct. 20, at Messiah Lutheran Church, Reynoldsburg, Rev. Donald Fritz, pastor of the Church announced.

The program will begin at 6:30 p.m. and is sponsored by the Brotherhood of the Church. Recognition will be given to the oldest father, and the father with the most sons present.

The Church has also scheduled a Congregational Dinner for Nov. 4. This will be the climax to the fall stewardship program and will be held at the Faith Lutheran Church, Whitehall.

Lathers Score Upset Victory On Arrowhead

The LeCompte Lathers, fighting their way back toward the top of the American Division of the Ohio Boys Football Foundation League, upset favored Arrowhead A.C. 12-6.

Coming from behind in the last five minutes, Earl Smith's boys overcame a first quarter touchdown that threatened to be the games only score. Bill Rathgaber and Gary Slade scored in the final quarter for the Lathers. Both touchdowns were scored on short runs.

This week the Lathers will face Gahanna away from home on Oct. 16.

Jonathan Alder Story Fascinates Historians

by Bob Wunderlin

One of the most fascinating stories emanating from the pages of early Ohio history is the one revolving around Jonathan Alder, whose cabin and grave is located just a few miles west of Columbus.

Jonathan Alder was eight years old when he was captured by Indians during the Revolutionary War. Spared from torture and perhaps even death through the intervention of a kindly Indian chief who thought he would some day make a great hunter, Jonathan spent 24 years with the redskin tribe before returning to his home and family.

Jonathan Alder is buried about 18 miles from Columbus' Broad and High-sts in Madison County.

The inscription on his tombstone reads:

JONATHAN ALDER
First White Settler in Madison County.
Born Sept. 17, 1773
Taken by the Indians in 1781.
Returned to His Mother in 1805.
Died Jan. 30, 1849
Age 76 Years.

For those interested in visiting this bit of Ohioana the best route to take is route 40. About half a mile east of West Jefferson, the Plain City-Georgesville-rd knifes across the National Highway.

Turn north, continuing across the railroad track, past the imposing buildings of the Battelle Institute, on down the mild S-curved road with its "Narrow Bridge" signs, clean white barns, neat rural houses, well-kept farms, grazing cattle and scurrying pigs.

Just 3.7 miles north of Route 40 you come to the Alder Chapel. On the chapel grounds stands the original Madison-County home of Jonathan Alder.

Adjoining the grounds is the cemetery, maintained by the Jefferson Township fathers of Madison County. Here is the grave of Jonathan Alder.

This cabin originally stood one mile north of the cemetery at the intersection of Lucas-pk and East-pk. (East-pk is now called the Plain City-Georgesville-rd.)

The cabin originally stood on the southwest corner of this intersection.

Born In New Jersey

Jonathan Alder was born in New Jersey, about eight miles from Philadelphia. When seven, his parents carted him off to Wythe County, Virginia.

The following March, in 1782, as Jonathan and his brother David were hunting for a mare and her colt that had wandered off, a small party of Indians captured them.

David ran but Jonathan was captured on the spot.

"At length," Jonathan told friends later, "I saw them returning, leading David. One of the Indians was holding the handle of a spear. The arrow end of the spear was imbedded in David's body. As they approached me, one of the other Indians stepped over and grasped David while another pulled out the spear. As David sank to the ground, the Indians grabbed me by the wrist and hurried me on. Shortly afterward I saw one of the barbarous wretches shaking blood off of what I knew was David's scalp!"

They marched on through the woods and at sundown stopped for the night in a small clearing. Jonathan slept through the night, utterly exhausted.

A noise awakened him. The sun was up and he saw the shadow of an upraised arm with a tomahawk on the ground beside him. Jonathan turned as the Indian poised, ready for the kill. Jonathan smiled.

Surprisingly enough, the Indian chief lowered the tomahawk, gazed at the young captive for a long time, and then patted him on the head.

Years later he told Jonathan that he had intended to kill him that morning but his smile and coal black hair had caused him to change his mind and attempt to make a good Indian out of the youngster.

Jonathan was forced to "run the gauntlet," however, and fortunately suffered only minor injuries during this ordeal.

The homesick lad "cried his heart out" almost every day.

His father, a chief of the Mingo tribe, was called Succohanos. His Indian mother was called Whinecheoh. His sisters were simply Mary, Hannah and Sally.

Succohanos and Whinecheoh had lost a son. Jonathan was his "replacement." From the start they told him that some day they hoped to enable him to rejoin his people.

He ran, fished, hunted and swam with the youngsters of the village. One day he almost drowned. "The act of drowning is nothing," he said later, "but the coming back to life is distressing."

The Indian diet of meat and hominy, with very little bread and practically no salt, left him subject to fever and ague.

He was taught how to handle a rifle and became an expert shot. He always returned to camp with game.

In 1795 the treaty with Wayne became effective and hostilities between the Indians and the white man stopped. "I can now lie down without fear and rise up to shake the hand of both the Indian and white man," Jonathan gloated.

In 1796 Lucas Sullivant and his surveying party came down Big Darby Creek. Alder and Sullivant became great friends. Sullivant was fascinated by Alder's story of captivity and life with the Indians.

Alder married an Indian maiden.

He took over some land and began farming like the white man.

He sold milk and butter to the Indians; horses and pork to the white settlers who were coming in. He acquired more and more property in the Amity and West Jefferson area.

One day a salesman came through the area and heard Jonathan's story. He dwelt on the fact that Jonathan could remember living near a lead mine and that he could recall watching the men dig ore. He remembered a family named "Guilion" living nearby.

The salesman then recalled that he and his father had once stopped at the house of "Guillon" in some part of Virginia.

When Moore—the salesman—went back through Virginia, he wrote posters and tacked them on trees and fences and bulletin boards throughout the area, asking if anyone had any knowledge of a young boy kidnapped by Indians.

Not long afterward Jonathan received a letter from his brother, Paul. He was overjoyed. His mother and brothers were still alive, the letter said.

Left Indian Wife

But the Indian wife presented a problem. She did not want to travel, so Jonathan, following Indian customs, bought his freedom from his wife for 14 cows, seven horses and household goods.

Jonathan kept two horses, the swine, and $200 in a small box. His "separated" wife saw the box, demanded it and its contents since it was hers before they had married. Jonathan yielded.

Alder arrived at his brother's house the Sunday after New Year's day. Without letting his family know who he was, he asked for food and lodging for himself, Moore, and their horses.

For several hours he watched his family. His brother he did not recognize. He knew his mother by the mole on her face but found it hard to believe that this lady with the snow-white hair was the mother he had last seen with raven black hair.

Neighbors were soon invited in and one of the young ladies remarked that "he looks very much like Mark."

Jonathan realized that he was about to be "discovered" and ran to his mother. "My! How you have grown!" she greeted.

After spending some time with his family he returned to the banks of Big Darby to cultivate his land. He looked like an Indian, he acted like an Indian, and sometimes thought like an Indian.

He was respected by all his fellow townsmen. He was known to be kindly and honest.

He died on Jan. 30, 1849, and was buried in the Hardage-dedicated cemetery. Later his cabin was transported to its present site through the courtesy of the Buckey family, who donated it to Jefferson Township.

And today, thousands of visitors annually turn off the national highway and down the Plain City-Georgesville-rd to get a look at a very real part of the exciting history of the Buckeye State.

A HARTLEY HEADLINER

NOT MUCH DOUBT—There's little question as to whether or not George Pruchnicki, Grove City mailman, is shorter than Gaylord Daniels, Mt. Sterling postman but Daniels claims he's still the smallest mailman in the country because Pruchnicki weighs more.

Grove City Mail Carrier Bids For 'Littlest' Title

By Bernie Karsko

Gunsell and Poochy are having a big dispute over a "small" matter and the federal government will probably have to be called in to settle the issue.

Gunsell is Gaylord L. Daniels, who carries the mail for some of Mt. Sterling's residents Poochy, George Pruchnicki, does the same thing for part of the population of Grove City.

Now there's no reason to argue about that except!

Except that Daniels and Pruchnicki are much smaller than the average size mailman—so much smaller in fact that they both claim to be the smallest mailman in the United States.

Daniels is the reigning titleholder. The postmaster general's office conferred the title upon him in 1954 ending the tenure of a Mr. X. Ray from Spokane, Wash., who held the crown up until that time.

At 5'1½" and 107 pounds stripped, Daniels was the official (and he was sent a crested sweater and papers to prove it) smallest full-time mail carrier in the country.

After reading the article Dennis Riley, a one-time jockey, who's been around Grove City for longer than anyone can remember, called and exclaimed he was upholding the honor of jockeys everywhere. "Our mailman is smaller," he said, "than the one in Mt. Sterling."

Claiming to be Pruchnicki's manager, Riley prodded the Grove City mail carrier, who says he weighed 103 with a wet P-coat on when he got out of Sea Bees in 1945, to drive to Mt. Sterling for an official measurement.

After an impromptu back-to-back examination it was evident that Pruchnicki was indeed smaller than Daniels by at least an inch. The current titlist conceded—after he was assured that the challenger was a full-time postman—that, "he is shorter than me."

But he hastened to add that: "shortness is not the same as smallness. There's a difference," he said, pointing out that before he took the title from Mr. X. Ray he beat him in both weight and height.

Pruchnicki was almost certain that he weighed three pounds more than Gunsell and since Gunsell had claimed that it was illegal to reduce, Pruchnicki went back to the Grove City Post Office to concede, "I've been beaten in a photo finish."

But neither manager Riley nor a few dozen other heckling co-workers and neighbors would let Pruchnicki yield without a weigh in.

So the next day he returned to Mt. Sterling for a rendezvous with Gunsell at the local grainery. The unofficial results showed that Grove City's representative, not Mt. Sterling's weighed three pounds less.

Allowing that Pruchnicki's jacket made up for Gunsell's coveralls, which he claimed made him weigh more because they were covered with paint, Pruchnicki "tipped" the scales at 117. Gunsell pushed the dial to 120.

But before Pruchnicki could offer Gunsell condolences for beating him Gunsell proclaimed, "it's too late now. You can only challenge once. Since you did that yesterday I'm still absolutely the champion."

Seeing that the case couldn't be decided out of "court," Pruchnicki has decided to take it to the supreme judge of just who is the smallest postman in the United States. That's the postmaster general. Pruchnicki's postmaster will issue a letter of proclamation when he gets back from a vacation.

"The woman who constantly interrupts a man's conversation either is already married or never will be."

When sewing trimmings on a hat, use stab stitches and a square knot. Too much sewing or stitches which are too tight could give the hat a set, fixed, home-made look.

HIS HOME — Jonathan Alder's original home was this log cabin which is preserved in Madison County where he was the first white cabin. Alder injured his leg near this cabin and almost starved to death in a deserted cabin before two youngsters found him one winter morning.

Whitehall's Future Plotted

MASTER PLAN STRESSES RECREATION NEEDS

Preliminary offings of the long-awaited Whitehall Master Plan are out and recreation and leisure facilities "play" a big part in it.

Transportation and neighborhood and "collector" type streets also have come in for scrutiny and analysis by the plan's formulators, Rackoff and Associates. But recreation facilities—or rather lack of them—has thus far proved to give the planners something to dig into.

According to the preliminary findings, neighborhood and community parks, recreation centers and playgrounds are particularly conspicuous by their "complete absence."

Present land owned by the city for recreational purposes, planners say, is less than two acres. "Some 210 acres of land for parks and recreation are needed to meet minimum standards set by the National Recreation Association for a city of 21,000."

Minimum recommended standards set by the National Recreation Association are 10 acres per 1000 people for playgrounds and community parks.

"The city has no neighborhood parks and needs to provide some 21 acres, and in the future another nine acres, at least, should be added. Each park should be 10 acres, designed primarily for recreational facilities. Baseball should be confined to Rosemore and to North playfields.

"A rec center should provide facilities for all age groups, including a combined auditorium-gymnasium, arts, crafts rooms, meeting rooms, etc."

One large center should satisfactorily serve, the planners state.

Big Walnut Creek was mentioned as a likely spot for a community park. The planners' findings have led them to feel that it is not necessary for the park to be entirely within the city, "nor that the portion lying outside the city be purchased by Whitehall."

The Metropolitan Park Board and other groups, they point out, have indicated the desire to purchase land on both sides of the creek.

Neighborhood facilities also come in for the planners' mark.

Beechwood boundary lines: on the west and south by corporation lines; north by Broad-st and east by Yearling-rd.

The area contains roughly 9500 people. The planners feel that 26 acres should serve this neighborhood.

"A playground could be located west of a proposed elementa-

Whitehall Status Back To Normal

by John Poeppelmeyer

Whitehall fought its way back to normal Tuesday night.

The gonfalon of calmness that has fluttered unsteadily over recent council meets dropped with the suddeness of a shroud. Two city officials of opposing political factors found themselves in a verbal brawl.

For most of the evening, the session was a listless, moody rendition of ordinance readings droned out by council president Walter Siemer. He was interrupted only by intermittent barbs of Dem. Richard Hyatt directed at fellow Democrats who began to feel a little edgy by the needlings.

When an ordinance requested by Mayor Walter Moling to separate the service-safety director post into two jobs was presented (not on the agenda for the evening) Republican Ray Shipley, with an implied reference to Dem. Loren Mason's absence at a Saturday get-together to discuss pending legislative matters, offered to bring the measure up before council acting as a "committee as a whole with the statement:

"Some committees, it appears haven't been doing their job."

Mason, who had bore the brunt of Hyatt's earlier jabs, was ripe for a retort. "I resent that," he told Shipley.

"I don't care if you do," was the reply.

Siemer hastily called a recess. Shipley and Mason approached each other near the center of the table and continued the disagreement with the intermingling of phrases such as "big head . . . two chips on shoulder . . . wanna knock 'em off . . . take everything as personal . . ." —all with hands in pockets.

ROCKET AUXILIARY PRESIDENT HALL
Eyes in The Garden of Outer Space

Auxiliary Keeps Feet On Ground Learning About Outer Space

When supper time arrives at the neat little residence at 4404 Allen-dr, and such technical jargon as "dynamotor," "rocket propulsion," and "compression ratio" are tossed out for conversation, chances are it's as likely to be the woman of the house coming up with the tidbits as it is the male.

For Mrs. Donald Hall, whose husband is an engineer at North American Aviation, is president of the Woman's Auxiliary to the Columbus Section of the American Rocket Society—the only one in the country, to her knowledge.

The group started about four years ago and now has 26 members.

The men's unit of the American Rocket Society, says Mrs. Hall, numbers around 400 organizations throughout the country.

"We founded the groups "with the idea that we were bound to understand and be able to converse intelligently with our husbands. It has worked out fine and the husbands are enthusiastic about the idea," she related.

Meetings are held the first Monday of each month September through May, except in December.

Eligibility requirements state that a woman must either be the wife of a member of the parent society or a distaff member of the American Rocket group. "There are some lady scientists," she points out.

Along with informative talkers at each meeting, the ladies

This Is a Job For Everyone

Only a few days remain in annual United Appeal campaign and as of this point a crucial situation is faced in the drive.

As of now enough of the workers have not completed their jobs and enough individuals and business firms have not properly responded to the appeal to bring about a successful termination.

All out effort and all out giving are needed to put the drive over the top. Thousands of needy families will feel the shortage and thousands of community welfare services will of necessity be reuced to some degree unless the campaign is a success.

This is not a time for excuses. This is a time for action and those who do not come through have not held up their part of a community responsibility. It is easy to determine what your fair share should be, based on your income. It is not too late to pledge.

The wide acceptance of UA attests that this is the proper method of giving. Let's give!

Future School Building Sites Still Unsure

It is almost certain that Whitehall will need new school buildings in the near future.

Master plan recommendations of the outlook diagnoses that at least five more elementaries will be needed by 1980.

The formulators also contend that an additional junior high will be required or the existing Rosemore building will have to be doubled.

Their recommendations also show that Beechwold elementary could be converted into a junior high and propose that East Main and East Broad elementaries be considered for later abandonment with replacement in more suitable locations.

The schol board this week found time to discuss building matters with the same conclusion as the planners leaving location and sites undetermined.

Superintendent Robert Crabbs related that "we are anticipating building needs, but no estimated figures have so far been forthcoming."

Last week Crabbs said the board was undertaking a survey of school growth in anticipation of future building needs. At that time he indicated that a bond issue may be forthcoming next year.

Auditors reported to the board Tuesday night that Mrs. Betty Trott should be applauded for the "fine way" the high school activity account has been handled.

They also observed that the

WHITEHALL ON TV

Whitehall students wil be on television this Saturday. From 9:45 a. m. to 10 a. m. Bill Gornall and Bob Lenord, president and vice-president respectively of the student body, along with Mrs. Luella Compton, advisor, can be seen on Channel 4 in "Open Classroom."

Johnson Park Dedication Set

Johnson Park Junior High School will be dedicated as part of an Open House program Wednesday, Oct. 26, at 8 p.m.

Dr. Harold H. Eibling, Superintendent of the Columbus Public Schools, and Daniel W. DeHayes, President of the Columbus Board of Education, will participate in the program.

Johnson Park Junior High School was opened to 840 seventh and eighth graders Sept. 9, 1959. Twenty-five teachers and Principal, John P. H. Young, were the original staff of the school.

Armory Welcome Scheduled

Whitehall Memorial U. S. Army Reserve Center officially will become a part of the community Saturday, Oct. 29.

It'll be dedication day for the new home of the Third Battle Group, Second Infantry Group, and a host of national, and local dignitaries will be on hand for the ceremonies.

A 1:30 p. m. parade from Main-st, and Bernhardt-rd, to the armory site on Club-rd, will serve as an invitation to the public. Music will be furnished by the 338th USAF Band and the Whitehall High School band.

Hugh M. Milton II, Under Secretary of the Army, will deliver the dedicatory address. Col. Donald E. Pratt, commander of the Second Infantry and dedication committee chairman, also will speak.

The ribbon at the entrance will be cut by Representative Sam L. Devine. Major General Charles E. Beauchamp, commanding general of the US. Army XX Corps, will unveil a plaque which is inscribed: "Dedicated in memory of all who have given their lives for our country. Let their supreme sacrifice ever remind us that eternal vigilance is, indeed, the price of liberty."

Other highlights of the program will be the invocation by Lt. James W. Farris, unit chaplain; the welcome by Chet Long, news commentator; presentation of the Coolrs; Pledge of Allegiance by Commander George Williams of Whitehall Post 8794, VFW; and benediction by Rev. Robert W. Harwick of Holy Spirit Catholic Church; and the National An-

ELECTRONICS: TEACHERS' NEW PET

No one is more aware of the advent of electronics than the educators of the land.

Its uses in the classroom are innumerable; its practices are simple.

The idea of a robot-type teacher doesn't enter into the picture emerging from the 99-minus eyed Argus.

The Tube At Bexley

Minus commercials, cartoons, and other miscellaneous trivia, the kids at Cassingham Elementary School in Bexley are having a time for themselves learning French via television.

Take the seventh grade class of Ed Hamblin as a look-see.

When the channel selector goes on, the kids pay attention to what's coming out of the cyclops tube.

About two or three times a week for 10 to 15 minutes, the language of French is propagated through the classroom.

"The kids eat it up," Hamblin commented.

"In a way," he suggested, "it is easier to teach a foreign language to younger children than waiting until they get to high school age."

He figures that two years of junior high school foreign languages via the electron tube is equivalent to one year of high school tutoring.

After the program, the pupils and their instructor discuss what has been seen on the screen.

Hamblin also employs a tape recorder and a record player with the instruction. "With both, I can prepare lessons ahead of time, and as the instruments are playing I can walk around the room, listening to the children."

"Right now," he pointed out, "the idea is to get the children associated with the sound of the words."

"They have no idea what the words mean, and they are not concerned with what they look like."

Much the same way, he pointed out that a child learns the English language. "They speak it before they know what it means or looks like."

The kids in his class have learned to greet each other and

No matter what the equipment being employed, whether it be tape recorders, switch boxes or television, electronics in the classroom is construed as a "supplement—not a substitute."

Forthwith are two stories of the use of these marvels of men and science in two area schools.

The Tape At Whitehall

Just as the bell rang, the last student entered the classroom, slid into a seat, adjusted earphones and a microphone and was greeted with the words "Como esta usted?"

It is all part of the new electronics language laboratory at Whitehall-Yearling High School and this was a class in Spanish.

"They have yet to see a book," Suzanne Rian, the attractive instructor explained. "And they won't for five or six more weeks."

The set-up, she announced, is similar to the way children learn to understand their own native language. "Kids learn to speak the language before they attempt to read or write it."

The equipment, which makes more or less a technician out of a teacher, consists of the aforesaid earphones and microphones in addition to a central control board and tape recorders.

Both Spanish and French classes are taught via the electronics way.

In all there are 24 positions or seating-arrangements in the classroom located on the high school's second floor.

In order to teach the subject fluently and accurately, the work involved on the teacher's part is more demanding than that of a regular classroom.

Miss Rian points out that double classroom preparation is needed. "With all of the work being conducted in class, it is up to me to prepare items for the students to study at home." She also writes the "broadcast" scripts and prepares the tapes for recording purposes.

The method of electronics teaching involves repetition. Over and over students are fed information which they are either requested to repeat if it is in the form of a statement, or to answer, if a question.

RAMS TO TEST MT. VERNON; HAWKS AWAY; CARDS HOME

by John Poeppelmeyer

Trying to take away any team's crown-bearing status isn't as easy a job as it might first appear on the surface. Central found out at Eastmoor last week the hard way and Bexley, too, learned that Whitehall has yet to say "die."

But a real test looms this week for the Warriors of Bob Stuart. The Pirate hump is over with. To come: a show-down struggle with pre-season favorite West at the Warrior fort.

Whitehall hopes to climb to an even CBL record at Mt. Vernon. The Yellow Jackets have yet to win in loop play and show but a 2-3 won-loss record.

Bexley hosts Worthington at the Lions' den. Both teams have identical 1-2 records in the CBL.

In other games, Bishop Hartley, chided last week by St. Charles, travels to Pain Valley and the Cards meet Springfield Central Catholic at the Hawks' aerie.

Both the Eastmoor and Bexley frays are homecoming attractions. West comes into the combat arena with a 2-1 city record; the Warriors have yet to be downed in the loop. The first tilt with Linden, which they lost, goes for naught as far as standings are concerned.

Stuart's boys have shown a lot of get up and go since their last loss, a one TD edge to Zanesville. They proved they could score against South, 30-0, and convinced skeptics last week that they have what it takes to come from behind by dunking a strong Pirate squad that had been itching to put the Warriors on the edge of a plank.

The boys from the other side of town, however, have proved that they too could rack up the points. The Cowboys sneaked by a good East team by one point, then walloped Marion-Franklin last week 32-0. West's overall record is 3-3. The Warriors have been tripped but twice, and tied up once.

The Bexley homecoming crowd will be watching their favorites strive to turn the tide that has engulfed them the past two games. Against Upper Arlington and Whitehall, the Lions' defense to say the least, has not been the most.

The men of Ben Tenwalde have watched 55 points charged against them in the last two outings. Worthington, for its part, brings a 3-3 record into the fray. The only opponent that both have faced in common, thus far, has been the UA, who bopped both of them.

The Lions haven't fared too well, all season long, hanging up a 2-4 overall record.

Whitehall's Rams appear to have snapped out of the lethargy that enveloped them in their first two CBL bouts. They showed a potent scoring offense against Bexley last week, almost scoring at will as they wore down the Lion line.

Coach Jim Bline and the Rams would like to see that CBL crown still hanging around the end of the season and Mt. Vernon doesn't figure to stop their frontward splurge, late though it may be.

The Yellow Jackets have been tapped for three straight CBL losses after opening the season on a winning note.

Bline's defense slipped a bit last week in the Bexley fray, giving up three TD's, only the second time opponents have managed to crash the Ram goal line that many times this year. (Urbana was the other one to do it.)

But the Rams appear to be hot, and it will probably take more than a mediocre Yellow Jacket unit to cool them down, down.

Hartley's Hawks have managed to win one, lose one, on alternate week-ends all season long. The one thing in their favor is that when they win, they win big, and when they lose, they do so by respectable margins.

John Murphy has welded the Hawks into a snappy unit—and this week, against Paint Valley, it's their turn to win again.

St. Charles goes into the Springfield battle with a 3-2-1 record. The Cards, like the rest of Eastern area teams, have had their ups and downs, and it'll be up to Jack Ryan to keep his boys on the up keel this week after downing Hartley last Saturday.

BEXLEY HOMECOMING ROYALTY

ONE WILL RULE—Of this quintet of Bexley High Schools lasses, only one will be able to mount the homecoming throne Friday night. Candidates, left to right, Rita Zeff, Carol Monroe, Nancy Samson, Beverly Soleve and Sue Yardley.

Whitehall Pulls Out All Stops En Route To 32-18 Lion Win

The dike broke against Bexley Friday night, and eleven pairs of fingers and thumbs weren't enough to turn the tide as Whitehall's Rams waded through a porous Lion line for five touchdowns and a 32-18 victory.

Hard riding fullback Danny Gartner accounted for four TD's, one a 62-yard jaunt that pulled the Rams out of range after Bexley had rallied to pull within one TD in the fourth quarter.

Bexley, too had its moments, but only after it looked as if the Rams weren't going to be stopped.

Within six plays after the opening whistle, Whitehall had its first six points. The two teams traded punt returns when Bexley set up for business.

The break came on the Whitehall punt. With a fourth and seven situation on its own 38, the Ram punter missed a high pass from center that rocketed back to the nine. The kick ended up eight yards back of the scrimmage line.

The Lions wasted no time. Quarterback Jerry Mechling sent his backfield trio of Terry Lane, Chris Tsitouris and Cal Hamrick on short jaunts into the line and Mechling fooled everyone with fourth down and three to go on the 10 by slick-handed feint nigto Hamrick and lateraling to Lane who ended up in the end zone.

Whitehall wormed its way back upfield with the first period running out.

Ron Paxson lateraled to Larry Drake who fired one to Randy Welsch at mid-field. Welsch kept going to the 35 where Hamrick put the quietus on him

On the next play, Welsch, who proved to be a big thorn in the Lions paw all night, streaked to the two and a half where Gartner carried it over with 13 seconds left.

Bexley fumbled on its own 36 soon after the second quarter began. Gartner hit for four, Welsch carried to the 19, Gartner twice more to the seven, Drake to the five, and Welsch took it over from there to make it 20-6, Whitehall.

The Lions scrambled back in the third period with Jerry Durham and Lane doing the brunt of the toting. Durham squiggled through from the Bexley 44 to the Ram 23. But on a fourth and four a Mechling pass fell dead at the Ram 16.

They got another chance with the period nearly gone and capitalized on it with Mechling sneaking over to pull within one TD of the Rams, 20-12.

Faced with a third and 17 set-up deep in their own territory as the fourth quarter got under way, Paxon handed the ball to Gartner who scooted to the Bexley 48 and a first down. Paxson notched an aerial to end Tom Shoaf at the Lion 33 and seconds later Gartner tallied from 23 yards out to ring up a 26-12 edge.

Bexley eagled its away right back on the good right arm of quarterback Mechling. A fourth and 14 situation arose after Mechling was smeared back to the Lion 48 yard line. Mechling lined one out to Rick Mauger and interference was called on the Rams at their 25 yard line.

Mechling wound up again and sunk the ball in Hamrick's arms for a 26-18 margin. The clock read 2:54 yet to play.

The kick-off went to the Whitehall 38 and Gartner opened up his big arms by rambling all the way on the first play from scrimmage for the night's final TD and the ball game.

To sum up: Give Gartner the ball and even a Lion can't stop him.

WARRIORS STORM BACK, BEAT BUCS

As they walked off the field last Friday night after the culmination of the most exciting comeback victory seen on local gridirons, Eastmoor's short-breathed Warriors should have graciously assented to carry the opposition Central Pirates off on their shoulders; not because of the stalwart competition thrown at them; but because the Buccos were probably too stunned to walk off under their own power.

Going into the fourth quarter at the Warrior fortress, the Buccaneers had submerged the men of Stuart under a three touchdown barrage. But by the time the last lanyard had been hauled down, a charging Warrior assault had keel-hauled the Jolly Roger standard bearers with a 28 point blitz.

With Frank Stravroff, Jim Makar, Nick Cooper and Bob Benjamin manning the guns, the Warriors ignited enough gunpowder to cannonade them over the wily Pirates that enabled them to retain an undefeated, two win mark in city league play.

The scoreboard stood at 20 to zilch when Staroff tagged Cooper with a seven yard scoring pass as the final canto blossomed.

The clock hadn't ticked off too many more seconds when Stavroff found himself going over from the one yard stripe for the Warriors second score.

A Ken Ramsey onside kick was gobbled up by Benjamin. Makar spurted through to the Pirate five and knotted the score seconds later on a two yard dive. The clock read 2:23 when the Warriors missed the extra points.

The fans in the stands were glad their stalwarts had worked their way back this far. The men of Stuart weren't.

Evidently Central wasn't willing to settle for a tie either. There's something that stirs a team that had seen a three touchdown lead evaporate. But then there's something that stirs a team that caused the evaporation.

When the Bucs Steve Tweedy took to the air to navigate a win, an unexpected midshipman in the form of Benjamin was on the spot to intercept on the Central 45. Makar hurtled 11 yards and Stavroff missed with a pass to Benjamin.

With less than 20 seconds to go, Stavroff sank back, feinted to Makar, then lobbed one to Cooper—pay dirt.

Although the last period was all Eastmoor, Central, too had its moments before fading.

The Buccos tallied in the opening quarter when Winston Scales scored on a 38 yard run. Twice in the second stanza, the Bucs struck pay dirt: the first on a 25 yard pass play, the second on a one yarder with Charles Glover ramming over.

Hartley Drops 16-8 Decision

Hartley's Hawks capitalized on a St. Charles fumble early in the first quarter last Friday night but couldn't make an 8 point lead stand and succumbed to the hosts 16-8.

Buddy Thomas skirted his own left end from five yards out after the Hawks recovered the fumble to make the count 8-0.

But St. Charles picked up the equalizer on a fullback slant off tackle early in the second stanza and went out front for good on a sustained drive late in the same period.

HARTLEY WINS SOCCER MATCH

Hartley won the first soccer game the school has ever played, nipping St. Charles in the school's inaugural game, 1-0, prior to the Friday football game.

Charles Thompson delivered the game-winning boot.

Hartley Coach Earl Vermillion says that he would like to have additional games and that any team wishing a contest with the Hawks should contact him.

Homecoming Court Named For Game

The Eastmoor senior class chose the homecoming court last Friday, Oct. 14. The court includes: Diana Friedman, Maureen Nimz, Bev Reynolds, Marilyn Stevens, and Mari Werlin. The queen will be chosen this week by the student body.

A bonfire will highlight Eastmoor's homecoming festivities in the stadium. The band, the varsity and the reserve cheerleaders will combine to help set the spirit Friday night, Oct. 21. The cheerleaders include Janet Gray, Arlene Masch, Linda Stuart, Ruth Tarcov, Connie Wilson, and Janice Younkin, varsity; Lynn Balthasar, Penny Dawson, Tara Jackson, Judy Kuchler, Bobbi Shaw, Julia Walls and Sarah Welch, reserve.

Eastmoor's homecoming dance will be Saturday night, Oct. 22 from 8:30-11:30. Theme is "Deep Purple."

"Something for nothing," these are the words John Noble used to describe the situation in the United States at this time. Noble was a prisoner in Russian concentration camps for 9½ years. On Tuesday, Oct. 11, Noble talked to the students of Eastmoor High School about his experiences.

"When I returned to America in 1955, I saw that much was lacking. At a July 4th parade I noticed that when the American flag went by hardly anyone paid any attention to it, but when the floats with all the pretty girls on them went by everyone stood up and took notice. The American flag was more disrespected than it was respected."

"At the rate we are going now, America will be under Communist rule within six years. Youth must start realizing the dangers we face and help by taking a stand to keep America free."

One of the new clubs at Eastmoor is the Debate Club under the guidance of Miss Belk. Officers are Bev Finke, president; and Lynn Maynard, secretary. The purpose of the club is to acquaint Eastmoor students in debating with students from other schools. The club's first project will be to enter in the Beginner's Debate Tournament Oct. 22 at East High School. Issue of the debate will be "Resolved that the U. N. should be strengthened." The debators this week will be Bev Finke, Danny Fleming, affirmative; Bonnie Venook, Virginia Schott, negative.

On Nov. 5 seniors will be given the ACT tests, required by most colleges. Tests are given at Capital and Ohio State Universities. All students who are taking these must have their registration in by this week.

Tim Miller, a 1960 graduate, has completed his initial course of Air Force basic military training here. He has been selected to attend the technical training course for Supply Specialist at Amarillo, AFB, Tex.

Douglas Monroe Parsons, a former Eastmoor student, has completed his initial course of Air Force basic military training here. He has been selected to attend the technical training course for Aircraft and missile Hydraulic Repairman at Amarillo AFB, Tex.

QUEEN CANDIDATES AT EASTMOOR

BIG NIGHT FRIDAY—Looking forward to Friday night's encounter with West are Marilyn Stevens, Diana Friedman, Maureen Nimz and Mari Werlin. The reason: Homecoming and a queen to be crowned. These four plus absentee Beverly Reynolds are vying for the annual title.

HARTLEY PLANS SCHOLAR AID

Rev. Robert G. White has announced the school's plan for membership in the National Honor Society. Hartley has already applied for membership in this national organization, whose purpose it is to recognize scholarship.

Only members of the senior class will be eligible at present, but in the spring Hartley hopes to include juniors also. Only the top 15 per cent of the senior class and top 10 per cent of the junior class may be accepted. Father White also indicated that some sophomores who show outstanding promise may be accepted into the Hartley branch of the society on a probationary basis.

Girls of the lower classes will have a chance to join the Hartley Hi-Steps, the girls' marching team, according to the two co-captains. Suzy Sharkey and Connie Broderick announced that a reserve unit of the Hi-Steps will be formed soon.

The Hi-Steps have marched at all of Hartley's home football games and plan to do the same during the coming basketball season.

According to Sister Ann Christopher, faculty moderator for the Hi-Steps, there is a long waiting list of underclassmen.

Police Nab Two In $6000 Bexley Theft

Robbery charges have been filed against two men in a $6,000 Wednesday robbery of a 50-year-old Bexley man.

William Russel of 611 College-av was accosted by a pair of men at knife point early Wednesday as he was about to enter his rooms.

Russel told police he was a contractor and had withdrawn the money two weeks ago in order to purchase some property.

Arrested were Kenneth L. Smith, 39, of 65 E. Moler-st, and Lee B. Mowery, 30, of 37 Jefferson-av.

Police said the duo's car contained nearly $3000 in $50 and $100 bills.

LIMING CAMPAIGN ACTIVE

KNOCKS ON DOOR—Richard E. Liming, Democratic candidate for Congress, visited Whitehall recently as part of his door-to-door campaign to gain election support. Here he speaks with Mrs. Lewis Oliver, of 806 S. Yearling-rd. Since the May primaries, Liming has personally contacted nearly 10,000 Franklin Countians in an effort to enlist their aid in the forthcoming election.

Surgeons Elect Zollinger

A Bexley resident has been elelted to an elite position in the world of medicine.

Dr. Robert M. Zollinger, 83 S. Columbia-av, will become president of the American College of Surgeons in Oct. 1961. He was elected at the annual ACS meeting last Thursday in San Francisco.

Dr. Zollinger, known widely as "the Big Z," is professor and chairman of surgery at Ohio State University College of Medicine. He is recognized as one of the world's leading authorities on ailments of the stomach and intestines.

His term at the helm of the ACS will follow that of Dr. I. S. Ravdin, head of the University of Pennsylvania's department of surgery and consultant to President Eisenhower.

Dr. Zollinger was schooled at Ohio State and assisted in research at Lakeside Hospital, Cleveland, under Dr. Elliott Carr Cutler. He later co-authored an "Atlas of Surgical Operations" with Dr. Cutler.

Review Stars Garry Moore In Past Campaign History

By Charles Rampp

A historical revue of the United States Presidential campaigns will be presented on Channel 10, Monday, Oct. 24, at 8:30 p.m.

With Garry Moore as emcee, the show could well produce some top level entertainment. Gary will lead the cast through fun and games centering around the campaigns and personalities of the presidential races of the past.

Music, song, dance, dramatic vignettes, cartoons, posters and film will be used, with one of the world's most complete collections of campaign memorabilia being featured.

Outstanding stars are scheduled to play brief characterizations of some of the outstanding candidates and presidents of the past. Art Carney, Richard Boone, Thomas Mitchell and Martin Gabel will portray F.D.R., Lincoln, Grover Cleveland, respectively.

A panorama of political campaigns from the days of the torchlight parades to current airplane and TV campaigning will be led by Moore.

He will try to capture the mood, excitement and magic of past efforts by candidates. A Garry Moore touch will be some fictitious characters, such as the first woman candidate, the perfect candidate, and special party candidates.

The history-making debates between Nixon and Kennedy reach their climax this week. The last debate of the series will be presented on Friday, Oct. 21, from 10 to 11 p.m. on channels 6 and 10.

This week's topic will be Foreign Policy and with the candidates coming out in more free-swinging style each time they meet, should pack plenty of wallop.

Although the program breaks up the issues into small areas, and does not permit a candidate to follow his thoughts to logical completion, it is certainly an excellent opportunity for the public to become acquainted with how the candidates react under pressure.

Some of the questions tossed at the candidates recently were extremely tough ones, but the viewer did not get a sense of the candidates being put on the spot, as they adroitly came up with answers that took off the pressure.

Nixon and Kennedy both seem very aware of the fact that a jury of 90 million Americans is waiting and forming judgments, and being the trained lawyers they are, are trying to make every gesture and word count.

The backstage arguments have been colorful, too, with the lighting of the studio and even the temperature coming up for discussion. Only two objects in the universe seem capable of reasoning: the human brain and the electronic computer. These will be the subjects of "The Thinking Machine," Wednesday, Oct. 26, 10 p.m. on Channel 10.

Recent dramatic developments and even more dramatic prospects in the field of "thinking machines" will be explored. Some of the nation's leading scientists will act as guides in this exploration.

AREA WOMEN THRONG TO HARTLEY 'FOOD 'N' FASHIONS'

ATTENTIVE AUDIENCE—A portion of the crowd that attended Hartley Newspapers' free, all-electric cooking school and style show, held Monday and Tuesday at Whitehall-Yearling High School, noted with interest their copies of free recipes distributed to everyone attending the affair. In addition, many in the audience took home valuable gifts of merchandise and groceries as well as the dishes Susan Lowe prepared during the cooking demonstrations. Models displayed a special selection of clothing flown from New York for the occasion by J. C. Penney Co. Town and Country, and men's fashions shown by Richman Bros. Town and Country. Shoes for the occasion were supplied by Evans & Schwartz. Tess Stern narrated the show. Area merchants cooperated by supplying needed items for the show, ranging from electric appliances to furnishings for the stage and food items. Called an unqualified success by those attending, the show is expected to be repeated next year.

Six In Ferguson Family On State Payroll, Draw $50,484 Annual Pay

By ED HEINKE
Columbus Scripps-Howard Writer

State Treasurer Joseph T. Ferguson and five members of his family are on the state payroll at salaries totaling $50,484 a year.

The records also show that a seventh member of the Ferguson family, James D. Ferguson is on a leave of absence from his $5520-a-year job in the State Welfare Department to run for state auditor.

IN ADDITION, two members of the family have been drawing overtime pay in the treasurer's office.

The roster of the Fergusons on the state payroll, their jobs and salaries:

Treasurer Ferguson, $15,000.

Thomas Ferguson, his father's administrative aide, $14,400.

LEO FERGUSON, Joe's brother, treasurer's office, $7200.

Mrs. Joan Gotherman, Joe's daughter, treasurer's office, (part-time), $3960.

Elizabeth Ferguson, Joe's sister, Bureau of Motor Vehicles, $3024.

Joseph T. Ferguson, Joe's son, highway department, $6900.

THE RECORDS disclosed that Administrative Aide Tom, considered a likely prospect to run for state treasurer two years from now if his father retires from the active political field, has drawn $271.83 in overtime pay so far this year and in the last two weeks of 1959.

Can Ohio Afford Another Ferguson

The voters probably didn't realize it when they made Joe Ferguson state treasurer, but they were practically electing an entire family.

Joe took care of that—or rather, he took care of the family.

Five of them—two sons, a brother, a daughter, and a sister are comfortably lodged on the public payroll. The total family salary, including Joe's $15,000 a year, is a neat $50,000.

If the taxpayers can acquire so many Fergusons simply by electing one of them to public office, what do you suppose would happen if they elected two?

Remember, that's a real risk, because Joe's son James is running for state auditor.

Before anyone dashes out and votes for another Ferguson, he'd better make sure the state can afford it.

Or that it SHOULD afford it.

Rhodes Over Ferguson

It's still three months until Election Day and there's still much campaigning to be done, but there's no reason for anyone to take more time to make up his mind how to vote in the state auditor race.

There the incumbent, James A. Rhodes, is opposed by James D. Ferguson. Rhodes not only deserves re-election wholeheartedly on his excellent record in office. He deserves it additionally because of a special condition involving Ferguson.

So who is the state treasurer now? Joseph T. Ferguson Sr., the father of James D. Rhodes' opponent.

The best way to keep it from happening is to vote against James Ferguson and for Auditor Rhodes who, as we said in the beginning, deserves re-election anyway

Choose Jim Rhodes Now

BEFORE the tempo of the presidential campaign increases to obscure other issues, the people of Ohio should take a look at the one state office to be filled this fall. For if they understand the nature of this contest for state auditor, they will realize why a basic principle of sound government requires the retention of James A. Rhodes in this post.

For this reason, if no other, the people of Ohio should make up their minds now that Jim Rhodes must be retained as state auditor. But all the other reasons are in his favor, too, because Mr. Rhodes has had eight years' experience in the job and has proved himself a diligent, capable, obliging, and very personable state official.

DESIGNED FOR FISHERMEN—The motor, that is. An extensive survey has finally revealed what anglers want in a fishing outboard.

Poll Of Fishermen Helps Firm Come Up With Motor They Want

INSIDE ON THE Outdoors By ROD COCHRAN

About a year ago I received a questionnaire from Buck Rogers of the Kiekhaefer Corporation, the company that makes Mercury outboard motors. Rogers was trying to find what features anglers want in their motors.

So I filled in the questions, along with fishermen from all over the country, and the new Merc 60 is the result of this poll. While I have not seen this six horsepower model, from the description and pictures it appears to be a dandy.

One of the most interesting features of the angler poll was an answer to the age-old question, "What kind of outboard does a fisherman really need?"

A lightweight motor would be popular. Eight-five per cent wanted a motor 75 pounds or less, and 63.6 per cent preferred one under 50 pounds.

Performance is also important. While 67.5 per cent said load-moving ability is more important than speed, a majority still wanted a motor that would push two people in a 14-foot boat at a "respectable speed."

The matter of horsepower brought a variety of response. More than 72 per cent require 10 h.p. or less.

Here are other features asked for and the percentages requesting them: weedless lower unit, 14.7 per cent; no shear pin, 14 per cent; silence, 13.2 per cent; full gearshift, 12.5 per cent; separate fuel tank, 12.3 per cent; easy starting, 19.1 per cent; reliability, 17.5 per cent; heavy duty lower unit, 14.9 per cent; and smooth idling, 14.8 per cent.

Hoover Dam a Factor

The trend toward smaller fishing motors has been definite here in central Ohio. Used six h.p. motors are gobbled up fast by Hoover Reservoir fishermen, for restrictions there limit anglers to small motors. Dealers tell me that the market is also brisk for new motors of this size.

Another factor is a trend in recent years of compactness and efficiency in outdoor equipment. This trend is seen in small reels, ultra-light rods, fine diameter lines, light rain gear, boots and waders and light boats and canoes. Motors have certainly kept pace in this regard. The new Mercury motor weighs 49½ pounds. A separate gas tank is an advantage in taking on fuel but it certainly is not an advance in compactness, at least to me. But on the other hand, with the old motors most of us carried an extra can of gas along, so I guess the separate tank would not occupy more space. But it sure seems to get in my way.

Speaking of boating brings to mind the new film called "Everglades Boat-A-Cade," made available for group showings by the DuPont Company. The 22-minute sound color film was shot early this year in cooperation with the National Park Service in Flamingo, Fla.

Part of the film portrays the day-long boat-a-cade, a conducted tour through the mangrove maze of the Everglades. Pleasure boaters trailer their own craft from all over the country to take this tour every Saturday throughout the year.

The film also depicts exciting tarpon fishing, remarkable sequences of rare bird life and exotic plants—all in a beautiful tropic setting.

To obtain the film write J. H. Hain, "7" SEAS Line, Room WT-900, Dupont Company, Wilmington 98, Del.

Brown Exposes Gross Favoritism in Probate Court

An ex-politician received from the Probate Court five times the $13,000 annual salary of the judge.

Wilmore Brown, the Democratic candidate for probate judge, charged today that this "imbalance" firms-up the suspicion that Roscoe Walcutt, the incumbent, is guilty of poor administration and gross favoritism.

"I intend to prove that our Probate Court is inefficiently and wastefully operated," declared Brown, an attorney with offices in the Hartman Theater Building. "By election time the voters of Franklin County, I am sure, will have no desire to return Roscoe Walcutt to office."

The ex-politician named by Brown is Fred H. Johnson, 2078 Yorkshire Rd., who for a time was state Republican chairman in the 1940's.

"Johnson had been politically dormant until he reappeared in the Probate Court in 1957. Since then Walcutt has seen that Johnson has been assigned as trustee, guardian or appraiser to most of the major estates handled in Probate Court.

"Through the court Johnson is receiving in excess of $65,000 annually — he is getting this enormous amount (compared to Walcutt's annual salary of $13,000) for relatively short, part-time employment," candidate Brown asserted.

"What do the competent Columbus and Franklin County real estate brokers, insurance men, appraisers, accountants, lawyers and trust officers of banks read into this gross favoritism? Such gross favoritism is without precedent. In one estate alone it has been estimated that Johnson's rate of income has been $100 per hour.

"That estate is the late Clay M. Thomas Trust. Johnson became trustee of the estate March 1, 1958. In the 28 months preceding last July Johnson has received an income of $120,000 from this estate.

"I pledge an end to poor administration and gross favoritism if elected," Brown asserted. "I will operate the Court according to my campaign slogan: 'Fairness to all—favors to none.'"

Brown's statement continued: "The basic asset of the Thomas Trust is the Atlas Laundry & Linen Supply, 171 N. Grant Ave. Actually, Johnson is being paid to manage a laundry, a field in which he is inexperienced. Johnson is an insurance broker. He has had no experience in laundry management field.

"In addition, Johnson appointed Warren C. Armstrong, mayor of Upper Arlington, to assist him with 'special services' to the Thomas Trust. From the estate Armstrong, during 1959, drew $18,600 in salary.

"Neither Johnson nor Armstrong spend much time at the laundry building," Brown charged. "Johnson will not average 10 hours a week devoted to the Thomas Trust — yet this year he has been paid in excess of $1,000 per week.

"With Walcutt's full approval, Johnson is involved in myriad functions of the court, and the pattern set in the Thomas estate runs throughout — excessive compensation for relatively short-time employment.

"To illustrate Walcutt's preoccupation with the ex-politician," Brown stated, "permit me to cite this: In one 6-week period in 1959 he appointed Johnson as appraiser in estates totalling $6,043,521-.63, yet Johnson is a comparative outsider, an ex-politician, coming to Columbus from Nelsonville by way of Zanesville."

Pd. Pol. Adv. issued by Wilmore Brown for Probate Judge Campaign Committee, Marvin C. Yoder, Chairman.

The purpose, as Miss Rian explained, is to have them answer automatically as if the language were second nature to them. She also feels that the electronics way is an aid in overcoming a traditional barrier in learning any new language: translation.

"Usually, when the foreign word is spoken, the students translate it into English in their minds, think of the appropriate Spanish term, then express it. With this equipment it is possible to overcome that instinctive phase of it and make the responses automatic."

One other consideration enters into the picture. At the central control board, Miss Rian is able to monitor any student individually at any time without the rest hearing. "Such a step makes it possible to correct a student's mistake immediately with no embarrassment involved such as would be in the normal classroom type of instruction."

What do the students themselves think of the innovation in language learning?

One boy, who has studied other languages, replied that with books you have to remember. This way it becomes part of your memory.

A girl: "Easier to remember by repeating it."

"The students," Miss Rian added, "are not expected to analyze their mistakes. That is my job. This way of teaching, however, does make them aware of their mistakes, at the time they are made."

Another objective: Hamblin believes that it is important for his charges, if they want to learn the language fluently, to think in terms of the language they are learning.

Officers of the auxiliary are Mrs. W. A. Speaker, Jr., vice-president; Mrs. Jerry S. Kidd, secretary; both of Worthington; and Mrs. John A. Moran, of 225 N. Stanwood, Bexley, treasurer.

The group's yearly project consists of naming a Franklin County High School senior girl for outstanding interest in science.

Bexley Torch Gets National Recognition

Working on class floats, electing a queen and court, preparing a parade — these and other traditional activities are keeping Bexley High students busy as they prepare for their Homecoming game, Friday, Oct. 21. The Homecoming Queen will be announced at the annual bonfire pep rally Thursday, Oct. 20.

Carol Monroe, Nancy Samson, Bev Solove, Sue Yardley, and Rita Zeff comprise the queen hopefuls. These five senior girls were chosen by the school from the "top ten" girls nominated by the Senior Class. Other members of the top ten were Harriet Davidorf, Mimi Levison, Karen Mercer, Polly Taylor, and Barbara Volosin.

The Torch, the Bexley High School newspaper, has received the National Scholastic Press Association rating of All-American. This is the highest rating the NSPA gives. The TORCH is one of seven newspapers to be honored. The International First Place Award from the Quill and Scroll Critical Service also went to the second-semester publications of the 1959-60 TORCH.

Jack Dickey was editor and Gayle Caplan assistant editor of the TORCH publications that received these awards. Other members of the editorial staff included Glenda Schottenstein, Karen Mercer, Jeff Schwartz and Doug Fleckner.

LEGION TO HEAR DEVINE

Congressman Samuel L. Devine, who is a Bexley resident, will take time out from his political campaigning Monday evening, Oct. 24, to give a "Congressional Report" talk to members of Bexley Post 430, American Legion, at their monthly meeting in the Legion home on Livingston-av.

He will be introduced by Vice-Commander Wayne Geisinger and is expected to discuss, among other things, certain cases which came before the Ohio Un-American Activities Investigating Commission in 1953 and which the U.S. Stpreme Court has announced it soon will take up. Mr. Devine was a state representative and chairman of the commission at that time.

KUNZ REPORTS MARKED IMPROVEMENT IN WELFARE DEPT. PROGRAM

When I took office as a County Commissioner Dec. 4, 1958, I found the Welfare Department was screaming for help since the former Board of Commissioners had failed to appropriate any funds for relief in the years of 1955-56-57-58. The Department was in debt to grocers, druggists and hospitals. On Jan. 1, 1959 I was elected Chairman of the Board. At that time we set up a very close budget that would enable us to appropriate $92,000 for welfare.

I took it upon myself to make a study of the entire welfare program of the County. The first problem I found was that the Alum Crest Hospital had no vacancy. Our elderly people, trying to get accommodations, were refused due to the shortage of rooms. I was informed that TB was on the decline so I made a survey of Benjamin Franklin Hospital. There I found one building, Benson Hall, with 80 beds vacant for two years. In the main hospital there were 120 patients and 180 vacant beds.

It was at this time that I appointed a committee representing the Metropolitan Health Committee, Academy of Medicine and Columbus Hospital Federation, to make a study as to what could be done to use the vacant beds in the TB Hospital. TB Hospital operated on a .65 mill levy, cost per patient per day $23.73. Alum Crest hospital operates under General Fund, cost per patient $5.66 per day. Children's Home operates on a .50 mill levy, and a .50 mill levy, known as welfare and relief levy.

After I found welfare to be a big problem in Franklin County, I traveled to Cleveland and spent two days studying their Welfare Department and learned much about their operating levy. Later I traveled to Milwaukee to study their program. I was much impressed with their operation as it fit very much to my thinking.

The more I studied the welfare program, the more I was convinced we needed coordination within all departments.

After Jan. 1, 1960, I urged the Commissioners to appoint a Citizens Committee to study the over all welfare program for Franklin County. The following were appointed to serve on this Committee: Dean Phillips, North American Aviation; Loren Lunsford, Jaeger Machine Co.; Wayne Freeman, Coumbus Finance Director; Watterman Baldwin, United Community Council; Delbert Pugh, Columbus Hospital Federation; William Horemle, City Council; Golda Mae Edmonston, City Council; Sol Morton Isaac, Attorney; Richard Bachman, Ohio Citizen Council Health Welfare; Rex Davis, Huntington National Bank; Andrew Freeman, Columbus Urban League; Donald Smith, Child Welfare Board; Dr. Robert Kropp, Board of Trustees TB Hospital; Monsignor William Kappes, Diocesan Director of Charities Catholic Welfare Bureau; Dr. Jerome Folkman, Temple Israel; Harry Mayfield, CIO; Virginia Ferguson, United Community Council; Edward Lentz, United Community Council; Henry J. Robinson, Columbus Hospital Federation; Dr. Sherbourne, 336 E. State St.

This committee will meet sometime in November and present their recommendation. In 1960 we have appropriated $150,000 to general relief out of the General Fund.

To date we have a total of 9,439 persons on relief — 7,762 from the city and 1,677 from the county.

Total child welfare	1860
County Home	150
County Jail	174
Detenton Home	[illegible]
Benjamin Franklin Hospital	131
Alum Crest Hospital	254

We might add another 10,000 blind, crippled, retarded, etc. making an approximate total of 22,056.

Proper financing, purchasing, and administration will play a big part in saving thousands of dollar for Franklin County.

If I am re-elected, I will propose before we make our budget the first of the year:

1. County and city sit in together to prepare a budget for welfare.
2. Determine the anticipated costs of welfare and determine what proportion of case load included city residents. Costs should include:
   a. Assistance grants
   b. Administration of assistance categories and child welfare
   c. County Home and Hospitals
3. City should anticipate in two ways:
   a. Cash reimbursements or
   b. Deduction from property tax distribution. (Legality should be checked with prosecutor)
4. All welfare activities should be coordinated and the finances placed under a single administration. A comprehensive study is needed to provied a clear cut delineation of duties of all key positions. There is need of an organization plan tailored to specific needs, saving in time, efficiency, proper use of people, speed of action etc. A plan of this kind would save thousands of dollars for Franklin County.

HAMILTON RD. NEAR BROAD

Future—

(Continued from page 1)

ry situated five acres from the rear of lots facing the east side of Collingwood. Five acres should also be acquired and coordinated with a proposed elementary south of the high school.

"A neighborhood park could be located along Mason Run. Ten acres could be acquired from the rear one-half of lots facing the east side of Collingwood and the lots facing the west side of Robinwood, between Etna and Washburn."

Hamilton Yearling neighborhood boundaries: bounded by Yearling, Broad, Hamilton and Main; population, 6500.

"Suitably located land is not available for adequate park and playground facilities. The people will have to be served in part by proposed facilities in adjoining neighborhoods.

"As much playground space as possible should be made available on Etna-rd school land and two acres to the immediate west of the schools should be acquired."

Rosemore neighborhood, bounded by Main, Hamilton, Broad, Big Walnut Creek and Country Club golf course; population now 2000 and expected to exceed 8000 by 1980.

Rackoff and company suggest that the city acquire a 35 acre block that would include space for a playground, park and rec center. Eight acres should be purchased "as soon as possible before prices go higher and before development cuts up the land."

A rec center, they point out, should be located between Country Club-rd and Rosemore-av, to serve the entire city. Cost: approximately $200,000.

In analyzing the transportation system in Whitehall, the planners feel that "consideration must be given to the city's geographical location to Columbus.

"Truck routing along E. Main, Hamilton and Broad will be rerouted with construction of the East Freeway and Columbus Outerbelt." Land adjacent to Poth-rd, Columbus General Depot and the railroad makes this area good for development of a large truck terminal, the formulators stated.

Approximately 65 trips are made daily through Whitehall by buses, a survey showed. Over one-third will probably be routed over the East Freeway when completed.

Proposed street system: The east leg of the Columbus Freeway will be located one mile south of E. Main starting with the Columbus Innerbelt near Livingston and Parsons. The east leg will connect with interstate route 70. "The proposed use of the freeway or trucks will eliminate through truck and car traffic from city streets."

Access for Whitehall travelers will be at Hamilton-rd. Outerbelt access will be at both Broad and Main at interchanges, less than a mile from the city, according to present plans. In addition, an access will be north of the city on Hamilton, just south of Gahanna.

By 1980, say the planners, the north-south movement of traffic in Whitehall will require additional arterial streets between Broad and Main within the city. The most logically located, state the formulators, are located at Yearling and Fairway. "Consideration should be given of making Robinwood one way south and Collingwood one way north.

"Yearling-rd, should be extended in a straight line north from its present intersection at Poth-rd, and should be paved to extend to Fifth-av south to Main with a 32-foot width from Main south to the corporation line.

Fairway-blvd should be improved with a 26-foot paving with curb and gutter and later made four-lane.

Etna-rd, it is recommended, should be turned into a "collector type" street for movement between neighborhoods, shopping centers, schools, etc. Etna should have a 40-foot paving to serve as a means of communication between neighborhoods. Such a project, the planners feel, will increase the efficiency of fire and police and will contain a jog at Beechwood to act as a deterrent for use as a thoroughfare.

Neighborhood streets:: The planners call for redesigning Elaine, Erickson, Pierce and Westphal between Mound and Etna-rd. Streets in the area south of Main, including Karl, Rose, Andrus and McAllister are in need of improvement.

All unimproved streets should contain curbs, gutters and sidewalks."

Sidewalks they propose, should be in front of all city houses with the exception of Fairway-blvd.

It was decided to table the controversial legislation until such time as a council could study the matter.

Earlier in the evening, Siemer became quite adept at moving from one bill to the next when a few of Hyatt's remarks caused momentary stirs in council chambers among other solons.

When a Westphal-av. resident asked the status of his street, Hyatt proclaimed that all petitions should be kept with the clerk of council "so that we may examine them at any time."

Mason said that he had previously had the petitions at home. Hyatt replied that he had never been invited to Mason's home to look at them.

Later Hyatt said that he was "tired of sitting here and rubber stamping ordinances. I want to know when the committees will meet on the criminal code ordinance. This committee has been rubber stamped all the way through. It was set up that way."

Shipley enjoined with a pertinent jab at the Dems: "It was organized last Jan. 1."

Mason offered that he doesn't "go along with the rubber stamp story. I'm willing to sit down at any time with anyone and discuss city matters."

And still later, prior to passing on ordinance for a new fire truck, Mason abstained on a rules suspension vote. Hyatt inquired why and threw out the statement "You mean you sat in on that committee meeting and didn't see what we had . . . that you aren't interested in it?"

Mason countered, "That's right."

The "rubber stamp" remark came back to Hyatt later when another bill to purchase new communications equipment for the fire department came up for emergency treatment. Dem. Robert Garnon voted "no".

Hyatt entered the scene with "This situation was talked over and discussed. Here we are paying for a fire truck without communications and a man votes 'no'."

Garnon snapped that it was the first time he had seen the ordinance and that he "was not going to rubber stamp something" he didn't know about.

In spite of the verbal involvements, council did work its way through a maze of legislative matters.

The swimming pool ordinance, the one A. Z. Greely had tabbed "bathtub bill," splashed through for a solon okay. Restrictions were that no pool should be built in front yards or between any street and required building line with at least a 42 inch fence required.

A bid amounting to $49,840.41 for the improvement of Beechtree, Beechwood and Etna-rds, won approval.

First reading was given to specifying working hours for policemen. Pertinent items including an eight hour work day, 40 hour work week and no holding of other jobs when not on duty.

Special police pay was upped from $1.10 to $1.50 and a request to up the force from 19 to 24 men gained a first reading.

Pay raises for city employes, part of the Mason-Shipley fracas, also was given a reading.

The service director post, if made separate, will call for a salary of $600 a month. The safety director will get $300. The present combined safety-service director job has a salary of $550, according to solicitor James Maxwell.

The jobs were combined earlier this year when Democrats held the controlling hand in legislative matters. With the Republican revival, the Tuesday night ordinance to divide the jobs under the label of each one being a full time position was offered.

board should consider upping the amount of bond for the activity custodian from $2000, pointing out that the amount of money keeps increasing. Crabbs said that more than $20,000 passes through the activity fund each year.

Other increases were also noted by the board. Cafeteria service, according to Crabbs, is up 150 more a day over last year.

Art instructor Harlan Cotterman was appointed to attend the Ohio Art Education Convention at Akron, Nov. 10 to 12. Board member Walter Oipp was named as voting delegate at the Nov. 11 Ohio School Board Association meeting at Veterans Memorial.

Gilbert Johnson was renamed as assistant superintendent in charge of instruction. His former title was curriculum director.

Louis J. Taber, Boy Scout Farm, Church Leader Dies

Ohio's first agriculture director, a farm, grange, church and Boy Scout leader, Louis J. Taber died Sunday, Oct. 16 in Syracuse, N.Y. where he lived since 1938 when he left Columbus. He was 82.

Under Gov. Harry L. Davis in 1921-22 Taber became the first director of Agriculture of Ohio. Later he served as advisor to several presidents due to his wide knowledge of agriculture.

For 18 years he was Master of the National Grange after having served as Master of the Ohio State Grange.

At one time he was president of the Ohio Council of Churches. He was also honored by the Boy Scouts who gave him their highest form of recognition, the Order of the Buffalo.

In 1922 he and Ray Palmer purchased the Barnesville Enterprise, which interest he sold to Palmer last April.

In Syracuse he was chairman of the board of the Farmers and Traders Life Insurance Co.

Taber, a life-long Republican, was a candidate for the nomination as U.S. Senator in Ohio in 1932.

Surviving are his widow, Edna Bailey Taber of Syracuse and two sons Paul of Ithaca, N.Y. and Francis, Alliance, Ohio.

Milton Will Speak At Whitehall Dedication Ceremonies Saturday

Secretary Milton

Soldiers, civilians and city officials are marking time until Saturday, Oct. 29, when the Whitehall Memorial U.S. Army Reserve dedication ceremonies are scheduled.

A host of dignitaries, headed by Hugh M. Milton II, under secretary of the Army, will be on hand for the formal ceremonies slated to start at 1:30 p.m. with a parade.

Whitehall Mayor Walter Meing feels that the Reserve building contributes a "substantial memorial to the heroes of the community."

On hand also for the event will be Col. Donald E. Pratt, commander of the 3rd Battle Group, 2nd Infantry Regiment, whose unit will be housed in the Reserve.

Representative Sam L. Devine is slated to do the ribbon cutting honors at the main entrance.

A plaque will be unveiled by Major General Charles E. Beauchamp, commander of the U.S. Army XX Corps.

The parade is slated to begin at Main-st, and Bernhard-rd, and the march will end up at the armory site along Country Club-rd.

Music will be furnished by the 338th USAF Band and by the Whitehall High School Band.

Prior to the Saturday festivities, the Whitehall Chamber of Commerce has made arrangements to fete the armory dignitaries at the Columbus Riding Academy Friday night.

Other program highlights for the week end event include the invocation by Lt. James W. Farris, unit chaplain, a welcome address by Chet Long,

Ohio Needs Men Like Kline Roberts in Senate

This community has an opportunity to help strengthen the next Ohio Senate by electing Kline L. Roberts to that body.

Kline Roberts has been a member of the Ohio House of Representatives since 1950 and has a very fine record to his credit, particularly in the field of community improvement and planning, transportation, welfare, and social problems.

He has always had a wide following from members of both political parties and deservedly so in view of the fact that he has been so fine an example of a "working civic leader." Most major successful civic programs of this community have had the assistance of Kline Roberts. His leadership has at no time been that of just lending his name to a letterhead. He is energetic and has thrown this energy into a long list of worthwhile civic ventures for the good of this area.

The Ohio Senate needs men like Kline Roberts. He deserves your vote on Nov. 8.

Play Areas, Golf Course Await Vote

N. J. Barack, superintendent of the Columbus Recreation Department, stated today that if the Parks and Recreation Bond Issue passes Nov. 8 a large modern year-round recreation center will be built somewhere in the far East Columbus area. A study and survey would be forthcoming to determine the location for the center, he said.

Also assured, would be a 150-acre "New Berwick Park" and a new municipal 18-hole golf course at a site yet to be selected in the East area.

Barack said bond issue passage would also mean that additional land can be purchased adjacent to schools, in line with a current coopertive plan. The little parks serve a dual purpose, he said, they increase the play areas for schools and bring summertime recreation space to new residential areas.

The recreation issue is one of five capital improvement bond issues to be voted upon separately in the Nov. 8 election. The bonds will be retired by existing city income taxes, Barack said, and will mean no increase in taxes.

"There are 176,773 more of us in Franklin County today than a decade ago," he said, "yet we have less facilities for parks and recreation proportionately than we did 10 years ago.

"If families are going to enjoy the out-of-doors together, they've got to have more room," he continued. "We know that healthy recreation is a MUST in our high-speed, tension-ridden society."

Jewish Aged Home Ground Breaking Set

The future will begin looking a little brighter Sunday for those who have watched the years pass away.

First spadeful of earth for a $650,000 "home away from home" for the Jewish aged will be lifted at 1:15 p.m. Oct. 30 at a site immediately south of the Jewish Center.

A host of Jewish dignitaries will be on hand for the formal ground-breaking.

Robert Weiler, Sr., chairman of the building committee, will serve as chairman of the ground breaking ceremonies.

Invocation will be delivered by Rabbi Nathan Zelizer, of Temple Tifereth Israel. Greetings will be extended by William Kahn, president of the United Jewish Fund and Council. Abe A. Wolman, president of the Jewish Home for the Aged is a scheduled speaker.

Campaign chairman Aaron Zacks will review the story of the home, its progress and future plans. Leaders of the home will be honored. Executive Director of the home is Brenner Lazar.

Benediction wil be given by Rabbi Samuel W. Rubenstein, of Agudas Achim congregation. A reception will follow in the adult lounge of the center.

The present home is located at 115 N. Woodland and has a capacity for 14 persons. The new home, when completed, will be a 50 bed institution.

The project thus far has consumed eight years of campaigning when a survey of needs for Jewish aged was begun.

Bexley Considers New Zoning Area

By John Poeppelmeyer

A new classification of zoning to pave the way for relocation of the United States Trotting Association offices in Bexley has been suggested by solicitor Howard Park.

The suggested ordinance to establish a fifth zoning district in the city for office buildings will be defrayed pending a public hearing Nov. 29, Park stated after Tuesday's council meeting.

Restrictions to insure that commercial enterprises could not usurp the proposed zoning pact and to provide a "buffer" area between Bexley residential areas and Columbus commercial tracts were also forthcoming in the ordinance.

Park suggested that the area where the Trotting Association intends to apply for a permit, along E. Broad-st, between Gould and Merkle-rds, be restricted to office type buildings.

Any construction or alteration on the premises would first have to get council's okay, the solicitor recommended.

Plans for off-street parking, curbs, location of any building on the site and exterior lighting would have to be included in any application.

WHITEHALL LAD SEEKS LAURELS AS A CARTOONIST OF THE FUTURE

CARTOONIST BOJANOWSKI
Imagination With A 'Laff Finder'

• • •

Monkeys with dandruff and tattoolsts on subway trains are all in a day's work of thinking—cartoonist style — for a Whitehall lad.

Take a boy with a lot of humorous ideas, hand him a pen, paper and India drawing ink, add a "laff finder," and a cartoonist is born.

So it is with 13-year-old Darryl Bojanowski, son of Mr. and Mrs. Arthur Bojanowski, of 50 Maplewood-av.

Darryl is an eighth grader at Whitehall-Yearling High and wants to make a career of cartooning.

Darryl's imagination, is, naturally, his own.

The pen, paper and ink are but mechanical conveniences for conveying his impressions into act readabil-ty.

It's the laff finder, however, that comes into play, to spur necesary idea.

For a year, he took a correspondence course in cartooning. Part of the equipment contained charts and the before-mentioned 'laff finder," a device with a spinner to use with the charts.

• • •

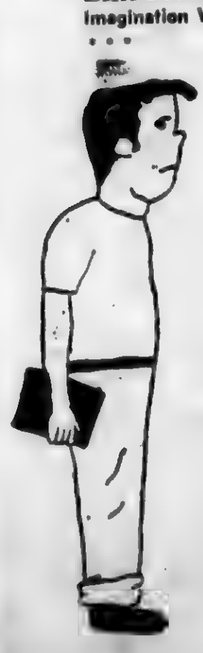
The spinner, when spun, ends up pointing at various spins, to a character, a situation, and scene accessories.

For instance, the dial might stop at tattooist for character, a subway for the scene, in Africa.

All Darryl has to do is dream of a humorous line and draw along with drawing his own impression of the circumstances.

Darryl's "career" began in the fourth grade.

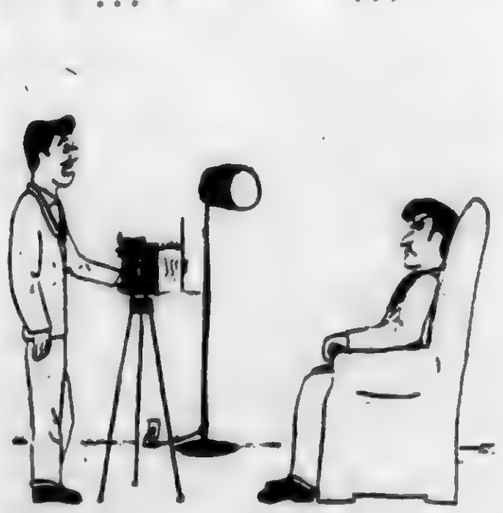
He started off cartooning by depicting people birds as "people watchers."



Since then he has turned out numerous cartoon and comic strips, mostly for his own enjoyment and that of his family.

Some of his cartoons have appeared in summer camp papers and since then he has poured more of his work and ideas into form to attract more publications.

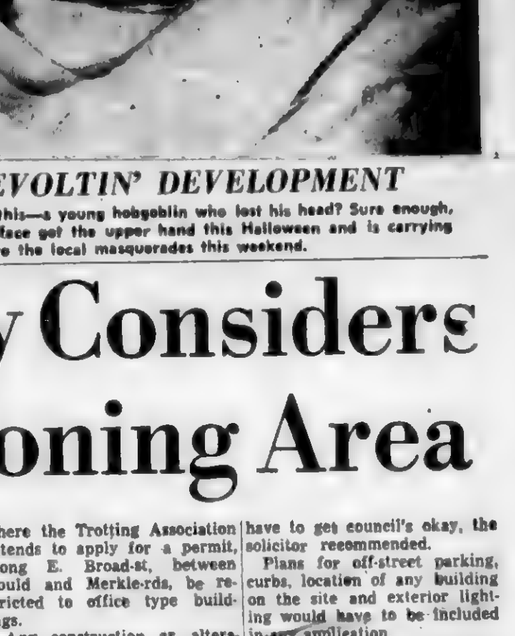
His ambition: to become a cartoonist, naturally, for a newspaper.



Some of his favorites are depicted:

• • •

I'm glad I don't like milk, 'cause if I liked it, I'd drink it, and I hate it.



Could you try to look a little more pleasant, sir? You can resume your natural expression later.

And I thought I had troubles! Imagine a monkey with dandruff!

Pretty Piper Prefers Playing To Working

By Bernie Kersko

Nearly everyone shuns long-winded friends. But a wee, bonnie lass who lives at 3490 Bolton-av could use five or six of them.

She's Donna Chaffin, a 20-year-old miss who can't wait until weekends when she can exchange the nylon hose, blouse and skirt that she wears to work for some knee-length socks, an emerald green blazer, black, yellow and red checked kilt, the hallmark of the Wallace clan, and most of all, a bagpipe.

Female bagpipers are more scarce than an all-girl tuba band. It's even rarer to find a piper like Donna, only five-feet, 2-inches tall, who thinks nothing of tootin' out "My Bonnie Lassie" and the likes in eight-hour concerts, "with only five minutes off every now and then for a rest."

Playing the pipes is like trying to start 16 balloons all at the same time, she explained. "That's a lot of puffing for a little girl."

Pert enough to attract any ogler on the banks of Lock Lomond, she admitted, "it's pretty easy to keep the leather bag bulging now," but hastened to add, "I had to play some awfully short songs when I started out."

When was that?

ACCREDITED HOME NEWSPAPER OF AMERICA INC.

Main Office and Plant: 2465 W. Broad St., Columbus, Ohio, BR. 4-1155

NIXON: OUR CHOICE FOR PRESIDENT

Adhering to the policy of commenting on vitally important issues and believing that nothing can be more important than the election of this nation's president, Hartley Newspapers endorse Vice-President Richard M. Nixon for election this November.

Concerned that the prospect for national economy is kept at the highest possible level through individual prosperity on the grass roots level, Hartley Newspapers feel that the team of Nixon and Henry Cabot Lodge is the best qualified to achieve that end.

Desirous of preserving a dynamic America through preservation of individual freedoms and their accompanying responsibilities, rather than relinquishing these decisions to state-made policies, we feel that Nixon offers America and its people the best prospectus for fruitful success in the next four years.

Not wishing to degrade his opponent Senator John F. Kennedy, whom we feel is qualified to direct the nation and would give a good accounting of himself if elected, we nevertheless favor the attitudes and policies of the more matured Nixon.

On the local level, we are most concerned with improving our economic welfare, staying at peace, and providing a future for our youngsters.

Increased governmental expenditures, as proposed by Kennedy, are not our ideas for remedying unemployment and inflation.

Stepping up the expenditures of our federal government, far from being a remedy, is more like a pacifier that we eventually outgrow. Unemployment pay does not increase the number of jobs and neither will more federal aid in the same direction accelerate America's growth.

Furthermore, we feel that every citizen eventually pays the way for his community, regardless of how much federal aid is offered.

What is usually received represents less than what is given. The loss is eaten up through bureaucracy and red tape.

We believe in federal aid when it is needed, but do not condone Kennedy's proposals for more spending and regulation in our economy as part of an experiment for easy-to-make prosperity.

We are particularly concerned with federal aid as proposed for schools.

Nixon proposes federal aid to schools by helping with the construction of buildings. Kennedy proposes aid by supporting pay for teachers.

We are alarmed at the possibility of federally-controlled schools which are tantamount to Kennedy's proposal. We believe federal aid, by supporting teachers' pay, would mean some objectionable regulations over teachers.

When this happens, the cherished local control of our schools begins to diminish.

Like Nixon, we believe that the control of our schools and the education of our youth should remain under local control.

On the matter of peace, we feel that there can be no doubt about the superior ability of Nixon and Lodge in dealing with other nations. They have both proved themselves.

Vice-President Nixon is up-to-date on American policy. As a member of the National Security Council, he has been aware of every development. Lodge, as the country's United Nations member, has held the same information.

We are impressed with Nixon's active record as vice-president. Knowing the value which he places on the office, we feel sure that he will allow Lodge to make good use of his talents as a diplomat and encourage him to play a vigorous role in national affairs.

With the approach of the space age and the emphasis on international affairs, it is easy to lose touch with the local scene.

But it is each individual, who must make a decision based on the facts as he knows them, that will determine the course of the nation.

We urge everyone to seriously consider the issues at stake in this national election. Having done so ourselves, it is our considered opinion that Richard M. Nixon's beliefs are considerably closer to those upon which the nation was founded — and which has made it great.

She has done special work with the East Harlem Protestant Parish, New York City, and comes to St. Edward Church after two and one half years as director of Christian education at St. Andrew Church, Jackson, Miss.

Sex Education For Boys, Girls Topic At Center

In line with the Jewish Center's objective of providing high level education activities, a program dealing with sex education for boys and girls, 11-14 year of age, will be held Sunday, Oct. 30, at 6:15 p.m.

Two films wil be shown, one for boys and one for girls. Both films have been praised by educators and parents.

The session for girls and mothers will be held in Room 201. The film titled "Molly Grows Up" will be shown. Dr. Malcolm Robbins, a Columbus pediatrician and member of many Jewish Center committees, will discuss the film and answer questions.

Boys and fathers will meet in the Jewish Center auditorium for the film titled "As Boys Grow." The discussion will be led by Dr. Louis Goorey, a native of Columbus and a graduate of OSU.

Parents must accompany children to the program.

WhitehallChurch Holds Revival Services Sunday

Rev. Sam Mulkey, pastor of Westwood Baptist Church of Dayton, is the evangelist for revival services being held Oct. 23 through 30 at Whitehall Baptist Church, 392 Maplewood-av.

W. C. Dudley, secretary of Training Union and music for State Convention of Baptists in Ohio, is the evangelistic singer.

Services begin at 7:30 each evening.

A special evangelistic service is planned Sunday, Oct. 30.

Rev. J. Willard Jarvis, pastor, announces that for this special service Sunday School and morning worship hours will be unified into one service. Sunday School will begin at 9:45 a.m. and the revival service at 10 30 a.m.

Public is invited to all services.

Blood Drive Is Scheduled

Wednesday, Nov. 2, will be Blood Day at the Jewish Center, 1125 College-av.

Sponsored by the Jewish Community Blood Council and the American Red Cross, the blood drive will be from noon until 6 p.m. Appointments can be made by calling CA. 4-8737 or CL. 2-4137. The drive is for persons between the ages of 18 and 60. A doctor will be on duty to say who can and who cannot give blood.

Eastmoor-Aquinas In Title Go Friday Eve

MARSHALL ALUMNI

The Marshall College Alumni is holding its organizational meeting on Dec. 6 at the Desert Inn, E. Broad-st. All interested former students are urged to contact Oscar Barnett, 4830 Calvin-dr, or phone BE. 7-4912, as soon as possible.

The "croocial" time has arrived for area gridsters with a number of show-downs wending their way into the pigskin picture.

Eastmoor finds itself riding high atop city league standings with Linden and the Warriors will show their mettle against an equally aggressive Aquinas aggregation tomorrow night at Eastmoor.

The Whitehall-Delaware and Bexley-Mt. Vernon struggles will be a test to see if the Lions and Rams fall completely out of the CBL picture.

Bishop Hartley, enjoying a 4-3 record, hosts BIS Friday at the Hawk Field, while fast coming St. Charles takes on Central's fading Pirates.

In Aquinas, Eastmoor will find an opponent that is as eager as the host team in grabbing City League laurels. The Terriers have notched a 3-1 loop record this far, their only loss to co-leaders Linden by a 23-14 score.

Eastmoor, also lost to the Panthers, the opening game of the season in a non-conference encounter 20-16.

In all three conference tilts, the Warriors have shown an overabundance of offensive power combined with sterling defense. With a weak North team and a winless East yet to be faced, Aquinas appears to be the only stumbling block left on the road for Bob Stuart's boys.

Jim Bline's Rams have felt the tip of the lash that they wielded so well themselves last year en route to CBL glory.

Delaware, too, their Friday night opponent, hasn't fared too well losing their last three CBL games. Friday's battle will be one to stay out of the cellar.

At times, the Bline boys have shown the flash and scoring punch of old, but their loop record is spotty, revealing two shutouts in the last three games.

Delaware will be faced with a starting combo that includes high-scoring Dan Gartner and zippy runner Randy Welsch, and two games in one week (they met UA Tuesday in a postponed affair) may set them up for a let down.

Bexley on the other hand appears to be a team that comes close, but not close enough. In their last two CBL frays, the men of Ben Tenwalde have racked up three TDs, but stodgy defense put them on the losing end of the scales. Mt. Vernon last week dashed Whitehall's hopes of repeating in the loop with a stunning 20-0 win and probably are laying a neat trap for the Lions.

Both squads go into the game with identical 1-3 loop records. Losers of the Ram Whitehall-Delaware and Mt. Vernon-Bexley battles will tumble ingloriously into the cellar.

Upstart Bishop Hartley, enjoying its finest season in the two year history of the school under the tutelage of John Murphy meet a so-so BIS eleven. The Murphymen have see-sawed to a one over 500 record this year and aim for better things.

Preceding the Hawk game will be a soccer game between Germania and Ohio State University at 6:45 p. m.

St. Charles' up and coming Cardinals, winners of their last three outings will find a wary opponent in the Pirate eleven. The Bucs have been getting their lumps in the last two weeks and are aching to get back on the victory road.

THE PUMPKIN TELLS ALL FOR EAST COLUMBUS GHOSTS

HALLOWEEN HOLLERS—Using a pumpkin as a crystal ball to foretell of things to come Halloween are these youngsters of the East Columbus Recreation Center, Jerry Foster, Harry Wise and Debbie Pennell in front and Priscilla Howell and Debbie Riser in back, (although it may be hard to recognize them). Halloween however won't start until the boys and girls of the Junior High Club and the Susie Q Club collect money for the UNICEF Drive in the afternoon. Other highlights include a treasure hunt and group games. The party is slated to start at 4:45 p.m. Monday.

Eastmoor High School's Warriors' Spear-It

By Elaine Avren

Safety Program Is Given At Eastmoor

William Barr's driver's education classes last week, had demonstrations for the promotion of bicycle and motor safety on the highways.

Among the most impressive of these exhibits was an assembly—with Mr. Brasseur, field representative for the Department of Highway Safety, as the speaker. He stressed the importance of safe driving.

In conjunction with the driver education classes, the industrial arts class put on a display that included a drunkometer used for testing the amount of alcohol in the blood system, a reaction time test, and a breath test as well as a night sight meter.

There is a county contest being held in which Mike Kohar will enter his safety poster. The winning poster will be enlarged to billboard size and placed on the highways.

Connie Rau, Virginia Schott, Frank Dwyer, Ted Guyton and Larry Nickols presented an act for the Halloween program. Linda Stuart and Connie Wilson had some snappy Halloween cheers. Pat Bussard, Steve Foster, Dave Hoon, Bob Uhl and Steve Wooley provided music while Janice Moltenberry and Sharon Pierce dressed like ghosts.

Salesmen for the yearbook began this year's solicitations for the 1961 Shield. The sales will continue until Nov. 23.

Eastmoor's 1960 Shield won a first place award in the 26th annual yearbook critique and contest conducted by the Columbia Scholastic Press Assoc. of Columbia University on Oct. 14.

Out of a possible 1,000 points, the Shield got 934. This was 80 points more than the 1959 Shield.

The varsity cheerleaders have organized a cheering section this year. The group practices every Thursday morning before school. Anyone interested is invited. A special section will be closed off for this group at each football game.

Co-captains Nick Cooper and Jim Casserly threw a dummy of West's mascot, the Cowboy, into the bonfire.

Eastmoor's reserve footballers were defeated, 32-0, last Saturday by the Lakeview varsity squad.

Mrs. Maybel Van Fossen, a new addition to Eastmoor's faculty, has taken a permanent position in the English department. A graduate of the University of Michigan, Mrs. Van Fossen has been serving as a substitute teacher for the Columbus Public School System. In the past years she has taught at various schools including North and West High.

Carolyn Farkas, a senior at Eastmoor, has been chosen by Mrs. Hicks, head of Eastmoor's journalism department, to represent Eastmoor on the Citizen-Journal Teen-Age page. Her job is to report special activities and student awards concerned with our school.

Two new clubs have been formed at Eastmoor. One is the International Club. Any student studying a foreign language is eligible to join.

About 60 German, Spanish, French and Latin students attended the first meeting. An election of officers was held and Pete Miller was named president; vice president, Jim Carroll, and secretary treasurer, Carolynn Farkas. The club's advisors, Mrs. Waltz, Mr. Steel, and Mr. Tharp, chose a program committee of seven members.

Eastmoor's newly developed Dixieland Band made its first appearance of the year on Tuesday, Oct. 18. The band played at Fairmoor Elementary School for the Parent-Teacher's Association. Bob Lewis formed the group and leads it as well. Those playing in the new band are Bob Lewis, clarinet; Danny Reynolds, saxophone; Richard Stein, trumpet; Ira Sutton, drums; Lenny Schmidt, trombone; Rodney Hoff, bass and Ted Gayton, piano

Football Team Has 1-1-1 Slate

In three games this season, the East Columbus Recreation Center football team has done just about verything—won one, tied one and lost one, reports Coach Tom Golden.

East Columbus toppled the Linden Wildcats, 12-0, tied the Wildcats in a rematch, 6-6, and lost to Sullivant Gardens, 20-0.

Players on the East Columbus team are Chuck Whitecuff, Jim Howard, Richard Pierce, Stan Diebert, Arnold Fuller, Bob Bidlack, Mike Sullivan, Steve Carter, Leon Willis, Tom DeVore, Dick Defourny, Richard Foster, George Ross, Kenney Sauls, David Dobbs and Jerry Bryand.

SPORTS Eastern Review

Warriors Topple West, 42-0

Not too long ago in a pre-season conference Bob Stuart, the Eastmoor mentor, commented that "this will be a building season."

To the uninitiated West High Cowboys last week it must have seemed that the Warriors had already qualified for their architects degree and had sent the Empire State Building toppling over on them en route to a 42-0 victory.

It must be said, however, that the Warriors had to fight the Broncos down to the wire. They opened up with a "less-than-one-minute" touchdown and closed out the evening the same way.

The array of marchers toward the goal got under way when Nick Cooper broke through a wide open hole and raced 62 yards to the goal. Tom Goodwin converted and the scoreboard read 8-0 with the game not even a minute old.

West was stymied when it was their turn with the ball against a tough Warrior line, that all evening long never let the boys from the other side of town penetrate deeper than the Eastmoor 30-yard line.

With the first quarter drawing to a close, Eastmoor tallied again when Frank Stavroff passed to Larry Gornal and Jim Makar converted. The tally: Eastmoor 16, West 0.

Rich Neely was the work horse in the West backfield, carrying five to six times in succession as the Cowboys fared unsuccessfully against the Warrior defense.

Eastmoor kept up the scoring pressure in the second period with Cooper and Benjamin carrying the load. Makar plunged from the two for the Warriors third TD; a Stavroff to Benjamin pass added the extra points.

The third period stayed even until late in the quarter when Benjamin scored from some 30 yards out to make it 30-0.

Again, just before the clock ran out on the quarter, Stavroff found Paul Naumoff with a pass and Eastmoor had its 36th point.

Stuart cleared the bench in the final quarter, but the Warrior deluge still didn't stop. With Ken Ramsey calling the plays, the Warriors found themselves knocking on the pay dirt door with less than a minute to go.

He lofted a pass to Roger Middaught in the end zone and that was the game.

Attesting to the Warriors fine defensive effort is the fact that often West had a fourth and 16, or a fourth and 20. Some of the losses were due to penalities. But the Warriors capitalized on the misfortunes and refused to budge from the penalty spot.

Lions Drop CBL Tilt

With a six-point lead, the ball on the Worthington four and only six minutes to go in the game it looked like Bexley had a CBL win over the Cardials locked.

But the Worthington defense stopped the Lions' bid for the clincher TD. Three plays later Nick Norman romped 93 yards to even the count at 18-18 and the Cardinals went out front for good on a two-point conversion on a pass from Brad Rosenquist to Howdy Wilson.

Bexley launched a 57-yard drive for a 6-0 lead after receiving the opening kickoff, but Dennis Jones' one-yard plunge from the one, capping a 60-yard march, erased that margin.

The Lions scored again and nursed a six-point lead through most of the second quarter until Rosenquist chucked his first TD pitch, this time to Jim Smith, with only 28 seconds to go until intermission.

Bexley went on top once more early in the third period to make it 18-12 and that's the way it stayed until Norman slanted off tackle and down the line for his game-winning run.

Cards Notch 26-14 Verdict

St. Charles high flying Cardinals bounced to a 26-14 win over Springfield Central Catholic Saturday.

The Cards found themselves in front shortly after the first quarter began when Dan Mitchell exploded for a 36 yard jaunt and added another on a 30 yard pass play to Joe Morris.

Springfield fought back with a tally of their own in the first period and the teams headed for the half time showers with a 14-8 score showing.

Morris spurted for two more TD's in the third quarter on runs of 43 and 22 yards to clinch the verdict. Springfield added another but the Cards already had the game sewn up.

The win boosted the Cards overall record to 4-2-1.

Hartley Wins Fourth With 26-12 Victory

Four Hartley players scored a touchdown in each of the four quarters to give the Hawks their fourth win of the season, a 26-12, decision Friday night at Bainbridge, home of Paint Valley.

The Hawks drove 75-yards from the opening kickoff with Bob Ganter accounting for the first-quarter tally.

Ganter was injured on the play however and Bob Kastl replaced him for the rest of the game.

Amassing 320 total net yards good for 12 first downs, the Hawks, thanks mainly to the defensive work of Jerry Emrich, held Paint Valley to 90 yards and four first downs.

BRIDGE COURSE TO START SOON AT JEWISH CENTER

The Adult Activities Department at the Jewish Center will sponsor an eight week course of bridge instruction in the very near future.

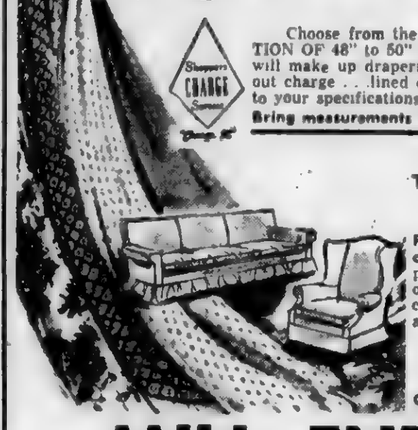
This statement by Sol B. Zell, Adult Activities Chairman, asserts that due to a lack of space and availability of an instructor, bridge classes can not be scheduled before Tuesday evening, Dec. 6. Zell is pleased to add that at that time Mrs. Elmer Engelman, a highly qualified instructor in the Goren Point System, will return to instruct the class.

Mt. Vernon Clips Whitehall, 20-O

Steve Sparks scored on runs of 16 and 68 yards giving Mt. Vernon all the assistance they needed to dance by Whitehall, 20-0, on the Yellow Jacket field Friday night.

The loss was Whitehall's third of the season.

East Columbus Wins Race Meet



East Columbus Recreation Center smashed Sunshine Recreation Center, 44 to 19, in winning its first cross country meet this season at Krumm park.

Bernard Willis, of East Columbus, was the individual winner in the course record time of 13:45. He finished a scant one second in front of Paul Lewis from Sunshine.

The next four finishers for East Columbus were Lennard Willis, third; Walter Pierce, fourth; Larry Willis, fifth, and Ken Sauls, sixth.

The next meet will be at Krumm Park on Saturday, Oct. 29, at 10 a.m. between Sunshine and Beatty Recreation centers.

ADULT ART CLASSES OFFERED AT CENTER

Enrollment is still open in the adult art, sculpture, and creative printmaking classes now being formed at the Jewish Center, 1125 College-av.

Rose Lazar will return for her tenth season to teach oil painting. The group will meet Monday evening at 8. Opening session is Nov. 7.

Mrs. Lazar is now exhibiting at Otterbein College.

She is a graduate of Hunter College in New York City, did graduate work at Columbia University, University of Mexico, Middlebury College in Vermont and Teachers College in New York City.

She taught in New York City's elementary, junior and senior high schools and conducted an art center there, for children and parents, under the auspices of the Board of Education.

New to the staff at the Jewish Center is well-known sculptor Joseph Falsetti, who will teach a class in sculpturing Tuesday evenings from 8 to 10.

Mr. Falsetti executed the massive, 12 foot high and 14 foot long piece of sculpturing commissioned by the Columbus Board of Education, in front of Medina Junior High School.

He arrived in this country in 1951 from his native Italy, attended the Carnegie Institute of Technology and was graduated from Ohio State University.

He is now teaching at the university where he is completing his master's degree in sculpture and also teaches in the Columbus Public School System.

Falsetti's first class will start Nov. 8.

Another newcomer to the Jewish Center staff is Sonya Robbins, who will instruct a creative print making class on Thursday evening at 8 with the first class meeting Nov. 10.

She is also an instructor in painting and design at the Columbus Art School's Professional Saturday School of Art.

She is a graduate of the Columbus College of Art and Design and has exhibited and won prizes in exhibitions throughout the country. She won a scholarship to the Columbus Art School; Robert Wolfe Memorial prize for water color in the Columbus Art League's Annual Exhibition in 1958, and Best in Show, Best Painting and Best Drawing awards in the Fairfield County Fine Arts Competition of 1955. She has since won several more first prize awards at the same annual exhibition. She also won first prize for painting in the Union Annual Art Exhibit in 1959, and her graphics have won prizes at this exhibit during other years.

Her work was selected for a three-man-show at the Columbus Gallery of Fine Arts last year and at the present time, some of her etchings have been accepted by the Dayton Art Institute for its 33rd annual traveling exhibit, known as the 1960 Ohio Print Makers Exhibition.

All Jewish Center adult art courses consist of 10 sessions. Fee is $12.

Public is invited to visit the Columbus Art League's every-member show now on exhibition at the Jewish Center. Further information on adult art activities is available from the program department, BE. 1-2731.

Whitehall-Yearling RAM-blings

By Sue Barnhill

Mock Convention Set For Monday, Tuesday

Whitehall Yearling High School buzzed with the excitement of politics this week as the senior American government classes began work for the political rally and election Nov. 7 and 8.

Orators for the Republican party will be Gloria Wilson and Wesley Orr. The Democratic party will give the spotlight to Carol Morganski and Ed Eisenberg, who also serve as co-chairmen of their party. Dianne Arbuckle and Janie Case act as co-chairmen of the Republican party.

On Nov. 8, registered students will get a chance to vote.

Seniors have been notified of the following scholarship tests to be given soon: The National Health Scholarship and the National Reserve Officers Training Corps Scholarship.

Seniors were also told of the American College Testing Program required by all state supported colleges and several private colleges.

Students may choose a date in November, February, or April for taking the ACT exam. It tests ability in three areas; English, mathematics, and social studies.

Colleges often use the results from this to aid in determining admission to college, the awarding of scholarships, and counseling of students.

Point averages for the senior students in the upper third of the class have been posted on the senior bulletin board in the front hall. Leading the class are Sue Johnson and Pat Quigley with point averages of 4 and 3.829 respectively.

The junior class standings are posted in the guidance office. Leading the junior class are Carol Brenning, Judy Genteline, Frances Hoyda, and Martha Jones. All have a 4 or straight A average.

The victory bell, gift of the class of 1960, sounded its first triumphant notes over the Rams playing field following the game with Bexley, Oct. 14. Although it had been hoped that the bell would be installed for the Grandview game, it was not in permanent position under the press box until the tangle with the Lions. The bell on the home field will be rung at every conquest

FOUNDER

MR. PENNEY — Starting Thursday, Oct. 27 through Saturday, Nov. 5, all 1689 J. C. Penney stores across the country will open an all out celebration in honor of their founder J. C. Penney. This year Penney's will celebrate their 59th year in business, serving the public. The local Town and Country Store will join hands with all J. C. Penney stores throughout the United States to offer special bargains and special service in an old time manner.

Plan Hamilton Livingston Civic Halloween Party

A Halloween party will be held on the Leawood School grounds from 7 to 10 p.m., Oct. 31, sponsored by the Hamilton-Livingston Civic Association.

If you live in Thunderbird Acres, Pine Crest, Shady Lane, Leawood Gardens or Walnut Estates, you are invited whether a member or not.

Parade starting time is 7 p.m. with prizes for best costumes. There will be round and square dancing with music by the Dean-Aires and free cider and doughnuts.

If you are not a member yet, look for any councilman, he will be wearing a badge. Membership is $1 per year per person for all over 21 years of age.

Card Party Planned At Pius X School

A progressive euchre party is planned for Saturday, Nov. 5 at 8:30 p.m. at St. Pius X School, 1051 Waggoner-rd, Reynoldsburg. The Rosary and Altar Society will sponsor the party.

Mrs. Paul Capcara, chairman, has many prizes in store and refreshments will be served. This will be the first project of this type in the new school building. Everyone is invited. Tickets may be purchased at the door.

Bexley High School LION's ROAR

By Phyllis Schechter

Bexley Awarded Top Honor Rating

Medalist, the highest rating of the Columbia Scholastic Press Association has been awarded to the 1960 "Bexleo," Bexley High School yearbook by the CSPA. The announcement was made by Ralph Howell, advisor. This is the sixth year since 1954 that the book has received this rating.

Medalist rank is the rating for yearbooks possessing qualities above and beyond the basic technical requirements. The maximum number of Medalist awards presented by the CSPA each year is not greater than 10 per cent of the entries from the first place ratings of a given classification.

The 1959-1960 staff, headed by Kathiel Kinzel, editor, and Linda Wissenbach, associate editor, achieved 900 out of a possible 1000 points for the plan, layouts, photography, and all the other phases of a yearbook.

Sue Yardley, homecoming queen, reigned with her court at the Bexley football game with Worthington and at the dance Friday. The others in her court were Carol Monroe, Nancy Samson, Bev Solove, and Rita Zeff.

The sophomore float, "Cage the Cards," won first place in float contest. The float was a red cardinal (Worthington) in a white cage. Edward Pritchett was chairman.

"Race to Victory" was the theme of the freshman float that pictured two rockets, one ready for action (Bexley), the other not. Freshman chairman was Mike Meyers.

"Who'll Win in '60" was the political idea of the junior float, chairmaned by Joan Schmidt. The float was a two-sided campaign button; one side "Nix on the Cards" while the other said "Kennedy Body Beat Bexley."

A pink piggy bank, "Let's Bank on Bexley," was the theme of the senior float, headed by Terry Thall.

"Any businessman who says he is not interested in politics is like a drowning man who insists he is not interested in water."—Detroiter.

Mayor Calls Attention To Value, Meaning Of Whitehall Armory

Whitehall Mayor Walter B. Moling in a recently released statement calls attention to the value, meaning and appropriateness of the New Reserve Center as a memorial to the war dead.

His statement reads as follows:

"We're fortunate to have, right here in Whitehall, a beautiful new Reserve Center. This building is a substantial memorial to the heroes of our community.

"Many memorials are impressive pieces of stone, and nothing more. This memorial is functional, and I think our boys would rather have it that way.

"The memorial to Whitehall's heroes might help to prevent the necessity for Whitehall to contribute more heroes because a strong reserve can be a strong deterrent to war.

"With the threat of war, a constant factor in our daily lives, we are all vitally interested in a strong defense. In the reserves we have a key factor of this defense, and in the Reserve Center we have the vital facilities for reserve training.

"Whitehall is proud to have the Reserve Center and grateful that its young men have the opportunity to train there and thus do their part in strengthening our mint reserve."

"Strength in the Reserve"

ARMORY DEDICATION CENTER

Dedication Time—Saturday, Oct. 29, 2:30 p.m.

WHITEHALL MEMORIAL U. S. ARMY RESERVE ALONG COUNTRY CLUB ROAD

Three Units Will Train At Armory

The Whitehall Memorial U.S. Army Reserve Center is one of the newest buildings in the area.

The trim and efficient-appearing structure will be used by Army Reserve Units. Located on Country-club-rd. the armory will be used in training infantry units.

Although dedication ceremonies are slated for Oct. 29, the building is already being occupied. According to Lt. Col. Jewel W. Ewing, of Fort Hayes, the Armory cost totally approximately $280,000. Columbus sub-section commander is Lt. Col. Carl E. Bobo, Jr.

The building is to be used for training procedures for three Army Reserve Units, according to Lt. Col. Ewing. Col. Donald E. Pratt will be in charge of the Reserves. Advisor will be Major Otis Adams.

Three units, each meeting one night a week, will engage in infantry training, Col. Ewing said.

The training is to consist of weapons, camouflage, communications and use of small bore rifles.

The units involved are Headquarters and Headquarters Company, "A" Company, and Combat and Support Company, all of the 3rd Battle Group, Col. Ewing said.

The reservists will also occupy the building and surrounding grounds two weekends a month according to Lt. Col. Bobo. Some 400 men make up the combined units, he said.

At the present time, the units train at Fort Hayes, according to Charles Tatum, administrative aide for the units.

A plaque inscribed "Dedicated in memory of all who have given their lives for our country. Let their supreme sacrifice ever remind us that eternal vigilance, is indeed the price of liberty," has been made ready.

Milton Has Impressive College, Army Career

Beauchamp

Pratt

Hugh Meglone Milton, II, was born in Lexington, Ky., on Mar. 23, 1897. He attended public schools in Lexington. He was graduated from the University of Kentucky in 1919, with a bachelor of science degree and three years later received a degree of mechanical engineering.

After a short period of active military service as an enlisted man and officer in World War 1, Milton taught at Texas A&M College, from 1919 to 1924, where he did graduate work. In 1924 he joined the engineering staff at New Mexico A&M College at State College, N. M.ex., where he served as professor and later as dean. He became president of the college in 1938.

During World War II Milton entered active army service as a reserve lieutenant colonel and rose to the rank of brigadier general. He served principally as chief of staff of the XIV Corps in the Pacific area and participated in five campaigns.

After his return to civilian life early in 1946, Milton became president of New Mexico A&M College at State College, N. Mex., ico Military Institue at Roswell in 1947. He held that position until his return to active military service in 1951, when he was named executive for Reserve Officers' Training Corps Affairs at Army Headquarters in Washington, D.C. While serving in that capacity, he became major general. He retired on Nov. 18, 1953.

Milton was appointed assistant secretary of the army for manpower and reserve forces by President Dwight D. Eisenhower on Nov. 18, 1953.

Milton is a member of the American Legion and Tau Kappa Epsilon and Mu Phi Pi fraternities. He is a Mason (Royal Arch, Shrine, K.T.).

Milton and his wife, the former Josephine Baldwin of Glendale, Calif., have two children, Hugh M. III, and John Baldwin. Their family home is in Roswell, N. Mex.

BATTLE GROUP STAFF—Officers of the 3rd Battle Group, 2nd Infantry Regiment gather 'Round the conference table. From left, Capt. Jerry H. Stilson, Major Vincent R. Primavary, Lt. Col. Kenneth A. Wood, Col. Donald E. Pratt, Major Charles Tatum, and Major James Doyle.

Second Infantry Regiment Has Long History Of Battles

For almost 170 years, there has been a 2nd Infantry Regiment. At one time, two regiments held the designation.

The first 2nd Infantry was constituted in March of 1791. The second group to fall heir to the title came into existence 17 years later, in April of 1808.

At that time, the second 2nd Infantry was constituted as the 6th Infantry Regiment.

Through its long history it has been honored with 44 campaign streamers.

The Infantry has fought in battles from the War of 1812 the Indian Wars, Mexican War, Civil War, Spanish War and World War II.

In the war between the states, streamers were awarded for battles at Bull Run, Shiloh, Manassas, Antietam, Fredericksburg, Murfreesboro, Gettysburg, Chickamauga, Chattanooga, Atlanta, Petersburg, Chancellorsville.

In all, some 22 streamers, or half of the total they have so far been awarded, came in the Civil War.

World War II memories include Normandy, Rhineland and Ardennes-Alsace.

The Infantry shield, crest and motto are used as complementary features.

On the shield, service in the Civil War is shown by a blue cross, from the Confederate flag, and a red cross patee, the badge of the 18th Division, 5th Corps, in which the regiment served during most of the campaign.

Service in the Mexican War is shown by a cactus, and Spanish War efforts are depicted by a five-bastioned fort, badge of the 5th Corps in Cuba.

Indian campaigns are shown by the arrows and quiver. A bolo represents service in the Philippine Insurrection.

The crest is of an upright lion, representing Canadian battles of the War of 1812.

The Regimental motto: Do Not Touth Me.

The second 2nd Infantry was organized soon after being constituted, in the Pennsylvania, New York and New Jersey. At that time its official designation was as the 6th Infantry.

Consolidation of forces took place in 1815 with three other regiments forming the 2nd Infantry.

In July of 1918, the regiment was assigned to the 19th Division. However, nearly two years later, in February of 1919, it was relieved from assignment from the 19th Division.

In March of 1923, the regiment was assigned to the 6th Division. But again in October of 1939 it was reassigned to the 5th Division.

Inactivation took place in July of 1947 at Fort Jackson, S.C., and again in April, 1950, after squeezing in assignments in 1947.

The backing for carpeting should have enough body and weight to keep it flat and prevent curling or wrinkling. Closely woven jute, cotton canvas or kraft cord (which is a tough yarn made from pulp wood) are examples of this type backing.

To remove lint deposits on corduroy, put the corduroy articles through a short wash cycle with a non-precipitating water softener—no detergent, suggests OSU extension specialists.

CHECKING THINGS OVER

KEEPING UP TO DATE—Modern equipment, being made obsolete on an almost day by day basis behooves reservist to glean what knowledge they can to keep up to date as these are doing.

How Would You Say
Ohio's Gas Rates Compare?

Overall, in the United States, Residential Gas Rates are 28% Higher than in Ohio.....Residential Rates in Ohio are Lower by Far than in other Midwest States

Gas rates in Ohio are among the lowest in the nation.*

Look at how much higher residential rates are in these other nearby states:

Indiana, 38% higher; Illinois, 51% higher; Michigan, 35% higher; Wisconsin, 80% higher; Iowa, 18% higher, and Minnesota, 35% higher.

Ohio's residential rates are even comparable to those in Texas, by far the nation's largest producer of natural gas.

Why?

The key is *underground storage.* During summer, natural gas produced in the Southwest is piped to Ohio and pumped into huge underground storage reservoirs developed here by your gas company. In winter the gas is withdrawn from storage as needed to help meet heating demands.

Because of underground storage, natural gas is available for house heating to hundreds of thousands of Ohio families who want year-around comfort and convenience — at moderate cost.

MAINTENANCE CHECK—Part of the reservists training consists of checking over equipment to keep it ready for use. Here, Capt. Frank W. Douglas, left, gives instruction to Motor Pool Mechanics.

PARADE STARTS AT 1:30

Dedication Program Notes

The Whitehall Memorial U.S. Army Reserve Center, will be dedicated in formal ceremonies Saturday, Oct. 29 in memory of all who have given their lives for our country.

A parade from Main-st, and Bernhardt-rd, to the Reserve Center on Country-Club-rd, will open the program at 1::30.

The 388th USAR Band will combine with the Whitehall High School band for a musical salute.

Following this, Chaplin (Lt.) James W. Farris, Unit Chaplin, will deliver the invocation at 2:30. WBNS-TV News Commentator Chet Long will give the welcoming speech.

After the presenting of the colors by the color guard, Gorge Williams, Comdr. VFW, Whitehall Post 8794, will conduct the Pledge of Allegiance.

The Honorable Hugh M. Minton, II, Under Secretary of the Army will present the dedication address and Dedication Committee Chairman Col. Donald E. Pratt the closing remarks.

Rev. Fr. Robert W. Harwick, pastor of Holy Spirit Catholic Church will conduct the benediction which will be followed by the ribbon cutting ceremonies by Samuel L. Devine, representative of the US Congress.

Major General Charles E. Beauchamp, commanding general XX, US Army Corpsp, will unveil the gold plaque.

The National Anthem, played by the combined bands, will close the formal ceremonies. An open house and refreshments will follow.

Plan now and plan well for a fruitful fall and winter. Will it be school, extension courses, discussion groups, or private study? Whatever your interests, let the Columbus Public Library help you.

MAJOR GENERAL BEAUCHAMP HEAD 20TH ARMY CORPS

Maj. Gen. Charles E. Beauchamp is the new commander of the 20th US Army Corps, Fort Hayes.

He succeeds Col. Theodore R. Kimpton, who has commanded the corps since the retirement of Maj. Gen. Ralph W. Zwicker on April 30.

At Fort Hayes, Gen. Beauchamp will direct Army Reserve, ROTC, and some active Army activities in Ohio, West Virginia and Kentucky. Prior to his assignment here, he commanded the 1st Cavalry Division in Korea for 13 months.

Colonel Donald E. Pratt is the commanding officer of Headquarters 3rd Battle group, 2nd Infantry.

Serving as chairman of the Dedication Committee, Col. Pratt will also make the closing remarks at the program.

Shortly after the start of the Korean fighting in June, 1950 Gen. Beauchamp commanded the 34th Infantry Regiment, 24th Division, during the delaying and defensive action of early Korean War combat.

Returning to Japan, he assumed command of the 32nd Infantry Regiment, 7th Division and landed with it at Inchon, Korea, in September, 1950. During the time he commanded the 32nd, the regiment participated in the recapture of Seoul, the Iwon Landing in Northeast Korea, the advance to the Yalu River, the defense and evacuation of Hungnam, and the Eighth Army counter offensive in 1951.

Born in Port Huron, Mich., on Jan. 23, 1908, Gen. Beauchamp was graduated from West Point on June 12, 1930.

Before World War II, he served in the 1st, 2nd, 14th and 367th Infantry regiments. In January, 1942, he saw duty with Headquarters, V Corps, and served during the war in various capacities on the general staff of V Corps, 9th Infantry Division, First Army, and Headquarters, European Command.

Gen. Beauchamp returned to the U.S. in 1945 and served first as chairman of the Attack Committee of the Tactical Section at Fort Benning's Infantry School and later as director of training literature and visual aids at the Infantry School.

In October, 1948, he became assistant commander of the Counter - Intelligence Corps School at Fort Holabird, Md.

Following combat duty in Korea, Gen. Beauchamp was assigned in July 1952, as Chief of the Plans and Research Branch of the Collection and Dissemination Division, Department of the Army.

Gen. Beauchamp's decorations include the Silver Star, Legion of Merit, Bronze Star Medal with Oak Leaf Cluster and "V" Device, Combat Infantryman Badge, and the French Croix de Guerre avec Palme.

Campaign Shown On Shield

The motto of the 2nd Infantry Regiment is "Noli Me Tangere"—Do Not Touch Me.

The campaigns of the regiment are symbolized by suitable representations on the coat of arms.

The Canadian campaigns of the War of 1812 are shown by a lion crest. Service during the Civil War is shown by a blue cross from the Confederate flag, and a red cross patee is from a badge of the 18th Division, V Corps, in which the regiment served during the greater part of that war.

Service in the Mexican War is shown by the cactus, in the Spanish War by the five-bastioned fort, the badge of the V Corps in Cuba. The Indian campaigns are shown by the arrows and quiver and the bolo is for service in the Philippine insurrection.

Insecticides sprayed entirely around buildings—the foundations, surrounding ground, cellar window wells—will destroy many crickets and grasshoppers, say OSU extension entomologists

MAJOR GENERAL BEAUCHAMP HEAD 20TH ARMY CORPS

Maj. Gen. Charles E. Beauchamp is the new commander of the 20th US Army Corps, Fort Hayes.

He succeeds Col. Theodore R. Kimpton, who has commanded the corps since the retirement of Maj. Gen. Ralph W. Zwicker on April 30.

At Fort Hayes, Gen. Beauchamp will direct Army Reserve, ROTC, and some active Army activities in Ohio, West Virginia and Kentucky. Prior to his assignment here, he commanded the 1st Cavalry Division in Korea for 13 months.

Colonel Donald E. Pratt is the commanding officer of Headquarters 3rd Battle group, 2nd Infantry.

Serving as chairman of the Dedication Committee, Col. Pratt will also make the closing remarks at the program.

Shortly after the start of the Korean fighting in June, 1950 Gen. Beauchamp commanded the 34th Infantry Regiment, 24th Division, during the delaying and defensive action of early Korean War combat.

Returning to Japan, he assumed command of the 32nd Infantry Regiment, 7th Division and landed with it at Inchon, Korea, in September, 1950. During the time he commanded the 32nd, the regiment participated in the recapture of Seoul, the Iwon Landing in Northeast Korea, the advance to the Yalu River, the defense and evacuation of Hungnam, and the Eighth Army counter offensive in 1951.

Musical Comedy Special Will Feature Danny Kaye

By Charles Rampp

Danny Kaye has signed to star in an hour-long musical comedy special, Sunday, Oct. 30, at 8 p.m. on Channel 10.

His only previous television appearance was in the "Secret World of Danny Kaye," a 90-minute program broadcast on behalf of UNICEF.

In the upcoming special, Kaye will dance, sing and clown in some of the numbers associated with his rise to fame as an international star. He will also perform in many new numbers written by his wife, Sylvia Fine.

Kaye has built up a considerable following, and has taken on the stature of not only one of the leading comedians of today, but also that of interpreter of humor.

He has long been a television "holdout," but has been prominent in motion pictures for the last two decades.

Debbie Reynolds will be presented in a one-hour program of music and comedy, Thursday, Oct. 27, at 9:30 p.m. on Channel 6.

Starring on the show with Debbie will be Walter Brennan of the "Real McCoys," Charlie Ruggles and Carlton Carpenter, all closely associated with the actress in Hollywood films.

Both Brennen and Ruggles have portrayed grandfathers of Miss Reynolds and she will become reunited with them in a special dance number.

Comedian Carl Reiner will be on hand, along with Maestro Nelson Riddle, and Julian "Cannonball" Adderley Quintet.

"One Nation Indivisible," the Bell Telephone Hour program for 9 p.m., Friday, Oct. 28, will present the music of the United States.

County Fair songs from the North, Blues from the South, Broadway show tunes from the East and ballads from the West will be offered, on this program on Channel 4.

The entire company will participate in a group of popular election campaign songs going back to the Civil War period. Starring as host-singer will be Robert Preston. The Dukes of Dixieland will be featured.

"The Scarlet Pimpernel," a classic story of French Revolution days will be the premiere production of the Family Classics Series, Friday and Saturday, Oct. 28 and 29, at 7:30 p.m. on Channel 10.

The story centers around an undercover agent, who has the clever disguise of an apparently inocous English nobleman. He transports refugees out of the country, saving potential victims from the guillitine.

He is called the "Scarlet Pimpernel" from a small red flower common in France. Not even his wife knows the secret occupation of the spy, and he runs the risk of losing her, as she feels that he is a coward.

Michael Rennie stars as the Pimpernel with Maureen O'Hara playing Lady Blakeney, his wife. Zachary Scott will portray the villain.

Channel 4 offers a new local health series, "Let's Live," that began on Wednesday, Oct. 19, at 10:10 a.m.

The new weekly program will be produced in cooperation with the Columbus Health Department as a public service to the community.

The Health Department, headed by Dr. Ollie M. Goodlee, Health Commissioner, will work closely with the Columbus Academy of Medicine, and guests on the programs will be doctors, dentists and representatives from various departments of the city, county and state.

Subjects announced for future programs include carbon monoxide poisoning, geriatrics, retarded children, hunting accidents, alcoholism, teenage smoking, care of the teeth, food poisoning, home safety, tuberculosis, baby care and others.

"Money and the Next President," a special telecast on Channel 10, Thursday, Oct 27, will show the control of our wealth.

Scheduled at 8:30 p.m., the show will concentrate on determining the amount of money spent on public service today. Problems of living with inflation, and of competing successfully with foreign businessmen will be considered.

"Open Classroom" has begun its third year on Channel 4, Saturdays, at 9:30 a.m. This series gives a look inside the schools in this area. It is produced as a public service in cooperation with 11 school systems in and around Columbus.

Public, private, parochial, and county and suburban school systems will be represented. WLW-C's Stan Robinson will moderate the program.

"Leave It To Beaver," and "Music for a Spring Night," both seen on Channel 6, were cited by the Christophers in their annual television awards.

The award citations felt that the programs "exemplified the great potential of television to inform, inspire and entertain." Recipients of the award received a bronze medallion inscribed with the Christopher motto, "Better to light one candle than to curse the darkness."

The first program of the Symphone Club of Central Ohio will be offered Thursday, Oct. 27, at 8:30 at Veteran's Memorial.

Charles Munch will conduct the Boston Symphony Orchestra in Mozart and Frank symphonies, and a contemporary work, the Seventh Symphony" by William Schuman.

Lowell Thomas, Jr., will present his new color motion picture, "Follow the North Star," a family adventure in the Arctic Basin, at Mershon Auditorium, 8 p.m., Tuesday, Nov. 1.

The first of the three youth programs to be given this year by the Columbus Symphony Orchestra will be held Oct. 29, at Veterans Memorial, with performances at 11 a.m. and 2 p.m.

The first program will feature Aaron Copeland's Billy the Kid. Life-size puppets of the Detroit Art Museum Puppet Theatre will be used in a stage presentation with the music.

Columbus Auto Dealers Arrange January Show

Columbus Automobile Dealers Association will hold its 1961 Automobile Show Jan. 14 through 22, at the Buckeye Building on the Ohio State Fairgrounds.

Theme of the 1961 show will be "Command Performance — The 1961 Auto Show," and a royalty motif will be stressed, in keeping with the numerous requests to have another auto show.

This year's committee is headed by Williard Ewart, chairman, of Avery Pontiac. Other members of the committee are Herman Beck, Herm Beck, Inc.; Bob Germain, Germain Lincoln-Mercury, Inc.; L. A. McPherson, Jr., Midwestern Service and Sales, Inc.; Edgar Planck, West Side Motors, Inc.; Dick Rodenfels, Rodenfels Chevrolet Co.; Jack Schmidt, Jack Schmidt Oldsmobile, Inc.; Robert Keim, Gager-Keim, Inc.; Herman Marte, Marte Pontiac, Inc.

Ewart announced that all makes and models of 1961 cars, including a complete display of foreign automobiles, will be displayed.

Camp Fire Girls Appeal For Leaders

The city and county Council of Camp Fire Girls is urgently in need of interested adults to expand the Camp Fire program in the Columbus area.

Women are needed as group leaders.

Although there are now more than 4000 Blue Birds, Camp Fire Girls and Horizon Club members, ranging from seven through 18 years, there are scores more in every neighborhood anxious to join.

One woman volunteer can mean Camp Fire membership for ten to 20 girls.

Men are needed for committees on county-wide program, budget and camping facilities, consultants and aides on such projects as tree plants and candy sales.

Camp Fire program is also anxious to recruit adults with special knowledge in arts, crafts, nature studies, homemaking and sports.

For more information call Hi. 3-9713.

Now that the football season is wits us, many people become more aware of the importance of team play. The Columbus Auto Club points out that team play can make driving safer and more fun for you. Team spirit works on the highway as well as on the gridiron. Think of other drivers as members of your team. Work with them and you will find your driving hours more pleasant and relaxing.

Shapter States Political Year Full Of Meaning

Walter J. Shapter, Jr., Democratic candidate for the State Senate, from Ohio's 10 District, said today, "This is a political year that has real meaning to every American citizen."

"Ohio is today, on a sound fiscal basis, and we are moving ahead on our highway construction—mental health — schools, and we are giving bettter service to our welfare programs."

"Today, Ohio is again moving ahead industrially and in business expansion. You well know that industry will not go into a state that is in debt or one where there is deficit spending."

"In the Democratic controlled session of the Ohio General Assembly, there was created a new Department of Industrial and Economic Development that is doing a fine job of attracting new industry to our state."

Mr. Shapter further stated that "A healthy economy benefits farm areas as well as resort areas and industrial centers. Ohio's citizens will eat well—work well—and play well—if we act now to insure her progress."

"In business, there is hardly anything worse than poor judgment! In the running of affairs for the citizens of Ohio, should government have any less respect for you?"

Insure a Return to Able, Experienced Representation for Franklin County.

Issued by Franklin County Representative Election Committee, R. 1109, 41 E. Gay St.

Archer Reilly Asks Reelection To Assembly

State Representative Archer E. Reilly, Jr., is a candidate for reelection at the coming general election. He is currently serving his second term in the general assembly.

Reilly is a practicing attorney and a member of the teaching staff at Franklin University. He formerly served as secretary to the governor and assistant to the treasurer of state.

Fom 1946 to 1948 he taught political science at Ohio State University.

Reilly is active in community affairs, serving as a member of the boards of the central Ohio chapter, Multiple Sclerosis Society and of the Travelers Aid Society. He is a member of the Ohio State and Columbus Bar Associations.

In addition to projects that teach better ways of homemaking and farming, 4-H provides young people the opportunity to explore careers in work closely related to agriculture and home economics.

Flood Control Program Termed Vital By Kunz

Adequate flood control for the Central Ohio area is one of the most important matters facing this community, is the opinion expressed in public meetings this week by D. J. Kunz, candidate for re-election as a county commissioner.

Kunz, resident of New Rome, stated, "It has been most disappointing to me that so many people of this area have already forgotten the terrible flood of January two years ago. It should season will soon be on us again and the very little that has been done toward any type of flood control will not keep 'Old Man River' away from the doors of so many people in the low lands of this community."

He continued, "I have advocated a long range program that looks to the long-time flood control problems of our community, not just temporary short-time relief. I have gone on record favoring the recommendations of the Development Committee for Greater Columbus and as a county commissioner have offered my assistance and support of their proposals. When the present Scioto-Sandusky Conservancy District is dissolved a new but smaller district should be developed immediately and that portion of Conservancy District funds that originally came from this area should be returned to this area and earmarked for flood control only. We will regret our inactivity in this matter if we allow it to lie dormant much longer.

"While I was chairman of the board of county commissioners I was first to call a meeting of army engineers for a public hearing on the matter of flood control. Subsequent meetings have been held."

Action Pledge Of Prosecutor Candidate

John A. Hoskins, the prosecuting attorney candidate pledged to action, grew up in an environment devoted to public service.

His father and grandfather both having served as prosecuting attorneys, Hoskins learned early the attributes and responsibilities that go with a public office.

With his sights set on such a career, Hoskins graduated from the Law School of Ohio State University following service in the U.S. Marine Corps where he saw combat in Korea. After a period of private law practice Hoskins became assistant attorney general of the state of Ohio.

In this position he has worked with county prosecutors throughout the state, providing legal advice to local government and various branches of state government.

Hockins feels that a laxity now exists in the Franklin County prosecutor's office and has developed a simple yet comprehensive plan of action to bring about necessary changes. Hoskins proposes to end what he terms an "apathy" in the prosecution of sales "gypsters" and fraudulent sales schemes.

Hoskins has said, "The prosecutor must insist that his office be staffed with full-time dedicated people, not those who regard the office as a part-time affair, using it for personal gain."

Whether driving or walking, says the Columbus Auto Club, a railroad crossing can prove extremely dangerous. The Auto Club warns against hurrying across railroad tracks immediately after a train has passed. Remember a second train may be coming from the other direction.

Eagles Slate Dance

Worthy President Edward Sluder of Columbus Aerie No. 297, Fraternal Order of Eagles, has announced that plans have been completed for the Eagles Annual Masquerade Halloween Dance to be held at the Aerie Home, 771 N. High-st, Monday, Oct. 31, 9 p.m.

Put Yourself In Big Shoes Of Treasurer

Explaining the perplexities of his office, County Treasurer Newton A. Thatcher made the following remarks last week at Main Street School in Whitehall:

"How would you like to use your imagination?

"Imagine the mail man coming to you with 120,000 letters. These you are trying to open and to read their contents. While you do this imagine 80,000 people coming to your door to ask for information or to pay a bill

"While you are doing this imagine some 30,000 persons coming to you to buy sales tax stamps and that you have to count out some 125 millions of stamps in many denominations.

"While you are doing all of this, answer the telephone 40,000 times.

"With this picture in mind you will have a good idea of a part of your duties if you were County Treasurer. From this you can imagine the organization and planning and experience which are needed during each year to direct operations of this office.

"We, who have been in the County Treasurer's office over a period of years, feel that we have the experienced know how which is valuable to the public as a whole.

"We ask that you consider us for continuation in the office of County Treasurer.

Appeals Judge W. C. Bryant Active In Public Affairs

Judge William C. Bryant, presiding judge of the Tenth District Court of Appeals, is a candidate for reelection on the bipartisan judicial ballot on Nov. 8. Judge Bryant is completing a four-year term on this court.

Since early in 1959, Judge Bryant has supervised the assignment and the disposition of the heavy legal docket of this court which accompanied the rapid growth of Franklin County.

In that period, many factors tended to increase the backlog of cases. Judge Bryant tackled this problem vigorously with the result that at the close of the spring term in 1960, the number of pending cases was the lowest in many years.

Judge Bryant previously served nearly two years as a judge of the Franklin County Common Pleas Court.

Judge Bryant also served two years as chief counsel to the late Attorney General Herbert S. Duffy in 1949 and 1950 and for nearly 10 years served as assistant and first assistant prosecutor of Franklin County by appointment of the late Judge Ralph J. Bartlett.

Judge Bryant also served for nearly five years as director of the state department of liquor control by appointment of Senator Frank J. Lausche, then chief executive of the state.

Judge Bryant is a veteran of World War Two, being sworn in in July, 1943, as a first lieutenant and called to active duty late in 1943 for a two year period including 18 months with the Ninth United States Army in Europe.

Judge Bryant is president of the Crippled Children's Entertainment Association, president of the Ohio State Persian (Cat) Club, president of the Northern Shrine Club, past commander of Franklin Post, The American Legion, past state judge advocate, the Legion, and member the Forty and Eight.

He is a Baptist, York and Scottish Rite Mason and Shriner; past patron, University Eastern Star Chapter, member of the Lions, Eagles, Moose, Torch Club, Agonis Club, Columbus Bar Association, Ohio State Bar Association and Ohio Judicial Conference.

Seven Member Delegation Lists Program Points

A seven member delegation of candidates for state representative is stressing "a constructive well-rounded program with particular emphasis on finance, education, welfare and conservation.

The seven are Thomas M. Herbert, son of former Lieutenant Governor Paul M. Herbert and a life-long resident of Columbus; Robert E. Holmes, selected as the oustanding young man of Greater Columbus in 1958, and an active civic leader; Keith McNamara, former special counsel to the city attorney, and a practicing attorney; Archer E. Reilly, Jr., incumbent state representative; Jacob A. Shawan, former mayor of Marble Cliff, past president of the Council of Social Agencies and a board member of United Community Council; Chalmers P. Wylie, former Columbus city attorney, former assistant to the governor and director of workmen's compensation; and Lytle G. Zuber, who has served four terms in the house and was chairman of military affairs and small courts committee of the judiciary committee of the house.

The Columbus Auto Club cautions that the hazards of nighttime driving are increased greatly by a dirty windshield and by headlights which are not in proper adjustment. Befort starting out after dark driving, make certain your visibility will not be hampered by any mechanical defects.

Six In Ferguson Family On State Payroll, Draw $50,484 Annual Pay

By ED HEINKE
Columbus Scripps-Howard Writer

State Treasurer Joseph T. Ferguson and five members of his family are on the state payroll at salaries totaling $50,484 a year.

The records also show that a seventh member of the Ferguson family, James D. Ferguson is on a leave of absence from his $5520-a-year job in the State Welfare Department to run for state auditor.

IN ADDITION, two members of the family have been drawing overtime pay in the treasurer's office.

The roster of the Fergusons on the state payroll, their jobs and salaries:

Treasurer Ferguson, $15,000.

Thomas Ferguson, his father's administrative aide, $14,400.

LEO FERGUSON, Joe's brother, treasurer's office, $7200.

Mrs. Joan Gotherman, Joe's daughter, treasurer's office, (part-time), $3960.

Elizabeth Ferguson, Joe's sister, Bureau of Motor Vehicles, $3024.

Joseph T. Ferguson, Joe's son, highway department, $6900.

THE RECORDS disclosed that Administrative Aide Tom, considered a likely prospect to run for state treasurer two years from now if his father retires from the active political field, has drawn $271.83 in overtime pay so far this year and in the last two weeks of 1959.

Can Ohio Afford Another Ferguson

The voters probably didn't realize it when they made Joe Ferguson state treasurer, but they were practically electing an entire family.

Joe took care of that — or rather, he took care of the family.

Five of them—two sons, a brother, a daughter, and a sister—are comfortably lodged on the public payroll. The total family salary, including Joe's $15,000 a year, is a neat $50,000.

If the taxpayers can acquire so many Fergusons simply by electing one of them to public office, what do you suppose would happen if they elected two?

Remember, that's a real risk, because Joe's son James is running for state auditor.

Before anyone dashes out and votes for another Ferguson, he'd better make sure the state can afford it.

Or that it should afford it.

Choose Jim Rhodes Now

BEFORE the tempo of the presidential campaign increases to obscure other issues, the people of Ohio should take a look at the one state office to be filled this fall. For if they understand the nature of this contest for state auditor, they will realize why a basic principle of sound government requires the retention of James A. Rhodes in this post.

Rhodes Over Ferguson

It's still three months until Election Day and there's still much campaigning to be done, but there's no reason for anyone to take more time to make up his mind how to vote in the state auditor race.

There the incumbent, James A. Rhodes, is opposed by James D. Ferguson. Rhodes not only deserves re-election wholeheartedly on his excellent record in office. He deserves it additionally because of a special condition involving Ferguson.

Would another Ferguson in a top state office break ground for the hiring of another batch of Ferguson relatives on the state payroll? We see no reason to doubt that this would happen.

The best way to keep it from happening is to vote against James Ferguson and for Auditor Rhodes who, as we said in the beginning, deserves re-election anyway.

Pretty—

(Continued from page 1)

"It was three years ago," she recalls. "The Second Army's drum and piper band was playing in Columbus. I liked the music (which is like coffee—you just get addicted to it) and became the band's part-time mascot."

The bandsmen taught her to play but it was at least eight months before she could demonstrate her musical prowess to her parents and friends.

"Not only didn't I play a song in that span," she quipped, "I didn't get to blow one full-fledged note."

This is because the beginning piper, to perfect the co-ordination and breath control needed, practices for about six months on an instrument that doesn't make a sound. When she was ready to try "a loaded bagpipe" she had to wait two more months before she could afford to buy one.

In case you've been trying to buy a bagpipe you have to place an order with a New York importing firm. The price is around $150. Since you'd look pretty silly playing it in street clothes you'd better order an outfit, including a sporran (the furry pocketbook which dangles from a waist chain), which costs another $150.

Recalling the early home practice sessions, Donna admits that her parents didn't exactly smile. And the neighbors? "I didn't have to worry about them," she confessed, "by then I could probably outrun them all."

Once and awhile now she practices on the steps of the State House which attracts "both admirers and some pretty funny looking head turns."

When it comes time to go home—on the bus—she always manages to stir up a few whispers and always a, "you don't play those things do ya?"

Besides the old standbys like "Pi Brock of Donnel Dlui, included in Donna's repertoire of 100 songs are "Yankee Doodle," "My Old Kentucky Home" and "The Marines Hymn."

She's polishing up some of these now for the hlighlight of the year, the Piper's Ball, an annual affair held in New York on the birthday of Scotish poet Robert Burns, a national holiday in Scotland.

As for the long-winded friends, in the meantime she's looking for five or six people to recruit for a local pipe corps. She performed with two drummers at the United Nations Festival at the Ohio State Fair Youth Center Sunday. Everyone applauded. "But," she apologized, "we need five more pipers before you could call it a decent band."

According to Donna, the biggest pre-requisite—if you're interested in trying out—is not so much keeping the bag full of air, but to keep from sounding like a stuttering lunch whistle when you inhale to keep it inflated. To avoid this you have to keep the pressure constant in that interval by squeezing with your arm.

Once you master this all that remains is keeping your fingers off the wrong hole. With only one right note, that leaves 63 chances for a goof

Considers—

Gould and Merkle-rds. be restricted to office type buildings.

Any construction or alteration on the premises would first have to get council's okay, the solicitor recommended.

Plans for off-street parking, curbs, location of any building on the site and exterior lighting would have to be included in any application

Rotating or flashing type signs, would be disallowed. Signs, however, may be placed against walls of a building.

And council may first ask that the city zoning and planning commission be referred to on the matter.

Park admitted that any requirements or restrictions for such a proposal would be difficult to outline, but he thought that the recommended ordinance would "prove to be the best through the years."

Council's concern centered around the residential areas. They appeared satisfied by the arrangements as outlined by Park would amount to a "breathing" area between homes and businesses

Council President Charles Kurtz, Jr., inquired if the ordinance would allow council to control a "particular type" of office building. He said that the question mainly concerned a situation whereby a lot of traffic could be involved.

Park replied that he did not know but could check into that phase.

The USTA made known to Bexley officials a few months ago that they would like to construct a $450,000 office building in the city. The Association's present offices are presently located at E. Broad and Linwood.

Association representatives have stated that the real estate taxes would amount to $500,000 and that some 70 per cent of its employes are from Bexley and the East Side

According to Park, Bexley at present has four zoning classifications: residential; two family houses; retail business and university.

Kurtz also brought up the subject that some residents have suggested that some type of traffic warning should be posted along S. Cassingham between Fair and Main-sts. The matter was turned over to the safety committee.

Carrie Poole, age 94, died this past week and was buried Monday.

Much could be said about the fact that she had a wide acquaintance and many friends. But mine is a personal tribute . . . a big word of "Thanks" to "Aunt Cad."

As a young man just out of college, opportunity knocked for me just as for many young men. But the door might not have been opened had it not been for the fact that a helping hand from "Aunt Cad" in the form of a loan made it possible for me to purchase the Greenfield Times which started me on my newspapering career. It is always nice to know people who can have confidence in someone else. I am grateful!

must be able to prove that they need such care. Both ambulatory and chronically ill persons will be accepted.

Other services to be provided consist of recreation and occupational and physical therapy, nursing care and social services.

Other requirements for entry will include that the person is of Jewish faith, must have lived in Columbus or nearby communities for at least two years, and must be 65 years of age or older.

The home will provide everything possible to anticipate the requirements of those in the residence. For example, both a milk and a meat kitchen will be established so that dietary laws may be observed

A synagogue will be incorporated so that the Sabbath and religious holidays may be observed: The chapel is slated to contain the traditional ark and pulpit along with a yahrzeit alcove and yahrzeit candles.

As one home official described it: "We want the residents to be able to participate with zest and enthusiasm."

Bexley High Open House Set Nov. 14

When and if the addition to Bexley High School is finished before Nov. 14, an open house will be held.

Superintendent Dr. E. D. Jarvis said this week that tentative completion plans for the structure call for the Nov 14 date

However, the gym was supposed to be used for last week's homecoming dance, but the affair was transferred to the Montrose building instead.

At a recent board meeting, schoolmen delved into the possibility of setting up a parents committee and an evaluation of special education classes.

Probate Court Judge Walcutt Bases Campaign On Record

Judge Roscoe R. Walcutt, running for re-election to the Probate Court, has served for nearly six years in that office.

He is basing his campaign for re-election upon his record as judge of this important Court plus a solid background as an attorney, legislator and civic leader.

Judge Walcutt has been endorsed for re-election by the Columbus Bar Association, the men and women "who know the courts best."

This endorsement was awarded on such points as integrity of the candidate, his legal ability, promptness in court work, judicial temperament, fairmindedness, freedom from political influences, courtesy and consideration, and dignity and independence.

The Probate Court handles such matters as estate settlements, inheritance taxes, marriage licenses, adoptions, guardianships, commitments for mental illness, and various other matters.

Under Judge Walcutt, equipment and procedures have been modernized so that an increased volume of cases has been handled, yet the work of the Court has been kept current. The Court is regarded as one of the best administered in the state.

Judge Walcutt served five consecutive terms as a state senator and held the posts of President Pro Tem, Majority and Minority Leader. He was chairman or member of many important legislative committees.

Active all his life in civic, church and community affairs, Judge Walcutt has been a practicing attorney since 1925. He has also been a teacher, school board member, court reporter, and belongs to many fraternal and civic groups.

Floyd Elliott Leads Jewish Orchestra

Floyd Elliott has been reappointed conductor of the Jewish Center Orchestra for a second season, announced Mrs. Melville Frank, the Jewish Center Cultural Arts chairman.

Elliott, who lives in Bexley, has been a member of Capital University's Music Conservancy faculty for over 30 years. He also plays viola with the Columbus Symphony Orchestra and is a member of Capital University's Chamber Music Quartet.

This year's orchestra will be comprised of about 40 members and will hold its first rehearsal Wednesday, Nov. 2, at 8 p.m. in the Adult Lounge of the Jewish Center.

Musicians interested in performing with the Jewish Center Orchestra this season may secure an audition by calling the program department at the Center.

Civic Leader Holmes Runs For House

Robert E. Holmes, attorney, 4200 Dublin-rd, is a candidate for state representative in the coming election.

Active in community and public affairs, Holmes was named the "Outstanding Young Man of 1957" by the Columbus Junior Chamber of Commerce.

Born in Columbus, Holmes was graduated from East High School. He received his A.B. degree from Ohio University and his L.L.B. degree from Ohio State University. He served two years in the navy. He is married and the father of two boys.

His community services and activities include:

Past vice-president of the Columbus Jaycees; immediate past chairman of the youth and recreation council; active in United Community Council and United Appeals; president of Central Community House; member of the board of directors of Pilot Dogs, Inc.; Columbus Bar Association; Agonis; Kiwanis; and member of Trinity Methodist Church.

MANY EFFICIENCIES IN SANITARY ENGINEERING DEPT. ARE INSTITUTED BY D. J. KUNZ

One of the major responsibilities of the Board of County Commissioners is the supervision of the County Sanitary Engineering Department.

The Sanitary Engineering Department is responsible for the approval of all plans and specifications along with the supervision and inspection of all sewer and water improvements in unincorporated areas of Franklin County.

Among other duties of the department are supervision of the operation at garbage and refuse disposal facilities operated by the county and the issuing of permits for the connections to water and sewer lines.

It can readily be seen, therefore, that efficient operation of this department is necessary if the county expects to keep its operations from snowballing into the red.

A case of inefficiency resulting in a heavy debt to Columbus existed at the time I took office.

The county owns and controls the water and sewer lines in the area west of Georgesville and Phillipi-rds serving generally persons living in the Lincoln Village and Rome area.

The water is purchased from Columbus and the sewers discharge into the Columbus system.

I found that by the first quarter of 1959, there was owed to Columbus $72,030.99 for water and sewer rental dating back to Oct. 30, 1957. From April 30, 1959 to April 30, 1960 there were additional water and sewer bills of $80,544.16 making a grand total of $152,575.15. All of this has been paid and to date the Sanitary Engineering Department is on a current basis with the City of Columbus for this operation.

I also found soon after entering office that the former Sanitary Engineer and an attorney for a bonding company were quarreling over who should pay a $5,000 bill for gravel used during the installation of sewer lines in the New Rome and Little Farms area.

During the two years the dispute was being argued, interest on the note issued to finance the project amounted to approximately $33,000.

After studying the situation, I found that the county would have to pay the $5,000 in any case and called the Sanitary Engineer into the commissioners office where he was told to straighten the situation out immediately.

That afternoon he resigned.

About 30 days later, the deal was settled. The extra $33,000 worth of interest accrued needlessly on the notes had to be added to the assessments of the residents in New Rome and Little Farms.

Among other examples of inefficiency I found in the courthouse were:

The Sanitary Engineering Department had been allowed to pile up a debt of $134,806.88.

Bills owed by the department hadn't been as far back as two years before.

A department safe was locked with the key in possession of a man on vacation. After a locksmith was hired and the safe opened, nearly $30,000 was found in money and checks, some dated as early as three years before.

Topping all of this I found out later that the county had accepted the responsibility for maintenance and operation of a sewage disposal plant which was located on private property!

The developer later asked permission to have the plant enlarged, but I refused until he agreed to deed the land where the plant was located to the county. The deed has since been received by the county.

Since I took office two years ago, the affairs of the Sanitary Engineering Department, now under the direction of L. B. Strange, have been reorganized and placed on a strict business-like basis.

Responsibilities of the department are increasing all the time and it is apparent that efficient operation will become more essential in the future and that the poor performances of the past cannot be tolerated.

Within the last four or five years, the department has become involved in the construction or operation of more than half a dozen sewage treatment plants and water works.

This includes the plants for Brookside Estates near Linworth, Winchester Subdivision, Ridgewood Estates, Hilliard, Minerva Park and Hamilton Meadows.

Plans are nearing completion for a sewerage facility to service Groveport and preliminary agreements have been made for the building of another plant for the Huber Homes subdivision on Alum Creek-dr.

John A. Hoskins Tells the Facts About the Prosecutor's Office

Candidate Outlines Plans for Action

JOHN A. HOSKINS

John A. Hoskins, Democratic candidate for prosecuting attorney, has charged the present prosecutor's office with failure in its duties to the public. Hoskins points out the need for **full-time** operation of the office with a **full-time** staff to represent the interests of Franklin County residents.

Hoskins, assistant attorney general of Ohio, says, "The laxity of the present county prosecutor's office in bringing 'gypsters' to justice must end. The current wave of fraudulent sales schemes calls for action.

"The people of Franklin County must also be vigorously represented in hearings on the need for continued bus and train service."

Supporters say that Hoskins, whose father and grandfather both were prosecuting attorneys, will bring new vigor to the prosecutor's office with a plan of action that includes **ending long delays in criminal trials, aiding in combating juvenile delinquency, collecting long-overdue taxes and debts owed to the county and providing the legal advice necessary to establish effective flood control.**

They say Hoskins will accomplish this full law enforcement plan without favor or prejudice.

Does Your Organization Need Money?

We are looking for an active organization or agency in Bexley and one in Whitehall that has a worthwhile program and needs money for their projects. An opportunity to make $1000 or more in project that would take but little time. No catches. No gimmicks. A legitimate proposition that in itself will help your community. For further details write Box 47 care of Hartley Newspapers, 2465 W. Broad St., Columbus 4, Ohio.

1—INFORMATION

DO YOU HAVE A WILL? A properly prepared will can spare your loved ones unnecessary grief, distress and expense. Ask your lawyer to prepare a will for you. If you do not know a lawyer, consult the Columbus Bar Association's Lawyer Referral Service, with offices at 40 S. Third St. Call CA. 6-1263 for full details. This public service costs you nothing.

One of Berwick's Finest Homes

I PERSONALLY built this home with the intention of living here indefinitely—but we have now decided to move suburban. So—here's a chance to get one of the most complete luxury homes in Berwick.
FIVE BEDROOMS, 4½ baths, large entry with Italian travertine marble floor, sunken living room, dining room, 36 foot family room and complete built-in kitchen. Utility room, 56 foot screened-in porch overlooking a beautiful swimming pool in fenced in yard. All situated on a beautifully landscaped lot and a half, close to schools.
THIS IS A BRICK and stucco modern colonial with the very finest of material and construction throughout—nothing has been left out or overlooked. Attached 2½ car garage has automatic door opener. Full basement has future recreation room, dual heating system, air conditioning and electronic air filters.
OVER 2,900 SQ. FT. of 1st floor living area. Priced far below duplication cost at $69,500.00. We would consider suburban acreage or property on trade as partial payment. Shown by appointment only. Call Don Donelson—

First Reformation Minister Accepts Illinois Pastorate

Rev. Ralph Ryberg, mission developer and first pastor of Reformation Lutheran Church, 1355 S. Hamilton-rd, has accepted the call of Mt. Moriah United Lutheran Church, Anna, Ill., to become its next pastor, effective Nov. 15.

Rev. Ryberg came from Fort Wayne, Ind., in April, 1956, to begin development of a United

Rev. Ralph Ryberg

Lutheran mission congregation.

After meeting from mid-June to mid-September at the Shady Lane School at 8:30 and the ABC Play School at 10 a.m. each Sunday, the group began almost three years of regular Sunday services at Whitehall High School.

On Dec. 2 the congregation was organized with 143 adults and 135 children.

Rev. Ryberg was unanimously elected first pastor of the young church in January, 1957. The first one-year building fund campaign was launched that June.

In the spring of 1958 the congregation bought the auxiliary building of Boulevard Presbyterian Church of Grandview, had it dismantled and moved to the original acre and two-thirds purchased by the Synod of Ohio as a church site.

The congregation purchased three and one-half more acres, plus one lot to the rear of that site.

Rev. Ryberg and Reformation Church planned and built the first of four units on a "do-much-of-it-yourselves" basis during the next 15 months.

On Thanksgiving Day, 1959, the first service of the congregation was held in the sanctuary. Then, on Dec. 20, the entire first unit was used for the first time for Sunday School and worship.

A four-bedroom house was purchased at 1175 Country Club-rd early in 1957.

A total of 383 adults and 409 children have been received into membership in the four-year period.

Mt. Moriah Church in Anna is located on Main-st in the rustic southern Illinois town of 5,000, and sponsors a radio broadcast of the Sunday services which reaches 20,000 to 25,000 listeners in a radius of more than 100 miles.

Rev. Ryberg's final Sunday at Reformation Church will be Nov. 13. He and Mrs. Ryberg and their family of four children, two of whom were born in Columbus, will move Nov. 15.

Technician Takes Life

Relatives were at a loss to explain why George Byron Goodrich, 22, 4575 St. Francis-ln, Whitehall, hanged himself on a bedroom door Wednesday, Oct. 20.

Dr. Robert A. Evans, coroner, ruled that the young technician for the Ohio Bell Telephone Co., took his own life.

His wife, Darlene, discovered the body when she returned home from work, police said.

Other survivors include a daughter, Charmaine, parents Mr. and Mrs. George Goodrich, brothers Lawrence and Richard and grandmother, Mary Goodrich.

Services were held at Jerry Spears, 2693 W. Broad-st, Saturday, Oct. 22 with interment in Green Lawn.

More than two-thirds of last year's agricultural exports went to 14 countries. Largest importer of U.S. farm goods was the United Kingdom. Others in the top five were Japan, Canada, West Germany and the Netherlands.

Ohio Fuel Promotes Two Men

Two Columbus men have received promotions in the Purchasing and Stores Department of the Ohio Fuel Gas Company's general offices here, it has been announced by R. F. Asel, manager of purchasing and stores for Ohio Fuel.

Roe E. Young, 2024 Astor-av, former superintendent of stores accounting, has been promoted to superintendent of stock control succeeding Emil J. Tresemer, 304 Granville-st., Gahanna, who retired Oct. 1.

Dan J. Robinette, 1997 Saler-rd, former stock control clerk, has been named superintendent of stores accounting succeeding Young.

Young has been with Ohio Fuel 20 years. He started with the gas company in March, 1940, as dispatcher in Springfield, was transferred to the Service Department there six years later, and was promoted to warehouse cardex clerk in 1947. He was transferred to the Purchasing and Stores Department in Columbus in 1952 as superintendent of stores accounting.

Born in Columbus, Young was graduated from East High School in 1934 and attended Ohio State University. Before going with Ohio Fuel he worked two years for the Ohio Steel Foundry Co. in Springfield. He served five years in the Army in World War II and was a master sergeant when discharged in 1946.

Leftwich To Preside At Insurers Meeting

C. W. Leftwich, 180 S. Remington-rd, vice-president-actuarial for Nationwide Insurance, will preside over the annual meeting of the National Association of Independent Insurers at St. Louis, Mo., Oct. 31 to Nov. 3.

Leftwich is winding up a one-year term as president of NAII. He will give the presidential address during the opening session on Nov. 1.

Guest speaker for the affair will be Senator Estes Kefauver.

Chart Bexley Cancer Study

The first follow-up on the largest medical statistical study ever conducted is currently underway in Franklin County, it has been announced by Dr. William B. Schwartz, president of the American Cancer Society's Franklin County Unit.

Mrs. Harry Goldberg, 196 S. Cassingham-rd, and Mrs. Allan Tarshish, 2349 Berwick-blvd., are serving as co-chairman of the Bexley area for this project, known as the Cancer Prevention Study. According to the co-charimen this six-year study involves 5,789 persons living in 3,073 families throughout the county.

Dr. Schwartz pointed out that some 450 volunteer researchers will be contacting the people who filled out questionnaires last fall to ascertain the status of their health. These reports will then be forwarded to the National American Cancer Society in New York for analysis.

Mrs. Robert B. Hartle, 2536 W. Lane-av, is the Cancer Prevention Study Coordinator for Franklin County. She said the study will continue for the next four years and the subjects would be contacted each year.

Local Students Will Be Honored

Three Columbus students will be honored for academic excellence during "Honors Day" programs on the Capital University campus Monday.

Highlighting the banquet program will be the presentation of Kappa Alpha Pi honor keys to juniors and seniors who earned a cumulative academic point average of 3.8 and 3.6 respectively during the last semester.

The Columbus honor students are Donald Huber, a junior and the son of Mr. and Mrs. Lester W. Huber, 1776 Stelzer-rd, John Carter, senior, son of Mr. and Mrs. Willard K. Carter, 781 Kenwick-rd; and Darryl Sutorius, senior, son of the Rev. and Mrs. O. T. Sutorius, 70 E. Markison-av.

Theft Cases Continued

Two men accused of the strong-arm robbery of William Russell of Bexley as he entered his home at 611 College-av, were released under $2500 bond each after their attorneys entered not guilty pleas for them.

They are Kenneth L. Smith, 39, 65 E. Moler-st, and Lee B. Mowrey, 30, 37 Jefferson-av. They are accused of taking $5600 from Russell, on Thursday, Oct. 20.

Municipal Court Judge Fred J. Shoemaker accepted the pleas and continued the cases to Nov. 10.

UA Reaches 85.7 Percent

The East area United Appeal residential solicitation result stood at 85.7 per cent; Suburban East went over their goal with 117.5 as the drive headed into its final week. Small business solicitation in Bexley was 52.5 per cent and Whitehall 26.4.

With the overall campaign total standing at 76.4 per cent with a week to go, it was hoped that the drive can be over the top by the Victory Meeting which was to be held Tuesday night.

CANDY KID FOR CP

MUCHA MOOLA FOR CHARITY—Some time ago, Mr. and Mrs. Walter Harrernan, of 1562 Huxley dr, told their son, Mike, that if he wanted to buy a Christmas present for his mom, he could earn it by selling candy for Cerebral Palsy. Mike wanted to get the item so badly, that in all he ended up selling $88 worth of the sweet stuff to 66 people. For his reward, he will receive $1 to buy his mom a Christmas candle.

Stores Start Stand To Stop Snitching

By John Auble, Jr.

The fine art of taking something for nothing is currently being slowed down in the Town and Country Shopping Center as the merchants banded together last Monday to discourage members of the light fingers mob.

Shoplifting — running into thousands of dollars—has given the Town and Country merchants much trouble in the last few years and they finally decided to do something about it.

F. W. Grover, the shopping center's executive secretary, met in a special meeting with five store managers, Mayor Walter B. Moling, Whitehall Solicitor James Maxwell and Police Chief Ralph K. Walker at the Whitehall Police Department last Monday.

According to Grover, the purpose of the meeting was to arrive at a better understanding between the merchants, police and city attorney as to the rights of the stores in cases of shoplifting.

Items which have community interests in shoplifting and bad check cases were also discussed by the men.

Solicitor Maxwell stated that the time element was a big factor in most cases which came up at the center.

As Maxwell explained, the merchants who file the complaints usually don't appear in court because, either (1) they've got their merchandise back, or (2) the time of the court appearance is inconvenient for them.

Another problem is that the merchants themselves are usually a little timid about approaching a suspected shoplifter, Grover pointed out.

"Many times they think a person has lifted something," Grover said, "but actually have no proof. Then, they wonder what to do about it."

According to Police Chief Walker, his office doesn't receive too many calls from merchants concerning shoplifters. At least, not as many calls as in proportion to the shoplifting being done.

"Many times," Walker commented, "the store managers

Nary A 'Nay' Rings Out As Solons Dig In

By John Poeppelmeyer

The spirit of Halloween—minus trick or treat antics—spilled over onto Whitehall's council chambers Tuesday night as solons donned their best nonpartisan faces and gnawed their way through a fruitful legislative session.

"Nays" were unanimously absent on measures placing city police on a 40 hour work week; creating a city hall commission to study plans for a new municipal building; dividing the service and safety director post into two jobs; establishing pay ranges for city employes, okaying a garbage collection ordinance on a gratis basis for residential areas.

The setting of police working hours went through without a hitch after Loren Mason, who had previously stated that he had opposed the bill "to a certain degree," recanted and moved the bill for adoption.

Mason said that his previous stand was based on what he thought should be a waiting period until new men have worked into the police routine.

He changed his mind, he said, after considering that the safety director and the chief of police would be in a better position to decide who is qualified and who is not.

A portion of the ordinance states that police officers may not work at any other trade without consent of the safety director.

Members of the commission to study plans for a new city hall are to receive a salary of "not more than $5000 a year," and will consist of two architects on a three man board.

The splitting of the safety service director post, which caused quite a stir of fortnight ago, received backing from Mason as well as from Mayor Walter Moling.

Moling related that he thought the two posts should never have been combined, reminded council that they had adopted the measure over his veto, and stated that he has "not changed

GUESS WHAT? GHOSTS SCARED — OF THE RAIN

For some East Columbus kids Halloween has yet to happen. The rain forced the ghosts to call a halt to the Spook Carnival at Krumm Park Monday evening.

The East Columbus Civic Association's Annual Halloween Festival has been rescheduled for Saturday, Nov. 5, from 7 to 11 p.m. at Krumm Park, Ninth and Alton.

Games, refreshments and costume judging are still on the hobgoblin agenda.

Levy, Bond Issues Are Prominent

Columbus voters will answer several million dollar questions next Tuesday at the polls.

Among them will be a four-part capital improvement bond issue which includes:

$9,580,000 for improvement of the city sewerage system; $6,800,000 for street improvements; $5,278,000 for parks including the construction of swimming pools, and $3,250,000 fo. flood protection.

In addition, a three-tenths of a mill levy to acquire additional land for new metropolitan parks and to improve and expand present ones will face a county-wide vote.

Several charter changes will also face the test of the ballot box. They would increase the number of councilmen from seven to nine, give the mayor power to break a deadlock in filling a vacancy on council, increase councilmen's pay from $1,000 to $4,800 annually, and place unskilled laborers under protection of civil service.

City Zoning Committee Will Hear Local Pleas

Public hearings to change city zoning will be held Monday, Nov. 14, before the Council Zoning Committee in City Hall at 7:30 p.m.

Petitioners, Livingston and Lucile Taylor, represented by Vorys, Sater, Seymour and Peas, 52 E. Gay-st, have requested the rezoning of the southwest corner of E. Main-st, and Country Club-rd, from residential, to commercial.

If this corner is rezoned it will become the site of a gasoline service station. The Commission has recommended the petition be denied.

The zoning committee will also hear a request from The Livington Development Co., 1260 Zettler-rd, which has asked for the rezoning of acreage located on the north side of E. Livingston-av, just west of the west line of the proposed outerbelt, from RR-Rural Residential to C-4, Commercial.

If this area is rezoned it will be used for a neighborhood shopping center and apartment house development. The Commission has recommended that the petition be approved.

Next Week We Return to Normalcy . . . We Hope!

Back several years ago when John Wolfe was editing our one paper he would drop in with the query, "Chief, wonder if they're reading the paper?"

I'd reply, "Let's find out," and John would proceed to write something on the controversial side, whereupon the phone would start ringing and he'd always have the satisfaction of stating, "Yep, Chief, they're still reading it!"

Needless to say the past two weeks have shown that our papers have a fine readership. Two weeks ago when we ran the spread of pictures on Mr Kennedy, we were led to believe by some that we had stooped so low we could never arise. Last week when we editorially endorsed Mr. Nixon, we had an equal barrage!

It's interesting to note how serious some people take their politics. And interesting to note how narrow minded some people can be, and how many read only

Bond Issues To Be Aired On 'Town Meeting' Sunday

"Bond Issues on the Ballot" is to be the topic on Columbus Town Meeting this Sunday, Nov. 5, at 4:30 p.m. on WBNS-TV.

Speakers will be Paul Gingher, chairman of the Metropolitan Committee; and other members, Robert W. Greer, executive secretary of the Columbus-Franklin County CIO, and Ed McCoy, veteran newsman; and Byron Redman, long-time civic worker who is now a chairman with the Development Committee for Greater Columbus.

Discussions will center around the issues affecting flood control, streets, sewers, parks and recreation.

Eastwood PTA Schedules Forum On African Freedom

People experienced in journalism and political science will question a panel of students from Africa in an unique forum at 2:30 p.m. Sunday, Nov. 13 at East High School auditorium, 1500 E. Broad-st.

The forum on African Independence is sponsored by the Eastwood Avenue School PTA. William Carter is chairman.

Carter said the students were carefully chosen as "being informative and destined to some day lead their respective nations." They represent Ghana, Nigeria, Kenya, Ethiopia, Liberia and Ugandi.

"It is our feeling that such a forum will provide the community a first-hand opportunity to better understand world events as they are happening today," Carter said.

Tickets are 15 cents for students of all ages, and 50 cents for non-students.

CIVITANS SELLING CAKES

Members of the Eastern Civitan Club "kicked off" their 1960 sale of old fashioned fruit cake, at a dinner last Wednesday at the Senior Citizens' Center, 280 E. Broad-st.

Twenty-five men were present for the dinner. An honored guest was Alton Phelps, Marietta, governor-elect of the Ohio District, Civitan International.

Nick Barack, director, Columbus Recreation Department, presented a program about his recent trip to the 1960 Olympic Games in Rome and illustrated his talk with slides.

Jack Packard, chairman of the sale, reports that Eastern Civitan hopes to sell 5,000 pounds of fruit cake before Dec. 31.

Last year, over three million pounds were sold by Civitan Club members and their friends throughout the United States and Canada.

Jim Apel Heads 100th Senior Class At 'Cap'

A senior from the Hilltop, James Apel, has been elected president of the Capital University Senior Class.

This will be the 100th graduating class of the Bexley university. Although Capital began in 1850, there were a number of years when, because of small classes and irregular scheduling, no one received a degree.

Apel is the son of Mr. and Mrs. Charles E. Apel, 324 Binns-blvd. He lives on campus during the school year, but visits home frequently.

Being ppresident of the centennial class, and engaged in many activities on campus means a heavy schedule for Jim, but he handles it with skill, and

St. Edwards Seeking $31,000

Barely six years ago, some 25 men, women and children gathered on the front porch at the home of Dr. Miner Seymour to hear Rev. John Moody of St. Edwards Episcopal Church deliver his first sermon to the parish.

In less than a fortnight from now, some 70 men and women will embark on a fund raising drive to acquire $31,000 from over 300 families of the church.

The reason for the drive is inherent when one looks at the rise in the congregation during the intervening years. Those conducting the drive are of the Stewardship Committee for Every Member Canvass, according to Rev. Moody.

Located at 214 Fairway-blvd, the 300 families of the congregation constitute some 1200 members.

The drive is to be conducted during the afternoon of Sunday Nov. 13 and entails the areas of Whitehall, Columbus east of James-rd, Reynoldsburg, Gahanna, Groveport and Lockbourne.

The purpose of the drive, Rev. Moody outlined, is to achieve support for present committments and future building.

Approximately $20,000 of the money collected will go towards parish support, according to Rev. Moody. The rest, he stated would find $3100 for work in the church in the diocese, nation and the world and $7000 would be used for building funds.

He hopes that a new six room addition to the church will be underway in the near future, possibly after the first of the year.

The congregation of St. Edwards was organized in September of 1954. That still remembered first meeting on the Seymour porch took place Oct. 2 of that year, Rev. Moody recalled.

For the first two years of its life, the church met regularly at the E. Broad Street Elementary building.

In addition to the planned 1961 development, Rev. Moody said, long range plans call for converting the present building into a parish hall. A new church to accommodate 300

JAMES RHODES' CANDIDACY

The last step in the change from two-year terms for state officials to four-year terms will take place this year as voters are called upon to elect a state auditor to serve in 1961 and 1962.

Beginning in the latter year all state officials will be chosen for four years, and the presidential campaigns will not be confused by state contests. In 1958 all officials except the auditor were picked for the longer period.

Elected to a second four-year term in 1956, State Auditor James A. Rhodes had two years more to serve when the 1958 election was held. This year he is running for a two-year term as provided by the four-year constitutional amendment so as to place the elections for all state officials at the even year in the middle of presidential terms

Mr. Rhodes and Secretary of State Ted W. Brown are the only Republicans holding state offices. A former mayor of Columbus, Mr. Rhodes has served well in the auditor's office and deserves especial consideration for reelection because his opponent is James D. Ferguson who was nominated by the Democrats in the May 3 primary.

Mr. Ferguson is the son of State Treasurer Joseph T. Ferguson, who served as state auditor from 1936 through 1952. The young Ferguson won nomination largely because of his name and assistance from his father, who often has used his office for questionable political purposes.

Aside from this fact, it is unwise to have a father-son team in control of the two chief fiscal agencies of the state. These offices to an extent are expected to be a check on each other. It would hardly be prudent to have the treasurer's son as auditor even if the Fergusons over the years had demonstrated the highest conduct in public service—which they haven't.

Fortunately Mr. Rhodes is a capable auditor, and thoughtful citizens, Republicans and Democratic alike, will wish to retain his services.

KUNZ FLOOD CONTROL STAND GOOD

The statement by County Commissioner D. J. Kunz that Franklin County should be a leader in the formation of a conservancy district to deal effectively with local flood control problems has been well received

Soon the present Scioto-Sandusky Conservancy District will be dissolved and vigorous action should be taken to form a smaller, more operative district as swiftly as possible

Although the flood of January, 1959 cost citizens of Columbus and Franklin County large sums of money in destruction of property, relatively little has been done to prevent a recurrence of the same situation.

Kunz has been a leader in the battle for effective flood control. He was the first to call a meeting of Army Engineers on this matter. He has supported the water control recommendations of the Development Committee For Greater Columbus

We feel the stand taken by D. J. Kunz in this matter is another good reason why he should be reelected.

LIGHT A LIFE GOAL SET

FUNDS EDUCATE—Funds from the 1960 "Light A Life" drive Nov. 15, help educate over 200 youngsters like, from left, Patty Burgess, 178 Yearling-rd, Kathy Morrison, 226 Yearling-rd, and Brenda Cook, 867 Enfield-rd, pupils at the Council for Retarded Children school. Mrs. John Nickel, 211 Napoleon-av, is an area chairman for the campaign. The CRC is not a part of the United Appeals because it is educational and out of the scope of UA services. Goal for the campaign in Franklin County is $58,000.

his mind one bit."

Both Moling and Mason agreed that the "city is getting big" and the two jobs compose too much work for one man

The creation of an ordinance for free garbage pick up passed after Mason read a report from finance chairman Ray Shipley noting that the financial status of the city was in a healthy condition.

The report mentioned that by the end of the year the capital improvement funds should reach to approximately $87,500

According to Service Director Mickey, the gratis garbage collection affects some 6,250 residential units in the city. The city's cost in the project according to Solicitor James Maxwell would be over $5,000 a month.

Under the new pay rate ordinance the mayor's secretary would receive from $275 to $325; deputy income tax commission, $275 to $325; income tax department bookkeeper, $250 to $275; police record clerk, $300 to $325; service director's secretary, $270 to $325; city solicitor's secretary, $270 to $325.

Moling also reported that engineers had prepared plans for three street projects: resurfacing of Hamilton from E. Broad st. to the north corporation line in 1961, E. Broad-st, from the west to the east corporation lines in 1963, Hamilton-rd, from E. Broad-st, south to the corporation line in 1963.

an air of order and ability.

Jim is a graduate of West High School. He received good grades there, and was active in school affairs. Working on the "Occident" and helping represent his school on the golf team were high points.

At Capital, Jim is majoring in mathematics He intends to continue with graduate study at Ohio State. He feels that his future then lies in industry.

Most of the grade-reporting periods at Capital have found Jim on the Dean's list His instructors report that he has done top-notch work during his college career.

Sitting in his neat room on the second floor of Renner Hall Jim's conversation was as clear, business-like and uncluttered as his desk-top.

He feels that Capital and other small schools have many advantages to the serious student that are not as easily attainable in larger universities

Citing Professor Harold Brockman of the mathematic department as an example, Jim stressed the atmosphere of helpfulness, and the opportunities for the individual to grow that are available in the contacts with the teaching staff at Capital

Jim feels that the main job in education is carried out by the students, but that the background and scope of opportunities available have much to do with success

Today, Jim is one of the university's prominent people, and spends a good deal of time in class business when he is free from his studies. He has a steady girl friend.

He is a member of the golf team at Capital. This is a hobby and sport that can carry on in his future. Jim feels.

One of the campus leaders, whose opinions and leadership are respected, James Apel is definitely a young man with a future

BIBLE COMMENTS:

Do We Really Know Christ?

"The time draws near the birth of Christ," and as the Christmas season approaches will all its reference to the Christ one may wonder just how well He is known.

One need not reflect too much upon the extent to which, for many, Christmas has become something little, if at all, actually related to Jesus of Nazareth

One does not mean only in the widespread, and mostly deplorable, commercialization of what is for so many others a divine birth

It is rather the evidence of the lack of knowledge of the Christ, and the extent to which the earthly life of Jesus, and the significance of His teaching, are virtually ignored

One may read the vast mass of modern literature, apart from distinctively religious publications, without any reference that would indicate that a man called Jesus of Nazareth ever lived

But even more important than this is the lack of knowledge of Jesus Christ on the part of many who profess His name and to be His followers.

what they want to read in a news story.

But, then, that's the business of newspapering. We've always catered to the idea that newspapers should have opinions and express them from time to time, and stand up and be counted. In doing so we have been like the umpire, 'called them as we see them," and while we get a few pop bottles thrown our way once in awhile, we always have the satisfaction of remembering that even Jesus Christ was unable to please everyone.

And so next week we are looking forward to a return to normalcy. This has been a rough campaign but at no time have we ever felt the country would go to Hell if a certain man isn't elected. It's great to live in America where today we may disagree but tomorrow we go about our business again and continue to be good friends. And it could only happen in America!

The Gay Philosopher Says: "One sure sign that we have been through an election campaign is the straightforward way the candidates have dodged the issues."

Passage of Bond Issues And Park Levy Important

Support of the four capital improvement bond issues and a 3/10 mill park levy at the general election on Tuesday is highly recommended.

These issues will appear at the top of the voting machine. They are all sponsored by the Metropolitan Committee, a non-partisan group that has backed needed bond issues since 1945. Citizens Research and the Development Committee for Greater Columbus have likewise endorsed this program.

The overall package will provide for grade crossing eliminations that are long overdue, will make possible deepening of the channels of Scioto, Olentangy Rivers and Alum Creek, to help prevent floods and will build many needed sewers to give much needed relief from flooded basements in many areas. The Parks and Recreation issue will make possible over $5,000,000 in park improvements and the building of a number of city swimming pools.

One of the more important items is that of the 3/10 mill levy for the purchase of additional lands in the metropolitan area for parks development.

All of these issues and the levy will bring no increase in taxes. The city income tax allocated for debt retirement is expected to be sufficient to retire these bonds.

will forget about petty shoplifting."

The chief added that the shopping centers in Whitehall—both Town and Country and Great Eastern—are the hardest hit by the sticky fingered fellows.

Grover said that Town and Country currently has a five-man security committee investigating the many facets of the problem.

The center also has a telephone warning system—with its central location in the Big Bear Store—which can notify all of the 85 stores in the area almost immediately in case a shoplifter is spotted.

Grover and Walker both agreed that women were doing more of the shoplifting than men, oddly enough. And, to complex matters even more, the merchants are even more timid about reprimanding a female than they are a male.

Maxwell stated that he would draw up a bulletin containing the existing laws on the shoplifting matter and distribute it to the merchants.

Then there's that little matter about bad checks. Grover stated that merchants will seldom ever appear in court to prosecute on bad check cases.

The five store representatives at the meeting—12 were scheduled to appear but time conflictions made it impossible—were Don Hiebel, of Penney's; M. H. Crouse and R. V. Stopper, of Kresge's; R. C. Neibarger, of Big Bear, and Eugene Malone, of the Zettler Hardware Co.

Grover concluded by saying: "This thing is very, very serious. The amount of merchandise taken from our center runs into a frightening figure."

Career Soldier Gets General's Citation

The A. W. Martins, of 739 Collingwood-av, have received copies of a meritorious service certificate earned by their son, M/Sgt. Ralph E. Martin, during a recent 14-month assignment at Ft. Knox, Ky.

M/Sgt. Ralph E. Martin

M/Sgt. Martin, who has spent 15 of his 17-year career overseas, received the citation from Maj. Gen. W. Paul Johnson, commander of the Army's Armored Training Center.

The sergeant, who is now in Ankara, Turkey, distinguished himself while he was Maintenance and Safety Non-Commissioned officer of the 160th Engineer Group (Maintenance) at Ft. Knox.

Among his achievements were: monitoring safe operation of heavy equipment and in three weeks brought about a program which reduced the deadline of equipment by 50 per cent; contributed to a driver test system that reduced accidents and won an award; was a capable instructor in three specialties; in Nov. 1959, won an Army safety award for designing a safety device on a tractor winch which reduced accidents and costs.

CAP HOSTS MARIETTA

Capital, a 36-0 loser to Wooster last Saturday, hosts Marietta, a 44-20 victim of Otterbein a week ago, in Caps' homecoming game at Bernlohr Stadium Saturday.

Few changes are planned for Saturday's contest with Marietta. Fundamentals are still the requirement for Capital's young team, as mistakes have seriously hurt the Lutherans in three games. All-conference halfback Al White was held to 20 yards against Wooster, but strong fullback Tony Lorenzen managed a little of the difference, picking up 50 yards in 13 carries.

Warren Brings Experience Into Treasurer Race

Arch J. Warren is a candidate for Franklin County Treasurer. He has been a resident of Franklin County for many years. He and his wife, Marcella, live at 1285 East North Broadway.

Arch Warren would bring to the County Treasurer's Office a wealth of experience. He served eight years as assistant to Don H. Ebright, while he was Treasurer of State.

Ebright released Warren so that he could accept the appointment as Columbus City Treasurer. After eight years in this capacity, Governor C. William O'Neil persuaded Warren to again enter state service by appointing him a member of the Columbus Regional Board of Review of the Bureau of Workmen's Compensation of Ohio.

Upon the change in the present City administration, Warren was again drafted to be Columbus City Treasurer, in which capacity he now serves.

He is a member and past president of the Sertoma Club of Columbus and the Columbus Executives Club.

NO INCREASE IN TAXES *There will be no increase in taxes in the City of Columbus as a result of passage of these bond issues.* Funds will be provided from the existing city income tax, as required by ordinance, to retire the bonds. This is verified by the City Finance Director.

The 3/10 of a mill levy *will not cause any increase in the overall county tax rate because the increased* tax duplicate will make it unnecessary to increase county levies because of this voted issue. This is verified by the County Auditor.

Only Columbus residents can vote FOR the bond issues. A 55% affirmative vote of those voting on the issues is necessary for approval.

All residents of Franklin County can vote FOR the Metropolitan Parks levy. A majority affirmative vote of those voting on the levy is necessary for passage.

Iowa Scene Of Localite's Wedding

MRS. HENRY STICKROD

Marriage vows were exchanged in a candlelight ceremony Aug. 19 at the College Springs, Ia., United Presbyterian Church, by Miss Hazel Marie Messinger and Mr. Henry Kumler Stickrod.

Parents of the couple are Mr. and Mrs. E. L. Messinger of Braddyville, Ia., and Mr. and Mrs. Howard O. Stickrod, 650 Elizabeth-av.

Rev. Clifford Ramsdale, pastor of the church, read the double-ring ceremony before an altar decorated with baskets of white gladioli and greenery with candelabra on either side of the chancel.

The bride made for herself a floor-length gown of ivory slipper satin featuring fitted basque bodice and scoop neckline with long tapering sleeves. Her queen's train, attached to the back neckline, extended to the floor.

The veil fell from a queen's crown of sequins and pearls. Her only jewelry was a string of pearls and matching earrings, a gift of the bridegroom. She carried a white orchid on a Bible.

Maid of Honor was Mary Yaple, who wore light blue taffeta with an over skirt of white imported silk and carried a cascade of white gladioli tied with blue and white ribbons.

Cynthia Brownfield, niece of the bride, was her flower girl.

Best man was the bridegroom's brother, Mr. Richard Karl Stickrod of Offutt Air Force Base, Neb. Ushers were Mr. Kenneth Eugene Stickrod of Columbus, brother of the bridegroom and Mr. Jerry Davis of Braddyville.

Candle lighters were Larry and Loretta Richardson, nephew and niece of the bride.

The reception followed the ceremony. Mrs. Garth Van Fossen had charge of the guest book and Joan Smith had charge of the gifts.

The wedding cake was cut and served by the bride's sister, Mrs. Ray Richardson. Coffee was served by Mrs. Paul Kumler, aunt of the bridegroom, and punch was served by Diane Mombley.

Waitresses were Barbara Ripley and Nancy Arendsee and kitchen hostesses were Celia Provow, Mrs. Harold Twaddle, Mrs. George Morrow, Mrs. Eldon Griffith and Helen Yaple.

Mrs. Stickrod is a graduate of College Springs High School and a graduate of Weaver Airlines Personnel School, Kansas City, Mo.

Mr. Stickrod is a graduate of East High School, has attended Ohio State University and is a graduate of Weaver Airlines Personnel School. He also served four years in the U.S. Air Force.

Both are employed by the American Airlines in Chicago. Airlines in Chicago.

Hunting, Fishing Space Diminishing Fast

INSIDE ON THE Outdoors
By ROD COCHRAN

With good fish catches still being reported and the main hunting season about to get under way, this is an exciting time for outdoor sportsmen. And with guided missiles flitting about and prospects in sight for reaching the moon it's an exciting period in human history.

But judging from the zooming sales of tranquilizing pills, things are too exciting at times for a large segment of humanity. We're living fast, and we need periods of slow living.

Outdoor sports used to border on luxury. But for today's harassed citizenry an occasional escape to the outdoors is a necessity, pure and simple. Hunting, fishing and boating provide the much-needed change of pace so necessary in this space age. Until this day and age, outdoor sports were fairly easy to come by. But from here on out we can expect things to get increasingly cozy.

Every morning there are 8,000 new faces seated around the breakfast table. By year's end it will total an increase of nearly three million. This is the rate at which competition for hunting and fishing space is growing in the United States. And some experts claim that a million acres a year are being buried under the steel and concrete of urban building and highways.

Today we have 12 acres of land per person. Tomorrow, 15 years hence, we will have eight acres — a cut of one-third.

To the hunter who has been thinking about a place to hunt in recent days, this is glum news. It will become increasingly difficult to find places to hunt and fish. To keep from being disappointed on opening day, you need to plan now for your hunting territory this year and in future years.

There are some bright spots in the picture. The Ohio Department of Natural Resources has an active land acquisition program that provides public hunting and fishing areas. For an up-to-date free list of public hunting lands in the state write to: Publications, 1500 Dublin-rd, Columbus 12.

While some public areas are overcrowded on opening day and the first Saturday, there are others that receive little hunting pressure. These usually are in the hilly, wooded sections of the state where grouse and squirrels are found. Hunter popularity of state areas depends on the number of pheasants present. Even on some of these lands hunting can be good throughout an extended season, for the Division of Wildlife stocks birds on them from time to time. Check your hunting regulations for areas with extended pheasant seasons.

Commercial shooting preserves are becoming more popular, and can provide sport of a very acceptable quality. They will no doubt play a more important part in the hunting scene of the future.

Farmer Friendships Valuable

Hunting on private lands will, of course, absorb the heavy hunting pressure. This will always be so. We have told you in this column, and you have heard elsewhere, that the farmer controls your hunting and you'd better get to know him. your hunting licenses only entitles you to hunt once you have found a place to hunt. Landowners regulate trespassers on their fields. Personal contact and the creation of a friendly atmosphere between you and some farmers will solve your where-to-hunt problems.

Time is growing short, for the onrush of the gunning season is here. But it may not be too late for you to line up some good hunting territory. Don't, however, forget your farmer friends. They will appreciate hearing from you and seeing you all year — and will welcome you back to hunt next year.

MD Workers Prepare For Fund Drive

Funds to fight muscular dystrophy will be raised in Franklin County in one concentrated effort on "March Sunday," Nov. 13, when volunteer workers solicit donations door-to-door.

Announcement of the drive date was made by Bernard Schottenstein, chairman of the Franklin County chapter of the Muscular Dystrophy Associations of America, Inc.

Schottenstein also announced that the "March Sunday" effort will be co-sponsored by the Columbus Fire Department under the direction of Chief Walter Strickfaden. Firemen will help in the solicitation and take charge of filled MD canisters.

Emphasizing the importance of the drive, Schottenstein cited MD statistics which show that 200,000 Americans suffer from muscular dystrophy, of whom more than two-thirds are children. Muscular dystrophy is a progressively crippling disease that wastes the muscles and eventually proves fatal.

Money raised by MD "marches" helps support research into the causes and treatment of the disease.

If you expect everybody to agree with you, it is a sign that you are still immature.

Metcalf Will Seek Votes For Senate

Richard B. Metcalf, Columbus attorney and legislator, is a candidate for the two year term of the Ohio Senate in the coming election.

Metcalf has served Franklin County and the State in two terms in the Ohio House of Representatives. During the last session, he was the author of a bill which would have installed protective signals at railroad crossings throughout Ohio. Although it was not passed, this bill was editorially backed by newspapers throughout the State.

In addition to his legislative duties, Metcalf is active in several public and civic programs, among which is the Big Brother Association which he serves as a director.

Devine Hopes Voters Grant Second Term

Former Franklin County Prosecuting Attorney, Samuel L. Devine will be seeking re-election to Congress at the Nov. 8 election.

Devine attended the Grandview Elementary School and graduated from Upper Arlington High School where he participated in athletics, winning a Varsity A in football, track and swimming. He was captain of the track and swimming teams in 1933.

He attended Colgate and Ohio State Universities and graduated from the University of Notre Dame where he received his law degree.

Thereafter, he served five years as an FBI agent and returned to Columbus in the private practice of law. He served three terms in the Ohio Legislature and was prosecuting attorney of Franklin County for three and one-half years before becoming a member of Congress.

Congressman Devine is married, has three daughters and is a member of various Masonic organizations, the Methodist Church, and Charity Newsies.

Dunkle To Seek Spot On Bench

John S. Dunkle, 381 S. Broadleigh-av, is a candidate for Judge of Domestic Relations Court.

Born in Greenville, O., Dunkle moved to Columbus in 1936. He attended Miami University at Oxford and Franklin University in Columbus.

He is a member of the Miami University Alumni Association, Sigma Nu and Maennerchor.

He and his wife, Catherine, have four children, Anne, Kathleen, Bob and Christine.

Duffy Seeks Appeals Court Judge Seat

John J. Duffey, an associate professor in the College of Law at Ohio State University, will be seeking election as Judge of the Court of Appeals at the November election.

A resident of 276 Kelso-rd, Duffey attended Ohio University and received his BA at the University of Michigan. He was admitted to bar in 1951 after receiving a J.D. from Michigan.

His legal experience includes three years of general practice, six years of special practice and as a consultant. Counsel for the Toledo Port Authority and Special Prosecuting Attorney for Franklin County in 1955.

He was appointed Judge of the Court of Appeals Aug. 17 of this year.

A member of the American Bar Association, he is vice chairman of the Columbus and Regional Planning Commissions, and served in the South Pacific during World War II.

Shawan To Seek Equitable Split Of School Funds

The grandson of a former Columbus superintendent of schools promises to seek improved allocation of school money along with higher salaries for teachers if elected to the Ohio legislature at the Nov. 8 general election.

Jacob A. Shawan, 2343 Cambridge-blvd, a former mayor of Marble Cliff, is a Republican candidate for State Representative. His grandfather, with the same name, was superintendent of Columbus schools for 17 years at the turn of the century.

Among other items which Shawan will push include seeing that townships, villages and smaller cities receive their fair share of the recent increase in the gas tax.

He will also seek to establish a budget commission to take a long look at the state's expenses so that one-half billion dollar increase will not be enacted again in a singe year.

Shawan is a past president of both the Columbus Jayeees and the United Community Council. He is a board member of the United Appeals.

Holden Stresses Need For Better Minimum Wage

Seeking election to the House of Representatives for the first time is John R. Holden 834 Francis-av, Bexley.

Holden, a native of Columbus, was graduated from Columbus Academy and Ohio State University. He received additional training at Notre Dame, University of Montana, and Syracuse University.

In 1956, Holden opened his real estate office at 511 S. High-st and is presently engaged in sales and property management. He is the father of seven children, six girls and one boy.

In his campaign, Holden has stressed the need for an adequate minimum wage law to cover workers in grossly underpaid industries.

Because he is a business man, Holden's motivation in seeking office is to bring to the state level a type of government which will encourage Ohio to grow economically and socially.

Hempy Says Farmers Are Losing Out

"The agricultural position of the Ohio farmer is not healthy" reports Edgar F. Hempy, who represents the 12th Congressional District for Kennedy and Johnson.

Hempy stated, "Farmers are not receiving their fair share of the national income. This condition is brought about by the low prices they receive for the commodities they sell and the high prices they pay for supplies necessary in their farming operations."

"In order that farmers and merchants dealing with them can see what has happened to the farmers' purchasing power since 1952, the last Democratic farm policy year, and 1959, the last full year under Republican administration on record, the following comparisons are made:

"2900 bushels more corn is needed to purchase a $4500 tractor at the end of 1959 than in 1952, 1230 bushels more soy beans, 1200 bushels more wheat and 52 more hogs, (200 pound average)."

"Based on information taken from the latest farm income booklet issued by the Department of Agriculture in August, 1960 total Ohio farm income at the end of 1952 was 528.5 million dollars, as the end of 1959 it was 323.7 million dollars, or a loss of 204.8 million dollars to the Ohio farmers and the merchants they do business with."

Hempy stated, "that if this decline in the farmers' purchasing power is to continue, he doubts whether the family size farm will stay in existence, which is so vital to our American way of life."

The "crawler" creates a traffic hazard in his own way says the Columbus Auto Club. Keep up with the traffic flow by driving at the posted speed limit—never over the limit, but also not too far under.

Colts Dunk Ironmen; Host Massillon In Do-Or-Die Tilt

Having completed three weeks of roadwork, you'd think the Columbus Colts could expect to return home this Saturday night for a breather. But it'll be far from it as they face the Massillon Tigertown Stars in a there's-no-tomorrow tilt with the loser probably playing out the rest of the season for practice.

Massillon, only team in the American Football Conference able to boast of a win over the Colts, a 14-0 decision when Columbus paid a visit there a month ago, is currently riding atop the loop standings — but only by virtue of a win they notched before most of the league started play.

Both of the only two remaining contenders for a crack at the Eastern Division champs in Jat Stadium on Nov. 26 have lost on game.

Massilon's lone loss came at the hands of Detroit, a team to which the Colts have to pay a return visit next week.

But with the Tigertown stars closing out their season at home with Dayton, one of the league patsies, the jaunt to the Motor City won't be much more than a sightseeing trip for the Colts, if they should succumb to Massillon again Saturday night.

The odds favor Colts though this time.

They'll be at home with an expected sellout crowd supplying verbal support. And for team support Bud Hoffman, tough enough that the Rams wanted to take a look at him, and Ohio State protege Jack Armstrong, will be in the lineup.

These two backfield starters didn't have much say in the last Massillon encounter watching the game from the sidelines because of injuries.

Then, too, the Colts fumbled the ball more times — nine — in the Tigertown Stadium than they have for the rest of the time since. These miscues, coupled with a blocked punt account for a defeat even though the Colts outgained and outfirstdowned Massilon.

Even still Offensive Coach Gene Fekete is showing little optimism.

Fekete is well aware that the Colts currently lead the league in both offense and defense having mounted a total of 259 points in seven games while yielding but 62 — a skimpy 8.8 per game average — to the opponents.

But he doesn't hesitate to point out that Massillon trails by no more than 10 points in either department.

Besides pitting the teams with the best records, offense and defense, the bout will feature in addition the league's top individual stars.

The Colts have both the number one and two ranking quarterbacks in Chuck Monnett and Jerry Fields. Fields has completed 32 of 65 pitches while Monnett is 25 for 48 for 514 and 457 yards gained respectively.

Massillon, on the other hand, sports the top two ground gainers. Ivory Benjamin, a 162-pound midget speedster is the ace with a 6.7 average in 118 tries. Former Cleveland Brown bulldozer Maurice Bassett backs him up with a 6.2 average in 106 carries.

Benjamin's 67 points in the highest individual output for any man in the conference. Not too far behind though are the Colts' Garry Limotta and big-time pro hopeful Larry Buckles.

Tigertown Coach Elwood Kammer, an 18-year veteran at Massillon High School before he took over the reins of that city's semi-pro team in 1946 bemoans the fact that eight of his top guns will be silenced when his crew tangles with the Colts at 8:15 p.m. Saturday.

But that didn't stop them from plastering Toledo 40-0 Sunday night.

Kammer was in Pittsburgh Saturday night to see the Colts wake up after a 7-7 count at half time and roll to a 26-7 conquest over the Ironmen.

"This isn't the same team we beat at Massillon," he decided. "How you gonna defend a team that has not one but two devilish quarterbacks, four other backs that can kill you anytime they get their hands on the ball, two ends that you have to cover with four men and a 280-pound line to boot."

In an attempt to come up with the stopper he's calling a couple of extra practice sessions this week.

Fekete calls the Pittsburgh game "exactly what the doctor ordered." "After all," he pointed out, "we've been breezing along with 40-point margins in the last three games."

"I was tickled to death to see them have to come back after being down seven points."

While Fekete was optimistic though some radio listeners may have been a little less confident prior to Jerry Fields' third-quarter 52-yard sneak which put the Colts on top for good with a 13-7 spread.

Fields added an assurance TD in the fourth period with a one-yard sneak after completing a crucial fourth-down pass to Ray Hamilton which set up the tally.

And Limotta made the win a dead cinch five minutes later with a two-yard touchdown jaunt to add to a 60-yarder he clicked off which knotted the score at 7-7 at the intermission.

Both coaches see the Saturday meeting as a toss-up but if the Colts can find the handle on the ball this time the Tigertown Stars should come out with tails and the added embarrassment of having to buy tickets if they want to see the East-West playoff.

Stern Running, Appeals Court

Leonard Stern is a candidate for reelection to Judge, Court of Appeals, for the unexpired term ending Feb. 8, 1963.

Presently a member of the Board of Governors, Columbus Bar Association, he was admitted to the Ohio Bar in 1926. After engaging in general practice, he served as Corporation Council in the Secretary of State office during 1939 and 1940; and as executive secretary of the State Department of Public Works from 1940 to 1946.

He was chairman of the Franklin County USO, and his many activities include former Treasurer of Fellowship Church; Member of the Board of Arthritis Foundation; and Member of the Council of Delegates, Ohio State Bar.

His nomination for reelection carries the unqualified endorsement of the Columbus Bar Association.

The reason some people despair of the improvement of mankind is that they are fully aware of their own failure to develop themselves.

John A. Hoskins Tells the Facts About the Prosecutor's Office

Candidate Outlines Plans for Action

JOHN A. HOSKINS

John A. Hoskins, Democratic candidate for prosecuting attorney, has charged the present prosecutor's office with failure in its duties to the public. Hoskins points out the need for full-time operation of the office with a full-time staff to represent the interests of Franklin County residents.

Hoskins, assistant attorney general of Ohio, says, "The laxity of the present county prosecutor's office in bringing 'gypsters' to justice must end. The current wave of fraudulent sales schemes calls for action.

"The people of Franklin County must also be vigorously represented in hearings on the need for continued bus and train service."

Supporters say that Hoskins, whose father and grandfather both were prosecuting attorneys, will bring new vigor to the prosecutor's office with a plan of action that includes **ending long delays in criminal trials, aiding in combating juvenile delinquency, collecting long-overdue taxes and debts owed to the county and providing the legal advice necessary to establish effective flood control.**

They say Hoskins will accomplish this full law enforcement plan without favor or prejudice.

Committees Named By Student Council

Five members of the twelve committees formed by Student Council were announced last week by Paul Coleman, Student Council President.

The committees and their chairmen are: Committee on Traffic Safety, Mike Bruno; Committee on Intra-school Relations, John Wagner; Committee on Social Events, Jeff Kiener; Committee on Hall Traffic Control, Buddy Thomas; Committee on Decorations, Bob Burchfield. These committees are designed to help promote the improvement of the school and the interests of the students.

At the meeting of the Parent-Teacher Association on Oct. 21, the South east Lions Club presented business machines to the school. These are adding machines and comptometers, which will be used in the business and office practice departments.

For the first time, report cards were given to the parents at the Parent-Teacher Association meeting in order that they might confer with the teachers immediately. Msgr. Paul O'Dea of St. Charles Preparatory School gave the address.

On Friday afternoon a special assembly was held to give the students an opportunity to learn more about Catholic Youth Week, Oct. 30 to Nov. 5. Al Roehrenbeck and William Huhn of the Catholic Youth Council told them of the activities during Catholic Youth Week and Youth-in-Government Day, on which the Catholic youth of Columbus will take over the City offices for the day.

Parks Committee Endorses Levy

Four eastern area persons have been named members of the Citizens Committee for Parks and Recreation.

William Coons, 159 Prestonrd; Mrs. Herbert M. Kinney, 1310 Lakewood; Rabbi Nathan Zelizer, 166 N. Cassady, and David Goldsmith, 57. S. Cassady, have been placed on the committee.

The committee has unanimously endorsed the .3 mill Metropolitan Park Tax Levy on the ballot Nov. 8 throughout Franklin County.

Howard Crown, chairman of the committee, said that the levy would make possible improvement of existing parks—Blendon Woods, Darby Creek, Blacklick Woods and Highbanks—and would permit the addition of other badly needed parks for the use of school children, civic groups and individuals.

New Equipment Slated Soon For Port Columbus

The Federal Aviation Agency will install $177,000 in new safety equipment at Port Columbus, according to Rep. Samuel L. Devine.

The new equipment will be for air safety and navigation use, and will make Port Columbus one of the 10 major airports in the country with comparable automatic weather date exchange service.

A second set of sequenced flashing lights in connection with the high intensity approach lighting system will also be installed.

Probate Court Judge Walcutt Bases Campaign On Record

Judge Roscoe R. Walcutt, running for re-election to the Probate Court, has served for nearly six years in that office.

He is basing his campaign for re-election upon his record as judge of this important Court plus a solid backgroun as an attorney, legislator and civic leader.

Judge Walcutt has been endorsed for re-election by the Columbus Bar Association, the men and women "who know the courts best."

This endorsement was awarded on such points as integrity of the candidate, his legal ability, promptness in court work, judicial temperament, fairmindedness, freedom from political influences, courtesy and consideration, and dignity and independence.

The Probate Court handles such matters as estate settlements, inheritance taxes, marriage licenses, adoptions, guardianships, commitments for mental illness, and various other matters.

Under Judge Walcutt, equipment and procedures have been modernized so that an increased volume of cases has been handled, yet the work of the court has been kept current. The Court is regarded as one of the best administered in the state.

Judge Walcutt served five consecutive terms as a state senator and held the posts of president pro tem, majority and minority leader. He was chairman or member of many important legislative committees.

Active all his life in civic, church and community affairs, Judge Walcutt has been a practicing attorney since 1925. He has also been a teacher, school board member, court reporter, and belongs to many fraternal and civic groups.

Columbus Firm Hosts Annual Engineer Meet

Over 120 plant and factory engineers from Western Electric and associated companies met in Columbus Tuesday and Wednesday of this week, for their annual Interplant Engineering Conference.

Tuesday's discussion, led by J. R. Weigel, from the company's Hawthorne Works in Chicago, was on material handling. Factory planning was discussed Wednesday. It was led by W. J. Workman, of the Merrimack Valley, Mass., plant. A third discussion was on plant engineering, led by W. J. Morrison, of New York City.

Host chairman for the event was H. F. Keene, assistant superintendent, plant and factory engineering, Western Electric, Columbus.

Charles H. Percy, corporation executive: "My idea is to spend time only on those things that require my attention."

Recreation Center Starts Chess Teams

Like to play chess? The East Columbus Recreation Center is forming chess teams for all interested boys and girls between the ages of 12 and 20.

The clubs will play other teams from centers throughout the city. Anyone interested in this program should see Jack Blackburn at the recreation center evenings after 6 p.m.

Pat Buttram, popular entertainer: "Don't put off until tomorrow what you can get someone else to do today."

Hawks Bump Beaks Against Eagles

CARDINALS IN SEASON FINALE; UNBEATEN URBANA AT BEXLEY

Two teams in the area will call it a season this week while the others get set for their next to last notch in the gridiron belt—1960 style.

The roughest deal of the week, by far, takes place at North where scrambling Bishop Hartley takes on undefeated, untied Watterson, in the season wind-up for the Hawks.

A final game looms also for St. Charles who meets Lima Central Catholic Saturday.

In another encounter that will be far from being a honeymoon for the host team occurs at Bexley where the Lions host high riding CBL leader Urbana.

Whitehall's Rams move to Arlington and defending City League champs Eastmoor, more than ever in the city loop picture, head for a game with the Polar Bears of North.

The Hartley-Watterson affair shapes up as a potentially high scoring fray, since both teams are known never to be shrinking violets when it comes to invading opponents goal lines.

The Hawk record doesn't stand comparison with that of the Eagles. But John Murphy has brought his boys along to the point where they are bound to end over the .500 mark.

Murphy, of course, who coached at Watterson last year, would like nothing better than to send the Eagles back to reading their press clippings.

St. Charles enters the Lima game with a 4-3-1 record, quite a let down from last year's 8-1 stand against opponents. It has been an in and out season for the Cards who in one game during the year amassed a total of 50 points, yet dropped to a 0-0 tie the following week at Lancaster.

After smashing Springfield Catholic two weeks ago with a 26 point barrage, the Cards failed to score against Central last time out.

Of the remaining week-end games, Bexley probably finds itself in the most unenviable spot. The Lions have had a hard time getting going this year and have dropped their last four battles.

Urbana, unbeaten, untied, and practically untrod upon all season long, brings a hefty crew to town bent on walking off with the CBL diadem again in a tilt tht features the first placers.

The Bexley picture is blighted not so much by its offensive maneuverings as it has been by leaks in the defense. In two of their last three outings, the Lions notched three touchdowns but failed to keep opponents from scoring more.

That light that is starting to emanate from the eyes of Bob Stuart and his Eastmoor contingent is probably the reflection from the City League crown.

The Warriors have proved not only to be the best team in the Eastern area, but in the city as well. Their offensive swells take over after their stalwart defensive tactics have stumped opponents.

North, winners of only two games this year, appears to be in for a rough night. The Warriors are close to that title now, and it would take a mighty major upheaval to bar the way.

Whitehall's Rams will find a rough one at the Arlington field. UA has lost only to high riding Urbana as they've mangled their way through an eight game schedule knocking off the likes of Newark, Worthington and surprising Grandview.

The Rams turned a likely let down period from a week before loss into an inspiring walkaway at Delaware last week moved their record to a respectable 4-3-1 margin.

TWO MORE TO TITLE

City League Light Looks Green For Eastmoor After Terrier Romp

By John Poopsleyer

A niche of light cracked through the dark at the top of the City League stairs Friday night after Eastmoor sent Aquinas' Terriers yipping to the locker room on the heels of a 36-12 spanking.

Only two steps—North and East—remain to be hurdled before Eastmoor can mount to the top of the City Loop throne for the second straight season.

Strange as it may seem, the powerful Eastmoor offensive onslaught was not the whole story against the Terriers last week. The Warrior defense was as stubborn as a door that refuses to open.

It turned out to be strictly a "nollo contende" affair by the end of the first period.

Eastmoor had notched a 14-0 advantage on a Frank Stavroff sneaker and a Dean Eby plunge.

The Warriors had rolled up 153 net yards and seven first downs by this time—evidence that now that they were this close to the title, they were heading all the way in.

Aquinas got one of the TD's back at the start of the second quarter when Tom Poliseno charted a 29 yard course to the goal line.

Less than four minutes later the Warriors had rambled their way to two more six pointers via a Stavroff to Larry Gornal aerial and a recovered fumble that sent Stavroff into the end zone.

The Eastmoor defensive gem came at the start of the fourth quarter. The Terriers had wended their way to the one foot line at the end of the third stanza on a John Kochensparger 79 yard pass-run jaunt on a third and 13 situation.

The Terriers dug in, but so did Eastmoor. The interior part of the Warrior line held for three downs. On the final Terrier try, a mix-up in signals found the ball resting on the ground until an Aquinas man hopped on it—only to have to turn it over to Eastmoor.

With a little over four minutes to go in the final period, Eastmoor racked in its final score when Eby darted across from the three and the Warriors 36th tally.

Aquinas stormed back to counter its second TD of the fray, but by that stage of the game, the verdict was no longer in doubt.

LION LEADERS—When it comes to half-time activities at Bexley football games, this winsome quintet of lassies oft time steal the show. From left, Jean Dunavent, Karen Phillips, Mary Sue Martin, Barbara Buker, and in the center, Sharon Harbold.

Lions Bow 24-8 To Mt. Vernon

Mt. Vernon's Dick Nethers proved a big thorn in the side of visiting Bexley Friday night, scoring two touchdowns and ripping off 188 yards in 17 carries to help tame the Lions, 24-8.

The Yellow Jackets completely dominated the contest, outgaining Bexley 420 to 112 in net yards and notching 17 first downs to the Lions' four.

Chris Tsitoursis put Bexley in the scoring column with a one-yard blast through center in the second quarter.

Central Nips Cards 8-0 In Last Quarter

Central's staunch defense stopped St. Charles drives twice on the 20-yard line and once on the 10 and the Pirates capitalized on a bad snap from center on a Cardinal punt attempt for the lone touchdown of the night and an 8-0 win on the downtown field.

The Pirates ground out the game-winning touchdown drive after the snap from center sailed over the St. Charles punter who was standing on his own 45.

John Potts netted 13 yards on the first play from scrimmage after Central recovered. Potts then completed a 15-yard pass to Mike Gail to give Central a first down on the 10.

A couple of plays later, Winston Scales blasted through center from four yards away for the TD.

Rams Smear Delaware

Whitehall waltzed to a 29-8 win over Delaware Friday night on the Rams' field after trailing 8-6 until late in the second period.

Randy Welch put the Rams out front early in the game with a 10-yard touchdown jaunt but Delaware roared back on a 62-yard gallop by Ted Smith, who added the two-point EP to make it 8-6.

But Welch engineered a 17-yard touchdown sweep around his own right end to put the Rams on top 14-8 at the intermission and they were never headed the rest of the night.

Ron Paxton and Rich Neutzling accounted for the Rams' other two TD's.

CAP QUEEN

Capital University students elected as their homecoming queen, Linda McNutt, 20-year-old senior from Mantachie, Miss., to reign over homecoming activities Nov. 5.

Brucker Praises Reserve Center At Whitehall

Whitehall residents are still receiving congratulations since the dedication on Oct. 29 of the community's new Memorial U.S. Army Reserve Center.

A letter from the Department of Army, signed by Wilber M. Brucker, Secretary of the Army, says:

"The Department of Army extends to the Army Reservists and the citizens of Whitehall, Ohio, congratulations on the dedication of the Whitehall Memorial Army Reserve Center. Its construction was made possible by the wholehearted support of your dedicated Army Reservists and the patriotic citizens of this area. We are proud, therefore, to take our place in such a splendid community.

"We are confident that you will enjoy this building and make excellent use of it; that it will stand as a symbol of the American ideals we hold so high; and that it will serve to develop the Strength in Reserve so necessary for the preservation of these ideals."

JOIN BOARD—Seen here are seven of the 12 new directors of the Franklin County Unit, American Cancer Society, as they began their three-year tenure. Standing in front of the unit office, 2300 W. Mound-st, are, left to right, L. W. Chapman, John Loehnert, Rev. Vernon Kuehn, Mrs. George Gross, Mrs. Franklyn Eyerman, Mrs. Mars Fontana and Dr. Walter Hamilton.

Bexley High School LION's ROAR

By Ellen Drum

Two Are Honored For UN Essays

Bexley High School claims two winners in the recent essay contest concerning the work of the United Nations. Competing with other students in the Columbus area, Phyllis Schechter and Betty Harris placed first and third respectively.

Bob Stine and Sherry Shamansky both received honorable mention.

The title of the essay competition was "Why I Believe the UN's Declaration of Human Rights for Me Affirms Freedom, Justice, and Peace in the World."

Phyllis and Betty were honored on the Gene Fullen Hi-Fi Club television program last Saturday.

The first place award was $25; third place, $10. Mrs. An-Antoinette Barr, English teacher at Bexley High, who assigned the essays, also received $20 for her winning contestants.

Spanish Club is making plans for its next meeting when it will be host to a Spanish Club from another school, President Marilyn Poth announced.

Members of Future Teachers of America will have an opportunity to talk with student teachers about their experiences in teaching at a meeting Nov. 15 said Connie Stebleton, program chairman.

Girls' Athletic Club has re scheduled its intramural hockey game for a date in the near future, after being rained out October 31. The spread, to follow the game, was held on Oct. 31 as originally scheduled.

Mrs. Eibling, Mrs. Hayes To Be In Eastmoor Panel

Mrs. Harold Eibling, wife of the superintendent of Columbus Public Schools; Mrs. Woody Hayes, wife of the OSU football coach; Sue Dose, OSU student; and Larry Nichols, an Eastmoor High student, will be panelists in an informal discussion at the next Eastmoor Junior-Senior High School PTA meeting. Their topic will be "What Do We Really Want In Our Schools?"

The program will begin at 8 p.m., Monday, Nov. 14. L. W. Huber, director of secondary education of the Columbus Public Schools will be the moderator.

Carrier Likes Electronics Helped Redecorate Home

Carrier of the week, John Haggler, 823 S. Remington-rd, has 165 customers on his paper route.

He says that the paper route was almost a birthday present, since he got to start on it last year on Aug. 16, just one day after his birthday.

He is the son of Mr. and Mrs. Lawrence Haggler and has three sisters, Judy 11, Susie, 15, and Maebeth, 17.

Bexley Junior High Schoool, Cassingham-rd, is headquarters for his scholastic efforts, and John was a member of the Junior High Track team there last year.

When his family redecorated and remodeled their home last year, John was active in the project, and according to his parents, a big help.

He has done a lot of work on his own room, fitting it with shelves, and a peg-board arrangement to hold many of the objects teen-age boys are interested in.

John has a large stamp collection which is kept up to date with his new acquisitions.

He feels that work with his radios has been instructive. He has built several and can do jobs of repair on simple electronics equipment.

Football, TV and movies are some of his interests, and he is especially fond of watching television.

A member of Christ Lutheran Church, Main-st, John has served as acolyte. He is attending catechism instructions there.

Delivering papers both by bike and on foot, John says that he is careful with getting the paper properly on the porch.

The future ambitions that John may have, are not yet formulated. He is interested in electronics work, in which he has a good foundation, but he is not sure if that is the career that he would like.

Suburban Women Date Meeting

Newly organized Surburban Women's Club, sponsored by the Apogee Club and a member of the Ohio and General Federation of Women's Clubs, will meet Wednesday, Nov. 9, 8 p.m. in the Community Room, Main Federal Savings and Loan Association, 819 S. James-rd.

Hostesses are Mrs. Larry Jones, Mrs. Harold Wingerter and Mrs. Harold Dick.

Program will be presented by the Electric Co.

Have you read the Classifieds?

RADIO HOBBYIST—John Haggler, the Eastern Review's carrier of the week, spends a lot of time in his neat and project packed room. A beginning operative in the electronics field, John has built several radios. Interested in everything from guided missiles to arrowheads, John spends a lot of time collecting and working on his hobbies. He helped to decorate his room, and has, according to his father, quite an ability as a carpenter and handy-man.

Two Local Men Serve In Cancer Unit Posts

L. W. Chapman, 734 Francisav, and John Loehnert, 120 N. Cassingham-rd, are among the 12 new members of the board of directors of the Franklin County unit, American Cancer Society.

As a part of the 36-member board they will assist in directing the activities of the society in its three-point program of research, education, and service.

Waterman Will Push 'Truth In Lending' Flood Control

Joe Waterman, Democratic candidate for State Representative, stated recently that if elected he would sponsor a "Truth In Lending Bill."

This means that he would formulate legislation making it illegal to describe the cost of consumer credit in terms other than its true annual interest cost.

Waterman explained that the true rate of interest is often double the rate quoted. For example, if a person buys a $100 television set with 12 monthly payments and the charges come to $6.00, the true interest is 12 percent, not the apparent 6 per cent.

This is because the person does not have the $100 of credit for the full year. You have less and less of a balance each month and no balance at all at the end of the year. Over the 12 months' period your credit has averaged $50.00 which makes the $6 charge amount to 12 per cent.

Waterman, earlier spoke up for a "Flood Control Project" that will adequately service our Franklin County area. "It has taken much too long to accomplish what is so urgently needed.

"We have had too many counties participating in our Conservancy District. This has made the District unwieldy. Besides this, many of the counties in our District are not so severely affected as some of the other counties, such as ours, and as a result are not in too great a hurry to get something done."

Waterman declared, "We must not let our 1958 flood situation repeat itself."

While Republicans have been accusing the Democrats of raising taxes, Waterman said that if elected he would vote to eliminate state tax on all drugs and medicines prescribed by a doctor.

Waterman said, "Prescription drugs and medicines are a necessity and this proposed tax cut represents an attempt to lift at least some of the taxation hardship off the lower income groups in particular, and others too." He stated that the lower income groups are greatly composed of retired pensioners who very often are the ones who must purchase the greatest amount of drugs and medicines.

Harter Running For Third Term On County Bench

Judge Joseph M. Harter will be seeking his third term on the Franklin County Common Pleas Court bench at the Nov. 8 election.

A graduate of Ohio State University, Harter's principal outside activity for the past 12 years has been Bar Association work. He served on the Grievance Committee of the Columbus Bar Association for six years — two as chairman. In 1944 he was president of the Columbus Bar Association.

Harter is a member of the Delta Kappa Epsilon Fraternity Phi Delta Phi Professional Fraternity, Humboldt Masonic Lodge and Scottish Rite. He was awarded Masonry's honorary 33rd degree at Boston in 1960.

A resident of 1928 Berkshire-rd in Upper Arlington, Harter also serves as an instructor at Franklin University. He is a member of the First Congregational Church.

Brown Concludes Bid By Repeating Promise

Wilmore Brown, candidate for Judge of Probate Court of Franklin County, this week concludes his vigorous campaign for election by hitting hard on his theme of "Fairness to all . . . favors to none."

During the campaign, Brown has repeatedly presented for voters' consideration evidence of what Brown terms mismanagement and favoritism on the part of the incumbent.

Brown

For the past 13 years, Brown has been engaged in the general, private practice of law in Columbus under the firm name of Brown and Crites. He is licensed to practice in all courts including the United States Supreme Court.

Brown is a law graduate of Ohio State University. Since leaving Ohio State, he has continued his legal education through various schools and institutes, including courses at the Practicing Law Institute in New York City.

Nationally known as a legal authority, Brown collected and edited a series of cases which have been published by the Michie Company, Law Publishers, under the title of "The Legal Architect."

He has been a contributor to the Ohio State Bar Association weekly publication, "Ohio Bar," and is chairman of the Bar Briefs Committee of the Columbus Bar and editor of its bi-monthly publication. He is also a member of Scribes, a national organization of writers on legal subjects.

In addition to his emphasis on "Fairness to all . . . favors to none," Brown has included such planks in his campaign platform as an open-door policy of judge and court so that all citizens with business before the court will be welcome to come and be heard informally, qualified personnel with the necessary professional and moral qualifications to assist the judge and court, and the full time service of a judge and court that is dignified, dedicated, and friendly in its service.

Judge Aspirant Hill To Seek Write-In Vote

John Hill, a South High graduate and local attorney, who is a write-in candidate for Judge of Domestic Relations Court points out where to write-in on a voting machine.

This will be the first election since voting machines have been used in Franklin County that an office will be filled by write-in votes only.

Because Judge Wayne Fogle resigned in Domestic Relations Court too late for any names to appear on the ballot, a new judge can only be elected by a write-in vote.

Toward the top of the voting machine there is a row of slots which are numbered and voters wishing to cast their vote for this office must lift the slide at Number 32. There will be a pointer on the machine designating where to write-in.

It will not be necessary to place an "X" mark or any other symbol beside the name written in. As every voter leaves the voting booth and his vote is tabulated, the paper behind the write-in slides will roll so that the next voter will have new paper to write on.

These votes will all be counted by the Board of Election on election day. No percentages are required and whoever receives the most write-in votes will be elected.

Ten-Year Member Of Ohio House Seeks Senate Seat

Kline L. Roberts, well known Columbus attorney and civic leader is a candidate for the four year Ohio Senate seat at contest in the coming election.

Roberts is a veteran Ohio legislator having served in the Ohio House of Representatives for the past ten years. During that time, he has won the support of his fellow legislators all over Ohio in being elected as Floor Leader and Speaker Pro Tem.

Roberts is particularly well known for his public and civic activities, particularly in the areas of community improvement and planning. Among his many other activities, he is presently chairman of the Regional Planning Commission.

Insure a Return to Able, Experienced Representation for Franklin County

Issued by Franklin County Republican Action Committee, R. 1000, 42 E. Gay St.

Rhodes Gives Reasons Why He's Running

Up to this time, I have not made one statement in my campaign for re-election as auditor of state.

I am running on my record, and I feel that record speaks for itself. It is well known. I am content to accept what others have said about it and not to try to embellish it myself.

However, there is in this campaign for auditor of state an issue which transcends either performance or ability. The issue is the relationship of the Democratic nominee to the Treasurer of State. The treasurer is his father.

I find myself in complete agreement with W. T. McCort of Belmont County, the county auditor there, and a leading Democrat. Here is what Mr. McCort said:

"I am trying to sell the idea that the Ohio Constitution set up the separate office of treasurer and auditor so that each could be a check on the other. Yet, we are now confronted by the immediate danger that both jobs will be in the same family."

I believe that McCort's statement underscores the most valid of all of the reasons why I feel that I should be re-elected.

'Tis the mind that makes the body rich.—Shakespeare.

Koontz Asking For Third Term As Commissioner

Active in civic affairs for many years, Henry A. Koontz will be seeking a third term as Franklin County Commissioner this Fall.

Appointed to Columbus City Council and elected twice again, Koontz served as its president and was active in pushing such projects as bus line extensions, construction of six new fire houses, Hoover Dam, Sandusky Street Interchange, expansion of the airport, smoke abatement and slum clearance.

Since being elected commissioner, he has assisted in the promotion of widening and paving Olentangy River-rd and Lane-av, county expressways, regional planning commission, zoning, civil defense and better county road improvement.

He is a member of the Ohio County Commissioners' Association and National Association of County officials.

The post of county commissioner requires a man with vision and decision.

Although their effect sometimes goes unnoticed, decisions — either progressive or otherwise — made by the Board of Commissioners eventually determines the business and job climate of the county.

A county commissioner needs a wide and varied background. He must be a proven businessman, know the in's and out's of government, have a knowledge of planning and zoning, be aware of land value and possess a sense of human understanding.

Few people realize the many aspects of public life touched upon by the commissioners. Ten pictures on this page show some of the various agencies associated with county government with which a commissioner must be familiar.

The Franklin County Home, located on Alum Creek-dr, serves as a residence for 150 of the county's older persons. Approximately $2.85 is spent on each person per day by the county.

The main business of the commissioners is conducted in the Franklin County Court House. The annex houses the Board of Elections. The Court House is now overcrowded with office space overrunning into the corridors. Additional space for county offices will have to be found in the near future.

Just behind the Court House is the Franklin County Jail with 178 cells and 170 inmates.

Also located on Alum Creek-dr are Alum Crest Hospital and Benjamin Franklin T. B. Hospital.

The county assumes the cost for about 250 persons in Alum Crest Hospital of $5.66 per day. In 1960, $42,000 was spent at the hospital for drugs alone.

With the demise of tuberculosis, the load on B. Franklin Hospital has gradually decreased. The hospital, along with adjacent Benson Hall, has enough beds for 380 patients. At the present time, there are only 131 patients in the hospital. Cost of its operation is paid by a .55 mill levy.

The Franklin Village Children's Home is situated on 88 acres along Frank-rd. There are nine cottages, a medical center, gymnasium, central laundry, clothing and food storeroom for about 150 children.

The Children's Home has a total active list of 1,860 children counting others that are placed in private homes. Operation of the home is financed by a one-half mill levy.

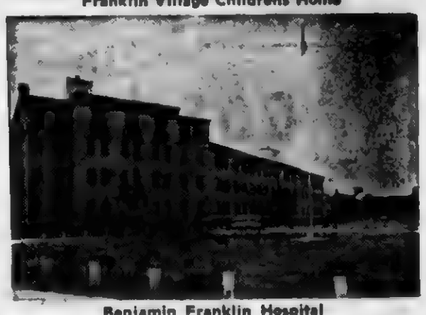
Juvenile problems in the county are handled in the Franklin County Detention Home located downtown near the Court House on Mound-st. An average of 48 children are boarded in the Detention Home.

Franklin County's showplace, Veterans' Memorial, is supervised by the county commissioners. The new auditorium replaces Old Memorial Hall which is still under the authority of the commissioners and is used by the Franklin County Historical Society, Senior Citizens and Welfare Department.

D. J. KUNZ

Another picture shows the headquarters of the Franklin County Engineer. The engineer has control over highways and drainage.

As you can see, a commissioner has a lot of responsibility.



When D. J. Kunz took office two years ago, he found that the county was some $280,000 in debt by providing these services. Since that time, all general fund debts have been paid and at the end of 1959 there was a $65,000 surplus.

For the past 10 years, Kunz has been actively associated with the Ohio Planning Conference. He is a real estate broker and knows land value. He has proven himself as an independent businessman. As mayor of New Rome and your commissioner, he has had the government experience necessary to do a good job.

When you vote for Franklin County Commissioner next week, pick a man of vision and decision—D. J. Kunz.

Judge Aspirant O'Neill Former Ohio Governor

C. William O'Neill, former governor, attorney general and speaker of the House of Representatives of Ohio, is a candidate for Judge of the Supreme Court of Ohio at the election November 8.

O'Neill is the only man who has held the highest legislative office, the highest legal office and the highest executive office in the state

He feels this broad experience in government, as well as training in law at Ohio State University, and his experience as a lawyer for 18 years qualifies him to serve on the highest judicial body in this state.

O'Neill was a Phi Beta Kappa graduate of Marietta College and holds a degree from the Ohio State University College of Law.

The youngest member of the Legislature in 1939, the youngest speaker of the House of Representatives at the age of 30, and the youngest Attorney Representatives at the age of 34, O'Neill was once re-elected to the legislature from Washington County while serving in France with General Patton's Third Army and was sworn into office by his Company Commander during the Battle of the Bulge.

Democratic Lawyers Judicial Group Endorses Candidates

A slate of six Franklin County and state judicial candidates has received the endorsement of the Democratic Lawyers Judicial Committee for the Nov. 8 election on the non-partisan judicial ballot.

Charles E. Brown, 8 E. Broad-st, chairman of the committee announced that the group was supporting Judge William C. Bryant and Judge John J. Duffey for election to the 10th District Court of Appeals; Judge E. F. Dunn for Court of Domestic Relations; Wilmore Brown for Probate Court, and G. Arlowe Bryant and Robert D. Holmes for Common Pleas Court.

Judge William C. Bryant is presiding judge of the 10th District Court of Appeals where he has served since 1957. A graduate of Ohio State University, he was admitted to the bar in 1931.

Prior to joining the court, Judge Bryant served 10 years as county assistant prosecuting attorney, two years as chief counsel to the Ohio Attorney General and two years as Common Pleas Judge.

An appointee of Gov. DiSalle, Judge John F. Duffey is seeking election to his first full term on the 10th District Court of Appeals.

A law graduate of the University of Michigan, Judge Duffey practiced in Toledo coming to Columbus where he became an associate professor in the College of Law at Ohio State University.

He has served as vice chairman of both the Columbus Planning Commission and the Franklin County Regional Planning Commission.

Another recent appointee of Gov. Disalle who seeks his first full term is Judge E. F. Dunn of the Domestic Relations Division of Common Pleas Court.

This contest is a write-in election in which the names of Judge Dunn and his opponents will not appear. To cast ballots for Judge Dunn, voters should look for slot 32 on the voting machine, pull up the slide and white in his name.

A graduate of both Franklin University Law School and Harvard Business School, Judge Dunn has practiced law since 1932. For three years he served as a federal internal revenue agent and for the past 10 years has been an assistant Ohio attorney general.

A candidate for Probate Judge, Wilmore Brown has combined the careers of lawyer and writer.

A law graduate of Ohio State University, Brown is a member of the law firm of Brown and Crites and has been in general practice since 1947.

He is editor of "The Legal Architect," a collection of interesting and amusing legal opinions published last year, and is a frequent contributor to legal journals including the publications of both the Ohio State and American Bar Associations.

G. Arlowe Bryant, a candidate for Common Pleas judge, is a graduate of Franklin University Law School who has been in practice since 1933. He served as an assistant prosecuting attorney for Franklin County from 1945 to 1953.

Bryant is a past president of the Franklin County Young Democrats Club and West Side Board of Trade.

Also a candidate for Common Pleas judge is Robert D. Holmes, a member of the law firm of West and Holmes. A graduate of George Washington University, Ohio State University and Harvard Law School, Holmes has been practicing law since 1949.

He currently serves on the Common Pleas Court Committee of the Columbus Bar Association.

Nine Member Committee Will Back Holmes

The candidacy of Robert D. Holmes, attorney for Judge of the Common Pleas Court drew support this week from a city-county committee of nine, Mrs. W. W. Llewelyn, Homer B. Tussing, Frank Burgstaller, J. F. Smith, Mrs Leslie Scrimger, Russell M. Jones, Mrs. H. J. Maxfield, Mrs. H. A. Stimmel and Merrill D. Brothers, chairman, 50 W. Broad-st, Columbus.

Holmes, a trial attorney with experience in both state and Federal courts, resides at 500 Selby-blvd, South, Worthington. He holds degrees in Business Administration, Economics and Law from Ohio State University, George Washington University and Harvard Law School

He is a member of the Columbus Bar Association and has served on its Municipal Court, International Affairs and Common Pleas Court committees. He has law offices in association with R. Patrick West.

Morgan Seeking Appeals Court Judgeship Spot

David E. Morgan, candidate for Judge of the Court of Appeals points to his background as a major reason he should be elected.

As a former State Senator, he introduced the bills allowing for the lighting of the State Capitol.

He has been in the general practice of law for over 28 years. He is a former attorney examiner for the Public Utilities Commission of Ohio and a Joint Board member of the Interstate Commerce Commission.

Active in all three theaters of war during World War II as a Naval Officer, at the time of his discharge from the United States Navy Reserve he was a member of the 14th Naval District Courts and Board in Hawaii, where he heard and tried criminal cases coming out of the South Pacific area.

Troop Looking For More Boys

Boy Scout Troop 475, of East Columbus Christian Church, 3147 E. Fifth-av, has openings for several more members.

Scoutmaster Derward DeVore, (BE. 1-2560), said he would be happy to discuss membership with any prospects between the ages of 11 and 14, or with any adults interested in volunteering their services.

The troop meets every Wednesday at 7 p.m. and sessions are over promptly at 9 p.m. "Our motto is "a camping trip every month," DeVore said. "We have the equipment, all we need is more boys."

ARMY NURSE

COMPLETES TRAINING — 2d Lt. Mary A. Dykes, daughter of Mr. and Mrs. George H. Dykes, 621 Bulen-av, recently completed the nine-week military nursing orientation course at Brooke Army Medical Center, Fort Sam Houston, Tex. A graduate of Columbus East High School, Lieutenant Dykes was graduated from Ohio State University School of Nursing this year.

Number of sows farrowing this fall in Ohio is expected to be down eight percent, according to Ohio State University extension economists.

ST. MARY PLAYERS REHEARSE

ST. MARY'S MOUSETRAPPERS—Enjoying a moment during rehearsal of the forthcoming St. Mary's of the Spring production of Agatha Christie's "The Mousetrap" are Bob Smith, of 1550 E. Broad-st; Bo Gallo, of 1140 E. Mound-st; Regina King, of 2866 Ruhl-av; and Joe Gibboney, of 792 N. Cassady-av. The play is being presented Nov. 4, 5, 6, at the college.

HOORAY FOR WALKING, COMMUTING, CACTUS, AND THANKSGIVING DAY

Famous author, scholar and naturalist John Kieran says that "walking suits him right down to the ground," in the Today, to be included in the Nov. 10 edition of paid subscriber's Eastern Review.

Looking back to past Thanksgiving Days, noted newspaperman Hal Borland can't remember any that were quiet, orderly, or dull, because there were always plenty of children around, and children just don't go in for quiet, orderly holidays.

There's a study, too, this month, by Luis and Jo Villalon, on school costs around the country. They ask, "Are School Costs Getting Out of Hand?"—and they come up with some surprising answers (plus a work sheet and figures that will help readers figure out how their own town measures up).

The Commuter's Comedian, Alan King, considers some of the strange brands of telephone-tiquette; while the "Commuter's Commuter," Walter W. Bailey, admits that he drives 227 miles a day to and from his job—and enjoys it.

There is also a very useful article for indoor gardeners who have never considered cacti as house plants. They are extremely easy to grow, require almost no care, and are generous in fragrance, color, and bloom.

This month's Unusual Suburban Home began as the personal project of architect Bayard Underwood, who wanted the most for his money and therefore used steel frame construction. His house proved so successful that it is now the model for an entire development near Boston.

The news column, Getting Around, is overburdened, this month, with good common-sense advice about how to keep warm in a football stadium, how to avoid a parking ticket if you happen to be driving a 155-car freight train, and how to get a Manhattan cocktail around Chicago if you are 13 years old.

Finally, sadder and wiser, we bid farewell to our series of Contests For People Who Never Enter Contests—and if you're still holding out after three chances, you lose automatically, and we have to send your Lark Station Wagon or Westinghouse washer-dryer combination or Hardman duo piano to someone else.

East Suburbs Exceeded UA Drive Goal

The house-to-house United Appeal solicitation in the east area ended with 97.6 per cent of the $60,000 quota achieved. The over-top result of the suburban east area ended with 126.5 per cent of the $1,500 goal.

Mrs. Park Pixley was chairman of the east section while Mrs. Russell Mock, suburban east, attained the second highest percentage of goal in all the units.

This area's return helped the campaign's residential division top its $159,000 goal by $327.

The overall amount raised in the campaign was $3,520,631, or 99.1 per cent of goal. It was hoped that late returns might reduce the small shortage even further.

The final auditing of funds, still in progress, is done as a community service by members of the Columbus Chapter of the National Association of Public Accountants. The persons from this area serving on this committee were Edward P. Reid, 208 N. Roosevelt; Robert N. Tinker, 4044 E. Fulton; Darrell Driver, 780 Brookside-dr, and Alex J. Gaal, 2252 E. Mound-st.

Ohio Needs To Retain James Rhodes As Auditor

Six In Ferguson Family On State Payroll, Draw $50,484 Annual Pay

By ED HEINKE
Columbus Scripps-Howard Writer

State Treasurer Joseph T. Ferguson and five members of his family are on the state payroll at salaries totaling $50,484 a year.

The records also show that a seventh member of the Ferguson family, James D. Ferguson is on a leave of absence from his $5520-a-year job in the State Welfare Department to run for state auditor.

IN ADDITION, two members of the family have been drawing overtime pay in the treasurer's office.

The roster of the Fergusons on the state payroll, their jobs and salaries:

Treasurer Ferguson, $15,000.

Thomas Ferguson, his father's administrative aide, $14,400.

LEO FERGUSON, Joe's brother, treasurer's office, $7200.

Mrs. Joan Gotherman, Joe's daughter, treasurer's office, (part-time), $3960.

Elizabeth Ferguson, Joe's sister, Bureau of Motor Vehicles, $3024.

Joseph T. Ferguson, Joe's son, highway department, $6900.

THE RECORDS disclosed that Administrative Aide Tom, considered a likely prospect to run for state treasurer two years from now if his father retires from the active political field, has drawn $271.83 in overtime pay so far this year and in the last two weeks of 1959.

Can Ohio Afford Another Ferguson

The voters probably didn't realize it when they made Joe Ferguson state treasurer, but they were practically electing an entire family.

Joe took care of that — or rather, he took care of the family.

Five of them — two sons, a brother, a daughter, and a sister —are comfortably lodged on the public payroll. The total family salary, including Joe's $15,000 a year, is a neat $50,000.

If the taxpayers can acquire so many Fergusons simply by electing one of them to public office, what do you suppose would happen if they elected two?

Remember, that's a real risk, because Joe's son James is running for state auditor.

Before anyone dashes out and votes for another Ferguson, he'd better make sure the state can afford it.

Or that it should afford it.

Rhodes Over Ferguson

It's still three months until Election Day and there's still much campaigning to be done, but there's no reason for anyone to take more time to make up his mind how to vote in the state auditor race.

There the incumbent, James A. Rhodes, is opposed by James D. Ferguson. Rhodes not only deserves re-election wholeheartedly on his excellent record in office. He deserves it additionally because of a special condition involving Ferguson.

Under the Ohio Constitution, the auditor is the state's chief accounting officer, and it's his main duty to keep full and accurate accounts of all moneys, bonds, stocks, securities and the like paid in or out of the treasury, or deposited in or transferred out of the treasury.

So who is the state treasurer now? Joseph T. Ferguson Sr., the father of James D. Rhodes' opponent.

Besides the matter of principle involved here, there's the elder Ferguson's philosophy to be considered. Joe Ferguson always has liked to get as many of his immediate family on the state payroll as possible. According to the latest list we saw, two of his sons, a daughter, a sister and a brother are so employed now, at annual salaries totaling more than $35,000.

Would another Ferguson in a top state office break ground for the hiring of another batch of Ferguson relatives on the state payroll? We see no reason to doubt that this would happen.

The best way to keep it from happening is to vote against James Ferguson and for Auditor Rhodes who, as we said in the beginning, deserves re-election anyway.

Youngstown Vindicator

Published every day of the year.

Fortunately Mr. Rhodes is a capable auditor, and thoughtful citizens, Republicans and Democratic alike, will wish to retain his services.

Warren Tribune Chronicle

Mr. Rhodes has served with distinction as state auditor. He merits re-election and there should be no question in the minds of Ohio voters that it is in their best interest to return him and balk the Ferguson machine's effort to expand its political power.

Idle Hour GUIDE

Entertainment . . . Television . . . Radio

The safest place for pedestrians to cross the street is at the corner, says the Columbus Auto Club. But even corners are safe only if pedestrians take the necessary precautions. Before stepping from the curb, always look in all directions. If there is a traffic signal at the intersection, do not walk until the proper sign is flashed. A safe pedestrian is an alert and cautious one.

Election Night Coverage Planned To Be Complete

Election coverage will be provided on all channels, Tuesday, Nov. 8, beginning at 9 p.m. and continuing until results have been announced and/or trends set in all major contests.

Skilled correspondents and and interpreters will be aided by electronic computers and improved communication and tabulating systems.

Direct, high-speed returns will be available from the six most critical states, Ohio, Illinois, New York, Pennsylvania, Michigan and California.

Public-opinion analysts will be available to comment on returns as they relate to polls made during the campaign. Correspondents will be stationed with the candidates.

Local election results will be scattered through the evening, with all networks making provision for their inclusion.

Vote counts will be tallied and posted electronically within thousandths of a second by computer.

Jim Backus will premiere on Channel 4 with a new show of his own on Thursday, Nov. 3. He will play the role of the head of a shoestring news association.

In his role as an old-school, swashbuckling newsman, trying to scoop the bigger and more powerful news association, Jim will be backed up by a qualified professional cast.

Ohio State University Home basketball games will be televised by Channel 4 this year. The first telecast is slated for Monday, Dec. 5.

Starting time for the home games is 8:30 p.m. as announced by the publicity department of OSU. Jimmie Crum will do the play-by-play for this second year of State Basketball games telecast by Channel 4.

Football fans will get a special treat as Sam Huff's helmet was wired for sound by CBS technicians. The results along with films of actual scrimmages and a pre-season exhibition game will be shown on "The Twentieth Century" at 5:30 p.m., Saturday, Nov. 5.

The program will draw a personal profile of Sam, who holds down one of the toughest jobs in sports, middle linebacker for the New York Giants Pro team.

The last pre-election program of the special series on Channel 4 will be aired, Saturday, Nov. 5, at 9:30 p.m. This show will be a comprehensive summary of the campaign to date, including film, tape and live reports from NBC correspondents.

SENIOR CLASS OFFICERS AT EASTMOOR

PLANNING AHEAD—What's ahead for the Eastmoor Senior Class this year? Just possibly that's what the class officers are discussing on this balmy autumn day. From left, Jim Siders, treasurer; Diana Friedman, vice-president; Beverly Finke, secretary; and Tim McCool, president.

Johnson Park Top 'A' Students Get Letter Awards At Assembly

The second scholarship assembly of Johnson Park Junior High School was held on October 12 in the school auditorium. Purpose of the assembly was to honor scholastic achievements for the 1959-60 school year of the present eighth and ninth grade students.

Michael Lower, principal of George C. Beery Jr. High School, gave the address.

The first award was in instrumental music. Two students, Luana Brill and Sallie Stricklin, were honored as the top band and orchestra students. They were awarded scholarships for the remainder of the semester for individual study at Capital University Music Conservatory. Luana plays the oboe and Sallie the cello.

The next award was made to students who earned honorable-mention grades last year; 102 students, who earned A's and B's and only one C, were given wallet-sized cards indicating their achievement.

The pupils who earned Honor Roll grades, all A's and B's, were honored next. The following were awarded certificates of merit cards, and scholarship pins: Cathy Dick, Karen Lees, Marilyn Steffy, Linda Gallagher, Judith Stein, Bernadette Rogers, Michelle Comeras, Sharon Ijams, Thomas Wessel, Vicky Montoney, Michael Lower, Jill Clark, Joy Thompson, Gary Feurer, Paul Karpik, Marcia Bruce, Judith Siders, Barbara Tracy, Joyce Yake;

Kathryn Westover, Donna White, Bonnie Klock, Caryn Koppelman, Karl Kotheimer, Sandra Lech, James O'Neill, Susan Neiman, Joyce Read, Carole Gurevitz, Herschel Denner, Judith Finley, Ann Stenz, Cheryl Early, Deanna Scott, Jo Ellen McClurg, Cheri Ramsey, Lynne Haley, Pamela Thompson, Kerry Brown, Linda Levine, Carol Liebersbach, Pamela Penry;

Anita Zeno, Ronald Hodge, Donna Manson, Marcia Rountree, Lester Courtney, John Jones, Michael Newell, Diana Tamanini, Carol Braun, Elaine Bush, Susan Cohen, Pamela Gordon, Sally Seckel, James Farkas, Kathryn Baker, Andrea Bridge, Patricia Geiger, Judy George, Jean Bickel, Luana Brill, Linda Lewis, Petta Lok, Mary Ann Ward, and Bonnie Ripps.

The final award was presented to the students who earned all A's in textbook subjects and who had no C's last year. Each of these students received the certificate of merit card, a school letter with a scholarship pin insert, and a meritorious award certificate suitable for framing.

The following pupils qualified for these honors: Elizabeth Bogle, Melanie Patton, Patricia Tann, Donna Garrelts, Cheryl Barnes, Fonda Bolovan, Connie Eckelberry, Mary Jane Goldthwaite, Cynthia Sasaki, Roberta Colegrove;

Thomas Hudson, James Shipman, Edna Cullman, Candice Bliss, Thomas Coneybeer, Rita Snyder, Mitchell Dorger, Sandra Lalle, Judy Pier, Karen Schuster, Sherry Smith and Janice Wray, and Chris Lindenberg.

Ten of the above received all A's in all of their subjects. These were: Mary Jane Goldthwaite, Chris Lindenberg, Mitch Dorger, Judy Pier, Karen Schuster, Janice Wray, Sherry Smith, Tom Coneybeer, Roberta Colegrove, and Rita Snyder.

Woody Herman To Play

Wody Herman, and "America's Greatest Entertaining Unit," will play for the Capital University homecoming Saturday, Nov. 5.

The dance will be held in the alumni gymnasium starting at 9 p. m.

Herman has been playing the clarinet professionally for over 30 years.

JUDGE PECK

ON THE

Supreme Court of Ohio

As an incumbent Judge of the Supreme Court of Ohio Judge Peck has demonstrated that his experience as a practicing attorney, as a Common Pleas Judge, as a law school lecturer and as State Tax Commissioner have well qualified him to continue to sit on the state's high court.

Eastmoor High School's Warriors' Spear-It

Mock Election Set For Monday, Nov. 7

The Eastmoor Student Council will hold a mock presidential election on Monday, Nov. 7, in which the entire student body may take part. Members of the committee are Dave Gettys, Gerry Shoemaker, Tim McCool, Connie Rau, and Lynn Lavendar.

Four voting machines have been secured by the Student Council. Just as in the national election, student voters must register.

Those participating may vote during their study hall periods.

Miss Dorothy Marmet, one of Eastmoor's English teachers, is recuperating from a successful eye operation at Mt. Carmel Hospital. Miss Marmet is to remain in the hospital next week and then will spend an extended period of time at her home.

The Future Teachers of America Club is having a membership drive starting Nov. 7, and continuing for two weeks.

The main purpose of FTA is to further the interest of those students who are planning to go into the field of teaching.

FTA has many projects planned. Some of them are a Christmas program, a doughnut sale, and the awarding of the annual scholarship to one of the senior members.

College-bound students in the senior class will be participating in the American College Testing Program this Saturday. Testing centers are the Ohio State University and Capital University. For those students who are unable to take the examination Saturday, two other dates have been estabished in the near future.

The results of these tests will be reported approximately four weeks after the test is administered.

Eastmoor plays North School Friday, Nov. 4 at 8 p.m. Between halves entertainment will be in part, by the Eastmoor Warrior Marching Band. It will present a repeat of last week's "Blues Show." In one number, the entire band does a dance. Head majorette Marilyn Stevens and majorette Pam Smyser are featured in two other numbers.

Bob Lewis qualified for the State Cross-Country Meet last Friday, by placing seventh in the Central District Cross Country Meet. The Eastmoor man, Bob, qualified in last week's meet at Raymond Memorial Golf Course.

Bob also placed fourth in the City Cross Country Meet. Gold medals were awarded to the first ten finishing in each race.

For sports-minded girls — hockey season is over and basketball season is about to start.

Basketball will start Nov. 14, and GAA plans to enter their teams into school competition.

Attending intramurals will be important for GAA members, for they will be given points which count toward a pin or a letter.

Lynn Balthaser and Margaret Shobrak led the Eastmoor Honor Roll with all A's the first grading period.

Seniors on the honor roll include Gil Feiertag, Mary Heffron, Lynne Jenkins, Joy Comeras, Karen Davis, Ira Sutton, Beverly Finke, Judy Galante, Larry Nichols, Sharon Rosenbaum, Don Day, Sandra Maxwell, Joan Needs, Margaret Richards, Judith Williams, Beth Amstutz, Richard England, Ann Goldthwaite, Roger Nalley, Sandra Jones, Karen Kelly, Sandra Ludwig, Arlene Mara, Arlene Masch, Donna Baughman, Linda DePoy, Roberta Kall, Suzanne Wolfe, Jim Allen, Diane Gay, and Judy Hillson.

Juniors were Marcia Davis, Sandra Hysell, Linda Newton, Virginia Schott, Connie Wilson, Georgette Goldberg, Janice Moltenberry, Ann Whetstone, Judy Haywood, Dave Spitler, Rose Mary Taylor, Barry Hilton, Sandra Hellrud, Renee Barker, Sharon Wilson, Judy Allison, and Penny Dawson.

Sophomores were Judy Inglis, Winifred Justice, Linda Blue, Peggy Cullman, Sue Douthit, Pete Miller, Judy Pilzer, Peg Taylor, Susan Thorn, Sarah Welch, Jack Alexander, Barbara Share, Marilyn Solomon, Dave Schluer, Pat Wood, Charles Becker, James Carrell, Ron Golden, Hedi Hirschberg, Judy Kuchler, Catherine Cale, Judith Clark, Phil Wilson, Kathryn Haley, Andre Powell, John Rosemond, Judy Curry, Marla Greenfield, and Julia Walls.

Freshman included Allan Cohen, Gary Perkins, Linda Russ, Elizabeth Sutton, Valerie Wickner, Steve Pinsky, Debra Linick, Renee Peppercorn, Janis Siegelman, Anita Son, Karon Williams, and Dottie Woods.

Eighth graders were Herb Braverman, David Cowall, Suzanne Fine, Sylvia Rozanczyk, Rita Kahn, George Varga, Kendra Hovis, Dale Reynolds, Gene Landy, and Gail Barker.

Copies of the 1959 High School United Nations Essays may be found in the Columbus Public Library and the school libraries. President Dwight E. Eisenhower, sent a copy, returned a reply of thanks.

Members of the School and College Committee were John Kaltenbach, R. E. Reedy, Jean C. Jones, Sally Hahn, Rhenetta Davis, Mrs. Alan Griffin and Mrs. Charles L. Shaw, chairman.

On the executive committee of the sponsoring group were John A. Carnanan, Sylvia Westerman, Richard Heer Oman and Jill Jeffrey. Galvy Gordon has been chairman of judges for three years.

Jones Serving At Navy Depot

James R. Jones, guided missileman seaman, USN, son of Mr. and Mrs. Harold L. Jones, 3060 E. Fifth-av, is serving at the Naval Ammunition Depot, at Charleston, S.C.

Personnel at this depot operate the Navy's only Polaris Missile Assembly Annex, receiving and preparing the weapons for shipment to submarines and ships.

Sightless Club Will Conduct Annual Steak Dinner Nov. 5

Mutual Benefit Club of the Sightless will hold its annual steak dinner Saturday, Nov. 5, at Gladden Community House, Hawkes and Town-sts.

Serving will start at 5:30 p.m. Tickets are $1.25. The menu includes cube steak, mashed potatoes, buttered peas, slaw, rolls, pie and coffee.

At the same time there will be a sale of homemade baked goods and candy.

Proceeds from the dinner go toward helping needy families of the blind at Christmas, said Mrs. Mary Hougland, 806 Bellows-av, secretary.

What You Haven't Been Told About The City Bond Issues!

1. The backers of the $25,000,000 Bond Issue have been telling you it won't raise your taxes.
2. If you vote for the Bond Issue you are going to pay your share of the $25,000,000. Where is the $25,000,000 coming from? . . . the taxpayer and that is you.
3. What you haven't been told is that all real estate, including your home and your real estate investments in the City, is pledged to support the debt.
4. **The State Law provides that no city can incur debt over one percent of the taxable real estate without a vote of the people. Therefore, when the City, puts a bond issue on the ballot it must pledge its tax duplicate as the real security . . . not the income tax revenue to pay off the debt. If the income tax revenue drops so it can't meet the debt payments, the real estate tax must make it good, which means your taxes will have to be raised.**
5. Check the ordinance setting up the bond issue and learn the true facts! These facts are not explained on the ballot or in the literature you have read!
6. If we ever want to eliminate or cut the City Income Tax or keep it from being increased, we must not continuously pledge huge future expenditures against the potential revenue of the City Income Tax.

You Will Pay

The $25,000,000 If You Vote For The Bond Issues

VOTE NO!

The legal authority permitting municipalities to incur debts is the Ohio Revised Code which limits indebtedness to five per cent of the total value of all property in such a municipal corporation.

In addition, Article XII, Section 11 of the Ohio Consitution provides:

"No bonded indebtedness shall be incurred or renewed, unless, in the legislation under which such indebtedness is incurred or renewed, provision is made for levying and collecting annually by taxation an amount sufficient to pay the interest on said bonds, and to provide a sinking fund for their final redemption at maturity."

It is apparent that the taxable real estate is the basis for providing revenue to meet the municipality's debt obligations. That is the security. There is no restriction upon any municipality, however, to meet its debt service (principle and interest) from sources of revenue other than the property tax.

On January 1, 1960, the city's outstanding debt from bond issues voted by the electorate totaled $19,141,000. Debt service for 1960 on that indebtedness was $1,658,097 to be paid from 25 per cent of the revenue collected from the one per cent city income tax. Actually, the 25 per cent had exceeded $2,000,000 for several years, providing a surplus in the debt retirement fund. If the city were to issue the bonds in the new, proposed issue in the amount of $25,000,000, then the debt service would require more than the $1,658,097 required in 1960 for the debt of slightly less than $20,000,000. The revenue from the 25 per cent of the one per cent tax does not cover the total of the two sums.

It is obvious, therefore, that one of two things must occur.

The bonds cannot be issued at once and must be staggered over a considerable period. Property tax rates must be increased to meet the additional obligation.

There are two other remote possibilities. One is that the voters are asked to increase the one per cent income tax. The other is that the income tax ordinance be amended to increase the amount to be taken out for debt retirement. This last alternative would deprive routine municipal services of adequate funds. As the city grows in area and population, more personnel is needed in the divisions of police, fire, sanitation, traffic engineering, planning and recreation. These are but a few.

In 1959 it was estimated that the city should not issue more than $17,623,825 in bonds to maintain a safe margin within the anticipated revenue from the income tax and its bond retirement fund. This did not even include bonds already authorized, but not yet issued.

If the proposed $25,000,000 issue is passed, the city's debt incurred through the election process will total almost $45,000,000, if and when the additional bonds are issued. There are some $10,000,000 bonds issued by Council inside the ten mill also outstanding. The principle and interest on these bonds are paid strictly from the property taxes. Together the total comes to about $55,000,000.

In addition, the administration borrowed $1,000,000 from the income tax reserve with which to build the Stelzer Road water main — a portion of its total cost when normally such projects are financed from water revenue.

With these pressures on the income tax revenue increasing, it is likely therefore, that the city eventually must turn to increased property taxes to retain its credit. This is inevitable if income from the payroll taxes should fall in a period of economic recession.

This information is the best we can ascertain with the sources available to our Committee.

DID YOU KNOW?
Kennedy missed 311 out of 1189 Roll Calls in the Senate during 1953-60, not counting absences due to illness. Do we want this in a President?
Kennedy is Chairman of the Joint Senate-House Committee on Economic Affairs, but attended only 1 of 54 meetings held since January 1959-60. Kennedy says he's worried about Africa; BUT as Chairman of the Senate Sub-Committee on Afro-Asian Affairs, he did NOT call a meeting of this committee once during 1960!

To R. R. Brinkenhoff—
Teacher and Friend

Certain people stand out in one's life . . . . people who have played an important role in guidance, direction or influence.

To me such a person has been R. R. Brinkenhoff.

I might have taken off in most any direction but for the influence of "Brink," and to him I've been forever grateful.

Back in Huntington, W. Va., high school in my junior year I was the advertising salesman for the high school paper, The Tattler. "Brink" was the school sponsor of the paper, a monthly magazine.

Came the senior year and when he looked over the crop of seniors to determine if one might be a likely editor he decided to offer me the job. I accepted.

Five Division Parade Will Salute Veterans

Local patriotic, school and civic groups will play an active part in a county-wide Veterans Day observance in downtown Columbus Friday morning, Nov. 11. They will join a big five-division parade which will head west from Washington-av and E. Broad-st at 10:30 p.m.

Alfred N. Tharpe, 485 Scioto-Darby Creek-rd, will be parade marshal. Tharpe is immediate past commander of the Franklin County Council, American Legion, sponsor of the parade.

The units will march past a reviewing stand south of City Hall occupied by officers of the state, city and Armed Forces and by two honored groups, the Gold Star Mothers and United Spanish War Veterans.

Proceeding across the river bridge, the divisions will face east and salute following the 11 a.m. signal, a bomb burst.

Police, Bands Will Lead

The first division, headed by Columbus police and Maj. Robert L. Clark, will consist of color guards and troops from all branches of the service and their reserves. The 37th Infantry Division and 338th USAR bands will play. Marchers will represent the Army XX Corps of Ft. Hayes, Lockborne Air Force Base, 37th Division, 332nd Infantry; Marine 38th Rifle Corps, Navy Construction Battalion, and ROTC's from Ohio State and Capital universities.

Marching in the second division will be students and bands from Eastmoor and Marion-Franklin high schools, various fraternal groups and Boy Scouts.

Third Division units will include students and bands from South, Whitehall-Yearling and Linden-McKinley high schools; Girl Scouts, Camp Fire Girls, Boy Scouts, and community and auxiliary groups.

Many Groups Represented

Nationally Chartered Veterans Council will make up the bulk of the fourth division. Following the Caldwell Post band will be Veterans of Foreign Wars, 37th Division Veterans, AMVETS, Catholic War Veterans, Order of the Purple Heart, Disabled American Veterans, World War One Veterans and Jewish War Veterans.

The fifth division will be marshaled by Oran S. Toy, third vice-commander of Camp Chase Post 98, American Legion and

BEXLEY POST SLATES DINNER

A talk on "The Veterans" by M. M. (Boots) Carothers, editor of Ohio Legion News since 1940, will feature the Veterans Day dinner of Bexley Post No. 340, American Legion, Friday evening at the Legion home, E. Livingston, at Zettler-rd.

This will be the post's second annual Veterans Day free program for members who are paid up for the year on Nov. 11, according to Commander Victor Funtjer. More than half the 300 members have renewed for 1961, he said.

Safety Pushed At Courtright

COURTRIGHT RD. COUNTRY LOOK
Possible Danger Ahead

Country Approach Misleading

Stop lights and sidewalks are needed in the Courtright School area to combat a somewhat psychological illusion.

The illusion is that presented to a driver moving along Courtright-rd. From approximately a half mile from the school, the area appears as a serene country road, without the slightest indication that one is entering a somewhat congested area centered around a Columbus public school.

Kids could be walking down the road way or crossing streets. And the traffic along the road is heavier, too, than one might believe, according to Principal John E. Hopkins.

He pointed out that the road is traveled a lot as a connecting link between Livingston-av and Lockbourne. He believes that a stop light is needed at the corner of Livmoor and Courtright-rds for the safety and protection of the school's 375 youngsters.

He stated that a request has been made to the City Board of Education.

"We feel," Hopkins stated, "that a stop light of some sort should be installed. Either that or a blinker-type light such as that employed near Bishop Hartley High School."

To Tom Tabor, president of the Berwick Park Civic Association, such a light is needed.

But he feels, he stated, that the primary concern is to keep

SEEK NEW LAURELS

Lawrence Post Tops '59 Membership Drive

The top VFW Post in the state for garnering new members is well on its way to another record year.

Not too long ago, Paul S. Lawrence Post 9857 took Ohio honors in reaping in the VFW Past Department Commanders Trophy for the highest persentage gain. Last year the post brought in 113 new members.

This year, thus far, with two months yet to go in the membership campaign, the post has surpassed the 1959 enrollment by 40 members.

"But, he adds, we are still short of the goal we hope to reach by January, that of 250 members."

All eligible veterans are invited to inspect the post. Commander Gene Perry and Wagner feel that those eligible should join in order to insure proper veteran legislation in the state.

Six post members have garnered "eager beaver" pins during the current membership drive. The "eager beaver" is awarded to those acquiring at least six new members.

Named were Perry, Wagner, Robert Taylor, Leo Amore, Robert Turner and Frank Smith.

In addition, Wagner is eligible for a silver and gold eager beaver awards.

THREE SCHOOLS GIVE NIXON NOD

Three high schools in the area bucked the national trend, stuck to its Buckeye guns and swept Richard M. Nixon into office this week.

Bexley, Whitehall and Eastmoor High Schools overwhelmingly endorsed the National Republican Presidential ticket of Nixon and Lodge. Only Bishop Hartley gave John F. Kennedy an affirmative nod.

Nixon's margin at Bexley was near the 69 per cent mark, according to C. W. Jones, principal.

Whitehall High stood 795 for Nixon and 337 for Kennedy.

At registration day last week, the Republicans out-numbered the Democrats among Whitehall students by a margin of 627 to 315, with an even 200 declaring themselves as independents.

Eastmoor students gave the edge to Nixon by a 704 to 456 vote.

The Bishop Hartley vote for Kennedy numbered 345 as opposed to 177 for Nixon. Each home room had an electoral representative and Kennedy forces made a clean sweep of the electoral votes.

On other issues, Eastmoor okayed the proposed tax levy for the Metropolitan Park Dis-

Mortuary Cars: World War II Trip To An Unending Journey

By John Poeppelmeyer

The Marine camouflaged figure reached the side of a wounded buddy, a sniper's bullet smacked deep into his brain, ending all intents of rescue . . .

The pilot hung helplessly in his parachute harness in mid-air while enemy machine gun fire relentlessly raked through the dangling body . . .

The white uniform of an army nurse, now stained and streaked with blood, rocked to and fro under the gentle waves along the beach of a South Pacific isle that nobody had ever heard of before . . .

Under the impact of a suicidal plane dive, a young ensign toppled into an ocean of burning oil . . .

Young faces . . . old faces . . . faces of men and faces of women . . . black ones, white ones . . . faces that had never contemplated death before, let alone be part of it . . . faces on beaches, in foxholes, along road sideways . . . thousands of faces, tens of thousands of faces.

Where did they all go after they had looked their last?

Along a sidetrack of the railroad yards at the Columbus General Depot stand 34 empty monuments of mute testimony in answer to that question.

The faces that had once seen and that had been seen came into East and West Coast harbors. From there, in rigid pine boxes hoisted unceremoniously onto cold steel racks for one last journey, the faces, and what was left of where the faces had been connected, started on their last free trip to Chicago and to Boston, to Detroit and to San Francisco. To Millersport and to Central City and to Christmas, Indiana, they went.

In all the mortuary cars transported some 10,000 bodies of the toll that World War II took among all the services.

Each cold, dark car, with windows blotted out, as unseeing as the lifeless forms it held, has a capacity for 66 embalmed bodies. The cars, according to Charles H. Chappelear, public information officer at Columbus Depot, took the bodies to their home town for private burial.

St. Edwards Plans Keep Moving Along

It won't be too long now before a six classroom addition will be wending skyward at St. Edwards Episcopal Church.

Rev. John Moody looks for a first of the year starting date on the project he stated this week.

And in another five years, the entire church facilities should be completed, he added.

To provide funds for the needed units, some 70 members of the Stewardship Committee for Every Member Canvass will be soliciting for $31,000 Sunday, Nov. 13.

Rev. Moody hopes that the classroom addition will be completed by September of next year.

Architects Outzalt, Guenther and Van Buren have come up with what Rev. Moody feels is a "courageous design" for the permanent nave that will eventually seat 350 people.

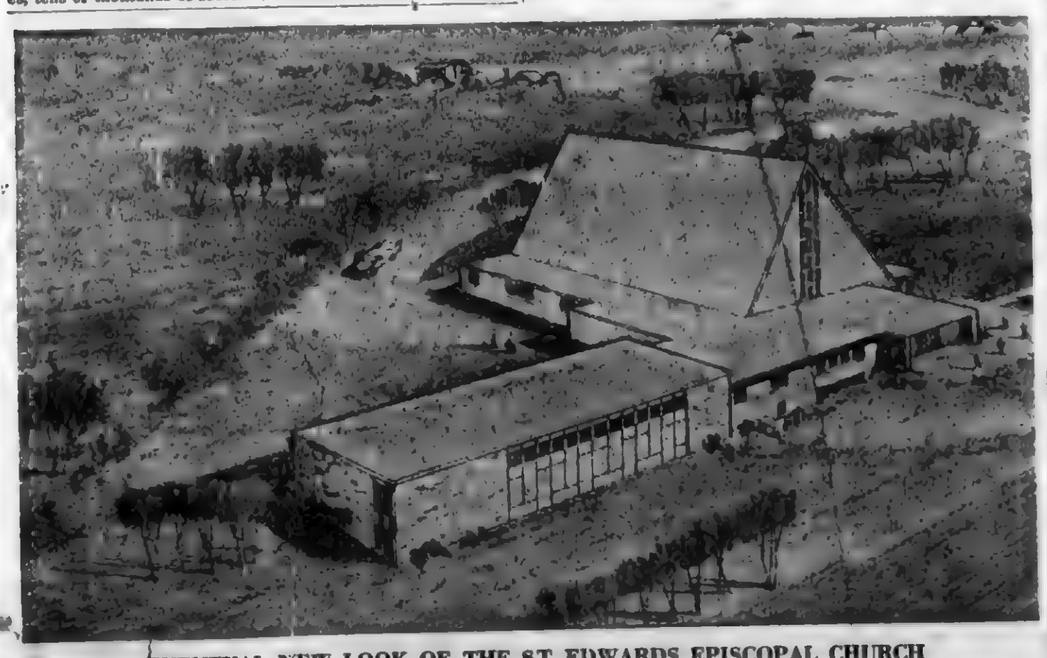
The present church site at 214 Fairway-blvd, is to be converted into a parish hall when the nave is completed.

Rev. Moody also pointed out that the altar will be a focal point inside the church, situated in the center instead of at its customary one end of the building location.

"This is a primitive form known to Christianity that the architects are trying to employ in a contemporary fashion."

One side of the present building will be turned into a narthex when the overall program is completed.

Working drawings for the classroom addition are now in progress, he stated.



The master plan for the total program has been approved by the building committee. George H. Chamblin is the chairman of the building group.

The committee has been working with Hiram Van Buren, the home architect, Rev. Moody said.

Of the drive to secure $31,000, only $7000 of the total would be used for building funds.

Some $20,000 will be used for parish support. Another

EVENTUAL NEW LOOK OF THE ST EDWARDS EPISCOPAL CHURCH

'Business Is Booming'

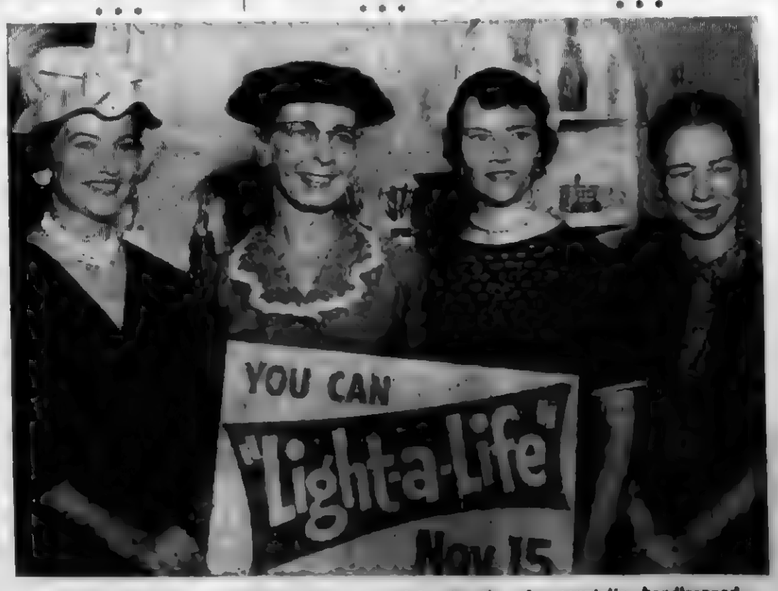
Mrs. William Roberts, 3784 Etna-st, ran a 12-word ad in the Hartley Newspapers Classifieds offering to do ironings in her home. "Business is booming," she told us later. "The ad brought terrific results and now I have many regular customers." Mrs. Robert's success story can be yours, too. Just call BR. 4-1155 to place your ad.

'Light A Life' General Chairman Conducts Her Last County Drive

Mrs. Joseph Cook, 867 Enfield-rd, general chairman of the 1960 "Light A Life" campaign, has become the envy of most of her friends belonging to the Franklin County Council for Retarded Children.

Immediately after the door-to-door drive Tuesday, Nov. 15 for funds to educate mentally handicapped youngsters, she and her family are moving to St. Louis, where her husband has accepted a new position and where retarded children like their 10 year old daughter, Brenda, attend special classes in public schools.

"No more fund drives," her friends sigh in almost disbelief.



In Franklin County, and in most other Ohio counties, education of the retarded depends upon parents and groups such as the Council for Retarded Children.

Mrs. Cook has reason to believe the general public is quite unaware of the number of children who have an IQ of less than 50 in Franklin County. She also believes they do not understand the causes of mental retardation.

The causes, she explained, can usually be attributed to an injury or illness, either before, during or after birth. The CRC estimates there are over 500 mentally handicapped children in Franklin County.

There are 216 pupils enrolled in 16 classrooms and two sheltered workshops operated by the CRC. In addition, there are 140 children on the waiting list, and at least 200 more

CAMPAIGN LEADERS—Future special education for mentally handicapped children in Franklin County depends upon the efforts of volunteers like those "Light A Life" campaign leaders above. From the left are Mrs. Roger Warren, 1509 Mercedes-dr, Reynoldsburg chairman; Mrs. Joseph Cook, 867 Enfield-rd, general chairman; Mrs. Thomas Jenkins, 3531 Liv Moor-dr, East division chairman; and Mrs. Stanley Price, 180 N. Stanwood-rd, Bexley division chairman. Goal for next Tuesday's door-to-door drive has been set at $58,000 by the Council for Retarded Children.

HELP 'LIGHT A LIFE' TUESDAY

About 10,000 volunteers in Columbus and Franklin County will go door-to-door next Tuesday, Nov. 15, soliciting contributions for the annual "Light A Life" campaign.

The drive is conducted by the Council for Retarded Children to provide funds for special education of mentally retarded youngsters in Franklin County.

The Council is forced to conduct its own campaign because the United Appeals has declared their belief that education of the mentally retarded deserves tax support and said that this is not a type of service they sustain.

The Council operates 16 full-day classes at Olentangy School and two sheltered workshops at Goodwill Industries for 216 school-age youngsters who have been excluded from public school because an injury, illness or congenital defect has caused them to be mentally retarded.

We believe that a very useful purpose is made of the funds derived in the "Light A Life" campaign and wholeheartedly urge its support.

Senior Bob Wirthin Wins United Nations Essay Prize

Bob Wirthin, a senior, won second place in the United Nations Week Essay Contest, with "Why I Believe the United Nations Declaration of Human Rights for Me Affirms Peace, Justice, and Prosperity in the World."

Wirthin and Sister Eleanor Josephine, American history and problems of democracy teacher, appeared on "Hi-Fi Club," Saturday, Oct. 29, at which time they were honored, Mary Ann Sharkey and Mary Jo Smith, also seniors, received honorable mention in the contest.

Monsignor James Kulp spoke to the students Oct. 31, at the initiation of the new students and freshmen into the Catholic Students Mission Crusade.

Three Sisters and 11 students received the Paladin award, the highest recognition in the CSMC, which is given for outstanding personal sacrifice for the missions. The teachers and students attended the CSMC Convention last summer at Notre Dame University, South Bend, Ind. They are as follows:

Sister Mary Lucille, Sister Mary Gregory, Sister Mary Michael, Lucy Ryan, Barb Scholl, Mary Driscoll, Sharon Kelley, Linda Wunderlin, Jan Murray, Connie Broderick, Don Van Horn, Ray Noltmier, Joe Massey and Bob Wunderlin.

Monsignor Kulp told how students can be missionaries, and what the Catholic missions in the Congo are accomplishing.

At the last football pep rally, the varsity and reserve cheerleaders introduced new cheers Coach John Murphy presented the seniors on the team, and each said a few words of thanks.

The senior players are Buddy Thomas, Mike Hanf, and Ron Glass, co-captains, Joe Gantner, Dan Hoffman, Adrian Redd, Danny DeStefanis, Frank Matyac, Paul Coleman, Bob Scurlock, Andy Jacobs, John Zaleusky and Lloyd Douglas.

At the Student Council meeting last Thursday, plans were discussed for Safety Week. The school is participating in this city-wide observance from Nov. 14 to Nov. 18 by composing slogans, making posters, and putting on skits. This activity is being carried on through the homerooms.

Hartley students have formed bowling leagues at Main Lanes. The boys and girls bowl every Wednesday afternoon. They leave directly from school on a special bus.

A general meeting of the Athletic Association was held last Thursday evening, at which Coach Murphy showed films of some of the football games. Election of trustees was held. Re-elected to two year terms were Jack O'Dea, Francis "Preach" Hanf, Harold Glass, Bob Kiener and Joe Canty. New trustees are John Bruno, Gene Parsons, Bernard Glassmacher and Norman Lynch.

About 65 boys were on hand to greet the new basketball coach, Earl Vermillion, and his assistant, Bob Kiener, at the opening practice session on Tuesday, Nov. 1. The schedule for the coming season has been announced, with 10 home games and 8 games away.

Lehmann Funeral Is Held

Funeral services were held last Monday in the Schoedinger State Street Chapel for Dr. Katharine Lehmann, 84, former president of the Women's Missionary Federation of the American Lutheran Church for 29 years.

For more than 20 years, until 1956, she was a member of the Board of Regents of Capital University where her father, the late Prof. William F. Lehmann, was president, and where she received an honorary LL.D.

She died Friday at her home, 836 Kenwick-rd, where she lived with Mrs. John Aizinger, former secretary of the federation.

Dr. Lehmann became ill Thursday evening after attending, earlier in the day, a meeting in Grace Lutheran Church of which she was a member. Death was due to a heart ailment.

For many years, in spite of an arthritic condition, Dr. Lehmann traveled extensively in furtherance of the missionary work of the federation which she helped organize.

She was a graduate of a Lutheran school, Lima College.

She is survived by a brother, Dr. W. H. Lehmann, of Fremont, and a niece and several nephews.

Dr. Lehmann was buried in Green Lawn Cemetery.

Republicans all down the line got the Eastmoor nod. The students named Samuel L. Devine as U. S. Representative to Congress; Kline L. Roberts and Richard B. Metcalf as State Senators; James A. Rhodes as State Auditor; and Earl W. Allison as Prosecuting Attorney.

Bexley High School LION'S ROAR

By Steve Ault

The first dance in Bexley High's new gymnasium will be sponsored by the Y-Teens on Friday night, Nov. 11.

"The dance will be a sockhop so shoes will not damage the new floor," announced Nancy Samson, Y-Teens president.

The sockhop will be held from 10 to 12 p.m. It will follow Bexley's football game with Delaware, the last game of the Lion's season.

Tickets for the dance are on sale for $1, including refreshments.

Chairmen for the dance are Sue Yardley and Lynne Elsass, social; Judy Franz and Marcia Heffernan, music; Barbara Volosin and Cindy Crall, publicity, and Melissa Blanton and Vicki Howe, refreshments.

The new gym is part of a recent addition to Bexley High. Nine classrooms, offices, a study hall, and locker rooms were also added.

"A Carousel Ball" will be the theme of Councilettes' dance on Nov. 26, at the Desert Inn from 9 to 12 p.m.

"The dance is open to the public, and tickets are on sale by Councilettes," said Sherry Shamansky, general chairman of the dance.

Councilettes, junior division of the National Council of Jewish Women, is both a social and philanthropic organization. Part of the profits from the dance will go toward charity work by the local group.

The interludes will provide the music for the dance, the second sponsored by the club this year.

Committee chairmen are as follows:

Corky Zacks, tickets; Penny Fenburr and Dody Schwartz, decorations; Debbie Siegel and Joyce Friedman, publicity, and Harriet Davidorf and Ellen Ziskind, ad book.

Advertising and names of the patrons of the Councilettes are in the book. Copies will be given as a souvenir to those who attend the dance.

The story can be shortened. That year found the establishment of the first journalism department in the school, the changing of the monthly paper to a weekly publication and top awards for the Tattler in state competition.

And here under the direction of "Brink" . . . I found my long lasting love in newspapering, came to OSU on his recommendation and throughout the years have been most grateful for his influence. I think he has been equally proud of any success that has come my way.

"Brink" died Saturday evening and services were held on Tuesday at his home town of Utica, O., where he realized a boyhood ambition, to return and be the publisher of The Utica Herald from 1929 to 1956.

As a parting tribute to "Brink," I trust that I may always be reminded of the line we have displayed for so many years in the mastheads of our papers, *"Where there is no vision, the people perish."* It was "Brink" who suggested it years ago.

Win or Lose . . . Let's Look for Higher Standards

As this is being written on Monday evening the last salvos of a maddening election campaign are being fired. As it is being read the results are either known or about to be known.

One thing is certain . . . every voter didn't cast his ballot for the winner. But each who voted took advantage of a privilege that fewer and fewer people throughout the world have today.

While many carried their feelings to high pitch and new animosities developed, it should be remembered that no good can come from a continuation of these feelings. Be prepared to accept the winner . . . and give him your united support. This will make America strong!

Regardless of any promises during the campaign, Americans as such, should now be insistent on those things in government that brought our freedom into being and have made us strong over the years.

Let's look to Lincoln who said, "If, to please the people, we offer what we ourselves disapprove, how can we afterwards defend our work? Let us raise a standard to which the wise and honest can repair. The event is in the hand of God."

OPEN CLASSROOM — In tune with National Education Week, the fourth grade pupils at Etna Road Elementary School in Whitehall have been in a classroom at Great Eastern Shopping Center. The youngsters, under the tutelage of Mrs. Ina Reed, pictured at the microphone, and Mrs. Camilla Reynolds and Betty Parson, attend school from 2 to 3 p.m. Passersby can look in and watch the classroom in action. The microphone is attached to a loud speaker outside the "store" so onlookers can hear the instruction.

A number of Nov. 11 events are planned at the meeting places of veterans groups. The traditional public breakfast will be held from 8 to 10 a.m. by Camp Chase Post at 3211 W. Broad-st. A dinner honoring World War I veterans and seeking to preserve the title of Armistice Day will be held by Westway Post, VFW, at 6:30 p.m. at 852 Clarendon-av.

Smorgasbord At VFW

In addition to an open house program starting at 10 a.m. Veterans Day, the Paul S. Lawrence Post is planning a smorgasbord Saturday, Nov. 12, from 6 to 10 p.m., sponsored by the ladies auxiliary.

Heart Attack Kills Local Club Leader

A prominent Columbus club leader, Mrs. Sophia Mettie, 76, 744 Berkley-rd, was pronounced dead on arrival at Mercy Hospital Friday night after she had suffered a heart attack on the way to a meeting.

Survivors include, a sister, Mrs. Lottie Moore of Monroe, and a brother, Harry B. Flemming of New York City.

Services were conducted Monday in the Woodyard Funeral Home. Mrs. Mettie was buried in Green Lawn Cemetery.

school-age retardates in and around Columbus who could benefit from special education if facilities were available.

Because the CRC is engaged in the field of education, and not health, welfare or recreation, the non-profit group organized in 1951 is not a member of the United Appeals. The UA, like the CRC, believes programs to help mentally handicapped children become useful adults should be fully tax supported like public schools—the way they are in St. Louis.

A goal of $58,000 has been set for the campaign to provide for the current enrollment. Mrs. Cook said if they collected twice that much "it still would not be enough."

The Cooks are prolonging their move to Missouri to await the results of the drive to be conducted by about 8,000 volunteers. While grateful for the success of the previous, annual CRC fund campaigns here, Mrs. Cook now has a new regard for her new locale, where her daughter's special education will be provided by the public schools.

"Some day," she says, "communities everywhere will give every trainable retardate the assistance he needs to become socially independent."

But for the sake of the parents she's leaving in Ohio who have children excluded from public schools because they are mentally handicapped and have an IQ of less than 50, she hopes that day is not too far away.

OHIO FEDERAL MOVES INTO NEW HOME

WHITEHALL BRANCH—Ohio Federal Savings and Loan Association's Whitehall branch is now in this new building at 4140 E. Broad st. The office was in the Town and Country Shopping Center for the past six years. Approximately 2400 sq. ft. of office space allows the association to offer improved services to its customers, such as a drive-in window, night depository, a Christmas Club, and expanded parking. Landscaping of the Whitehall office will be enhanced by a "Dancing Waters" fountain in front of the building. It will be completed sometime in late December. Charles E. McKnight welcomes residents of eastern Columbus to stop in and see the new building and at the same time meet him and his assistants, Jerry Patchen, Gail Aitken, and Kay Wagenbrenner.

Eastmoor High School's
Warriors' Spear-It

By Jeri Smallsreed

Eastmoor Band Will March In Veterans' Day Parade

The Eastmoor Warriors band will march in the annual Veterans' Day parade in downtown Columbus Friday. The band, 85 strong, will be one of many Columbus high school bands performing.

John Noble was a recent speaker at Eastmoor. He spoke on his experiences as a captive behind the Iron Curtain and on Russia's progress.

An assembly was held this week in honor of Veterans' Day. The Eastmoor High School Choir sang "Hymn To A Hero," which was written by a man whose son was killed in the Battle of the Coral Sea.

On North's field last Friday, Eastmoor rallied to win over the Polar Bears 46-20. Tonight (Thursday) East visits Eastmoor in the season's final game.

Eastmoor's Reserve football squad lost its last game of the year to North, 8 to 0, last Monday. Last week, Eastmoor edged Aquinas Reserve's, 14-6 at Eastmoor. Halfbacks Terry Kellenberg and Dean Ishida scored.

Registering and voting were the timely activities of Eastmoor's students last Monday. Numbered slips were distributed to voters on which they placed their name and homeroom. These forms had to be presented before voting. Voting was done in actual voting booths loaned to the school by the Board of Elections.

Eastmoor's new Radio Broadcasting Club last Monday interviewed students for their opinions of the candidates and political issues. Taking part were Karen Davis, Donna Doak and Jeff Portman. Club advisor is William Barr.

Mr. Pursell's classes also took part in the political controversy by having debates on the Republican and Democrat platforms.

While Miss Louise Lincoln was attending the Ohio Latin Teachers Convention in Cleveland Friday, Oct. 28, student teachers took over her classes. They were Beth Amstutz, Judy Galante, Judy Hillson, Ken Huffman, Roger Nalley, Larry Nichols and Sharon Rosenbaum.

The Debate Club sent a team to participate in the National Forensic League's Speech and Debate Tournament on Saturday, Oct. 22, at East High School. The team placed 13th out of 31 entries. Eastmoor tallied three wins and three losses.

The Tuberculosis Society and the Columbus Citizen-Journal are jointly sponsoring the TB School Press Project. The project's aim is to encourage the art of written expression and to inform students of the TB problem.

Themes for this year's stories are "How Our School Fights TB" and "Careers in TB Control". Contestants have their choice between these two topics. Both junior and senior division winners will receive gold, silver and bronze medals, dinner as guests of the Citizen-Journal, and a tour through the city room and newspaper plant.

The first place winner will be given employment as a Citizen-Journal, and a tour through the city room and newspaper plant.

The first place winner will be given employment as a Citizen-Journal copy boy or girl for four weeks or a Citizen-Journal theater tour to New York.

Junior high cheerleaders this year are Patty Barr, Luzia Bee, Sue Hoffman, Debbie Lenick and Ann Shoemaker. Their advisor is Mrs. Barlow.

Foreign students enrolled at Eastmoor, told the Y-Teens about the school systems in their native countries and compared them with U.S. schools. "World Fellowship" was the theme of the meeting held Wednesday, Nov. 2. The panel discussion was led by Darlene Barr. Panelists were Hedi Hirchberg, Austria; Heidi Kreutzer, an exchange student from Germany; Gabriel Madar, Germany, and Gyorgy Magisfalvi, Hungary.

The Y-Teens of the Columbus metropolitan area are sponsoring the annual semi-formal "Fall Fantasy" dance, on Friday, Nov. 18, at Valley Dale. A contest is being held among the participating schools to see which Y-Teen group can sell the most tickets. The winner will get a trophy.

Square dancing has become a popular pastime for Eastmoor students. The gym classes conduct square dancing and the Square Dance Club, a new group, is in full swing. Advisors are Mr. Courtney and Mrs. Barlow. Records for this activity are purchased by the school from the Square Dance Assoc., Freeport, N.Y. Ed Durlacher gives the instructions and is accompanied by "The Top Hands".

The Statehouse Convention on Education, Columbus section, will be at Eastmoor High School on Thursday, Nov. 17. About 500 prominent citizens and educators will attend. Speakers are Dr. Harold H. Eibling, superintendent of schools; Dr. Earl C. Metz, professor of education at Capital University, and Paul R. Lang-Education.

WINDOW SHOP IS NEW FEATURE

SHOP-WITHIN-A-SHOP is a new feature of the Evans and Schwartz Great Eastern Shopping Center store. Store Manager Don Smith says that "The Window Shop" gives customers a chance to see a wide selection of the stock on hand and they can browse all they like. The recently installed store at 862 S. Hamilton-rd has a wide variety of shoes for men, women and children. This establishment is one of four owned by the Evans and Schwartz firm.

cars can be seen standing idly along the sidetrack in two sentinel-like rows, 17 to a row.

Because the cars may accrue "flat" tires if left standing in one location too long, they are exercised twice a month.

The exercising consists of simply moving the cars out from their static position and returning them so that the wheels are resting in different positions.

Ask Chappelear why these dead cars for the dead are still being kept alive, in a manner of speaking, and his answer is:

"They are being held in readiness."

Eastmoor Heads For Title Tonight

Lions, Rams Aim For Wins In Finales

The big noise from an abbreviated high school grid agenda this week should come from Eastmoor tonight.

The Warriors tackle an old nemesis East at the local fort. A win will mean a city championship for the men of Bob Stuart.

Whitehall hopes to improve its standings in the CBL with a win over Worthington tonight, while Bexley ends its grid season tomorrow at a parents night tilt by hosting Delaware.

Riding the crest of a five game winning streak that shows no signs of ending in the Tiger duel, Eastmoor will be banking on the same backfield stalwarts that have pulled them through game after game all season long—Frank Stavroff, Jim Makar, Nick Cooper and Bob Benjamin.

Ever since the Central encounter, the Warriors have found the necessary momentum to carry them to the threshold of the city league throne. And since the Central game, they have been rocketing along at the average of a touchdown a period clip.

East comes into the fray sporting a not too glorious 2-6-1 record. Cincinnati Roger Bacon rode roughshod over the Tigers last week to the tune of 54-8 while Eastmoor was quenching North's zeal 46-20.

By the time the final gun goes off tonight, Eastmoor should have snared its second straight City loop crown. Only this year, it looks as if they will be sharing it with an equally aggresive Linden-McKinley squad, that has yet to lose.

Whitehall's Rams, striving to end the season on a better than .500 mark will bring a 4-4-1 record into the Worthington game tonight at the Ram den.

Plagued by injuries and an inconsistent scoring machine, the Rams hope to dislodge the visitors from their third place roosting spot.

Two weeks ago, the Rams exploded for a 29 point parlay against Delaware. Last week they were hard put to garner two TDs in a losing effort against Arlington.

By winning, the boys of mentor Jim Bline could conceivably move up a notch in the CBL standings.

Bexley, along with Delaware, are the doormats of the conference. Friday night's encounter at the Lion playground will be a battle to survive last place notoriety.

Ben Tenwalde's boys played one of their best games last week, from an "up" standpoint against deadly, but still unbeaten Urbana. The Lions, as so many times this year, just didn't have the horses to stand up to the Hillclimbers jauggernaut.

Even by winning, Bexley will end up with a 3-7 record, not as good as last year's output.

SPORTSMEN CLUB IN HIGH GEAR

THIS IS HOW IT'S DONE—Jonas Rosenthal (left), president of the Jewish Center Sportsmen Club, gives instructions on the finer points of fishing to junior sportsman Jeff Solove. The combined activities of the Center's adult Sportsmen Club and the Junior Sportsmen Club — are now going full force. Interested persons are invited to visit the Center.

HARTLEY LACED

East Grid Teams Lose Four, Win One As Season Nears End

LIONS, RAMS DOWNED

Eastern area high school teams, to put it mildly didn't fare too well against its opposition last week.

With the exception of title-minded Eastmoor, all of the other elevens came in for resounding defeats.

The biggest blast was taken by Bishop Hartley.

Unable to cope with unblemished Watterson's sterling ground game and the four rampaging touchdown runs of the Eagles Frank Biancone, the Hawks bowed and scraped he dirt while undergoing a 64-0 shellacking.

Even so, mentor John Murphy could point to his sustaining record of never having a losing season. Murphy, who coached the Watterson contingent last season, brought the Hawks to the end of a long gridiron road with a respectable 5-4 record—a long way from the no win, everyone lost status of last year.

The only team among the losers that came away from what could be termed a respectable loss were the Cardinals of St. Charles.

Although they managed to dent the Lima Catholic line for 12 touchdowns to the victors five, the Cards were unable to register in the scoring column for the second straight week as they succumbed to a 12-0 lacing

The Cards closed out the season on a 44-1 tally.

Arlington started out strong and kept getting stronger as the Golden Bears routed Whitehall 34-14 to keep slim chances alive for the CBL diadem.

The Bears struck for two first quarter touchdowns, added a pair more in the second period and an extra six pointer in the third canto before calling it quits.

The Rams two TDs were notched in separate periods in the second and third quarters. Whitehall added a safety in the final period.

At Bexley it was just a case of just too much Urbana and not enough Lion. For the first half the game was a close affair. Urbana managed to dent the Lion goal line only once.

But the Hillclimbers took off in the second half and left the Lions pawing up the hill behind them. The final: Urbana 30; Bexley 14.

Eastmoor scored in every quarter to down North 46-20 to climb within touching distance of the city league crown.

Frank Stavroff was clicking, Bob Benjamin was running, and Jim Makar was plunging as the Warriors worked like a clock to tick off their fifth victory in a row.

Local Girl Wins Track Meet Event

The Columbus Jewish Center took first place in a recently held International Athletic Air-Mail Meet, girls' age 13 division, through the efforts of Cheri Papier, 1023 S. Remington-rd.

Cheri placed first in the 50-yard dash and the standing broad jump (long), giving the center all 14 points in the division to beat out the Memphis Jewish Community Center by two points and the YM and YWHA of Israel by seven points.

The Columbus Jewish Center placed sixth in the boys' 11 and 12 age division in the 200-yard shuttle relay through the efforts of Joe Blazar, Jeff Handler, Larry Paine and Ron Stein.

In this division, first and second places went to the Max Straus Center of Chicago, Ill.; third and fourth to the Memphis Jewish Community Center, Memphis, Tenn.; and fifth place to the Jewish Community Center of Detroit Mich.

Participants of the 1960 International Air-Mail Athletic Meet, sponsored by the World Federation of YM and YWHAs and Jewish Community Centers, were Centro Deportivo Israelita of Mexico; Maccabi Association of London, England; Golders Gree Jewish Youth Club of London, England; YM and YWHAs of Israel, Jerusalem; and Jewish Centers in the United States in Memphis, Tenn., Baltimore, Md., Paterson, Hackensack, Teaneck and Bayonne, N. J., Chicago, Ill., Detroit, Mich., Miami, Fla., Omaha, Neb., Canton and Columbus, Ohio.

Jewish Center Plans For Basketball Leagues

Co-chairmen Irvin Gold and Mendy Snyder have announced that registration for the Jewish Center Boys' Basketball Leagues will be held Sunday, Nov. 20, from 2 to 5 p.m.

Registration is required for all boys who are Jewish Center members and wish to play in one of the three programs: Junior Jets, 9 year olds; Little League, 10 and 11 year olds, and Pony League 12, 13, and 14 year olds.

Idle Hour GUIDE

Entertainment . . . Television . . . Radio

Fighter And Manager Find That 'Heaven Can Wait'

Some of the top talent available in TV drama will be brought together on the Show of the Month presentation "Heaven Can Wait," on Channel 10, Wednesday, Nov. 16, at 9:30 p.m.

Anthony Francioso, Robert Morley, Wally Cox and Joey Bishop have signed to star in the 90-minute comedy.

Francioso will play Joe Pendleton, a prize fighter who wins fame and fortune on earth through heavenly intervention. His benign but unearthly benefactor, Mr. Jordan is played by Robert Morley.

Wally Cox, formerly of "Mr. Peepers," fame, will be Messenger 7013, the not-too-helpful assistant for Jordan. Joey Bishop portrays Pendleton's very earthy and confused fight manager.

Since Franciosa's last TV appearance, more than four years ago, he has become a motion picture star, remembered for such films as "Career," and "A Hatful of Rain."

By "The Influential Americans," used as title of a CBS special, the writers mean the teachers of America.

Dr. Francis Keppel, Dean of the Harvard Graduate School of Education, and Philip Coombs, Director of the Education Program of the Ford Foundation, will be interviewed on the show, set for Channel 10, Sunday, Nov. 13, at 9 p.m.

The theme will be that quality teachers are the prime requisite for quality education. Keppel will discuss the need for and the means of recruiting top-notch liberal arts graduates.

He will describe the "team-teaching" experiment at Lexington, Mass., which has been claimed to have led to more efficient and better methods of teaching.

Coombs will highlight other means by which the country can try to solve its growing teacher shortage. He will advocate a tradition-breaking reorganization of schools and of classrooms.

On the scene reports of other educational experiments will be shown. Included will be foreign languages taught by electronic equipment, class size determination based on need, liberal-arts graduates beginning to teach a few days after leaving college, and Airborne TV instruction.

Channel 4 has set Friday, Nov. 11 as "Color TV Day" and will telecast 11 shows that day in color. This will total to over eight hours of color entertainment available.

Truman Capote's romantic fantasy "The Grass Harp" will be the Play of the Week at 11 p.m., Saturday, Nov. 12.

This is the story of two sisters with different concepts of life and stars Lillian Gish, who will be making one of her infrequent TV appearances, and Carmen Mathews.

On Friday, Nov. 11, Channel 4 will commemorate Veteran's Day with the Telephone Hour presenting "And Freedom Sings."

Burgess Meredith will be the host and narrator of this musical offering. Alfred Drake will portray the "American Soldier," and four different girls will be "The Girl I Left Behind Me." Mindy Carson will be the Colonial Maid.

Barbara Cook will be the belle in the Civil War. Genevieve will be the French Mademoiselle in World War I, and Gisele MacKenzie will portray the GI's sweetheart of World War II. Joining in the celebration will be the West Point Glee Club.

The Twentieth Century will present a study of the past 32 presidents and the changes and impact wrought by each on the nation. Called "The White House Story," this chronicle will appear at 5:30 p.m. Saturday, Nov. 12, on Channel 10.

Vital national issues will be discussed on a new show premiering on Channel 4, Saturday, Nov. 12, at 9:30.

In the first program of this series, nuclear scientists Dr. Edward Teller and Dr. Leo Szilard will discuss whether disarmament is possible or desirable. They will debate the issue, and then answer questions from other outstanding scientists, the press and the public.

The Ernie Ford Show, Thursday, Nov. 10 at 9:30 p.m. on Channel 4, will originate from Edwards Air Force Base.

Ernie, who spent four years with the Air Force during World War II will stage his show outdoors on the flight line in front of a hanger that covers four acres.

Henri Honegger, noted Swiss 'cellist, will give two free concerts at Mershon Auditorium, Sunday, Nov. 13, at 3 p.m., and Monday, Nov. 14, at 8 p.m.

His guest-soloist appearance is sponsored by the School of Music and both programs are free to the public. He will play the six unaccompanied violincello sonatas of J. S. Bach, three at each program.

Satire will be the bill for the evening of Nov. 16, when Anna Russell, concert comedienne, appears as the celebrity of the evening at Mershon, on the OSU campus.

Church To Hold Farewell Tea For Ryberg Family

A farewell tea for Rev. and Mrs. Ralph Ryberg and family will be held Sunday, 2 to 4 p.m. at Reformation Lutheran Church, sponsored by the United Church Women of the congregation.

At the 9:30 and 11 a.m. worship services this Sunday, Rev. Ryberg will preach on "Unforgettable Words of Jesus," based on the farewell words of the Apostle Paul to those at Ephesus, recorded in Acts 20:35b.

Rev. Ryberg, mission developer and first pastor of Reformation Church, will leave for his new post as pastor of Mt. Moriah Lutheran Church, Anna, Ill.

St. Paul Plans Revival Services

Evangelistic services will be held at St. Paul Methodist Church, 3007 E. Sixth-av, from Sunday, Nov. 13, through Nov. 20.

Rev. William E. Ballinger, pastor of the church, will conduct services each evening at 7:30 except Saturday. Public is invited.

Sister Marie Dies At 42

Sister Marie of St. Joseph, one of the six nuns who founded the austere Carmelite order in Columbus 13 years ago, died last Saturday in St. Anthony Hospital following a stroke.

She was 42 years old and had been a nun for 20 years.

Five years ago, Sister Marie became ill with cancer, but recovered after surgery.

Sister Marie had two sisters who are nuns and a brother, Maurice, who is a priest at Mariapolis, Manitoba.

He celebrated the Requiem High Mass for his sister last Tuesday at the Monastery Chapel.

Burial was in St. Joseph Cemetery by the Egan-Ryan Co.

youngsters from having to walk along the road to and from school.

"What we would like," he said, "is to have sidewalks installed along both side of Courtright-rd." The walks would serve as a safety factor for the youngsters and at the same time help to alleviate drainage problems in the area, Tabor said.

He also mentioned that it would be a good idea to install some kind of a warning signal in the vicinity of Roosevelt and Courtright-rds, notifying drivers that a school was in the area.

Hopkins, too, has agreed that Courtright-rd is a narrow one for the pupils to try and navigate.

St. Edwards—

$3100 will be put to work for the diocese, Rev. Moody said.

The St. Edwards congregation consists of churchgoers from the Whitehall, East Columbus, Reynoldsburg, Gahanna, Groveport and Lockborne areas.

The church was formed just six years ago with 25 members.

Old Farmer's Almanac Says Cold Winter Ahead

I'm just another old farmer who's been looking forward to what the Old Farmer's Almanac would have to say about the winter ahead . . . and here it is . . . "colder than last year and slightly colder than average," so get out your longies and you might check on your snow treads, too, cause we are to have 52.5 inches of snow.

Printed since 1792, the Almanac has had a very unusual record of calling the shots on the weather. One man in a big New York advertising agency even has written in to say thanks because he has married off four daughters in four different years on sunny days just by following the advice of the Almanac.

And you might want to know what is ahead in 1961. Spring will be early and summer will be, on the whole, rainy, but not break any heat records, while next fall will be warm and excellent vacation weather. So you see, we have a lot to look forward to!

Under the secrets of the Zodiac I learn to my surprise that belonging to Capricornus, as a high jumper or skier I'd do well. Now ain't that a revoltin' development! I'd much rather spend such free time with a fishin' pole in hand!

Worth Reprinting—

"The United States today is suffering from governmental elephantiasis. The federal government is, among other things, the largest electrical power producer in the country, the largest insurer, the largest lender, the largest borrower, the largest landlord, the largest holder of both grazing and timber lands, the largest owner of grain, the largest ship owner, the largest truck fleet operator. For a nation that is the world exponent of private enterprise and individual initiative, this list is both amazing and alarming.

Eastmoor Hosts Education Conference Today

One hour after Eastmoor High School students depart for home today, some 500 citizens and educators will convene in the auditorium for a State House Conference on Education.

School is due to terminate at approximately 12:30 p.m. according to principal T. H. Mayer. Eastmoor is scheduled to host the conference starting at 1:30 p.m. with registration procedures.

Formal activities are scheduled for 2 p.m. in the school auditorium.

John E. Nippert, chairman of steering committee in charge of the local program, stated that two major questions will come under discussion: "What do we want from our schools? and "How do we get what we want?"

In addition to making recommendations relating to these questions, participants will select delegates to attend the state-wide conference to be held in Columbus next January.

Every school district in the state has been invited to hold a local conference and to select delegates for the January conference.

Invocation will be given by Rev. Robert J. Butz, of the Eastminster Presbyterian Church. Daniel W. DeHayes, president of the Columbus Board of Education; will greet the assembled laymen and educators.

Dr. Harold H. Eibling, Superintendent of Columbus Schools, will address the group on "The Public Schools in Perspective."

Dr. Earl C. Metz, professor of Education at Capital University, will speak on the topic of "School Program and School Staff."

Paul R. Langdon, vice-president of the Columbus Board of Education, will talk on the matter of "School Facilities and School Finance."

Those assembled will convene into groups at 3 p.m. for discussion purposes.

At 3 p.m. participants will divide into 20 discussion groups so that everyone in attendance will have an opportunity to be heard.

Following dinner in the Eastmoor cafeteria, participants will attend a second general assembly, at which time Dr. John H. Herrick, executive director of campus planning at Ohio State University, will summarize the recommendations submitted by each of the 20 discussion groups.

Whitehall, Bexley, Eastgate

Area Masonic Lodges Elect New Officers

Three area Masonic lodges elected oficers for the coming year in ceremonies last week.

New worshipful master of Whitehall Lodge No. 761 is Julian F. Benton, 773 Westphal-av. Benton is claims director for the Retail Credit Company, and is a past master of Muskingham Lodge, Foultonham, Ohio.

Joseph H. Williams has been chosen as worshipful master of the Bexley Lodge and L. J. Raymond will head the Eastgate Lodge as its new worshipful master.

Other officers of the Whitehall Lodge are Ralph W. Bird Jr., senior warden; Arthur S. Fink, junior warden; Lester Ballinger, treasurer; Glenn Cook, secretary; Glenn Clark, senior deacon; Robert Breining, junior deacon; Al Hallas Sr., tyler, and Max Graf, three-year trustee.

Benton

Earl Johns was appointed to the post of chaplain, and James Black and Aaron McDermott Sr., received the appointments of senior and junior stewards, respectively, at Whitehall. Installation of lodge officers will be Nov. 22. Outgoing worshipful master is Max Graf.

Additional officers of Eastgate Lodge are R. L. Gooding, senior warden; C. E. Rector, junior warden; I. R. Lynch, secretary; D. C. Heald, treasurer; William R. O'Morrow, senior deacon; Paul H. Ward, junior deacon; C. H. Vernon, senior steward; J. L. Allen, junior steward; Dug Long, chaplain, and Ray Gooding, tyler.

Eastgate officers were installed Tuesday, Nov. 15. The installing officer was James J. Harbage, past grand master of the Grand Lodge of Ohio. He was assisted by John Webb, marshal, and Harry Collins, chaplain. All three are past masters of Eastgate Lodge.

Others elected in the Bexley Lodge are Carl E. James, senior warden; Richard J. Bull Jr., junior warden; John B. Marshall, treasurer; Paul H. Steen, secretary; Webster L. Davis Jr., senior deacon; Louben Yanevich, junior deacon; James Alexander, tyler, and Francis J. Howard, trustee. Appointed officers have not been made.

Special Services Set By Ministers At Whitehall

The Whitehall Ministerial Association will have its Union Thanksgiving Service at the East Baptist Church on Wednesday, Nov. 23, at 7:30 p.m.

Rev. Marcus S. Buehrer, pastor of the Grace United Church of Christ (Evangelical and Reformed), will deliver the message. Other area ministers in the service are Rev. Francis McCarty, East Baptist Church; Rev. John Moody, St. Edward Episcopal; Rev. James Foster, Eastview Methodist; Rev. Mervin Hess, Shady Lane Presbyterian; Rev. Joseph Hunt Walnut Heights Baptist; and Rev. Lloyd Tuttle, Whitehall EUB.

The combined choirs of the East Baptist and Whitehall Evangelical United Brethren Church will furnish the music. The offering will be given to the Columbus Area Council of Churches Chaplaincy Ministery

Two School Districts Plan Joint Session

Two school districts appear to be on their way to a pooling of information in a mutual assistance effort in regard to cases pending before the Ohio Supreme Court.

Whitehall and Worthington school boards are arranging a joint meeting to discuss alternatives and positions in cases involving Columbus-annexed schools, Whitehall Superintendent Robert Crabbs reported this week.

Crabbs said that no definite date has as yet been set for the session, adding that he is "not sure we will have one."

Crabbs said the two boards, if they do get together, will probably exchange information that could assist "either or both districts." Items to be discussed, he said, would probably center around events that have transpired and the respective districts' defenses of positions.

Crabbs said that the Whitehall boards would like to be able to replace the facilities lost through annexation some time ago.

The Courtright Elementary School, formerly in the Whitehall system, and a Sharon Township school, formerly part of the Worthington system, are both now in the Columbus system through annexation efforts.

Crabbs said that the two districts situation is parallel to each other in that both "had more students who resided in their respective districts than who lived in Columbus at the time of annexation."

Crabbs also related that there "exists an apparent need for additional slow learning classes in Whitehall." He said that at the present time the system contains three slow learning classes. State law, Crabbs said, permits a maximum of 18 students to a slow learning class.

The board feels that the total number of slow-learners is on the increase and that another section will have to be added after the first of the year.

The activity fund at the high school, the board learned, contains a balance of $7,230. Crabbs also said that slightly more than 100 persons had enrolled in night educational classes.

"With deep regret" the board accepted the resignation of Robert Wachsel, instrumental music director at Rosemore Junior High School. He is taking a job in industry.

Music Director Warren Wesler was given leave to attend the Midwest Band Clinic at Chicago in mid-December.

The board accepted the resignation of Mrs. Hazel Freeman, a cook at the high school, and hired three part-time workers for the cafeteria: Mrs. Mary Schaeffer, Mrs. Ada Henson and Mrs. Ruth Haas.

Community Dance Is Friday Night

A community dance is slated for Friday, Nov. 18, at Whitehall-Yearling High School from 7:30 to 11 p.m.

The city's new recreation director, George Chamblin, said that those attending should be attired in semi-formal wear.

Garnon Offers 'Cooperation' To State Office Site Seekers

By John Poeppelmeyer

One of Whitehall's newest councilmen has jumped straight into the Columbus state office site muddle and at the same time has offered a challenge to the larger metropolitan entity from the smaller community under the guise of partisan political cooperation.

On the state office building location, Democrat solon Robert Garnon thinks that Whitehall would be a good spot for a state office building to settle down. He said that he is willing to check into the possibility of such an arrangement.

Noting that Columbus has been stumbling around on where to locate a state office building site, Garnon, Tuesday night, threw the suggestion out at the close of council session.

He pointed out that "our situation is much like that of Columbus. We have a Republican Mayor and a two party council, the same as they do. I think that we can show them that we can cooperate" on such a venture.

Garnon also mentioned the possibility of bringing a municipal court into Whitehall. He said such a move was feasible. Both the state office site and the municipal court suggestions came after Garnon was elected to the council president protem post.

Another question popped up in council chambers when Richard Hyatt wanted to know where the auditor and treasurer reports were.

He told council president Walter Siemer that he thought it was understood that the officials were to appear or send in reports at least once a month.

Clerk Louise Varvel related that the two had been notified accordingly. Siemer told Mrs. Varvel to send the auditor and treasurer reminders.

Hyatt also said that he had heard from numerous people that were against improvements along Westphal-av.

Ray Shipely reminded Hyatt that the ordinance to improve the street had already been passed and in order to stop the project the resolution would have to be repealed by council. Hyatt said he estimates that 60 per cent of Westphal residents are against an improvement.

Service Director Robert Mickey suggested council wait until an ordinance to proceed comes before the body and then it could be turned down.

Siemer agreed with the Mickey recommendation, but Loren Mason interjected that he wanted to know why and where Hyatt received so many letters on the improvement. He said that Hyatt was the one who originally pushed the project.

Siemer tempered the situation down by delving into another ordinance reading.

The Yearling-rd improvement was tabled for 27 days upon the request of Mason who deemed it necessary that more study be given to the matter.

Council authorized the hiring of an architect for the city hall commission at a salary of six per cent of the final cost of

Bids Let For Walnut Ridge High

Bids totaling $1,633,399 have been let for construction of the Walnut Ridge Junior-Senior High School by the Columbus School Board.

The action came Tuesday on the East Side's soon-to-be educational facility near the corner of Livingston-av and Lattimer-dr.

Classroom doors are expected to open next September with a capacity of 1500 students.

According to the board, the construction figure is the same basic one that it cost to erect Eastmoor High School five years ago.

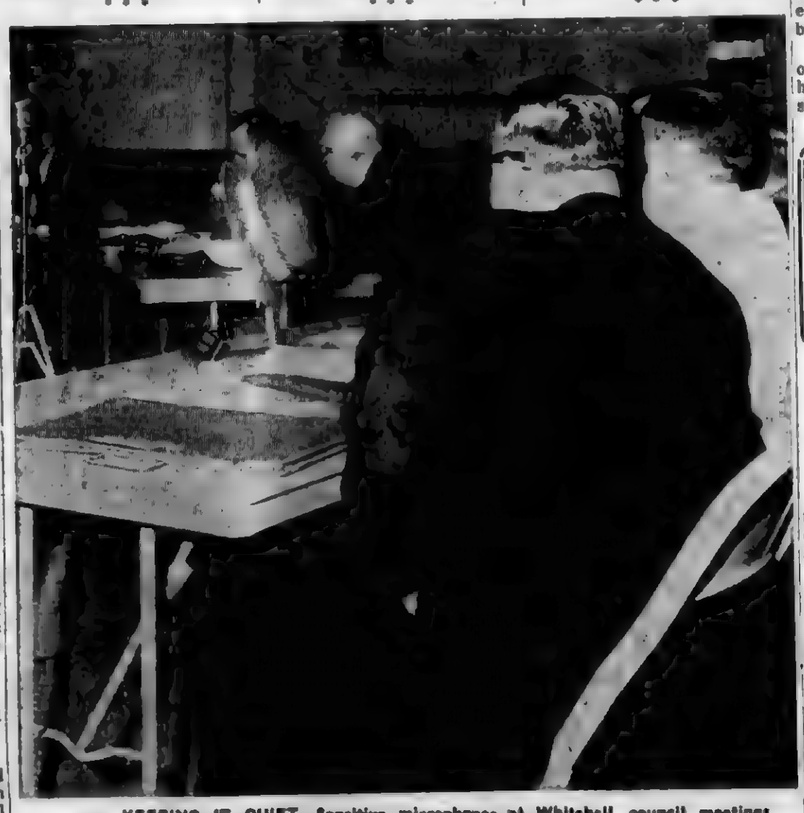
The general contract went to Kent Brothers Co. of 22 E. Gay-st.

According to Superintendent Harold H. Eibling, it will cost $37,000 for each classroom of the new high school, which he termed as being well below the national average.

Whitehall Church Holding Revival

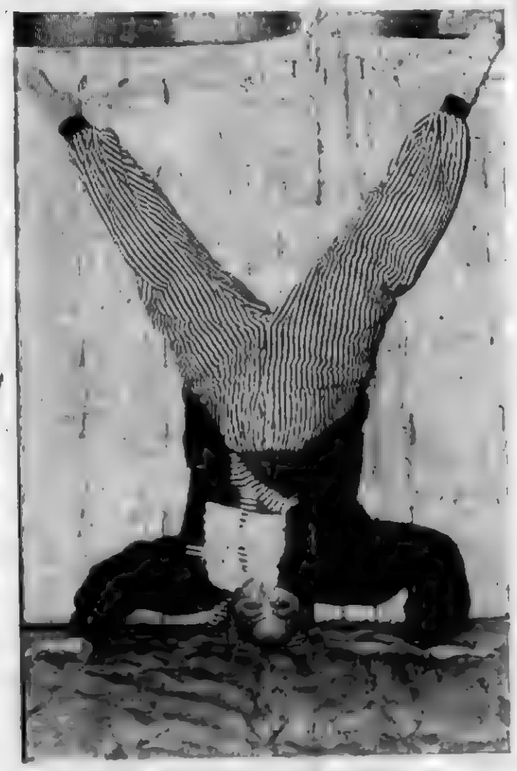
Revival services will be held Wednesday, Nov. 16 through Sunday, Nov. 27 at Whitehall Church of the Nazarene, 735 S. Yearling-rd.

The meetings, conducted by Rev. Carl S. Nutter of Parkersburg, W. Va., will begin at 7:30 each evening.



Song leader will be William Strehle of Stoutsville. Rev. C. W. Brown is pastor.

Finds Pianos Aplenty



It was her choice—price and piano were just right.

Mrs. D. E. Will, 283 Cemetery-rd, Hilliard, found the response all she hoped for when she advertised for a used piano in Hartley Newspapers' classified section. She had many calls offering pianos priced from $10 to $400 for her selection.

KEEPING IT QUIET—Sensitive microphones at Whitehall council meetings have a habit of picking up stray wisps of conversation, even when talk is whispered. Solicitor James Maxwell, at a recent session, came up with a novel idea on the old "keep it under your hat" statement. Here he is seen conferring with Service Director Robert Mickey in privacy in a public meeting place.

FROLIC CLOWN

DOWN UNDER—Here's a sight that may greet "Fun Frolickers" eyes at Etna Road School Friday evening. Mrs. Audrey Tacker (don't you recognize her?) will be the picker lady at the affair, ready to hand out trinkets to the kiddos. Dinner is slated from 5:30 to 7:30; the frolic from 6 to 10 p.m. Mrs. Tacker? She'll be around all night.

Bexley Solon Garshelis Resigns

Long time Bexley councilman Carl Garshelis submitted his resignation at Tuesday night's council meeting. He was succeeded by W. O. Schoedinger, of 131 N. Roosevelt-av.

Garshelis was serving his second term on the legislative body, according to Mayor William Schneider. The mayor said that Garshelis moved to Akron Monday.

Schoedinger, his replacement among the Bexley solons, is the vice-president of the F. O. Schoedinger Co. He will fill Gershelis' unexpired term extending until next November's election.

In a short business session council heard a request from a MacDonalds' drive-in representative to rezone a tract of Livingston-av between Francis and College-vs avs to commercial. Council, not too long ago, turned down a request by a florist who sought rezoning along the same site.

Mayor Schneider reminded council that a public hearing will take place at the next council date, Nov. 29, for a discussion on the rezoning of a tract along E. Broad and Merkle-rds for the offices of the United States Trotting Association.

The association seeks to construct a $450,000 office site on the premises.

Football Rule Expert, 'Irish' Krieger, Dies

E. C. (Irish) Krieger, the nation's "dean of football rules," died last Thursday in his East Side home, 127 S. Dawson-av.

He was stricken by a heart attack. He was 64.

Active in athletics for four decades, he had gained national prominence for his work in interpreting football rules, for which he earned the title of "Mr. Football Rules."

He wrote several books on rules and officiating, including a question-and-answer rules book used widely by officials as a handbook.

Krieger was a Big Ten football and basketball official for a quarter of a century before his retirement in 1953.

Since then, he has devoted much of his time to rules interpretation and supervision of Big Ten officials.

He was a member of the National Collegiate Athletic Association and its National Football Rules Committee.

A native of Columbus, he was graduated from North High School where he was captain of both the football and basketball team.

In 1920 he was graduated from Ohio University and served as head football coach at Bowling Green State University in 1921. His team compiled a 3-1-1 record, including a 151-0 defeat of Findlay.

He also served as freshman coach at Ohio University and line coach at the University of Tennessee.

Kreiger was secretary of the Krieger Lincoln Mercury Co. His son, George A., is president. He was also an agent for Sun

HELP OPTIMISTS HONOR OUR YOUTH

This week, Youth Appreciation Week, more than 1,800 Optimist clubs in the United States and Canada are paying special tribute to a muchly maligned group — our teenagers.

You may be saying to yourself and unfortunately you won't be alone, "Why honor a bunch of deliquents!" Why pay special attention to a lot of junior criminals? And who appreciates 'em, anyway!"

Perhaps this will explain why, and even who. Statistics and figures can be pretty dull, but at least they're concrete and if you're the type who "has to be shown" in black and white, then Optimist might be able to convince you of the credibility of their program of youth appreciation.

Stop and think for a moment how many teenagers there must be on the North American continent. Did you know, though, that out of the millions of youngsters that surround us, only five per cent actually come into contact with the law?

Now too many of us would condemn an entireadult profession because a small percentage of it members failed to live up to society's goals. Why, then accuse 95 per cent of the younger generation when so comparatively few of them have gone astray.

We may not realize it unless we come into frequent and close personal contact with them, but teenagers do just as much worrying as their parents do. They worry about being accepted and they bother about whether or not they're doing well. That 95 per cent majority mentioned a minute ago really doesn't have much cause to worry. The record proves it.

Some youngsters are managing school and part-time employment, and doing mighty fine at both. They're studying and working because they know that the future is up to them and that it will be exactly what they make of it.

The majority of our youngsters are off to a pretty good start in their journey towards tomorrow. How about giving them a rousing send-off during Youth Appreciation Week.

FARM-CITY WEEK APPLAUDED

A special effort will be made nationally during the coming week to develop better understanding between agriculture and those making their living in other occupations.

During "Farm-City Week" which will be observed Nov. 18-24, many farm families have invited a city family to spend the day with them. Farm groups also are cooperating with organizations in the city in promoting the event.

In a time when everyone is dependent on others for his well-being, it is common sense that the best understanding between different groups is highly desirable. Farms could not operate without the help of industry and Labor. City people could not live if they did not have the food and fiber farms produce in abundance.

It behooves each of us during Farm-City Week to make a special attempt to review the other side and develop a clearer understanding.

READY FOR THANKSGIVING FESTIVAL

WITH ALL THE TRIMMINGS—Preparing for the Pinecrest School Thanksgiving Festival to be held Friday, Nov. 18, from 4 to 9 p.m. are, from left, Robert Beckett, Mrs. Jack Moore, Mrs. George Karatzou and Ralph A'Harrah. There will be entertainment, games, movies, fortune telling, cake walks, and refreshments. Everyone is invited. Proceeds will be used to buy books for the school library.

Whitehall Students To Try For Scholarships

All 1962 graduates of Whitehall-Yearling High School who wish to enter the 1961-62 National Merit Scholarship competition should register now at the school office, Austin Peel, principal, announced yesterday. The National Merit Scholarship Qualifying Test will be given at 9 a.m., Tuesday, March 7, 1961 (or Saturday, March 11, 1961).

To be eligible for the test, Whitehall-Yearling students must be second-semester juniors or first-semester seniors at the time of the examination. Students must pay a $1 fee on the day of the test. Any interested student who is unable to pay the fee should consult Peel.

The tests are given each year by the National Merit Scholarship Corporation as part of the nation's largest independent scholarship program.

Awards are granted on the basis of intellectual merit, but student financial needs determine the size of individual stipends, which are renewable each year without further testing.

The NMS exam, administered by Science Research Associates of Chicago, also is valuable to students for selecting their careers or planning their courses in high school and college, Peel said.

After the test, each participating student will receive an interpretive folder that reports individual test results for comparison with scores of high school students across the country. Thus, Peel said, students may learn their educational strengths and weaknesses — whether or not they plan to attend college.

Civitans Slate Electronic Demonstration Friday Night

Members of the Eastern Civitan Club and three other service organizations will be in store for an unusual offering Friday, Nov. 18, at 7:30 p.m. at the Officers Open Mess at Columbus General Depot.

Ralph T. Riefenstahl, of the Cleveland office of the Bell Telephone Co., will be on hand to explain and to illustrate the changing needs of defense and communications systems "from the time of Paul Revere to the satellite age."

By use of electronic demonstrations boards, he will trace a simulated attack by an unidentified aircraft from its detection to its destruction.

A complete briefing by a staff officer at NORAD, in Colorado Springs, will be given the audience via long distance telephone and loud speakers.

Service organization officers to witness the program will be Mr. and Mrs. Bart Bare, of the Quartermaster Association; Mr. and Mrs. William Mnich, of the Eastern Civitan Club; Mr. and Mrs. Jack Packard, of the Armed Forces Community Relations Council.

Repesenting the Ambassador Club will be Mr. and Mrs. R. C. Taylor and party,

General and Mrs. Harold Shaller, of the Columbus General Depot, and Col. and Mrs. L. O. Lassiter, of Lockbourne Air Force Base, are expected to attend.

A carborundum stone, coarse on one side and fine on the other, is useful for sharpening knives according to extension specialists at OSU. It will take longer and require more care than a mechanical sharpener.

STEPPING OUT

TB GOAL SET—Stepping out of the 1960 Christmas seal is John Laird, 260 S. Parkview-av, who reminds us to contribute for Christmas seals during this 54th annual campaign. For the third successive year, the Tuberculosis Society's goal is $200,000. Christmas seal caroler John is a member of First Congregational Church's Treble Choir.

MIKE REDDY'S HOLE IN HEART MENDS FAST

Mike Reddy, a boy who once had a hole in his heart, is right back in the thick of things.

According to his father, Mike's doctor termed the operation a success. One week after he came home from the hospital, Mike was outside tossing a football.

He was able to start school at the beginning of the fall term.

His dad says that Mike has grown a quarter of an inch and has put on eight pounds. He does not have to see his doctor for another year, his father said.

Mike is deeply grateful to all those who offered a kind word, thought or deed during his operation.

The Columbus Auto Club advises drivers always to pull completely off the highway when stopping to change a tire. If there isn't enough room on the shoulder move on slowly. It's better to lose a tire than lose a life. At night have a flare or flashlight handy to warn approaching traffic.

Town & Country Plans Big 'Gobbler Give-Away'

Merchants of the Town & Country Shopping Center, 3600-4000 E. Broad-st, will again this year express their appreciation to their thousands of customers by staging a unique pre-Thanksgiving event on Friday and Saturday of this week, labeled "Gobbler Give-away."

Starting at noon Friday, Nov. 18, a turkey will be given away by a drawing. From that time a turkey drawing will be held every 30 minutes until closing time Saturday night, Nov. 19. Approximately 500 pounds of turkey will be given away.

To be eligible to win, a person over 16 years of age need only fill in an entry blank and deposit it in any Town & Country store. No purchase is needed and it is not necessary to be present to win.

Beta Theta Pi Will Honor Social Service Director Kirk

William T. Kirk, New York, director of International Social Service and a graduate of Ohio State University will be the featured speaker and honored at a two-day celebration by Beta Theta Pi fraternity, Nov. 18-19.

WILLIAM T. KIRK

A recent subject for Ralph Edward's "This Is Your Life" program, Kirk heads an agency world-wide in scope which has succeeded in reuniting families and finding homes for displaced persons and orphans where disaster and conflict have made living intolerable.

On Friday, Nov. 18 Kirk will speak at the 22nd Annual Roundup of Ohio members of Beta Theta Pi at the Columbus Athletic Club. A Michigan-eve dance will follow the banquet for all alumni, active and pledge members of the fraternity. On Saturday he and Mrs. Kirk will take part in the 75th Anniversary of the founding of the Ohio State chapter at the chapter house, 165-15th-av. and also attend the football game.

John A. Jenkins, 3951 Lyon-dr and Joe J. Hardy, 1494 Berkshire are co-chairman of the celebration.

Help Christmas Bureau Help Needy Families

The call is out for "givers" to aid the Christmas Bureau to help needy families throughout Franklin County.

On the bright side, some 6896 families were helped last year with the aid of the Christmas Bureau, operated by the United Community Council. The purpose of the Bureau is to help more needy families by making sure Christmas donations go where they are needed the most.

Last year, because of duplication, 449 families in the county were "left out". Other deserving families were overlooked.

Those desiring to cooperate with other givers call the Christmas Bureau at CA. 8-5696.

Pheasant Population Unhurt By Longer Hunting Seasons

Longer pheasant seasons do not hurt the pheasant population, game biologists of the Ohio Division of Wildlife stated, in commenting on the coming upland game season.

This year Buckeye gunners will enjoy a 26-day pheasant season on private lands, minus three Sundays, when hunting is not permitted. This is double the length of the Ohio pheasant season even 10 years ago.

How was this possible? Biologists have found that it is impossible to shoot out cock pheasants under present seasons and bags. This has been proven in numerous tests throughout the pheasant range. There are always enough cock birds the following spring to assure a mating.

Actually, there is usually heavy pheasant hunting during the first day or two of the season; then it slacks off considerably. As cock pheasants become more wary and harder to find, hunters lose interest and quit hunting them, so it is almost impossible to kill that portion of the fall production which could safely be harvested.

Longer seasons encourage the few dedicated pheasant hunters who seek this brightly-colored game bird to keep after them and a more complete harvest is achieved.

Actually, for many years game biologists have recommended longer hunting seasons on cock pheasants. The Ohio Wildlife Council declined to liberalize for several years for fear of opposition from landowners.

On public hunting lands, a 61-day pheasant season is permitted. Even here there are more than enough cock birds left at the end of the season to assure brood stock, according to pheasant surveys conducted on these state-owned lands following the close of the hunting season.

Columbus Eagles Plan For Roast Beef Dinner

A roast beef dinner, with an evening of entertainment to follow is planned for Sunday, Nov. 20, starting at 5 p.m. by the ritual and drill teams of Columbus Aerie of Eagles No. 297, at 771 N. High-st.

The dinner is open to all Eagles and their families. Donations are one dollar for adults and 75 cents for children.

Thieves Enter, Rob May Home

Thieves got away with two wall grandfather clocks, an antique piano stool and a collection of 1000 insects from the home of Fay May, 40 Broadwyn-dr, sometime last week, Reynoldsburg Police reported Wednesday.

Chief Charles Fine stated that a $50 reward will be given for the apprehension and conviction of those responsible.

BancOhio Gives Extra Year End Cash Dividend

Director of BancOhio Corporation, 51 N. High-st, have declared the regular quarterly cash dividend of 40 cents per share, an extra year-end cash dividend of 15 cents a share, and a six per cent stock dividend, Derrol R. Johnson, president, announced this week.

The cash dividends are payable on Dec. 23 to shareholders of record on Nov. 28, and the stock dividend of six per cent is payable to shareholders of record on Nov. 29.

With the cash dividend declaration by the board, cash payments to shareholders for 1960 will amount to $1.75 per share for a total of $1,731,668.75.

The 22 banks affiliated with BancOhio Corporation operate 53 banking offices in Central and Southern Ohio communities and represent more than $700,000,000 in total resources.

CIVI-TOTS MEET MAYOR

BOOST CAKE SALE—Two "Civi-Tots" from the Civitan clubs of Columbus called on Mayor Westlake to get civic backing for the service clubs' annual thru-the-holidays fruitcake sale going on now to finance year-round charity projects. An honorary member of the West Civitan Club, Mayor Westlake welcomes Karen Packard, 4390 Chandler-dr, Whitehall, daughter of Jack Packard, chairman of Eastern; and Cecelia Young, 405 Old Village-rd, daughter of Harry Young, West Civitan. Three established clubs and Northeastern, which chartered Nov. 12, work for better citizenship, aid to retarded children, youth and senior citizens.

Heart Fund Bowling Tourney Under Way

Competition in the 4th Annual Heart Fund Bowling Tournament is now underway at all bowling houses in the Franklin County area.

Harold E. Metzger, tournament chairman, said that a record number of entries is expected for the week-long contest which continues through Saturday, Nov. 19.

"Keglers may enter the tournament as often as they roll in league competition this week. If he rolls in two or more leagues during the week he can enter the tournament each time, thus increasing his chances to cop a cash prize."

All bowlers have an opportunity to win, he added, because winners are to be selected on the basis of the number of pins they down over their established league averages in a three-game series. County-wide winners — the man and woman rolling the highest scores — will each be given a trophy, donated by Southern Bowling and Billiard Supply Co.

Seventy per cent of the money contributed n the form of entry fees by the bowlers wll be used to support heart research. Thrty per cent will be set aside for tournament prize money.

The entry fee is $1. Entry blanks are available at all local lanes.

Six Classes To Compete In All-Breed Dog Show

Central Ohio Kennel Club will hold its 18th Annual All-Breed Dog Show and Obedience Trial Sunday, Nov. 20 at Veterans Memorial, 250 W. Broad-st.

The show, a benefit for the Council of Retarded Children, will get under way at 9 a.m. and will run through 7 p.m.

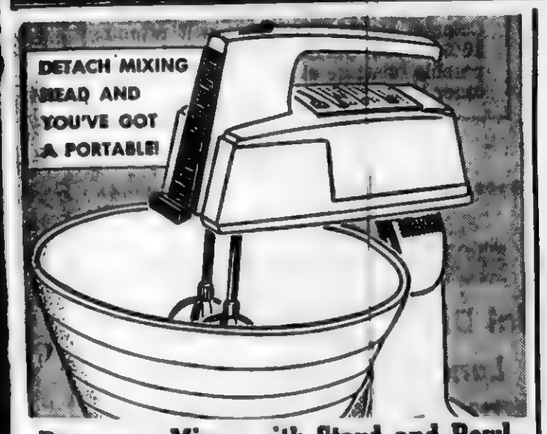
Trophies and ribbons will be awarded winners in six classes, including sporting, hound, working, terrier, toy, and non-sporting. Tickets (90 cents) may be purchased at the door, and children under 12, accompanied by any adult, will be admitted for a quarter.

Maxwell Riddle, nationally known columnist, will lecture and show his latest movie "Around the World with Dogs" on the Saturday prior to the show at the Virginia Hotel at 8 p.m. The public is invited to the free event.

Area residents actively participating in the show are Louise Ackerman, 4396 Brightrd, Dublin, German shepherds; Joyce Alspach, 2680 Wellesley-rd, collies; Mrs. William J. Butler, 4525 Lockbourne-rd, Shetland sheep dogs; Mrs. Albert Greene, 420 McNaughton-rd, poodles; and Roberta Fischer, 233 S. Westgate-av, poodle. Herbert F. Miller is president of the Kennel Club.

Attends CBS Oval Championships

CBS Park Speedway drew one of the largest crowd of karts and spectators of the season at their 1960 championship race Sunday, and put on one of the finest shows of the season.



With karts and drivers from all over Ohio and neighboring states sharing in the trophies, the highlight of the day was the entry of the almost forgotten single A karts.

An even 20 showed up and 29 single B's. All events had more than 14 karts except the powder puff and the Junior B's.

There were no karts smashed up and no one even scratched.

Ziegler-Ryle Marriage Ceremony Is Held At Corpus Christi Catholic Church Nov. 12

MRS. JAMES BRENDON RYLE

Miss Joan Carol Ziegler became the bride of Mr. James Brendon Ryle Nov. 12 at Corpus Christi Church. Rev. Albert Kessler officiated at the 11:30 a.m. ceremony.

The bride is the daughter of Mr. and Mrs. Oliver P. Ziegler of 583 Townsend-av and her husband's parents are Mr. and Mrs. James R. Ryle, 2829 Tudor-rd.

Fashioned of champagne bridal satin, the gown was designed with lace-covered basque bodice, deep scalloped neckline edged with iridescent sequins and pearls, long tapering sleeves and a skirt extending into a chapel train.

Her fingertip veil was caught to a queen's crown of iridescent rhinestones, crystals and seed pearls and she carried a modified cascade of white butterfly rosebuds, feathered mums and a white orchid.

Miss Dolores L. Ziegler served as maid of honor for her sister and other attendants were Miss Shirley Snyder, Miss Joyce Williams, Mrs. Ernest DeGioio and Miss Donna Ellingsworth.

They wore identically-styled gowns of orchid and purple iridescent taffeta over net fashioned along princess lines with deep scooped back and front necklines. Each carried a crescent of white feathered mums with pink roses.

Mr. Tom Ryle, brother of the bridegroom, was best man and guests were seated by Mr. Joseph Byrne, Mr. Ernest DeGioia, Mr. Lawrence Mills and Mr. Robert Kinnel.

A reception followed in Corpus Christi social hall.

The new Mrs. Ryle is associated with Park Federal Savings and Loan Association and her husband is employed at Coca Cola Co.

Hospital Twigs To Stage Biggest Bazaar Of All

Bazaars by the score, sure sign of the approaching holiday season, are going on all over town — but the biggest bazaar of them all is the gigantic sale held each year by the Twigs of Children's Hospital.

This year's event, sponsored by members of 77 of the hospital's Twigs, will be held at the Neil House, mezzanine floor, Monday, Nov. 21, 10 a.m. until 8 p.m.

Talents of hundreds of women are combined for the effort. Booths will be stocked with every imaginable gift item from early American tinware to handmade foreign items, Christmas decorations, toys, jewelry, needlework and stocking stuffers.

Dorothy French, local portrait painter, will be on hand from noon until 8 p.m. to do charcoal and water color portraits.

And all Christmas shopping dollars spent at the bazaar will help finance the largest Children's Hospital in America. Proceeds from the event are directed to caring for the sick and injured children of Columbus and surrounding communities.

SCENE'S THE SAME—Kitchens all over town are the scene of stepped up activity these days as members of Children's Hospital Twigs turn out their holiday-time specialties. Pastries, cookies, jams and jellies will be among the delicacies sold by the women at their annual Christmas bazaar planned Monday, Nov. 21, at the Neil House. Members of Twig 109, baking cookies for the event are Mrs. Marvin Rosenthal, 779 Brookside-dr, right, and Mrs. Joseph Venook, 1564 Garywood. Mrs. Rosenthal's kitchen was the scene of the cookie-bake.

Rocket Society Unit Dates Dessert Party

Women's Auxiliary to the Columbus Section of the American Rocket Society will hold a "husband and wife" dessert party at the home of Mr. and Mrs. John A. Moran, 225 N. Stanwood-rd, Bexley, Saturday, Nov. 19, 8 p.m.

Mrs. Frank Morton, 141 N. Harding-rd will be the co-hostess.

Table decorations will follow the Thanksgiving theme and program for the evening will include a short movie, games, and dancing.

Corsage Workshop Set At Garden Club Meet

Whitehall Garden Club will meet Thursday, Nov. 17, 7:30 p.m. at Whitehall-Yearling High School.

Program will be an introduction to garden therapy by Mrs. Kenneth Ruff.

Corsage workshop, conducted by Mrs. Frank O'Neil, will turn out holiday corsages for women residents of Benjamin Franklin Home for the annual pilgrimage to the home by members.

Social hour and refreshments will follow.

In a year, your eyes move up, down and sideways some 36,000,000 times; you blink some 84,000,000 times.

Twig Shares Recipes For Yule Cookies

Cream of the crop cookie recipes, those chosen by members of Twig 132 to be used as their contribution to the 1960 Christmas Bazaar, are three for Brownies, Butter Cookies and Ginger Cookies.

The recipes, offered by the Twig for everyone's holiday eating pleasure are:

BUTTER COOKIES

Sift together 2½ cups sifted all purpose flour, ¾ teaspoon salt.

Cream: 1 cup butter. Gradually add 1 cup sugar, creaming well.

Add the dry ingredients gradually; mix well.

Bake at 375 degrees for 7 to 10 minutes until browned.

Variations: Press part of dough through cookie press onto ungreased cookie sheet.

Chill part of dough. Shape by teaspoonfuls into balls. Roll in mixture of 1 tablespoon very finely crushed peppermint candy and 1 tablespoon sugar before baking.

Finely chopped coconut may be added to part of the dough. Form into roll. Wrap in waxed paper and chill. Cut into one eighth inch slices.

Chocolate chips and chopped nuts may be added to part of the dough. Drop by teaspoonfuls on slightly buttered cookie sheet.

FUDGE BROWNIES

By MARGUERITE POST

2 eggs.
1 cup granulated sugar
¼ pound butter.
2 squares (1 ounce each unsweetened chocolate).
¾ cup sifted all-purpose flour
½ teaspoon salt.
1 cup pecan halves
1 teaspoon vanilla.

Beat eggs slightly; add sugar and stir. Melt butter and chocolate together; add. Stir in flour, salt and pecans. Add vanilla and stir until well blended, but do not beat. Pour into a well buttered 8 or 9 inch square pan.

Bake at 325 degrees for 30 to 35 minutes. Cool in pan. Sprinkle with powdered sugar. Cut in squares. Or, cut in strips and roll in powdered sugar.

GINGER COOKIES

By MRS. FLOYD REESE

1 cup sugar.
¾ cup shortening.
¼ cup molasses.
1 egg.
2 cups sifted flour.
2 teaspoons soda.
½ teaspoon salt.
½ teaspoon ginger.
1 teaspoon cinnamon.

Combine ingredients. Form into balls and roll in sugar. Bake at 375 degrees, 8-10 minutes.

MOTHERSINGERS OF PTA COUNCIL DATE TEA NOV. 16

New members of Columbus Council PTA Mothersingers will be honored at a tea to be held at the YMCA, Long and Front-sts, Wednesday, Nov. 16, at 1 p.m.

Co-hostesses for this first social event of the year are Mrs. Paul Irelan, 3514 Maize-rd, and Mrs. Raymond Scott, 3465 Maize-rd.

Other honored guests attending the tea are Mrs. Herbert Kinney, council president and advisor; Mrs. Fack Kirby, council treasurer; Mrs. John Southworth, assistant pianist; Mrs. D. T. Crawshaw, music chairman of Columbus Council PTA, and Mrs. Paul Crosier, advisor.

Bexley Bows Out On Winning Note

Eastmoor Snags Share Of City Crown

Whitehall Ends Season By Losing

The gridiron glory road ended on an abrupt note last week with only three teams seeing action.

But only one team in the area managed to snag a part of the glory that goes along with a hard fought season by corraling half of the City League crown.

For Bexley and Whitehall, the most that can be said is that they managed to escape the cellar in the Central Buckeye League.

Bob Stuart's Warriors pounded out a 36-0 win over weak East in the season's finale and found themselves at the top of the City Loop ladder with Linden-McKinley.

Bexley closed on a winning note, garnering its second CBL verdict, by submerging Delaware, 14-0.

Whitehall toppled a long way from its championship perch of last year and couldn't find the way back against Worthington. The Rams lost 26-16 and ended up on the short end of a 4-5-1 overall record.

Eastmoor started out fast in its fray with East. The Warriors bounced over for three first period TDs to send them on the way to their sixth straight City League win and their 12th straight over two-years.

Before a cheering Dad's Night crowd, high-stepping fullback Jim Makar slid through the Tigers for two of the first three touchdowns.

The Warriors ended the season on a spectacular note, the way they have played all year.

Gary South snapped off a Tiger pass, bowled over an East defender and darted the rest of the way into the end zone with just seconds remaining on the scoreboard clock.

In all, Eastmoor held five opponents scoreless during the year, one a 0 to 0 tie with Whitehall early in the season.

The men of Stuart proved to be the highest scorers in the league and the ones with the best scoring defensive record.

For Eastmoor, it was the second straight championship. This year, they accumulated an overall 7-2-1 record.

Bexley's Lions snapped out of the doldrums long enough to cop the last game of the season from Delaware in a battle to evade the last spot on the CBL ladder.

Jerry Mechling passed and ran his team to enough perfection for two last half touchdowns.

The first score came in the third period on a Mechling to Cal Hamrick 76-yard pass-run scoring play.

In the fourth period, the Bexley field general scooted over into pay dirt from 23 yards out, capping a 49-yard drive.

Bexley's final record showed but at 3-7. They started the season on a winning note and closed it the same way. In between, they managed to score touchdowns, but let their opponents tag them for more.

The Lions managed to escape with only two blankings during the 10-game agenda and in turn stopped opponents from scoring three times.

Whitehall's Rams, who slipped more than a notch from the top rung last year, found the going rough against Worthington.

The Rams managed two scoring opportunities in the second and in the third quarters. But Worthington had chalked up four six pointers by that time and the game was well out of reach.

Randy Welsch and Dan Gartner supplied the punch for the Rams. Welsch plunged over from the two and Gartner shimmied over from one yard out in the losing effort.

ESPORTS Eastern Review

Football Team Ends '60 Season

East Columbus Recreation Center's football team ended its season with two wins, two losses and one tie. Victories were scored over the East Side Rams, 7 to 6, and the Linden Bearcats, 12 to 0.

Losses came at the hands of Sullivant Gardens, 20 to 0, and St. Thomas, 26 to 6. The tie game, 6 to 6, was with Linden.

E. D. Mason Of FBI Speaks To Students

E. D. Mason, special agent in charge of the Cincinnati office of the FBI, spoke to the students Nov. 7, in the gym.

Mason described the three departments of the FBI — Criminal Investigation, Quasi-civil, and Security. He related some of his own experiences in criminal investigation.

Sue Sharkey, representative of the girls' marching team, the Hi-Steps, announced the members of the reserve marching team. They are as follows: Bev Reavling, Janet Van Balen, Kathy McLaughlin, Donna Zaleusky, and Pattie Carey, who are also substitutes for the varsity; Judie Harkless, Kristy Hayes, Carol Fields, Barbara Roach, Ann Young, Sandy Fox, Vickie Fry, Joan Schneider, Fran Hanf, Sue Brigham, Cathy Singer, Sandra Cosner, Nancy Neel, Linda Fleming, Mary Hart, Barbara Kuhn, Patty Canty, Karen Seifert, Mary Ann La Follete, Peggy Hoskins, Lynn Beery, Barbara Cenci, Julie Warman, Charlene Haag, Kathy Sweeney, Karen Smith, Marilyn Meier, Paula Gentry, and Evelyn Parsons.

These 35 girls were chosen by the varsity team and were faculty approved.

Varsity and reserve cheerleaders are sponsoring a dance on Friday, Nov. 18. The theme is "Varsity Fotball Farewell." It is to be a dresy affair, held in the gym from 8 to 11 p.m. Admission is $1.25 per couple, and is open to Juniors and Seniors and their dates.

Sandy Slater and Sandy Smiley are in charge of decorations; Barb Scholl and Patty Moore, publicity and tickets; Mary Ann Sharkey and Nancy Krauss, refreshments.

In observance of Traffic Safety Week, Nov. 14 to 18, Mike Bruno, Student Council traffic safety chairman, prepared a schedule of events for each day. Monday a safety check of students' cars was held under the supervision of Sgt. McDonald of the Columbus police department.

A questionnaire was circulated throughout the school on Tuesday. Wednesday a film on safety was shown. At a Thursday general assembly Buddy Thomas, Paul Coleman, Mike Bruno, and John Wagner reported on the traffic safety meeting they attended at OSU, Nov. 12. Closing the week, each homeroom presented three-minute skits about traffic and pedestrian safety.

Physical Fitness Topic At Center

The Jewish Center physical education "Charm School" will present Dr. Donald K. Mathews coordinator of research on physical fitness, in the physical education department at Ohio State University, Tuesday, Nov. 22.

The exercise class will begin at 9:45 a.m. and end at 10:15 a.m. The Charm School session will start at 10:30 a.m. with discussion to follow at 11 a.m. Baby sitting service is available at 50 cents a session.

Pick Up Two More Wins

East Columbus Recreation Center racked up two cross country wins when it knocked off Beatty Recreation Center, 29 to 27, on Nov. 8, and Sullivant Gardens Recreation Center, 31 to 25, on Saturday, Nov. 12.

In the Nov. 8 meet held at Krumm Park, Jesse Brant of Beatty Center, set a new recreation department course record of 13:06. The first seven finishers for East Columbus Recreation in the Beatty meet, were:

Bernard Willis, second; Len Willis, third; Walter Pierce, fifth; Jim Yates, eighth; Ken Sauls, ninth; Albert Allin, tenth, and Tim Sullivan, eleventh. There were 20 starters and 19 finishers.

In the Sullivant Gardens meet, the first five men for East Columbus, were:

Walter Pierce, second; Bernard Willis, fourth; Lenard Willis, fifth; Jim Yates, sixth, and Tim Sullivan, eighth.

CHAMPS GET TROPHY—Co-capts. Jim Casserly and Nick Cooper pose with Eastmoor grid mentor Bob Stuart at a recognition assembly Monday at the school. Behind them can be seen the trophy emblematic of the city high championship.

EASTMOOR IS TOPS

BEST BAND—Jerry Kaye, left, director of the Eastmoor Band receives a trophy in recognition of being the best band in the Veterans Day Parade among area high schools. Presenting the award is Fred Williams, commander of the Ohio 12th District of the American Legion.

Recreation Center Lines Up Winter Sports, Activities

Many winter activities and sports have been lined up by the East Columbus Recreation Center.

All boys, ages 13 through 16, who want to play on a basketball team in the Center's league, are to sign up with Tom Golden. Games will be played on Wednesdays starting at 7 p.m.

Weightlifting is now being offered from 8:30 to 9:30 every Tuesday and Thursday evenings at the Center. This program gives each boy, regardless of size or weight, an equal chance to lift in inter-city competition. Registration is being handled by Golden.

Wrestling and tumbling sessions are held every Wednesday and Saturday at 8:30 p.m. and 10:30 a.m., respectively. This program is open to any boy between the ages of 9 and 18. The 9 through 12 year olds are to come on Saturday and the 13 through 18, on Wednesday evenings.

Girls Basketball Starts At Center

East Columbus Recreation center has scheduled girls basketball for Wednesdays and Fridays from 3:30 until 5:30 p.m. This program is open for 9 through 12 year olds.

Monday evenings are open to any girl from 13 through 18 years of age. This period will be taken up with basketball, volleyball, badminton, tumbling and any other activity that may interest the group.

Starts Model Club

The East Columbus Recreation Center is in the process of setting up a Model Airplane and Car Club. It will be open to any interested youth — between the age of 6 to 13 years. The kits for building will be sold at the center. Meetings for this group are on Wednesdays from 3:30 to 5:30 p.m.

Hunters Take To Fields As Season Opens

INSIDE ON THE Outdoors By ROD COCHRAN

With the traditional BANG this year's upland game season got under way on Tuesday. First day hunting reports are sketchy at this time, but all indications point to an average opening.

Pheasant numbers seemed to be about the same as last year with the population somewhat spotty. Two hunters called in to say that bird hunting was good on at least two farms in western Ohio. Best close-to-home pheasant hunting was centered in the area south of Columbus to Washington C. H.

Rabbit hunters I talked to ran the gamut of success to failure. Cottontails also seemed to be localized in their distribution. Some gunners had full coats, others were empty, but still hunting.

The Ohio Division of Wildlife had predicted that pheasants would be about the same as last year and rabbits were supposed to be down a little. From the hunters I have seen, I would guess that the rabbit hunters in this area were not down from last year.

Many Ohio gunners took to the coverts in search of quail for the first time in their lives. The first open season on bobwhites last year, the first in 47 years, did not stimulate much interest in Buckeye hunters. Much more land is open to quail hunting this year—it is allowed only on state-owned or controlled lands. Lands opened this year amounted to 700,000 acres.

First reports from quail hunters indicate best success occurred in southern Ohio — the best bobwhite range. One hunter, who hunted in the same area last year, said that there were fewer birds on opening day.

If the quail population is down this year, it is understandable. Late snows and cold weather were hard on the birds last spring. Several farmers have told me that the breeding population was reduced—farmers, by-the-way, who permitted no hunting last fall.

Hungarian partridge numbers seem to keep diminishing. After talking to 30 or more hunters, I did not find one who had even seen a partridge.

Delaware Public Wildlife area had its usual heavy number of hunters from this area. Shooting seemed to be average. The Division of Wildlife will make releases of birds on all public hunting land throughout the season, which is extended to January 14. The pheasant season on private lands ends December 10.

There are probably more trappers active right now than in recent years, for fur prices promises to be better this season. The market is unpredictable, of course, but even a slight rise will make trapping attractive to more people. The longer-haired furs seem to be in more demand.

First-day hunting results often do not mean much—one exception is that they mean success or failure for those who hunt only once a year. A poor first day certainly does not mean one cannot find good hunting by s-c-o-u-t-i-n-g around some, and hunting throughout the seasons. On the other hand, a good opening does not mean that full limits are in store all during the season.

The game supply is only half of the equation, the hunter is the other half. A good hunter seldom experiences total failure. He usually sees some game—whether he gets it or not is another question. But if he sees something at which to shoot, his day has been a success.

Junior High Club To Name Officers

Election of officers will highlight the Thursday (tonight) meeting of the East Columbus Recreation Center Junior High Club. Nominated for president are Jim Fox, Diane Wymer, Vickie Smith and Dale Vogelsang.

Running for vice president are Linda Harris, Nellie Wiese, Cheryl Dilley and Barbara Kirby.

Candidates for treasurer are Skip Fowler, Cheryl Mates, George Martz and Bill Lamping.

All junior high students are invited to the meeting which will start at 7 p.m. Those not registered at the Center may do so tonight. From now on, registration will be the admission to the Friday night dances at the Center.

SCHOOL CLUBS ELECT OFFICERS

This week seven more clubs reported election of officers.

The Varsity-Y selected Don Justice president, Robbie Neutzling vice-president, Gary Wyant secretary-treasurer, and Randy Welsch sergeant-at-arms.

The Rammettes, Whitehall's drill team under the direction of Mrs. Martha Ingram, performed publicly for the first time at the Delaware game, Oct. 28.

Elected to office this year were Karen Sutphen, president; Sally Shade, vice-president, and Linda Hunter, secretary-treasurer. The group constitutes about 38 members.

The newly formed Spanish Club elected the following officers: president, Ray Harper; vice-president, Gloria Wilson; recording secretary, Carol Morganski; corresponding secretary, Becky Privett; treasurer, Tom Iannuzzi.

An official release from Lackland Air Force Base at San Antonio, Tex., reveals that John S. Ward, 1959 graduate of WYHS, has been assigned to the Military Air Transport Service at Orlando AFB, Fla., for duty and training as a surveyor.

Whitehall's award winning Girls' Glee Club has been asked to sing on Feb. 9 for Etna Road PTA. Under the direction of Richard Neikirk, the group received a No. 1 rating at the state choral contest at Ohio State University last spring.

Tri-Hi-Y elected Janice Greene president, Sally Metcalfe vice-president, Michele Wilson secretary, Pam Erickson treasurer, and Judy Wigginton chaplain.

Leading the Girls' Athletic Association at each meeting will be Peggy Snider, president; Carol Brenning, vice-president; Linda Blair, secretary; Jeanne Blaker, treasurer; and Gloria Schultz, point chairman. Every Monday after school 24 teams take to the bowling alleys. The season will end Nov. 28. The annual initiation for new members will be held Nov. 12 in the girls' locker room.

The Future Teachers of America have chosen Dianne Arbuckle president, Karen Sutphen vice-president, Barbara Bojanowski, secretary, and Jeanne Blaker treasurer. The FTA has a new adviser, Mr. Banks, to take the place of Miss Rian, who organized the club five years ago.

The Biology Club, under the advisorship of Mr. Doe, has elected the following officers for this school year: Pat Quigley, president; Pam Porter, vice-president; Janie Case, secretary; and Russell Smith, treasurer.

The College Club, sponsored by Mr. Poe, has selected the following officers: Pam Matchett, president; Sue Johnson, vice-president; Florence Cotterman, recording secretary; Phyllis Levine, corresponding secretary; and treasurer, Ray Harper. The club has announced plans to visit Capital University on Oct. 29, and Otterbein College on Nov. 5.

The Pep Club met with advisor Mrs. Ingram on Oct. 20 and selected the following cheerleaders for officers: Nita Williams, president; Sally Metcalfe, vice-president; Melissa Cottingham, secretary; and Kathy Kirkpatrick, treasurer. The purpose of this club is to support the cheerleaders in building school spirit at athletic events.

With the passing of the last scheduled football game this Friday, basketball will take the sports spotlight. The first game on Nov. 22 is with Gahanna.

Student Council has announced that an unusual tradition-setting event will take place on Feb. 10 during basketball season. An atmosphere of mystery still surrounds the affair, as details have not yet been released.

The following eighth grade girls were chosen cheerleaders: Diane Burdiss, Judy Douglas, Eileen Kirkpatrick, Susan McManes, Susan Weber and Carol Solomon as regulars; and Barbara Schiller and Connie Young, alternates.

In a recent candy sale this year's eighth grade class, the graduating class of '65, earned $828.

The past week saw the organizational meetings of the junior and senior classes. The juniors began thinking about the annual Junior-Senior Prom which they sponsor in the spring. Seniors were informed of the many college scholarships available.

The choir elected officers on Nov. 9. Chosen were Sally Metcalf, president; Becky Roberts, vice-president; Janice Greene, secretary-treasurer; and Ray Harper, librarian. A council made up of two members of the three upper classes was also chosen. Representatives are Sylvia Orr and Mike Bennett, sophomores; Bobbie Patton and Bob Ranke, juniors; and Alice Nixon and Barbara Bojanowski, seniors. This group, together with the officers, acts as executive committee to the choir. This year a registrar, Jeanne Blaker, has been appointed to take attendance.

X-Ray Cruiser To Make Rounds

The Tuberculosis Society's Christmas Seal X-ray Cruiser will offer free TB chest-checks to employes of Harrop Ceramic Service, 3470 E. Fifth-av, and Alber's Supermarket Warehouse, 1033 Brentnell-av, Thursday, Nov. 17.

Wednesday, Nov. 23, the X-ray cruiser will serve Harmony Farms All Star Dairies, 2050 E. Main-st, in its last industrial X-ray program for 1960.

Beginning Monday, Nov. 28, the Christmas Seal X-ray Cruiser will operate in front of the State Capitol for the general public through Dec. 22. Industrial X-rays will resume after the first of the year.

REVERSE TWIST

An independent London, England, television station inadvertently ended a 55-minute western 25 minutes too soon when the reels became mixed up. The network simply finished the show in the reversed sequence and said the story came out all right in the end anyway.

NEW MODEL HOME—The Citation model home in Millbrook at 1501 Moler-rd is on a spacious lot. The three-bedroom home includes a large country-style kitchen with natural finish birch cabinets and food disposer.

New Model Homes Ready

Hundreds of prospective home owners recently inspected a group of model homes that Virginia Homes, Inc., has erected at its newest planned community of Millbrook.

Warren E. Whittmann, president of the development firm, said that 18 homes were purchased during the three-day opening of the model homes on Moler-rd. He predicted the entire community of 500 homes will be sold out within one year.

The model homes are located at 1501 Moler-rd. To reach them, drive south on Lockbourne-rd to Moler and turn left to the entrance. They are open from noon until 9 p.m. daily.

The Citation is a three-bedroom ranch style home that anyone earning $85 a week can own. Full price is $11,350, with a down payment of $385 that includes closing costs. The monthly payment of $83 includes taxes and insurance. This is expected to be one of the most popular models.

All of the homes in Millbrook will be on 55 foot by 120 foot landscaped lots, to provide play area for children and recreation space for their parents.

Home owners in Millbrook will be offered exclusive membership in a two acre recreation center that includes a 40 foot by 82 foot swimming pool, shuffleboard and volley ball

BAZAAR SET SATURDAY

GM Offers Students College Aid

Senior students at Whitehall Yearling High School are eligible to compete for the 100 four-year scholarships offered by General Motors under its National Scholarship Plan, according to Austin Peel, principal.

The competition is open to young men or young women who are high school seniors and United States citizens. Interested students must make application for both the GM National Scholarship and the Scholastic Aptitude Test of College Boards.

At least one GM award is made in each state, the District of Columbia and Puerto Rico. In addition 48 winners are chosen at large. High School seniors awarded scholarships under the GM National Scholarship Plan may attend any accredited college and pursue any course of study.

More than 400 students are now attending 86 colleges and universities under the plan, initiated in 1955. Their career objectives include engineering, medicine, law, the sciences, journalism, teaching, and other fields.

Selection of award winners in the GM National Plan is made by a group of leading educators representing various parts of the country.

Full details of the competition, including the registration dates for the aptitude examination, are available in Ralph McConagha's office.

General Motors also offers other scholarship opportunities. Under its College Plan, 304 four-year college scholarships are awarded annually by 181 colleges and universities located in 50 states and the District of Columbia. A list of the participating colleges may be obtained from the principal's office.

Selection of award winners under the College Plan is made by the respective colleges and universities. Students wishing to be considered under this plan should apply directly to the college of their choice. Awards under both plans range from $200 to $2,000 per year depending on the student's needs.

FOR THE THIRD TIME

Appeal Rejected To Rezone Rt. 62 Tract

A request to permit the establishment of several business places on a strip of land along Rt. 62—between Cassady and 17th-avs — was rejected by the County Board of Zoning Appeals.

The tract is a triangular area and requests for zoning changes were rejected twice prior to last Monday night's hearing.

The earlier hearings were before the Rural Zoning Board.

Robert E. Albright, attorney, represented the Mound Realty Co. and Oscar Thomas, developer, in seeking the variance from established area.

Harrison W. Smith, Jr., attorney, represented Wallace Ackley, a builder and resident of the area; plus other residents who protested the requested change.

Albright and his client attempted to show that the land's proximity to the airport and industrially zoned property made it practically impossible to develop for residential purposes.

He produced letters from the FHA and six banking institutions which alleged the area was not suitable for residential development and they would not loan money for such building.

Albright showed films of the area to illustrate its nearness to industrial ground and distance from homes. The opponents showed slides indicating high priced homes in the area.

Smith argued against the variance in zoning on numerous points.

He said notice was not given property owners in the area, that amending the original area sought for commercial usage was not proper, that it was a rezoning case and not an actual variance since there was no specific use or contract, and that the intended use would damage the high type residential area.

Albright contested statements that the variance sought would interfere with the proposed relocation of Rt. 62. He said the state route's new location has been permanently fixed.

Smith and Ackley, in turn, questioned statements from leading institutions. They said most of the property owners in the area had mortgages — some from firms cited by Albright as saying they would not loan money on area properties.

Ackley said he would purchase the property and build homes on it if the owner would sell.

Thomas said he had options on the property and indicated a service station, supermarket, dry cleaner and drug store would be located there if the variance were approved.

Smith termed the move spot zoning and speculative zoning which should not be before the appeals board. The board members agreed.

Student Is Sent To Lima Hospital

John Anthony Kinkle, 24, of 343 N. Chesterfield-rd, a third-year seminary student, was sent to Lima State Hospital for the Criminally Insane, Monday, Nov. 14, after he pleaded guilty to two assaults on an East Side girl on Oct. 7.

Kinkle told police that he had attempted to lure about 35 school children into his car for immoral purposes.

Per capita consumption of meat in the U.S. in 1959 averaged 160 pounds, compared to 234 pounds for Australia and Uruguay, 222 pounds for New Zealand, and nine pounds for Japan, according to OSU extension economists.

STILL TIME TO ENTER!

The Last Contest Ever For People Who Never Enter Contests!

and the only contest that offers you a choice of entry blanks!

JUST THINK OF A LAST LINE TO COMPLETE THIS VERSE:

Sweet suburbia,
Blooming from California to Maine
Mortgaged to the whole of its terrain
Where one seldom relaxes
Because of high taxes

(And your line would go here)

The last word of your entry line should rhyme with "Maine" and "terrain." For example a last line might be—"And station wagons speeding to the train." Among other rhyming words that might be used: complain, gain, lane, pain, plain, rain, refrain, strain, etc., etc., etc.

BEFORE YOU START... READ THESE RULES!

(1) Take a warm bath, relax, hum your favorite song softly. (This rule may not help you dream up a winning entry—but it will make you feel good.)

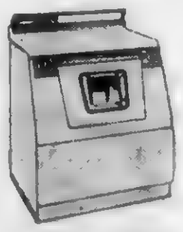
(2) You may enter as many last lines as desired as long as the total number does not exceed three. Your brainstorms may be submitted on ENTRY FORMS PROVIDED ABOVE. (If desired, you may select the coupon form that best suits your personality.) Entries may also be submitted on facsimiles, post cards, greeting cards, or playing cards.

(3) Mail your entries to: SUBURBIA TODAY BOX 7525, CHICAGO, ILLINOIS

(4) All entries must be received by 3:47 a.m., December 5, 1960. For those who do not hear from us within a few weeks after that date — best wishes for a happy holiday season.

(5) Entries will be judged on the basis of originality and aptness of thought. Judges' decision is final. In case of ties, the tied contestants will be required to complete in 25 words or less the statement, "I never enter contests because . . ." All entries become the property of Suburbia Today.

(6) Entries must be the original work of contestants and must be submitted in their own names. However, if your name is John Phyrokoltoscenier, we'll understand if your entry is signed Tom Phyrokoltoscenier.



(7) Three hundred prizes are being awarded in the three contests that have appeared in the September, October and November issues of Suburbia Today. One hundred prizes will be awarded in each contest. Three hundred fortune cookies—each containing a message listing a prize—will be selected at random for mailing to the 300 individual prize winners.

(8) The contest is open to everyone except recipients of a Pulitzer Prize or an Academy Award.

(9) The contest is subject to all Federal, State and local regulations.

EMERGENCY CREW GETS SPECIAL INSTRUCTION

The 25 members of the Whitehall Emergency Squad are beginning an organized course of instruction to improve local squad work.

Through the efforts of Fire Chief Arthur T. Reddy, an emergency squad training instructor has been obtained to give 40 hours of instruction to local squadmen.

The instructor, Capt. A. S. Justus, will conduct weekly sessions for the local squad. Certificates will be awarded to the men who successfully complete the course of instruction.

The services of the instructor are made available by the Trade and Industrial Vocational Education Service of the State Department of Education as part of the public service training program.

The training is offered to improve squad protection and accident prevention in communities throughout the state. The value of the training is recognized and recommended by the Division of State Fire Marshal, the Ohio Inspection Bureau, and representatives of state fire-fighting organizations and a State Medical Advisory Committee.

The training will consist of instruction in emergency procedures, rescue skills, and technical information. Some of the typical units are—use of rescue tools, resuscitation, and victim care which covers 25 different conditions.

The use of gas masks, cuttting torches, shoring, tunneling, water rescues, and many other major problems are also covered. Written instructional materials are made available to the instructor and to each squadman by the Division of Vocational Education.

BEXLEY PLAY PLANNED

FRIDAY NIGHT SPECIAL—Members of the Bexley Drama Club, under the direction of James Ellepolis, will be presenting "Dino" Friday evening. In the scene are Sam Weiner, Peggy Gress, Phyllis Schechter and Les Levitt.

Pre-Season Sales Class Is Offered

On Saturday, Nov. 19, a special training class will be held at Whitehall-Yearling High School for people planning to work as part-time sales people during the Christmas season.

Emphasis will be on basic salesmanship, customer relationship, store math and sales-check writing and Ohio sales tax and employe responsibility to the store.

Class time will be from 9 a.m. to 4:30 p.m. at the school, 675 Yearling-rd, said John Barton, distributive education coordinator.

Those interested may send their names to Harlan Cotterman at the school. A fee of $1 will be charged.

"This training does not guarantee employment, Barton said," "but it will give confidence and knowledge to make it easier to obtain a part-time job."

Yenkin Named To Head Jewish Campaign Drive

Ben A. Yenkin, 2455 Brydenrd, vice-president of Majestic Paint Corp. and community leader, has been named general chairman of the 1961 United Jewish Fund and Council campaign.

Yenkin is a trustee of UJF&C, a member of B'nai B'rith Zion Lodge, Agudas Achim Congregation and Temple Israel as well as a past president of both the Jewish Family Service and B'nai B'rith Hillel Foundation at Ohio State University.

construction.

Approval was given to vacate Beechwood-rd from Mayflower-blvd to English Village South, and to vacate the Beechwood play area and the ten foot walk way in Pinewood Subdivision.

An okay was given to accept dedication for Yearling Plaza apartments and to the purchasing of a $48,380 fire truck.

Before the fire truck ordinance was read, council gave the go ahead to appropriate $55,000 from the general fund to the building and equipment fund. Finance Chairman Shipley reported that the general fund is "getting too high" and that he thought it was time to spend some money.

GAHANNA GROUP GETS CHARTER—Tuesday night was a big one for members of the Gahanna Kiwanis. Sponsored by the Eastern Kiwanis, the Gahanna group received its formal organization papers. Carl P. Rueth, left, governor of the Ohio District, is shown presenting the charter to Gahanna president, Howard Warwick.

Mrs. Gaskins is a 1941 graduate of Central High School, Columbus, and attended Guilford College in North Carolina and Capital University, Columbus. She is a member of the Past Matron Order, Eastern Star; White Shrine of Jerusalem and the Reserve Officers Association.

Depot Gets Top Safety Award Here

The highest safety award in the Quartermaster Corps was presented to Columbus General Depot Nov. 9 by Maj. Gen. R. T. Evans, Jr., deputy quartermaster general.

Presentation of the "Award of Honor for Safety" was by Gen. Evans at a noon luncheon ceremony at the Officers' Open Mess. It was accepted in behalf of the Depot by Brig. Gen. Harold H. Sheller, depot commander.

This award is one of the hardest to win in the field of safety, since it requires improvement in all covered areas during the period involved, which in this case was fiscal year 1960. It included the operations carried on, not only by civilian and military personnel of the Depot, but also the work of outside contractors carrying out projects on the installation.

During his visit, Gen. Evans also inspected the Depot in his capacity as deputy quartermaster general.

Gen. Evans was graduated from West Point in 1933 and from Infantry school in 1939. He transferred to the Quartermaster Corps in 1941 and served during World War II both in Europe and in the office of the Quartermaster General in Washington.

Last minute signaling is a dangerous driving habit, says the Columbus Auto Club. Whether you have mechanical turn indicators or use hand signals the law says you must declare your intention to turn at least 100 feet before reaching an intersection.

Pose Plight And Progress In Capital City Contrast

By Charles Rampp

Urban problems, old and new, will be the concern of Channel 10's new feature, "Big City — 1960", starring Garry Moore, Monday, Nov. 21 at 9:30 p.m.

Attempting a scientific look into uncertain future of man's populaton centers, the program will explore the achievements and headaches resulting from city building and replanning.

Contrast between Brazil's new capital, Brasilia, and the American Philadelphia and a discusson of the plight and progress of metropolitan areas will be undertaken.

Brasilia, one of the world's newest cities, is being carved from the South American jungles. Not only new, but architecturally unique, it is the result of Juscelino Kebitschek's design.

Philadelphia has changed a great deal since William Penn called it a "greene countrie towne" three centuries ago. It is now undergoing the stresses of one of the most imaginative urban renewal programs ever undertaken on the North American Continent.

Most of the program has been filmed on location in Brasilia and Philadelphia. Both of the cities have their origin in common, since both were planned capitals.

Garry Moore's role will be that of the intelligent, curious layman seeking scientific insights into the condition of his city dwelling life.

The program will attempt to answer questions of the kind of cities that are possible, how they can be achieved, and the present status of city planning. Coming in for consideration will be the lag between the theory and actual practice of city planning.

Efrem Zimbalist, Jr., will star as host-singer for Wonderland On Ice, a music and ice-skating extravaganza to be shown on Channel 4, Thursday, Nov. 17, at 7:30 p. m. Dorothy Collins will be special guest star.

The program will mark a series of TV firsts for its principals. The network debut of the "Holiday on Ice of 1961" will take place, and Miss Collins will make her first appearance as a skater-singer.

Harry Belefonte will star in the first of his two specials this season, Sunday, Nov. 20, at 10 p.m. on Channel 10.

The show is called "Belefonte, New York 19" and takes its title from New York City's postal zone 19, and reflects the musical heritage of the inhabitants of this mid-town Manhattan area.

The Modern Jazz Quartet has signed to appear with Belefonte. Postal zone 19 includes people of many racial and cultural backgrounds. The district encompasses Broadway and a section of the theatrical district, including Birdland, the jazz center, Carnegie Hall, and the Museum of Modern Art.

A rarely performed work by Alan Hovhaness will be featured by the OSU Symphony Orchestra, Sunday, Nov. 20 at 8 p.m. in Mershon Auditorium.

"Meditation on Orpheus, Opus 155", belongs with the finest of the many evocative works of this talented American composer. Hovhaness is a composer who proves the inexhaustibility of the ancient modes and the diatonic scale, but retains a style that is far from stereotyped.

"This Above All" is a weekly religious program featuring Dr. Otis Maxfield of Arlington's First Community Church, and is seen Mondays at 3 p.m. on Channel 10.

Assisting Dr. Maxfield with problems presented for religious solutions, will be Columbus psychiatrist, Dr. Walter Hofmann.

The OSU Men's Glee Club and the Michigan Men's Glee Club will present a joint concert at Mershon Auditorium Saturday, Nov. 18, at 8 p.m.

The groups will sing separate programs, combining only for the "Alma Maters" of the two schools. OSU's Club is conducted by Norman Staiger.

"Face the Nation", the award-winning CBS News interview program has moved to Mondays at 10:30, on Channel 10. The show will be broadcast on two consecutive Mondays out of three, allowing for a similar type of program on a local level every third Monday.

Channel 10 will present telementaries dealing with important local issues and personalities at this time.

For the old-time TV fans, and the medium has aged fast enough to justify this title, a special treat will be in store as Dave Garroway brings back for one night, the relaxed atmosphere of his early Chicago show.

Appearing at 9 p.m. Friday, Nov. 18, on Channel 4 Dave will have a variety program with special guest, Julie London. Joe Wilder's jazz group and the New York Woodwind Quintet will enliven the proceedings.

A debate on the subject of birth control will feature the second program on The Nation's Future series, Saturday, Nov. 19, at 9:30 on Channel 4.

Sir Julian Huley will take the affirmative of the question "Is International Birth Control Needed to Head Off World Disaster?" Jacques Mertens will present the case for the negative.

The popularity of Channel 10's play of the week series has caused the network to shift its time to Sunday nights at 11:30 p.m. beginning Nov. 20.

Taking the usual time-spot of the play will be a "Movie of the Week" series, beginning with the Alan Ladd drama "O.S.S.", Saturday Nov. 19 at 11 p.m.

Retarded Children Can Be Helped!
LIGHT A LIFE

Ten-year-old Brenda Cook is one of the 216 mentally handicapped pupils being schooled by the Council for Retarded Children who are counting on a successful "LIGHT A LIFE" campaign to allow their special education to continue.
Harold Cooper, left, honorary chairman of the 1960 campaign, and Brenda's mother, Mrs. Joseph Cook, right, general campaign chairman of the door-to-door drive, have organized about 8,000 volunteers to raise a goal of $58,000 to educate retarded children in Franklin County.

Bordner, president; Carl A. Hayes, 95 Latta-av, re-elected treasurer; Mrs. George M. Curtis, 379 Westland-av; and Mrs. Joseph Horchow, 926 E. Broad-st, re-elected secretary. At the meeting James. F. Considine of the national organization spoke on quackery in advertising and products in the field of arthritis and rheumatic diseases. The chapter is a member agency of the United Appeal, and has offices at 334 Marconi-blvd.

Young Musicians Urged To Enter Competitions

Ninth annual Young Musicians Competition of the Columbus Symphony Orchestra will be held in the Toledo Room at Bexley Hall, Capital University, at 9 a.m., Saturday, Feb. 4.

Students of high school age may enter in any of the following four divisions: strings, wind instruments, piano and voice.

To obtain further details (including a list of suitable repertoire for each division) students or their teachers should call the Columbus Symphony Office, CA. 4-7774, 55 E. State-st.

Awards will be presented to competition winners at the winter cnocert of the Columbus Youth Orchestra at Mees Hall, Sunday, Feb. 5.

Awards include cash prizes of $25, record gifts certificates, and opportunities to perform concerto movements with the Columbus Symphony Orchestra.

There are openings for competent string players of high school age in the youth orchestra. Prospects should call Dr. George Wilson, conductor - at TU. 5-8822.

W-E Plays Big Part In Project

Facilities at Western Electric Co., 6200 E. Broad-st, are playing a vital part in a development that promises far-reaching advances in telephones.

W-E is the engineering headquarters and manufacturing control center for a new experimental electronic switching system. Customer trial of the Bell System's first electronic central office began Nov. 17 at Morris, Ill.

Through the combined talents of Bell Laboratories and W-E, the new system is evolving from the marvels of printed circuitry, transistors and neon-filled tubes.

The Morris installation is one step toward the day when telephones will feature many more things, such as: shorter numbers for frequently-called long distance spots, code dialing for home intercom use, automatic re-routing of calls when a phone is busy, transfer of incoming calls when the customer is away, a "hang-on" feature indicating when a busy line is free, and code dialing to bring third parties into the conversation.

Pvt. Blalock Now In Germany

Army Pvt. Timothy J. Blalock, son of Mrs. Emma L. Coggins, 38 E. Barthman-av, recently arrived in Germany and is now a member of the 8th Evacuation Hospital.

Blalock, a medical corpsman at the hospital in Landsthul, entered the Army last January and completed basic training at Fort Knox, Ky.

The 23-year-old soldier is a 1958 graduate of East High School and attended Ohio State University.

BOY SCOUT NEWS

The Cub Scouts and Boy Scouts met at the church in full dress Saturday, Oct. 29, at 1 p.m. They received voting leaflets for distribution to their assigned area, and were supervised by their den mothers and leaders.

Boy Scout Troop 475 of East Columbus Christian Church, held its Court of Honor Wednesday night, Oct. 27.

Those receiving Merit Badges were Fred Schnetzspahn, Vern Walker and Jerry Speakman, canoeing and rowing, Dave Solomon for canoeing, Tommy DeVore, Indian lore.

Tenderfoot: Jim Loper, Teddy Wilson and Frank Wren.

Patrol leaders are Tommy DeVore, Larry Stevens, Jerry Speakman and Jim Gubbs. Assistant patrol leders: Danny Ferris, Jackie Jacks.

Scoutmasted Deward DeVore was presented his patch of office. Russ Cohagan, assistant Scout Master, was presented his patch for his office.

Also seven boys and one leader were presented patches for 10 days and nights of camping, since the first day of January — Arthur G. Ferris I. R. Leader, Danny Ferris, Tommy DeVore, Jerry Speakman, Jim Cohagan, Vern Walker, Mike Ensley and Fred Schnetzspahn.

The troop also received patches for 12 boys and five leaders at the Fall Camporee at Old Man's Cave. The two patrols, Apache and Bob White received top honors in projects that came before them.

East Columbus Christian Church Boy Scout Troop 475 is planning a camping trip for the week-end of Nov. 12 and 13 at Camp Lazarus. This probably will be the last overnight event this year. All Scouts of the troop are urged to attend the regular meeting at 7 p.m. Wednesdays at 3147 E. 5th-av, to learn last minute instructions.

In addition to Scoutmaster DeWard DeVore and Assistant Scoutmaster Russ Cohagan, there will be several other adult leaders accompanying the boys. The troop has also invited the Webelos of Cub Pack 475 to camp with them.

An individual contest has been started by the troop whereby Scouts can earn points for meeting and church attendance, advancement and Scouting skills and practices.

"Help Wanted — Female."

"Wanted—three den mothers for home employment. Should live east of Alum Creek around Fifth-av. Hours—depend on interest. Salary—thanks of eager Cub Scouts. Boys waiting. Call CL. 2-6926 or BE. 1-4946."

That's the way Arthur G. Ferris, of Cub Pack 475, expressed the need for more help to expand the Cub program at East Columbus Christian Church, 3147 E. Fifth-av. Ferris is institutional representative.

"Five or six boys in your basement shouldn't be too much to ask, when they learn so much from doing things together," Ferris said.

The church has plenty of room for monthly pack meetings and the Scout troop has a staff of capable boys who can serve as den chiefs, he said.

Plan Holiday Projects

Cub Pack 475 will meet a week earlier, on Thursday, Nov. 17, because of Thanksgiving. "Space Men and the Moon" is to be the topic. There will be a film, pack inspection and refreshments.

To raise money, the pack will make Christmas candles. Wax has been donated by the Gulf Oil Corp.

Christ Church To Install Its New Pastor Sunday

Rev. Charles H. Lange will be installed as senior pastor of Christ Lutheran Church, 2314 E. Main-st, Sunday, Nov. 20, at 8:45 and 11 a.m. services.

Dr. Kenneth Priebe, president of Ohio District of the American Lutheran Church, will preach the sermon and conduct the service of installation.

Rev. Charles Lange

Born in Yorkville, Ill., Rev. Lange is the son of an American Lutheran Church pastor who served parishes in North Dakota, Illinois and Wisconsin. He attended St. Paul Luther College in St. Paul, Minn. and the Wisconsin State Teachers College from which he was graduated in June 1934

In June 1937 he was graduated from the Evangelical Lutheran Seminary in Columbus and was ordained on June 13, 1937 in Peace Lutheran Church, Oshkosh, Wis.

Until June 1944, he served as pastor of Trinity Lutheran Church in Crestline, and since then as pastor Faith Lutheran Church, Detroit, Mich.

During his pastorate in Detroit, Rev. Lange was active in ecumenical and community affairs. He served on the colloquy committee and the board of trustees of the American Lutheran Church, and during 1959 was chairman of the Jubilee Year Committee which outlined the observance of the Jubilee Year in the new merged church, The American Lutheran Church.

In June of 1960 he was elected chairman of the board of regents of the Evangelical Lutheran Seminary in Columbus.

Rev. and Mrs. Lange (the former Miriam Koch of Struthers) have three children, Marilyn, 21; Charles 18, and Jonathan, 6. Their address in Columbus will be 2325 Sherwood-rd.

A reception to welcome the Lange family will be held in the afternoon Sunday, Nov. 20, 3 to 5 p.m in the church lounge.

Rev. Lange will preach his first sermon as pastor of Christ Church Sunday, Nov. 27, at 8:45 and 11 a.m. services.

Plan December Meet

Announcement was made Sunday of the semi-annual circuit convention of Jehovah's Witnesses to be held in Columbus Dec 16 to 18.

Presiding minister, Melvin Jacobs, made the announcement at Kingdom Hall, 2664 Darthmouth-av.

Bexley Captain Heads Ft. Hayes Open House

Capt. Frederick W. Wright, 2518 Fair-av, Bexley, will head the Columbus members of the 302d Troop Carrier Wing who will host an open house on Nov. 19 at Fort Hayes from 10 a.m. to 1 p.m.

Purpose of the open house is to interest more Columbus residents in joining the wing, a unit of the Air Force Reserve.

Capt. Wright emphasized that men with prior military service of any branch may be eligible to join the 302d.

The wing, located at Clinton County Air Force Base, Wilmington, now has about 50 members from Columbus, out of a total membership of more than 1100.

Bexley Man Named Trustee

Walter English, of 1227 Bryden-rd, has been elected to the board of trustees of the Franklin County Historical Society.

English is a graduate of Ohio State University's School of Commerce, a trustee of Ohio Northern University, president of the Bexley School Board, treasurer of First Methodist Church, chairman of the budget committee of United Community Council and a member of the Columbus Rotary Club.

Nature Movie Scheduled

A color motion picture "Tip 'O The Mitten" by Olin Sewall Pettingill, Jr., eminent photographer and naturalist, will be shown at 8 p.m. Friday, Nov. 18 at Ohio State Museum theatre.

The feature on Michigan is part of the Columbus Audubon Society's current Screen Tour series. Single admissions are $1.

Rabbinic Organization Elects Rubenstein

Rabbi Samuel W. Rubenstein spiritual leader of the Agudas Achim Congregation was elected Vice-President of the Yeshiva University Rabbinic Alumni Association at its recent convention.

The Yeshiva University Rabbinic Alumni Organization is an association of over 600 Orthodox American Rabbis who are graduates from the Yeshiva University. Over 300 Rabbis were in attendance at the convention which was just held at Lakewood, N.J.

Speech Symposium Starts At Capital

A "Speech Symposium," aimed to provide professional training and growth in special areas of the speech field, has been inaugurated at Capital University. The program consists of monthly meetings for speech majors, speech minors and others interested in the profession of speech.

The symposium will ordinarily be held the second Monday of each month from 7 to 8 p.m. in Spielman Hall of Speech. The first program will be held Nov. 21 with guest speaker, Professor Loren C. Staats of Ohio University in Athens.

NAA Band, Chorus To Perform Nov. 21

The 50-piece North American Concert Band and 35-voice chorus will appear in free concert Monday, Nov. 21, at 8 p.m. at Cowan Hall, Otterbein College. Tickets are available at Summers & Sons, Otterbein, Musical Arts Music Center, and the Whitehall Band Director's Office.

POLICEMAN

We Are Thankful . . .

For family and friends who cause us to do our best and give us their best.

For a job to do . . . one that needs to be done and one that will make us better for the doing.

For the beauties of our world . . . whether they be glorious sunsets, a plump red apple, the light of a beautiful smile or the feeling of warmth you get when a little girl climbs up on your lap to share an open fire.

For a wealth of things to do, to enjoy, to read, to see.

For a heritage rich in the real and basic values of life.

For the promise of an even fuller life through continued growth in knowledge, in things of the spirit and through new responsibilities.

For all these things and more . . . we should be thankful!

What Is A Teacher?
From Column by
By Hans B. Schnell
In South Side Reporter, Chicago

Between the innocence of infancy and the dignity of maturity, our children fall under the influence of a group of people called teachers.

Teachers come in assorted sizes, weights, and colors. They have various interests, hobbies, religions, and beliefs; but they share one creed: To help each child to reach the highest possible degree of personal development.

The teacher is a composite. A teacher must have the energy of a harnessed volcano, the efficiency of an adding machine, the memory of an elephant, the understanding of a psychiatrist, the wisdom of Solomon, the tenacity of a spider, the patience of a turtle trying to cross the freeway in rush-hour traffic, the acumen of a Wall Street wizard. She must remember always that she teaches by word but mostly by precept and example.

A teacher may possess beauty, or grace, or skill, but most certainly she must possess love — a deep abiding love of, and respect for children individually and en masse.. She must love your little girl who has the song of a bird, the squeal of a pig, the stubborness of a mule, the antics of a monkey, the spryness of a grasshopper, the curiosity of a cat, the slyness of a fox, and the mysterious mind of a woman.

She must also cherish your little boy who is considerate; bothersome; an intruding bundle of noise with the appetite of a horse, the digestion of a sword swallower, the energy of an atom bomb, the lungs of a dictator, the imagination of Paul Bunyan, the shyness of a violet, the audacity of a steel trap, and the enthusiasm of a firecracker.

A teacher must teach many things: reading, writing, arithmetic, spelling, geography, history, music, art, health. She must also manage during her six and one-half hours to teach manners and morals to children whose parents have despaired of the task during their 17½ hours.

A teacher is Truth with chalk dust in its hair Beauty with an aching back, Wisdom searching for bubble-gum, the Hope of the future with papers to grade.

A teacher must possess many abilities. She must not mind explaining for the 10th time the intricacies of two-place multiplication to the whole class, then explaining it again to one child who was not listening. She must learn to judge between encouraging and pushing a child. She must learn what decisions to make and which must be made by the child. She must be steadfast without being inflexible; sympathetic without being maudlin; loving without possessing. She must live in childhood without becoming childish; to enjoy its great joys, satisfactions, its genuine delights; while understanding its griefs, irritations, embarrassments, and harrassments.

A teacher must, each year, send 30 children to another teacher proudly, lovingly, sadly and await 30 more with steady wit, love and eagerness.

She must do all this while worrying about how to pay the utility bills, what to have for supper, whether her baby has the chickenpox, if her lesson plans will meet the supervisor's requirements, how Mrs. Smith will take the lower grades on John's report card, where to get the extra money for summer school, and who took the dime from Susie's

TEACHER STRICKER AND THE RIOS
From Puerto Rico . . .

TEACHER LANE AND FRAULEINS
. . . And From Germany

EAST BROAD KIDS FROM OVERSEAS

A winsome pair of twosomes have traveled from afar to take up residence in Whitehall.

And both pairs, the kids from Germany and the kids from Puerto Rico, happen to get their tutoring at the same school, East Broad Street Elementary.

The young lady and young gentleman from the Spanish speaking country are Maria and Angel Rios.

Maria is in the third grade; her brother is in the fourth. They are the children of Mr. and Mrs. Richard C. Amon, of 3983 Beechcreek-st.

The other pair consists of two cute fraulein from Dusseldorf, Germany. Margarit is the daughter and Angela is the granddaughter of Mr. and Mrs. Hans Langhans, of 128 Beechford-dr.

According to the kids' principal, Robert V. Roshon, all are getting along fine in school, even with the handicap of not being able to speak English too fluently when they first arrived.

Both Angel Rios and his sister are in the process of learning "smatterings of English." Angel, who is a wiry football player, even goes to the high school for some tutoring.

They have been fortunate in that Maria's teacher, Mrs. Sharon Stricker, has been a great help to them in learning to speak English. She speaks Spanish.

"For the first few days," Roshon explained, "all she did was smile at them. They smiled back.

"Actually, they understand more English than they are able to speak."

The little fraulein, who came here from Germany by way of Venezuela, have "caught on quickly" when it comes to speaking the English language.

"It took them only five weeks of school to speak it just as well as any of us," Roshon said. Mrs. Alice Lane, also an E. Broad teacher, has been of great help in the youngsters' educational adjustment.

Margarit and Angela respond readily in class to questions and, in fact, are eager to participate.

There are few elementary schools in the area that can claim as cosmopolitan an atmosphere as East Broad Elementary, it would appear.

Special Classes Three Tier Aid Ok'd By Bexley

By John Poeppelmeyer

A look-see into the special education sector at Bexley schools has evolved into a "chain-of-command" being instituted to deal with various aspects of the program.

The "chain" was the idea of board member John F. Lewis, who spent time in researching the various plateau levels to form a uniform working operation whereby parents, teachers and administrators could work together on problems arising in the special education classes.

Three knots have been tied in the rope ladder leading to the board of education, which has the final say-so, on the top rung.

The other two steps are represented by an evaluation committee and by a parents committee.

Unlike slow-learning classes in most schools, the Bexley Special Education classes, according to Superintendent E. D. Jarvis, consist of youngsters above the IQ level of 75. Jarvis points out that according to state code, slow-learners are classified as those below an IQ of 50.

Jarvis mentioned certain "shaded areas," dealing with emotionally upset children, suspected brain damage in youngsters and those with erratic results on tests who would come under this special education category.

"These are the hardest to define," he pointed out. "For instance, some youngsters may make a 70 on one IQ test at one time, then when retested soar to 120."

The evaluation committee in the "chain" is to consist of Lewis, Jarvis, Dr. David Blyth, a psychologist, the two teachers of special education classes and principals from each of the Bexley elementaries.

Blyth was hired at the rate of $15 an hour at a maximum of eight hours a week. He is to be the professional consultant on matters pertaining to the classes.

The parents' groups are to make recommendations to the

New Temple Israel Administrator Finds Position 'Challenge'

Temple Israel's new distaff administrator is a grandmother who looks as if she were preparing to be graduated from college.

Mrs. Dorothy Yassenhoff now sits behind the desk formerly occupied by Melvin S. Harris, and upon entering the administrator's office one is greeted with a winning smile emanating from a charming blonde-haired lady.

MRS. YASSENOFF
"Security Within"

She is congenial, helpful and understands newspaper work. For before she took the position she was assistant managing editor and office manager of the Ohio Jewish Chronicle.

Mrs. Yassenoff considers her new job as a "challenge" not only as an "individual but in the community as well."

She admits that she was a "little scared" when the position was first offered to her, but feels that "if you want to do something bad enough, you can do it, and in so doing," she added, "you build a security within yourself."

She considers her recent progress as temple administrator as

Mayor Hears Many Objections To 'Buffer'

USTA Office Site Hearing On Tap Tuesday At Bexley

Bexley's "buffer" zoning strip comes up for action next Tuesday night and Mayor William Schneider reported this week that he has received numerous calls objecting to any council endorsement on the issue.

Some months ago, the United States Trotting Association made known to the solons that they were contemplating a relocation of their office site from its present location along E. Broad and Linwood-av, eastward to between Gould and Merkle-rds.

Schneider said this week that "apparently the people have misinterpreted" any of council's intentions on the matter.

"Most of the complaints," the mayor observed, "stem from the feeling that residents are under the impression that the tract is to be made commercsal. Such is not the case."

Both the mayor and council believe that a buffer strip could be provided between Bexley residential housing and Columbus commercial interests east of the proposed USTA site.

"Some time ago," the mayor pointed out, "council denied a request on the north side of E. Broad-st, along the same tract for the construction of doctors' offices. I feel that this was a mistake."

Some other council members have also voiced an opinion on that decision agreeing with the mayor.

Council intentions, as indicated at a recent session, appear to go along with the idea of relocating the USTA office in order to give the area a gradual transition from commercial to residential with the office site acting as a sort of "no man's land" between the two.

Schneider also pointed out if such a move is not made soon, some future council could decide to throw the area open to commercial users.

In fact, last month, City Solicitor Howard Park submitted to council a document outlining a new classification of zoning in the city that would allow office type structures in Bexley. The measure was deferred until the present zoning case was ironed out.

The USTA plans to construct a $450,000 building along the strip depending upon council action.

Schneider said that he has received some 15 to 20 calls objecting to the matter and that he expects quite a turn out of residents at the Nov. 29 hearing.

Shadywood Boosters To Sell Trees Again For Little League

Expansion of the league from 18 to 21 teams, including a Pony Grad squad, a fifth ball diamond and perhaps a lighted field—these are but a few of the projects that the Shadywood Park Boosters hope to carry out with proceeds of their second annual Christmas tree sale.

The board of directors met with team managers, assistant managers and members of the fund raising committee a couple of weeks ago to complete plans for the sale.

According to Jack Dawson, the sale will be handled the same as last year except that it will be conducted on a much larger scale this season.

Cards will again be sold to the public for $1. Inside of these cards is a coupon which gives the bearer a reduction of $1.25 on the purchase of any tree on the lot.

The sale will be conducted on the Shadywood Park baseball diamonds which are located on the west side of Hamilton-rd, just south of Thunderbird Acres.

Dawson pointed out that, since the sale relies solely on voluntary help, "we can provide trees at reduced prices and still make money since we please our purchasers."

All proceeds from the sale go into the Shadywood Park Little League baseball program.

In Truro Twp., An Anniversary Is Missing

By Charles Rampp

While headlines shriek of threats of war, famine, pestilence, earthquakes, a very important anniversary —one that usually brings out the good in people—is going quietly unnoticed.

Truro Township is 150 years old this year.

So far as is known, the subject has not yet been broached in trustee, council or other board type meetings. Only Truro Township Trustee Ken Wakefield has been questioned on the matter.

His reply is that "no sesquicentennial has been planned so far this year." But he added that he doesn't think that "the year should go by without something being done about it."

Wakefield made a note to bring the subject up at the next meeting of the trustees.

Meanwhile, read on about pioneers, Indians, John French, General Reynolds and the other odd items that have taken place during the 150 years of history of a Township named Truro.

A century and half ago of change and progress has gone by since Truro Township was chartered by the state legislature on Mar. 4, 1810.

Truro Township was named for a township in Nova Scotia, Canada, from which many of the first settlers had come.

Thomas Palmer was probably the first white man to make a permanent home here, in 1805. Leaders of the settlers from Nova Scotia were the Taylors, Robert, Abiatha and David.

The Taylors named the township after their old home in Nova Scotia.

Highway 40, the Main Street of the nation has played an important part in township and Reynoldsburg history, but Truro was organized a full year before the first contract was let in the Cumberland-rd.

This contract was for only the first 10 miles of the road, west from Cumberland, Md. In 1818 the road reached Wheeling, and it got to Reynoldsburg in 1883.

The early pioneer road into Truro ran south to

GALLERY PLAYERS SLATE PREMIERE FOR COLUMBUS

crews led by Sue Kaye. The Gallery Players will bring a first to Columbus and Central Ohio when it opens its season on Saturday night, Dec. 10.

Under direction of Harold M. Eisenstein, the Players will present the unusual, romantic fantasy "Ondine," by Jean Giraudoux. Due to the extreme difficulty in producing this play, "Ondine" has rarely been attempted by nonprofessional groups and the Gallery Players production will represent a premiere here.

Costume designer for the production is Mrs. Carol Ann (Scotty) Bushnell, who has a long list of credits in professional summer theater. She has designed for "South Pacific," lighting will be handled by Abe Green and Alan Altman. "Brigadoon," "Pygmalion," "Life With Father," and many signed and built an unusual others.

Robert Stegminer has de- and lavish set which includes a real water fountain. The production crews began several weeks ago in putting the show together. Joe Cohen is production supervisor with Joe Altman and Eddie Kaye serving as stage managers. Betty Cohen is assistant stage manager.

Virgil Gin and Steve Pollack are in charge of sound effects and Edie Mendelsohn and Bebe Springer head the properties department. Makeup and art and display are being handled by

"Ondine" will run for five nights, Saturday and Sunday, Dec. 10 and 11, and Thursday, Saturday and Sunday, Dec. 15, 17 and 18. All seats are reserved for all performances and are currently on sale at the Jewish Center.

This is the first show on the 1960-61 Gallery Players Subscription Season which will include three major productions, two actor's lab productions including "Cinderella", which will be presented on New Year's Day, an orchestra concert, four prize winning movies and a curtain closing splash dance

Reservations for Gallery Player subscriptions and individual tickets may be made by calling the Jewish Center, BE. 1-2731.

General Depot Wins Safety Honor Award

The Award of Honor for Safety for 1960 was presented to Columbus General Depot by Maj. Gen. R. T. Evans, Jr., Deputy Quartermaster General, at a safety luncheon in the officers' open mess, attended by 150 guests, both military and civilian.

The plaque, highest safety honor in the Quartermaster Corps, was accepted by Brig. Gen. Harold H. Shaller, Depot Commander, who emphasized that it was a "team" honor and that credit for winning it should be shared by all who cooperated in the safety program.

Gen. Evans pointed out that the award had been made on only two previous occasions, once to Fort Lee, Va. and once to Schenectady General Depot, N.Y.

"This year Columbus won it hands down," the general said. He commended the depot for its effective safety program.

James H. Fluker, superintendent of the division of Safety and Hygiene of the Ohio Industrial Commission, also praised the depot safety program and pointed out that his office worked in close cooperation with the depot's safety officer, E. F. Chittenden.

Gambler Jailed, Fined $2,000

Federal Judge Mell G. Underwood levied a $2000 fine and a one-year jail sentence on a reputed former Columbus numbers racket king in federal court Friday.

Tim Treadwell, 56, 401 Woodland-av, will only have to serve three months of the jail term though since Underwood suspended part of the sentence.

Treadwell pleaded guilty to three counts of failure to purchase the federal wagering stamp.

BEXLEY MASONS SET INSTALLATION

Installation of officers of Bexley Masonic Lodge No. 704 F&AM will be held Friday, Dec. 2, at 7:30 p.m. at the Masonic Temple, 2521 E. Main-st.

All Masonic brethren are invited. During the ceremonies, the women will be entertained at a program in the Main-Montrose School auditorium. There will be a reception for the new officers in the school.

The new worshipful master is Joseph H. Williams, 2581 Caroline-av.

Aqudas Achim Service Topic, Bar Mitzvah Set

Rabbi Samuel W. Rubenstein and Cantor P. H. Gellman will lead the late Friday evening family service, Nov. 25, at 8:15 p.m. Sermon topic is "Counting our Blessings."

Saturday morning, Nov. 26, 9 a.m. is the Bar Mitzvah of Bruce Silberstein, son of Dr. and Mrs. Jack Silberstein.

Optimists Honor 200 Youths At Annual Appreciation Fete

About 200 youths were feted with a banquet in the Youth Center, Ohio State Fairgrounds, last Thursday night to climax "Youth Appreciation Week."

The banquet was sponsored by the 10 Optimist Clubs of the city and surrounding area. The youths were awarded certificates for outstanding achievement in everything from Little League Baseball to high marks in school. Parents of the youths were also honored. About 1,000 persons attended.

Main speaker, C. William O'Neill, judge-elect of the Ohio Supreme Court, said, "it's something to be honored by the Optimists, we salute you, we are proud of you as young people."

"We believe in you and that you will lead our country in years ahead. This honor falls to few boys and girls," the former Ohio governor said.

O'Neill pointed out that "it will serve you well to be first of all a scholar. This is more important now than ever." Also, O'Neill said, the youths must recognize that self discipline is necessary. "You never quit. Stand for what you think is right. It takes courage to stand apart and when you do this, then you will be a leader."

"But to be a leader, you will also need spiritual quality to give you strength. There are man; challenges ahead for you, but we believe in you and that some of you will make great contributions to our country and the world," O'Neill stated.

"We give you this heritage which is America. It's yours to do what you will with it."

Columbus Mayor W. Ralston Westlake congratulated the youths on behalf of the city and commended Optimist International. Alan Schwartzwalder, judge of Municipal Court, also spoke. John M. Seidel, vice president, Optimist International, led the group in saying the "Optimist Creed."

A special group recognized by all 10 clubs were 10 outstanding newspaper carriers. Hartley Newspapers carriers honored were Don Tigyer, son of Mr. and Mrs. Mike Lomano, 866 Chestershire-av, and Tom Huffman, son of Mr. and Mrs. John Huffman, 779 Ebner-av.

Youths honored by the Hilliard Optimist Club were Fred Butin, Ronnie Middendorf, Melvin Young, Tommy Lewis, Dean Schumaker and Gary Bryant.

Receiving certificates from the South club were John Stump, Steven Hively, Kenneth Lee, Bill Bugh, Bob Tidwell, Richard Young, Ronald Williams, Larry Fitzpatrich, Jerry Ray, Gary Stover, Ray Fischer, David Funk, Scott Snyder and Gene Harper.

Recognized by the Western Club were James Carpenter, Bill Wright, John Quelette, Gary Gabriel, Sam Gabriel, Michael Moore, Phillip Green, David Chorniak, William Clark, Chris Skaggs, Steve Pearl, Steve Smith, Rickey Shook, Ed Krohn, Scott Watkins, Don Bishop, Mike Cyrus, Denny Cyrus, Dan Stets, Bob Runyan, Bill Halloway, Doug Carpenter, Susan Johnson, Michael Mees, Edward Madden, Robert Foreman, Jan Greer, Linda Fuller, Lafe Romine, Thomas Murphy, Mike Enyart and John Boggs.

Bexley Shriners Elect Officers

Ayan Shrine Club of Bexley named Russell Lindenbolt, 764 S. James-rd as president of the organization last week.

Other new officers elected are H. S. Atcheson, 3190 E. Main-st, vice president; William R. Evans, 1020 Chelsea-av, secretary; C. William Greer, 2626 E. Broad-st, treasurer.

Owners Urged To Buy 1961 Dog Licenses; On Sale Soon

The Humane Society and the county auditor announce that 1961 dog licenses go on sale Thursday, Dec. 1. A license is required by law for every dog 3 months of age and older. License fees are $2 for male, spayed female and female dogs; and $10 for a kennel license.

Any dog owner who fails to purchase a license may be fined as much as $25 and costs. Unlicensed dogs are stray dogs and can be picked up and impounded as such. If a licensed dog is lost or injured the owner can be located within a few minutes by checking with the Animal Shelter or with the county auditor's office.

Licenses may be purchased daily in the office of the county auditor in the court house or at the Animal Shelter, 2770 Groveport-pk. Dog owners may also obtain license tags by mail by forwarding the proper fee and a complete description, (sex, breed, age, color, long or short hair) and a self-addressed stamped return envelope to the county auditor at the court house.

In addition to being licensed, all dogs three months of age and older must be immunized against rabies. The health regulations of Columbus, Franklin County, Arlington and Grandview require the immunization and re-immunization of all dogs every 12 months.

St. Mary's Choir Slates Musical Program Dec. 4

The College of St. Mary of the Springs Choir will present a program of Christmas music Sunday, Dec. 4, at 3:15 p.m. in the Erskine Hall Auditorium.

Sister Paraclita, director of the choir, announced that the Christmas Carol Concert would consist of religious, classical and popular Christmas music. Mrs. Jean Harriman, harpist with the Columbus Symphony Orchestra, will be the guest accompanist.

The program is free to the public.

18-Foot Gulliver Will Visit Local Shopping Center

An 18-foot giant Gulliver will arrive in Columbus, Thursday, Dec. 1, on a spectacular float and will be on display at the Boston Store, Town and Country Shopping Center from 11 a.m. to 1 p.m.

The float is on a tour of 25 cities sponsored by Columbia Pictures, producers of "The 3 Worlds of Gulliver," a motion picture that is slated to open at Loew's Broad Theatre as its Christmas attraction, Friday, Dec. 16.

About 400,000 nonfarm wage or salary workers in December 1959 had a sideline business or profession and close to 500,000 operated a farm, the U.S. Labor Department reported.

Admitting that slacks are comfortable for travel, the AAA suggests that milady leave them at home if they are motoring "south of the border" or in Europe. The local populace frowns upon slack-attired women.

Bexley Thespians Present Annual Play at High School

"Dino," the story of a 17-year-old boy, unwanted by society, was presented by the Bexley High School Dramatics Club, Nov. 18.

"Dino Falcaro," was played by Sam Weiner. The story was about Dino who returned home after four years in reform school and found himself to be an outcast from the settlement house teenagers, who were led by Danny, played by Norm Sher, and Steve, played by Ron Solove.

Dino's parents were acted by Phil Levine and Ann Watters.

Dave Bloomfield played Dino's younger brother.

A social worker was played by Les Levitt.

Shirley, a shy teenage office worker, was performed by Peggy Gregg. Jackie, the receptionist, was played by Barb Bentley, Phyllis Schechter was cast as the settlement house director and Bob Self as the parole officer.

Judy Franz, Linda Franz, Barb Tapper, Karen Packard, Harriet Nalty, Joanne Coppersmith, Mary Tully, Steve Ault, Gay Gillespie, Spike Simpson, Alan Altman, and Cheryl Margulis rounded out the cast.

James Eliopulos, dramatics teacher and dramatics art adviser, directed the play, assisted by student Carole Jolliffe president of the Dramatics Club.

Chairmen for the play were Joan Klopfer, make-up; Kathy Bidlack, program; Marilyn Goben, props; Kathy Julian, costumes; Spike Simpson, tickets; Missy Heffernan, ushering; Eddie Rosenfeld, stage manager; and Steve Pollack, sound effects.

Ralph Trivella designed the scenery and the Art Club made the posters and scenery.

SANTA SET TO ARRIVE AT TOWN & COUNTRY

Santa Claus Arrives Saturday At Town And Country Center

The Town and Country Shopping Center is ready for Christmas. That's the report from the merchants who make up the 85-store shopping mart on E. Broad-st. in Whitehall.

The gala Christmas decorations are all in place, topped by a white-lighted tree atop the J. C. Penney Store.

Town and Country's official opening of "Santa City" will be at 1:15 p.m. Saturday, when Santa will arrive by helicopter direct from his North Pole workshop. The landing will be made near Eavey's Super Market. Hundreds of boys and girls are expected to be present.

After being paraded around the center, Santa will be escorted to his headquarters, located in the Union Town and Country Store, and there will meet and greet his little friends. Thereafter he will continue to be at his headquarters each working day until Christmas Eve.

Town and Country's stores are jammed with all types of Christmas gifts, gratifying to the tastes and the pocketbooks of every member of the family.

College Admissions Is Topic At Center

The Teen Age Council and the Jewish Center announce an experiment in education for Dec. 4, from 1:30 to 4:30 in the Jewish Center Adult Lounge when high school juniors and seniors and their parents will have the opportunity to meet and question specialists on college admissions.

Representatives will be present from Ohio University, Ohio State University, and college guidance centers. Information on living costs and conditions in fraternities, sororities, and dormitories also will be discussed.

Among the general areas to be discussed are—"How Much Does College Cost," "Big School or Small School," "Scholarships-Can You Be Paid to Go to College," "How Much do ACT Tests Count," "Going Away to School," and "What Kind of Grades Do You Need."

In order to answer all questions, there will be a limit of 80 persons for the program. To assure attending, call Marv Bienstock, Teenage director, at BE. 1-2731.

On Sunday, Nov. 27, from 4 to 5:30 p.m. in the Teen Age Lounge, the Center will present a preview of "So You Want To Go To College." A panel of last year's seniors will discuss their impressions of their first months at school. Those present will include Eileen Brenner, Frank Hoffman and Steve Levitt. This program is open to any interested teenager, regardless of his year in high school.

Laud Safety At Courtright

I would like to thank you for your article concerning Courtright School in the Nov. 10 issue of the Eastern Review. As your headline stated so accurately and succinctly, safety is pushed at Courtright. It holds a primary place in our program. The article in your paper helped us in this emphasis.

I wanted you to know that the support of your paper and the civic associations in providing for the greater safety of the children is recognized and appreciated.

Jewish Youths Help In Polio Fund Drive

Nearly 150 teenagers from the Teen Age Council of the Jewish Center will participate in the distribution of 1961 March of Dimes coin collectors to downtown business places Friday morning, Nov. 25.

Chairmen are Sarah Gurevitz, 128 S. Ardmore-rd, and Jerry Bobrof, 2784 Talisman-ct. The group will meet at the Neil House to receive materials and instructions, and will return there for hot chocolate and doughnuts following the distribution.

This marks the 12 year this group has assisted in the annual drive for funds with which to fight polio, birth defects and arthritis.

Adult supervisor for the group is Steve Levitt, 104 S. Stanwood-rd, who served as chairman last year. The same group of teenagers will complete the job by picking up filled coin cans early in February.

Dr. Ernest McClellan, former pastor of the congregation from 1945 to 1957 will participate with the present pastor, Rev. Harrison A. Gruenler, in conducting the service.

Beginning Dec. 4, the congregation will conduct a Bible School and hold worship services at the Berwick Elementary School, Scottwood and S. Roosevelt-av, until their new church is built at Rt. 33 and Refugee-rd.

During the cold weather months, says the Columbus Auto Club, it is essential that drivers change their motoring habits to fit the season. Motorists must be extra alert for winter's deadly tricks.

Couple To Mark Half-Century Of Marriage

Thanksgiving Day will mark the golden wedding anniversary of Mr. and Mrs. Herman Merz, 628 Woodbury-av. The couple will celebrate the event at their home.

They will be honored at a special service at their church, Scottwood Community, Scottwood at Barnett-rd during the 10:30 a.m. worship Sunday, Nov. 27.

They were also honored with a dinner party held at the Lachsenhalle (Saxon Hall), 360 Woodrow-av, Sunday evening, Nov. 13.

Thirty-five close friends and relatives attended the the event, catered by the Ladies Auxiliary of Catalpa Park Association.

Hilltop residents since their marriage Nov. 24, 1910 Mr. and Mrs. Merz are both natives of Columbus.

They are the parents of Mrs. Mildred Gunderman, 10 Blenheim-rd, and the late Ivan Merz, killed in 1951. They also have three grandsons.

Mr. Merz retired from the Ohio State Employment Service in May, 1951 after 38 years as a professional interviewer and translator.

Eastmoor High School's Warriors' Spear-It

By Beverly Finke

Safety Merit Award Given To Eastmoor High Students

An award of merit was presented to Eastmoor by the Columbus Auto Club "for Eastmoor's splendid example of team work" during Safety Week, Oct. 17-21.

Mr. Barr, driver education teacher, appeared on television, Tuesday, Nov. 15, to accept the award on behalf of the students.

Rev. Morris will be guest speaker at Eastmoor's annual Thanksgiving program on Wednesday, Nov. 23. The senior choir will sing. The audience will be invited to participate in a community sing.

The Student Council's Thanksgiving canned goods drive ended Nov. 23. The food, brought in by Eastmoor students, was given to needy families.

"Broadway USA" will be the theme of the choral-instrumental concert to be given in the Eastmoor auditorium on Sunday, Dec. 4 at 3 p.m.

An added attraction in the concert will be an Eastmoor's faculty choir which will sing "Lida Rose" from "Music Man."

The public is invited. Tickets will be sold at the door or by any member from the choral or instrumental department.

Students of English literature classes attended the color production of "Macbeth" at the WLW-C television station.

Eastmoor will be host to an elementary school band concert on Nov. 27. Peter Grasselli, director of all the elementary school bands, will direct the concert.

The Warriors Band created a band council and court this year. On the court are Danny Reynolds, Linda Koetz (president), Bob Lewis, Jane Lewis, Marcia Davis, Barry Hilton and Lynn Balthaser.

New Type Community Now Open

A new "custom" community is now open in Reynoldsburg, as announced this week by Ben Lurie, president of Ben Lurie Co., local builders, developers and realtors.

This new community is Red Fox Hollow on Rose Hill-rd, between E. Broad-st and E. Main-st, in Reynoldsburg and features split-level and one floor homes of contemporary as well as colonial designs.

The new home owner will select his own exterior and interior colors, including paints, ceramic tile and floor tile. All homes will have basements, garages will be optional.

The homes will have customized wood kitchens, with built-in ranges, ovens, dishwashers, and disposals. The builders are using name brands throughout the homes. Prices start at $15,000 and will go into the $20,000 range.

The new community features large lots, carefully planned street layout, and such street names as Rocky Den Road, Hunt Valley Drive and Red Fox Road.

Thomas Lurie, secretary, has assured that construction is top quality.

With custom features at a moderate price this is the first community of this type in this area. Sales are being handled by Irving R. Lackritz, vice president of the Ben Lurie Co., who will be on the premises while the homes are open for inspection from 1 to 8 p.m. daily.

Bexley Post Plans Dance, Meet Program

A dance on Saturday night at the post home, 3227 E. Livingston-av, and the monthly meeting Monday night are on the week-end schedule of Bexley Post 430, American Legion.

Round and square dancing are planned for members and their friends Saturday evening from 9 to 12, with music by the Tom Snow trio, according to Commander Victor Funtjar.

Lt. Col. Robert R. Agnew of Lockbourne Air Force Base will speak at the meeting, talking on the Strategic Air Command (SAC), with emphasis on the role of the local base.

Col. Agnew is commander of the 512th Bomb Squadron. He will be introduced by vice-commander, Wayne Geissinger.

LEAF COLLECTION SET NEXT WEEK

Now's the time to nudge those last reluctant leaves hanging on your trees.

During the week of Nov. 28 to Dec. 2, city leaf collection crews will drive vacuum trucks in the Eastmoor, Eastgate and Berwick areas.

When washing windows, a little vinegar added to the water will give them a brilliant polish.

DEATHS

He is survived by two daughters, Mrs. Margaret Wilson, Fort Lauderdale, Fla.; Mrs. Martha Bell Wilson, Whitehall; two sons, John L., Philadelphia; David, Columbus; 13 grandchildren; 21 great-grandchildren; three brothers, Webb, Columbus; Harry and Frank, New Lexington, Ohio; two sisters, Mrs. Margaret Maxwell, Mrs. Bess Teal, New Lexington, Ohio.

Funeral was by Egan-Ryan Funeral Home.

WHITEHALL FIREMEN DO ANOTHER SERVICE

"A friend in need is a friend indeed."

Whitehall Firemen's Association has provided just that kind of friend to the residents of Whitehall. It is a small gummed decal to be placed on the family telephone. On it is printed emergency fire and inhalator numbers.

With each decal went this notice "Through the years the WFA has endeavored to give efficient and intelligent service during any emergency. This, in part, has been brought about by your donations and contributions.

"We have been able to buy uniforms for our Volunteer Firemen as well as continue our study of the latest emergency and firefighting procedures. Your further donations will be greatly appreciated."

Workers Hit The Highways As TV Studies Migration

By Charles Ramps

Migratory workers who follow crop harvests across the United States, are the subject of "Harvest of Shame", on Channel 10, Friday, Nov. 25, at 9:30 p.m.

To show how migratory workers live, travel and labor in America's fields and orchards, a camera crew spent several months "on the road." They worked both eastern and western parts of the county.

One team traveled north from Belle Glade, Fla., filming shots of workers in the fields, in crowded trucks and busses, and in the dirty shacks that often serve them for homes.

Workers were also filmed on the highways and in labor camps. One group, living under a tree in Stockton, Cal., will be shown.

Edward R. Murrow will handle the continuity, and will interview, among others Secretary of Labor James Mitchell, and Senator Harrison Williams of New Jersey, chairman of the Senate Subcommittee on Migratory Labor.

Man of the century, Winston Churchill, has provided the material from which a program premiering Sunday, Nov. 27, at 10:30 on Channel 6, has been built.

Featuring episodes from Churchill's life, particularly the war years covered in his six-volume history, the new show will be seen each week.

Channel 4 is attempting a new public-service program, with a series of half-hour documentaries, based on community need.

Also scheduled for winter programs will be emergency facilities, geriatrics, youth, Children's Hospital, the handicapped, mental health, and Columbus' contribution to the nation.

The series ties in with network effort to produce public affairs programs under the title "The Nation's Future." Two weeks of network forums are followed by this local production.

"Emergency Ward", seen Monday, Nov. 28 on Channel 10 at 10:30 p.m. will present the patterns of activity that occur in a large hospital.

A compilation of 12 hours of activity in the emergency ward of Children's Hospital, the show has not made use of any "staged" cases. The people recorded on film were actually undergoing treatment and examination.

The show was produced with the cooperation of the Columbus Academy of Medicine. Such different cases as poisonings and appendix removals will be shown.

Helen Hayes and Farley Granger will star in the "Bell Telephone Hour", Friday, Nov. 25 at 9 p.m. This week's show is based on the life of Peter Tchaikovsky, and all the music used will be of his composition.

Jane Powell will be program hostess and joins Johnny Desmond in performing a number of popular songs based on Tchaikovsky themes and melodies.

Movements from his piano and violin concerts will be performed, and a Pas de Deux from his ballet "Swan Lake" will be seen.

At 8 p.m., Thursday, Nov. 24, the New York Philharmonic, directed by Leonard Bernstein, will be seen and heard in a special concert on Channel 10.

Channel 4 and Channel 10 will be televising Thanksgiving day parades. Channel 4 will carry Macy's parade from New York, from 11 a. m. 'til noon.

ASK THIS FAMILY ABOUT NATURAL GAS

This family knows about natural gas. Ask Ed, the breadwinner. He'll tell you that industry uses gas as a fuel, as a "tool", and actually as a raw material from which some of our most imaginative synthetic products are made. Ed knows, too, that the availability of natural gas in Ohio helps provide jobs for thousands of people in dozens of industries.

The rest of the family know about natural gas too. In the home, as in industry, gas serves best — economically, efficiently, and conveniently. What's more, gas rates for homes in Ohio are among the lowest in the country.

Gas does it better,— for less!

BEXLEY VIES WITH HOUNDS TONIGHT

Hartley Hosts University In Cage Opner

The ring around the silent hoops in Eastern Sector basketball courts get slightly unwound during the next week with Bexley, Whitehall and Bishop Hartley quintets dribbling away on the hardwoods.

Only Eastmoor will not see action during the next 10 days. The Warriors open the season Dec. 2 at Central.

In fact, Whitehall already has uncorked the lid on the basketball season in a tilt against Gahanna last night, and lost 66-53.

Bexley forces take to the floor tonight in a duel with Grove City. It will be the first game in the Lion's new gym. Last year Dana Swinehart and his legions were forced to use facilities at nearby Capital University.

On tap for Bishop Hartley is a game Friday night with University and Whitehall will meet its second foe in a week the same evening in a home fray against Lancaster.

Swinehart, the Lion mentor, expects to start a veteran five against Grove City tonight. He will choose from among Jerry Mechling, Steve DeVoe, Larry Ritter, Steve Tuckerman, Frank Eiferman and Cal Hamrick for his starting line-up.

He expects Urbana and Grandview to offer the most opposition during the coming hoop campaign and feels that his boys should be able to better last year's showing by moving "somewhere up toward the middle" of the standings.

The varsity tilt is slated to get under way at 8:15. The reserves are to play at 7.

At Bishop Hartley, Earl Vermillion is counting on Steve Warren to carry the scoring load for the Hawks.

"He has a wonderful pair of hands, has quick-reflexes, and is a top-notch center." Warren is the tallest man on the squad at 6 foot, 3 inches.

Vermillion plans to have his boys "work for a good shot and a quick opening at the bucket." He lists his first seven cagers as Warren, Bob Burman, Bill Macklin, Mike Hanf, Ronnie Matlock, Jim Harkless, Walt Teeters and Charles Robinson.

This is Vermillion's first year as Hawk cage mentor. He has previously coached at St. Charles and at Holy Family.

Saturday, in a "sort of" pre-view style, Bishop Hartley is to host the Missions Tournament for all area Catholic contingents.

EASTMOOR STARS—Named to the City League's 160 All-Star gridiron eleven were, left to right, Ken Hollister, Nick Cooper, Frank Stravroff and Bob Benjamin. Also selected was lineman Doug Van Horn, absent when the picture was taken.

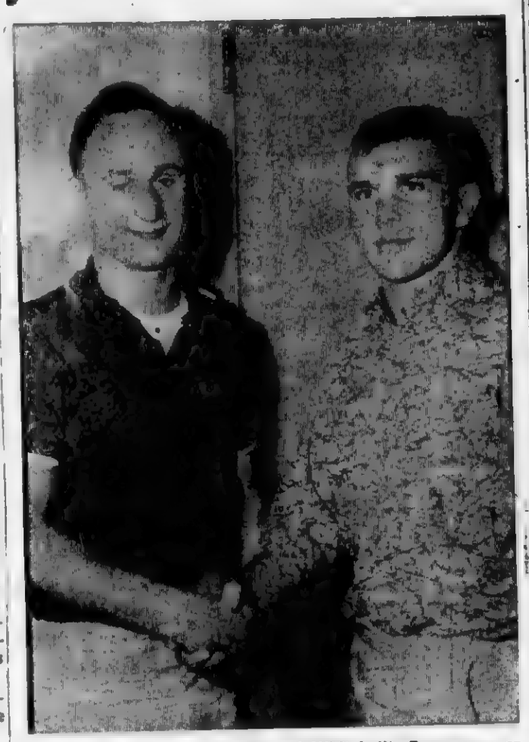
Warriors Shy Just One Vote For All-City Backfield Status

As the football season mooned toward the end, the stars kept right on rising and shining.

In fact, eight area lads were named to all-star positions in their respective leagues with Eastmoor landing a host of players on the All-City League eleven.

The Warriors placed backs Nick Cooper and Bob Benjamin and linemen Ken Hollister and Doug Van Horn.

Whitehall's Rams were lineman Gary Wyant and fleet halfback Randy Welsch.



Bexley's only accolade came in the form of end Jim Wacker.

The Warriors missed by one slim vote having an all Eastmoor backfield.

On the third ballot, South's Gene Harper nosed out the Warrior fullback Jim Makar by a 5-4 margin. Four of the five Eastmoor selections are juniors, with only Nick Cooper a repeat performer from last year, slated to be gone by the time the '61 season olls around.

Van Horn, a junior, was named to the squad as a sophomore. Cooper was selected to the defensive team last year but placed on the offensive unit this year.

Whitehall's Welsch and Wyant and Bexley's Wacker are also seniors.

WHITEHALL STARS—Two of Whitehall's Rams were selected for the CBL All-Star football team. Named were halfback Randy Welsch and lineman Gary Wyant.

Truro—

(Continued from Page 1)

Lancaster where it met Zane's trace, a wilderness road, which Ebenezer Zane had laid out in 1796 from St. Clairsville through Zanesville and Lancaster to Maysville, Ky.

The early settlers followed the streams and the Indian trails. For the most part, dealing with the Indians were peaceful throughout the county, only one real battle being fought in the neighborhood.

During Lord Dunmore's War, Col. William Crawford destroyed two Mingo villages on the east side of the Scioto in what is now downtown Columbus.

The first school in Truro Township was built only a short distance from the site selected for the Big Walnut School, soon to be begun by the Columbus School Board, near Livingston and Noe-Bixby-rd.

Built of logs on the east bank of Big Walnut, the school was in operation in 1820.

Grist and saw mills were constructed very early on Big Wanut and on Black Lick Creek. Few vestiges of them remain.

A stone quarry operated by Henry Besse near Reynoldsburg furnished much of the stone for the early bridges on Broad-st, and on the National highway.

The village of Reynoldsburg was laid out in 1831 by John French. It was named for his own family, Frenchtown.

James C. Reynolds, who came to the village from Zanesville, started a store here and rose to the rank of general in the militia. The townspeople changed the name of their town to honor their popular citizen.

General Reynolds was the first postmaster in Reynoldsburg, the office opening here in 1833.

In 1839, the town was incorporated, with Abram Johnston as the first mayor.

The name of Hibernia would mean little to Reynoldsburg citizens today, but a village by that name existed for a time, where the National Road crosses Big Walnut Creek.

The first formally organized church in Truro Township seems to have been the United Presbyterian, formed in 1818.

Religious services had been held before this in pioneer cabins, and often outdoors when weather permitted, and traveling clergymen stopped by.

A Baptist Church was organized in 1823, with a Methodist Church being founded in 1825.

The missionary work of the Rev. James Hoge resulted in a Presbyterian Church being set up in 1836.

The past 150 years have been interesting ones for the people of the township, and although anyone enjoys a backward glance through history, the attention of township citizens is now mainly on present problems and the future outlook.

evaluation committee for the improvement of the special education program and to meet with new parents of children in special education classes.

The evaluation committee, in turn, is to consult with teachers to evaluate the progress of individual children and, if necessary, to recommend that a child be referred to an outside specialist.

Principals are to have the authority to require specific test results provided by parents in order for a child to be admitted to special education classes. If necessary, a child will have to stay at home until the proper evauation is completed.

If parents refuse to provide test results, then the evaluation committee is to determine a course of action.

120 Strikers Punished By Electric Co.

The 120 employes who staged an unauthorized walkout Saturday at Western Electric Co., were given a one-day disciplinary furlough without pay Tuesday, officials said.

The workers are expected to return to their jobs Wednesday.

About 2000 of the company's production employes took part in the wildcat strike that was staged following the discharge of two other employes. The workers returned Monday and operations were back to normal.

R. F. Ramey Jr., president of Local 2020, International Brotherhood of Electrical Workers, ordered the workers to return while grievances of the two employes are handled through arbitration channels.

One worker was dismissed for unsatisfactory work and another for absenteeism, union members said.

One reason some men do not take the boss home for dinner is that she is already there.

Maxwell Master Plan For Streets In Offing

SEARS DECISION PROMPTS ACTION

A "Maxwell-Master Plan" for streets appears to be spinning in the brain of the Whitehall City solicitor.

Chagrined by a decision of Sears, Roebuck, & Co. officials to drop plans for a major store at the corner of Hamilton-rd and E. Broad-st, James Maxwell indicated that he laid the blame on the "city fathers for not providing adequate street accesses in the vicinity."

Sears, this past week, announced its decision shortly after making plans in conjunction with the F. & R. Lazarus & Co. to locate a 200-acre shopping center at Hamilton and Refugee-rds.

Maxwell said that he did not blame the store officials for their decision. "They are in business to make money and the southeast area of Franklin County appears to be a profitable future location; that area is building up."

In so stating his position, Maxwell announced that he would soon be submitting to council a street plan for the city, "comparable to the Rackoff master plan," currently being studied.

His recommendations will center on giving people easy access through Whitehall adding that "it works with some of the recommendations of the Racoff plan." Maxwell said that he plans to release his proposal within the next two to three weeks.

The solicitor said that he feels that Sears dropped its plan to build in Whitehall "because of a lack of access" to the proposed store. The 17-acre tract, still owned by Sears, is located at the Northeast corner of Hamilton and Broad.

"It is time that the city started thinking about these things," Maxwell pointed out. "It is important to all businessmen," he added.

Speaking for Sears, Warren Skoning, director of real estate services, stated that no decision has been made as to the use of the Hamilton-Broad tract, adding that the company would not erect a major store at the intersection.

COUNCIL DECISION DUE IN JANUARY

Bexleyites Rebuff 'Buffer' Zoning

LARGE TURN-OUT OPPOSES USTA SITE

By John Poeppelmeyer

Shortly after the echoes of "Jingle Bells" and "Auld Lang Syne" are packed away alongside other holiday momentos, Bexley City Council will assemble to issue a decision on whether or not to welcome the United States Trotting Association—a so-called "buffer site" operation—into the environs of the city.

If approved the welcome will not be appreciated as witnessed by the nearly 100-strong Bexley resident turnout at this week's hearing in opposition to the pending USTA plea.

The large numbers appearing found council president Charles H. Kurtz, Jr., musing that it was the first time the hearing room, built especially for the purpose, had been used since the city hall was erected.

The "cons" heavily outweighed the "pros" on the USTA office site matter, and apparently has caused Bexley solons to shift their opinion somewhat on allowing the building to be constructed — even with approximately $7700 in tax revenue beckoning.

Probably reasons for any council reversal were these comments by Bexley citizens:

Bernard Feitlinger — "Since 1939, I've lived in every section of Bexley. As spokesman for the residents I represent (some 240 signatures on a petition), I see no need for a change at the present time.

"To let the USTA build an office would affect most of us who own our homes. Up until 10 years ago, that area along E. Broad (between Gould and Merkle-rds) had been vacant. Since then homes have been built. If any change were to be contemplated, it should have taken place before the residences were erected."

Stanley Schwartz — "I've lived here for 30 years, and I have been proud of the growth of Bexley. The people in my neighborhood repose trust and confidence in you gentlemen of council to retain the residential classification. One exception could only lead to another."

Howard Frank — "This action would be a matter of breaking trust. The area has been set aside as residential and should stay as it is.

"If a commercial area were started, the tendency would be to expand. You couldn't hold it to an isolated area.

"Fortune Magazine recently listed Bexley as one of the ten most influential communities in the country. Let's keep it that way so that Fortune can continue to say it."

Thus council listened to the one side of the controversy, interspersed with encouraging smatterings of applause from anti-office site backers.

John Connor, speaking for the USTA, said that he had heard that some people had thought they would be signing a petition against a gas station or shopping center. "Not true," the audience chorused.

Kurtz banged his gavel and asked for consideration so that Connor could be heard.

Connor told the audience that it was not necessary for any rezoning action on the office site matter, that only council permission was needed. A church, a school, a private club could be erected on the premises under present zoning law, he stipulated, and city solicitor Howard Park later backed him up on this statement.

"This isn't any cheap building. Counting land and improvements, it nears the half million dollar mark. If council approves, it should do so with the thought of what is beneficial for the city, and not for the property owners of the tract nor for the people here tonight."

Connor stressed that any type of "office-site" zoning that Bexley would be considering is needed for its flexibility. "Regardless of what happens between Merkle and Gould-rds, this type of zoning should be passed."

"If allowed to come into Bexley, Connor stated, the organization, one which requires private membership, would not put any burdens on the city for additional services.

"It would act as a "buffer" between Columbus commercial enterprises to the east and Bexley residential areas to the west."

He pointed out that taxes assessed would amount to approximately $7700 and that the USTA employs some 70 people from the Eastern area.

In answer to a "why move into Bexley" inquiry, Connor rebutted that the USTA would like to "move here for the same reasons you people did—it is a well-run community." He emphasized that both the city planning and engineering commissions had recommended the venture.

Only one resident, Samuel J. Williams, said he thought no one should be opposed to an "elegant" office building along E. Broad-st. "We would not want another commercial area such as that along E. Main," he cautioned.

So the hearing ended an hour and five minutes after it started. But the final decision is that of the council, and that will come the second Tuesday in January.

Firemen Proclaim: 'Time For Change'

No "Great Debate" is planned—but

The slates are ready. The candidates are eager. And by next Tuesday the results should be known.

For on the first Tuesday after the first Monday in December the Whitehall Firemen's Association election of new officials, amid cries of "a need for anti-radical leadership" and such discernible qualities of being able to read, write and spell, will take place.

The nation donkeys and elephants will have to make way for the "Better Leadership" and "Better Government" parties.

Candidates under the "Bee-Ell" banner are:

President—Richard Stoughton;
Vice-President—Howard Morgan;
Secretary—Paul Knoblauch;
Ass't. Sec.—Don Marcum;
Treasurer—William Boggess;
Sgt.-at-Arms—Donal Diller.

Standard-bearers for the "Bee-Gee" slate are:

President—Robert Martin;
Vice-President—R. Wolford;
Treasurer—A. Wharton;
Ass't. Sec.—Tom Reddy (backers proclaim that he is qualified since he is "neat, can read, write, spell and knows proper grammar.")

Backers for Martin will let you know that he is the needed "anti-radical leader; that he won't waste time nor run off the mouth."

Whitehall Pursues Sr. Citizens Project

A Senior Citizens group for Whitehall will soon be in the offing, according to the city's new recreation director George Chamblin.

He would like to see the area residents "60 years of age or over" form into an organization, he said this week.

Chamblin also mentioned that possibly the city's Senior Citizens could get together sometime during December, "around the middle of the month."

Chamblin said that the program would run along the lines as the Senior Citizens program in Columbus.

Meanwhile, the recreation director made known that he is interested in having parents volunteer to transport children for an after school hours activities program in Whitehall Elementary schools.

A plan has been set up whereby the third to fifth graders at Etna Road, East Broad, and East Main schools and sixth and seventh graders at Rosemore Junior High School can engage in the program from 3:30 to 5 p.m. one day each week in each school.

The program includes crafts, seasonal sports and other pursuits.

Chamblin said that "transportation is the major problem" and that he would welcome the aid of parents.

Chamblin plans to attend schools during the day to eat with the youngsters so that he, and in turn, they, will get better acquainted.

POLICE BALL TONIGHT

MAY I?—For only a buck you too can have a charming partner (preferably your wife) for the Whitehall Policeman's Ball tonight at Valley Dale from 9 p.m. to 1 a.m. William Pettit has even condescended to purchase one from his wife, who is a secretary in the Police Department. The event is being sponsored by the Whitehall Auxiliary police. Chuck Selby and his orchestra are providing the dance music, both round and square. Money is to be used to purchase equipment and uniforms.

Arthur H. Munk, 75 Buried At Groveport

Service was held Thursday afternoon for Arthur H. Munk, the man for whom Munk's Corners was named.

The 75-year-old former store keeper and court bailiff died Monday at his home, 2626 College-av. Munk suffered a heart attack last September and only three weeks ago returned home from Grant Hospital.

He was the son of Daniel Munk an early settler of the area, who operated a greenhouse on Refugee-rd. In 1909, Arthur opened a grocery and general store at the intersection of Refugee-rd and the present College-av. His son, Donald, took over the store when he was appointed building manager at the Bureau of Unemployment, 427 Cleveland-av.

Three years later, Munk became bailiff for Judge Myron Gessaman and served for 18 years. Earlier in his life he saw service in the Mexican Border campaign as a National Guardsman, advancing to first lieutenancy.

He was a member of Morgan Memorial Methodist Church, Groveport Lodge F&AM, Scottish Rite and Shrine, Knights Templar and the Buckeye Republican Club.

Surviving in addition to the son are Mrs. Munk, another son, Eldroe, of Yuma, Ariz.; five grandchildren and one great-grandson. The Munks celebrated their 50th wedding anniversary in 1957.

Masonic rites were held Wednesday evening. Burial at Union Grove Cemetery was by George E. Darfus Funeral Home.

To discover you zigged when you should have zagged five miles back down the road . . . to be told that some one will call you right back and then you never hear from him again . . . To discover a person who would rather alibi than face the facts.

New Church Service Set At Johnson

A new Christian Church (Disciples) will hold its first worship services this Sunday at Johnson Park Junior High School, 1130 Waverly.

The dual, one-hour service will begin at 9 a.m.

There will be a Sunday School program for children from crib age through junior high. Worship service for adults and older youth will be held in the school auditorium at the same hour, enabling families to attend together.

Services are sponsored by the Wilson Avenue Christian Church, Wilson-av. at Fulton st.

The church has purchased a four acre site on the northwest corner of Livingston-av. at Barnett-rd for a new building.

The new congregation being formed at the school will be merged with the Wilson-av. congregation at the time of the building's construction.

All people of the community are invited.

Rev. Kenneth Coy, 1440 Crestwood, pastor of Wilson Avenue Christian Church, will deliver the sermon at the 9 a.m. service.

Get Christmas Cash!

Items like tape recorders are widely sought right now by Christmas shoppers. G. R. Wade, 59 Beechtree, had one to sell so he advertised it in the Classified section of Hartley Newspapers. One call did it—he sold it right away. Turn unwanted items into Christmas cash. Dial BR 4-1155 for help in wording your ad.

EASTERN KIWANIS NEWSBOYS ON THE GO TONIGHT

THEY'RE ALL IN IT—Getting all set for the combined Eastern and Gahanna Kiwanis rush of of news to area homes tonight, at left, are Ed Miller, treasurer of the Gahanna organization; Howard Mauger, of the Eastern club; and Robert S. Rosencrans, president of the Eastern Kiwanis. The news has been delivered for the past two evenings and tonight's effort wraps it up for the year. Some 100 men are in on the project and have 11,000 newspapers to deliver. At right, Keith McNamara delivers his first paper to Mrs. Paul Lindquist at 638 S. Cassingham, Bexley. Last year, the Eastern Kiwanis recived approximately $4600 in the project with only 7500 newspapers to deliver. This year, they expect the amount to be more.

Kiddies: Reach Santa Through This Paper

Writing a letter is never more important to a youngster than around this time each year. With pen in hand, boys and girls who ordinarily scorn letter writing relate their Christmas wishes to one of their best friends . . . Santa Claus.

To help in transmitting the messages to the North Pole, Hartley Newspapers have agreed to give jolly old Santa a big hand this year.

The seven community newspapers will begin, starting next week, to publish letters from youngsters to Santa Claus.

After they have been printed, the Hartley Newspapers will forward them to the North Pole.

Letters must be no more than 50 words in length and contain the full name and address of each boy and girl. They should be addressed to Santa Claus, 2465 W. Broad-st, Columbus, 4.

Watch the next issue of this newspaper for the first Santa Claus letters. To insure printing, all letters should arrive at the Hartley Newspapers office before Dec. 19.

NOT DUE 'TIL 1ST

Whitehall council service director Loren Mason has reiterated an announcement to residents that free garbage collection in the city is not due to begin until after the first of the year.

Ram Boosters Honor School Players With Potluck Dinner

The Whitehall varsity, reserve and ninth grade football players were honored at a potluck dinner on Nov. 16, by the Ram Boosters. Glen Fraser, football coach at Ohio Wesleyan University, was the featured speaker.

At the Nov. 14 meeting of the Whitehall-Yearling PTA the Ohio State University Players Club staged the playlet, "The Room Upstairs," which dealt with the problems arising from a father living in his daughter's house.

Classes are beginning to swing into action under the leadership of officers elected last spring. Leading the senior class are Wesley Orr, president; Ron Nicholson, vice president; Peggy Snider, secretary, and Ralph Sompres, treasurer.

In charge of the junior activities are president Ron Paxon, vice president Dan Clark, secretary Kirk Gay, and treasurer Melissa Cottingham. Sophomore class officers are Tom Smith, president; Karen Beery, vice president; Sylvia Orr, secretary, and Alan Winner, treasurer.

Conducting freshman class meetings are president Brian Crawford, with the aid of vice president Eugene Terrell, secretary Judi Bolon and treasurer Jeff Robinson.

Lynda Jordan, a senior, won second place in a cherry pie baking contest Nov. 5.

She competed with 11 other girls.

Further information on the tradition-setting event to be sponsored on Feb. 10 by the Student Council has been released. Whitehall will have a "Sweetheart of Whitehall-Yearling High School." She will be a senior and her court will consist of one member from each class.

Home For Aged Lacks $200,000

Ground has already been broken for the new Jewish home for the aged but Aaron Zacks, campaign chairman for the home, said this week that $200,000 must still be raised before the building can be completed.

Zacks urges those who have not yet purchased memorials to do so as quickly as possible so that work will not be hampered.

Contributors can specify that their donations be used for specific furnishings.

Donations can be made in the form of a pledge with payments spread over a three-year span. In special cases contributors can make the payments over longer periods.

Lancaster Car Crash Kills Bexley Woman

A two-car crash at a blind intersection near the Lancaster Boys Industrial School claimed the life of an east side Columbus woman Thursday afternoon and injured four other people.

Mrs. Lillian E. Congdon, 955 Broadleigh-av died of chest and internal injuries.

She was a passenger in an auto driven by her son, Donald Paul Keller.

Keller's auto was hit broadside by a car driven by John Henry Kelley of Marion.

The accident is still under investigation.

Hearing Set On E. Main Rezoning

Columbus City Clerk Gordon F. Serrott has announced that a public hearing to change zoning within the city will be held Monday, Dec. 5, before the Zoning Committee of City Council at 7:30 p.m. in City Hall.

Blanche E. Siebold, 245 Fairway-dr, has requested the rezoning of 6000 E. Main-st, located on the north side of E. Main just east of McNaughten-rd, from rural residential to C-1 commercial.

If the property is rezoned, Siebold plans to build a barber shop and a dry cleaning pickup depot.

The City Planning Commission has recommended that the petition be approved, according to Serrett. The ordinance is known as 1233-60.

Capital Queen Hurt In Crash

Capital University's homecoming queen, Linda McNutt, was injured in a car accident near her Mississippi home Saturday night.

She suffered a fractured left arm but was released from the hospital and flew back to school to make her Monday morning classes on time.

Book Fair Planned Sunday By Senior English Classes

The senior English classes are sponsoring a Book Fair Sunday, Dec. 4, from 2:30 to 5 p.m. More than 1000 books will be displayed, including fiction, biographies, science fiction, historical, science, children's and reference books at the Fair. It is open to the public and will be held in the school cafeteria. Books may be purchased.

Ed Warman is the sales manager. Lucy Ryan and Paul Coleman are in charge of publicity. Book displays are being handled by Barb Scholl, Nancy Krauss and Mary Beth Finta. Mary Jo Enderle and Carole Enderle are doing the art work.

College Night was held Nov. 17 for the juniors and seniors and their parents. Philip Byers, university examiner, Ohio State University, spoke. Students and parents conferred with representatives of 2 colleges of their choice. Colleges represented were University of Dayton, Ohio State University, St. Mary of the Springs, Ohio University, Xavier University and St. Mary College, Ind.

Chairmen were Thomas Schreick, general chairman; John Bruno, hospitality; Neil Collins, publicity; Mrs. John Stein, dinner. Mrs. Ollie Goodloe, Mrs. Ralph Thomas and Mrs. Robert Whitman were the hostesses.

Janet Van Balen, a junior, was the school's winner in the "I Speak for Democracy" contest. Lucy Ryan, a senior, was awarded second place, and Sue Sharkey, also a senior, took third place.

The nine finalists were seniors Jayne Henley, Sylvia Jorgenson, Lucy Ryan, Sue Sharkey and Paul Coleman; juniors Arla Jean Anderson and Janet Van Balen and sophomores Carol Krauss and Linda Wunderlin. Miss Mary Gordon, Fred McCool, John Wagner and John Bruno were the judges.

Janet will represent the school in the Franklin County finals.

In connection with Traffic Safety Week, three juniors were honored. John Wagner was chosen as representative to the Central Ohio Traffic Safety Council. Ron Palumbo appeared on the "Ann Reider Show" on Nov. 17. Mike Bruno, traffic safety chairman, rode in the traffic control helicopter with Sgt. Steve McDonald.

Whitehall School Board Reviews Zoning Proposals

In the light of Rackoff Associates zoning plan for the city of Whitehall, the local school board decided to take a look at the proposals this week, Superintendent Robert Crabbs reported.

No evaluation was made, he said, but added that the board could not see where any major changes in the district's building program would be forthcoming under the present zoning items being considered.

In other action, the board accepted the resignation of Nancy Belz, a seventh garde teacher at Rosemore Junior High School and employed Joel McKee as replacement for assistant band director Robert Watchel at the same school.

Development Plan Backed By Bachtel

The Pennsylvania Railroad's proposed development of 365-acres at Morse-rd. and the North Freeway, met with approval of the City Planning staff at a meeting Tuesday.

Jack Bachtel, planning director, said he will leave up to the City Planning Commission on what to do about allowing more commercial zoning along Morse-rd.

The proposed development includes 94.3 acres for restricted manufacturing on the west side of the freeway.

On the east side, the proposal calls for 10.5 acres of commercial zoning for a Howard Johnson motel.

Extending eastward would be a 49-acre apartment project with up to 1150 units, a one-to-four family housing project with up to 800 units in a 68.5-acre tract, and a 143.2-acre suburban residential project with up to 572 houses.

POP CONCERT AT EASTMOOR

STUDENT AND TEACHER SONGSTERS—When the curtain goes up Sunday, Dec. 4, at 3 p.m. at the Eastmoor Auditorium, these are some of the faces that can be seen in "Broadway, USA," a pop concert presented by the school's music department: from left, Barry Hilton, representing the high school band; Jim Tharp, a teacher; Dave Armstrong, representing the choir; and Barbara Belk, a teacher at the piano. The two teachers are part of a 25 member chorus known, appropriately enough as "The Teachers' Chorus."

Area Residents To Preside At Shop's Opening

Mrs. Don M. Casto, Jr., 363 Westland-av, and Mrs. Frank Benson, 172 S. Columbia-av, will preside at the opening of the newest Gladys Lee Shoppe in Graceland Shopping Center Dec. 2.

They will unlock the door with an oversize gold Florentine key, replica of Mrs. Lee's trademark.

Presidents of all women's organizations have been invited to attend a social tea from 2 to 4 p.m. on Dec. 2 and 3.

Public is invited to register for merchandise gift certificates which will be awarded.

The National 4-H Service Committee is a voluntary group of public-spirited citizens who utilize private resources in behalf of the 4-H program.

Harvested acreage of alfalfa seed in 1960 was the smallest in 12 years, according to Ohio State University Extension economists.

Since 1950 the number of farms has been declining by about 100,000 annually, according to Ohio State University Extension economists.

SECOND IN CENTRAL OHIO

Lazarus-Sears Announce Plans For Regional Shopping Center

Lazarus and Sears recently announced plans for a second major regional shopping center in southeast Columbus.

Location is at the northwest corner of Refugee and Hamilton-rds inside the city of Columbus.

The new regional center is expected to be much like Northland, the one Sears and Lazarus will occupy at Karl and Morse-rds in north Columbus. Northland will cover an area of about 70 acres.

Announcement of the southeast center, to be the second regional shopping center developed in Central Ohio, came in a joint statement by Gordon M. Metcalf, Territorial Vice-President of Sears, Roebuck and Co., and Robert Lazarus and Charles Y. Lazarus, Board Chairman and President of the F. and R. Lazarus and Company, respectively.

The statement said:

"Following our decision in July to join together in Central Ohio's first regional shopping center, Northland, we have very closely studied all possible sites for a similar center in the eastern sectors of Columbus.

"We have reached the conclusion that the northwest corner of Refugee and Hamilton-rds is the best possible site for a major Lazarus-Sears center in this area of the city.

"Since Columbus, particularly this section of the city, is growing at such a rapid rate, it is our intention to start construction as soon as will be practicable. The southeast center will await the construction of Northland, however."

The Refugee-Hamilton site is about nine miles from downtown Columbus. It is about 4½ miles west of the Fairfield county line and about 4¼ miles north of Groveport.

The site is now farmland.

The Sears-Lazarus statement continued:

"Since construction of a major center such as the one we plan in southeast Columbus always greatly influences the total development of a very large part of the surrounding area, we selected this site, which is now farmland, so that planning of the entire area can be done on a regional basis and in an orderly fashion."

Robert and Charles Y. Lazarus foresee "no change whatever in the future growth of downtown Columbus resulting from any major shopping center we might occupy in any section of the metropolitan area."

They added: "We are now just completing an $8 million expansion to our main store. We have just begun another improvement to the main store which will cost about $800,000.

"In addition to that, we shall soon begin to completely refurbish our second floor. Within six weeks, we shall start construction on a $1 million parking garage immediately south of the Annex.

"We believe this to be strong evidence, indeed, that we fully expect the downtown area of our city to grow considerably in the years to come. If this growth continues at the rate we expect, we shall undoubtedly make more large investments in our downtown complex, in addition to those listed, and in the suburban areas."

The Sears store in the southeast regional shopping center will be one of its major facilities, and the Lazarus store will be of about equal size. Both will offer complete department store facilities, as will both stores at Northland.

JUST LIKE NORTHLAND—This is the proposed site for the new Lazarus and Sears Regional Shopping Center to be built in southeast Columbus. The location is at the northwest corner of Refugee and Hamilton-rds inside the city of Columbus.

Education Conference Slated For Whitehall

Whitehall's second local State House Conference on Education will take place Thursday, Dec. 8, at 8 p.m. in the high school auditorium. The meeting was originally scheduled for Nov. 30.

Speakers on the agenda will be Paul Walker, a member of the state board of education, who will report on the state board's recommendations to the state legislature; Robert Drury, of the Ohio Education Association, who will speak on the OEA recommendations to the legislature; Robert Crabbs, superintendent of Whitehall schools, who will report on local financing.

The meeting is under the direction of Donald Worstell, chairman of the local steering committee.

KIDS 'N JETS 'N BRIDGE— ALL IN SUBURBIA TODAY

Distinguished novelist Shirley Jackson gives a hilarious account of writing a play for her "bad" children and their friends, to lead off the gaily decorated December issue of Suburbia Today, which will come to paid subscribers in the Dec. 8 edition of The Eastern Review.

In "The Jet Age," columnist Art Buchwald tells what it's like to travel in the Economy section of a 707 jet with three active children going along for the ride.

Then there's a tribute to women as bridge players, by Helen Sobel, the world's leading member of that clan. Mrs. Sobel goes through three typical hands to prove her point.

Once a year, everyone in Altadena, Calif., pitches in to transform their town into a living Christmas card, pictured in this issue. The Christmas Tree Lane of deodars, the Lamplighters' ceremony, and unexpected snowdrifts among the geraniums.

In "Memories with Evelyn Grace," Irene Scott remembers the good times she had with her first dolly, a battered wooden specimen that linked the love of three generations.

Suburbia Today's news column, "Getting Around," pokes around to a grandmothers' bowling league, an exclusive drive-in theatre, and a most extraordinary barber shop.

Finally, the food pages have a double surprise this month. First, there are the delicious easy-to-prepare, kitchen-tested holiday goodies—Ischl cookies, Panettone, Christmas Conserve, Honey Fruitcake and Toffee.

Along with these recipes are suggestions for wrapping them in fancy glasses and jars and baskets for Christmas giving.

Kidney Disease Month Proclaimed By Moling

Mayor Walter B. Moling of Whitehall has proclaimed December as "Kidney Disease Month."

During the month, the National Kidney Disease Foundation will concentrate on a program of public education on kidney disease. The Central Ohio Chapter is planning a similar program for Whitehall and surrounding areas.

Highlight of the fund drive will be a "Kidney Kavalcade," a Central Ohio door-to-door solicitation between 6:30 and 8:30 p.m. on Tuesday, Dec. 6.

General chairman is Mrs. Stanley B. Klein and "Kavalcade" chairman is Harry C. Sharp.

Objectives of the campaign

To continue and expand research established at Children's Hospital and Ohio State University. Research started in 1957, a year after the Foundation was organized.

Provide life-saving drugs for victims of nephrosis, nephritis and allied kidney disorders.

Increase public awareness of the menace of kidney disease.

Continue support of the annual Conference on the Nephrotic Syndrome, which brings out the latest developments in treatment of kidney disorders.

The National Foundation points out that kidney disease kills one person every 18 minutes. The Central Ohio Chapter of the Foundation is composed of parents and friends of nephrotic children. The chapter was incorporated in 1956 as a nonprofit organization.

NEW CRC PRESIDENT

TAKING OVER—The Columbus Recreation Commission at its regular meeting on Nov. 23 elected Ollie F. Osipoetz, 1280 Medford-rd president. REINDEER AILIN'—SANTA'S SAILIN'

TRANSPORTATION SWITCH—Santa Claus arrived at the Town and Country Shopping Center last Saturday afternoon, but Dasher, Prancer and Company weren't with him. Santa was sad to report that they had a slight cold, but reports from the North Pole say that they'll be ready to dash to the housetops on Christmas eve.

You can improve your "active" storage space by using heavy cardboard boxes or drawer dividers to separate articles in drawers. Closets may need additional rods added for double hanging of skirts, blouses, jackets, shirts and trousers.

Ohio Federal Appoints New Manager

Charles E. McNight

Charles E. McKnight has been appointed general manager of the new branch office of Ohio Federal Savings & Loan Association at 4140 E. Broad st, by president, Arthur R. Allen.

Located in the Town & Country Shopping Center for the past six years, Ohio Federal moved into its new Whitehall offices on November 1.

McKnight is a graduate of The Ohio State University College of Education, has completed graduate work in education at the University, and until he joined Ohio Federal in the Columbus Public Elementary Schools.

He is now taking the three-year summer graduate course in savings and loan operations at the Ohio Savings and Loan Academy at Granville, Ohio.

He resides at 3172 Berwick-blvd, with his wife, Patricia, and daughters, Cindy, two years old and Mindy, eight months.

Upon due reflection, a rural school teacher decided to give full credit to a pupil for his answer to an arithmetic problem.

The question: "If your father sold 15 hundred bushels of grain for $2 per bushel, what would he get?"

The answer: "A new car."

New Bids Set For Airport Inn

At least 10 contractors are expected to make new bids, when they are opened on Dec. 14, for the Port Columbus motel.

According to Service Director Ernest H. Stork, Avis Ford Inc. was awarded a contract over two years ago but defaulted on contract terms.

Property Buyers Are Offered New Engineering Aid

Prospective home buyers who are perplexed to know the condition of the structures they are considering have a new service at their disposal.

Home Buyer, Inspections, of 1270 Beechwood-rd. (BE. 7-1889) has been formed "for the sole purpose of providing a competent engineering report to the prospective buyer."

"Graduate, licensed engineers having a broad knowledge of design and construction will inspect all features of the structure," a representative of the service said. Particular attention is given to wooden members, roofs and walls, insulation, basements, and condition of water heaters, furnaces, electric systems and the like.

David E. Jones Elected Master

David E. Jones, 32 S. Gould-rd, has been elected Worshipful Master of the David N. Kinsman Lodge.

Other new officers are James W. Grant, Senior Warden; W. Robeinson Watters, Junior Warden; Ray H. Long, treasurer; Leroy E. Bucy, secretary.

Charles W. Collier was elected Senior Deacon; Joseph H. Shoemaker, Junior Deacon; Grover C. Pendleton, Jr., Senior Steward; Robert H. Nihart, Jr., Junior Steward; Lewis D. Luttrell, chaplain; Roy A. Kistner, tyler and trustee, and Robert M. Sterrett, temple trustee.

Film Scheduled

A sports film on the All Americans of 1960 will be shown at East Columbus Recreation Center at 7 p.m. Monday evening, Dec. 5. People of all ages are welcome. The film will be supplied by the Big Bear Stores, Inc.

LIFE INSURANCE ORIGINATED NEARLY FOUR CENTURIES AGO

In 1583, a Londoner bought a year's protection for 32 English pounds, then died within the year. His heirs collected 400 pounds. Since then, life insurance has become a vital source of family security. And State Farm life insurance provides this security at moderate cost, on convenient payments.

I'll gladly help your family obtain it as well as State Farm's low cost auto and fire insurance. Call me today.

Rabbits Are Hunters' Targets Until Jan. 2

INSIDE ON THE Outdoors By ROD COCHRAN

The United States can well boast of its rich variety of small game. In the South, it's the bobwhite quail that ranks first in the esteem of Dixie's sportsmen; New Englanders speak better than well of their ruffed grouse shooting. And pheasants are the target of real anticipation in a score of northern and midwestern states.

In Ohio the hunting is varied waterfowl, fox and gray squirrels, deer and woodcock in addition to the above. But cottontail rabbits are every place.

It's an established fact that King Cottontail occurs in all the 48 continental states, and it's a good bet that he lives in virtually every county in every state. He is the young gunner's prize and the gentleman-hunter's delight wherever he appears in sporting numbers, and that's just about every place.

Hunting cottontails can be as simple as strolling out the back door with a battered old shotgun or 22 caliber rifle cradled in your arm. Or it can be an involved, tradition-filled event involving a half dozen gunners and twice as many beagles, bassets or others of the small-hound breeds. Bird hunters are not above bagging a rabbit when their highly-trained and expensive pointers and setters aren't looking.

But regardless of how he's taken, it's a fact that he is taken in greater numbers than any other species of game. The national rabbit-kill figure runs around 30 million, a rough guess at best, and that is a lot of hasenpfeffer in any language.

In a number of states where cottontail demand exceeded supply, it used to be that game departments tried to take up the slack by importing live-trapped bunnies from the "have plenty" states. About all the good it accomplished was to put a lot of Missouri farm boys through college. States on the importing end found that the non-resident rabbits didn't do as well as the home-grown product. And that is about what you would expect. If eskimos were in short supply, you couldn't populate the arctic with New York apartment dwellers.

It is pretty obvious now that the only way of upping cottontail production is to build from the ground up. Even as you and I, rabbits need adequate food and decent living quarters in order to prosper. And providing these needn't be a costly or involved operation. In fact, if properly directed, a little laziness on the average farm will work to the advantage of cottontails.

As fencerows grow up to shrubs and vines, a farmer need not fret about them — he can simply tell the neighbors and friends they are rabbit management plots. He can ease his conscience a little by planning to hunt there in a couple of years. Quail and pheasant will use them too, and songbirds aplenty.

If ground cover is needed in a hurry, brushpiles will do. Use a few big stones, an old stump or an oil drum to start the pile, and then load on the brush. Farm equipment cannot be maneuvered into field corners anyway, so these can also become rabbit management plots.

Field dividers of multiflora rose are excellent, but involve a little work. You hear a lot these days about multiflora becoming a pest on farms, but don't you believe it. If pastures and meadows are clipped as they should be to kill thistles and other weeds, multiflora will not spread from the hedgerows.

Rabbit hunting continues this year until Jan. 2. If you don't find the numbers of bunnies you expect, encourage the landowner to relax a little and start some rabbit management areas. Nature will do it for him.

East Columbus In Another Win

East Columbus Recreation Center's cross country team won its final meet of the season over Sullivant Gardens by the impressive score of 15 to 48 last Saturday at Krumm Park.

This win gives the team a record of 4 wins and 1 loss. The loss came at the hands of Beatty while the wins were over Sunshine, Sullivant Gardens twice, and Beatty.

The first seven finishers for the home team in the last meet were Bernard Willis, Len Willis, Jim Yates, Rick Deforny, Tim Sullivan, Ken Sauls, and Richard Pierce.

ESPORTS Eastern Review

EASTMOOR HITS HARDWOOD TRAIL

League Battles Begin

Eastmoor moves into the basketball limelight this week as area hardwood brigades, with exception of Bishop Hartley, don league battle togs.

The Warriors will be vying at Central; Whitehall takes on Grandview; Bexley bumps up against Upper Arlington; Hartley's Hawks try their luck at New Albany. All are Friday night encounters.

Top Warrior prospects appear to be almost two-team fold with nine players coming in for possible starting positions. Among them: Bob Benjamin, Frank Dwyer, Larry Gornal, Ken Hollister, Dean Lampros, Bob Lewis, Jim Siders, Frank Stavroff and Doug Van Horn.

What the future holds, it is impossible to tell for the yet untested Warriors. As soon as some of the aspirants work the football kinks out, the team is expected to work its way into a winning unit, following a pattern set last year.

With the added prestige of the Mission championship under their belts, Hartley mentor Earl Vermillion expects that the Hawks' luck will turn.

He plans no changes in his basic starting assignments and will center the attack around top center Steve Warren.

Whitehall's Rams, with a 1-1 record to build upon, don't expect to have an easy time against Grandview, one of the veteran quintets in the Central Buckeye loop. The game is slated for the Ram court.

Bexley, the area's low scoring outfit, will have to keep the pressure high against Upper Arlington. Coach Dana Swinehart is hoping that his boys shooting percentage will get hotter.

Practice this week has centered around offensive plays and working the ball in under the basket.

Women's Physical Education Program Set Up At Center

To accommodate the registration of women for the physical education program, at the Jewish Center the following schedule changes are announced:

Coed badminton, the only activity offered for men and women to date, is slated for Wednesday evenings from 9 to 10:30 Howard Banchefsky and Mrs. Sam Stellman offer instructions. The class is open for men and women 18 and up.

The Women's P.M. exercise group will meet on Wednesday evenings from 8:50 to 9.

Women's volleyball will hold its original position on Monday evenings from 9 to 10:30. Instruction games and tournaments are offered for all interested women.

Judo for women, now an established activity will operate on Monday evenings from 8 to 9. A new course will be starting soon for interested women.

Center Loses First Cross Country Meet

East Columbus Recreation Center's cross country team lost its first meet in four starts Tuesday, Nov. 15, at Krumm Park to a powerful Beatty Recreation Center squad by 38 to 20.

Chuck Otey and Jesse Brant from Beatty tied for first in a time of 12:48 for a new course record. Lenny Willis of East Columbus clocked 13:01 for third place.

The next six finishers for the home team were fifth place, Bernard Willis; ninth, Rick Deforny; tenth, Ken Sauls; eleventh, Walter Pierce; twelfth, Tim Sullivant, and thirteenth, Richard Blunt. There were 20 starters and 19 finishers.

Girls Basketball Program Opens

At East Columbus Recreation Center the girls' basketball program is held on Wednesdays and Fridays from 4 until 5:30 p.m. Girls from 10 to 15 years of age are welcome. The program is also open to girls from 13 to 18 years of age Monday evenings from 6:30 until 9:30

Boys Program Scheduled At Jewish Center

Now that football is over and some 30 boys have learned some of the basic fundamentals of the game, the Jewish Center physical education department will concentrate on physical fitness.

Mrs. Murray Alexander, physical fitness chairman, announces that a class for boys in grades four and five will start on Friday, Dec. 9 at 4:45 p.m. in the Jewish Center gym.

Boys will be tested three times during the season. Emphasis will be placed on the skills of track and field, fitness exercises and organized games.

All boys interested in this program are encouraged to register on Friday, Dec. 9.

Tournaments Planned At Jewish Center

A ladder tournament for singles play in handball and paddleball is being arranged at the Jewish Center by co-chairmen Meyer Kravitz and Joe Altman.

All Jewish Center men are eligible to participate in the tournaments. Player ratings will be established by the committee for ladder play. In ladder play, a player may challenge anyone four steps above him and take his place if he wins.

Dates are secretly established at which time the top player on the ladder is recognized as the champion for the period. Interested players are urged to sign up on the bulletin board in front of the handball courts.

"The only thing tougher than predicting exactly how an election will turn out is explaining why it didn't."—Jean Carroll.

LOSE FIRST, THEN COME BACK

Rams, Lions, Hawks Notch Wins No. 1

The basketball season is poppin' and area teams have begun to hit the victory trail after undergoing initial setbacks.

Whitehall, Bexley and Bishop Hartley have all come back from opening round defeats to taste the victory fruits.

The Rams bounced back from a stinging defeat, 66-53, at the hands of Mid-Eight stalwart Gahanna in spectacular fashion, edging past Lancaster in a tightly knit double overtime affair, 61-59.

The Lions ran up against a better shooting Grove City five and succumbed 36-24, but managed to elude an aggressive St. Charles quintet to notch up a 41-33 win.

The Hawks lost out by one bucket to University, 56-54, then added the prestige of the championship of the holiday Missions tourney over the weekend.

The Whitehall-Gahanna tilt found the Lincoln Lions leading the first half by a slim margin, then opening up in the final two quarters to win going away.

The Rams fouled 32 times during the encounter and Gahanna converted 26 of them into points. Both teams tagged the nets for 20 field goals with Rick Neutzling snagging 13 markers for the Rams.

Against Lancaster, the Rams surged from behind to tie the visitors as the final buzzer sounded. The first overtime session found each squad sinking six points, and the sudden death verdict ended minutes later in the Rams' favor.

Ken Merriman dunked 21 points through the hoops and Ralph Wiley netted 15 in an all-out effort.

The Bexley-Grove City encounter was a listless affair. Bexley continually worked the ball in, only to miss the basket with shots and failed to rebound their own efforts. In all the Lions racked up but a 19 percent shooting average.

Bexley took 38 shots in all, and Grove City only 32 from the floor. High scorer for Bexley was Steve DeVoe with seven. The Lions were behind six to five at the end of the first frame, and notched only five points more in the second stanza to go with 14 markers in the last half.

The boys from Grove City used a two-three zone press, that kept the Lions long range shot efforts going astray.

Frank Eiferman led the way with 19 points in the St. Charles fray. The Lion started hitting from the opening buzzer and never let up.

Hartley found the going rough against a strong University team, but still lost out by just a two point margin. The Hawks maintained a 52 percent shooting average from the floor while the University quintet hit on 62 percent of their shots.

Bob Burman with 14 points and Steve Warren with 13 paced the Hawks. Hartley led at the end of the first quarter 16-13, but the Little Bucks rallied to pull ahead by a 31-24 margin in the second frame.

Down nine points with five minutes to go, the Hawks pulled within four counters but failed to make it more.

In the Missions tournament, the Hawks beat Holy Family 20 to 10 and downed St. Charles 13 to 10 in two one quarter tilts.

OSU National Champions Get Homegame Telecasts

The first basketball game to be broadcast by Channel 4 this season will feature OSU's national champions against St. Louis, Monday, Dec. 5 at 8:30 p.m.

With everyone on their schedule gunning for the prestige that would come with knocking off the champs, local viewers should see some top contests this year.

Channel four will carry OSU's home games with Army, Detroit, Illinois, Evansville, Minnesota, Indiana, Northwestern, Wisconsin and Michigan State.

WLW-C sports director Jimmy Crum will do the play-by-play commentary of the games, assisted by Clark Smith.

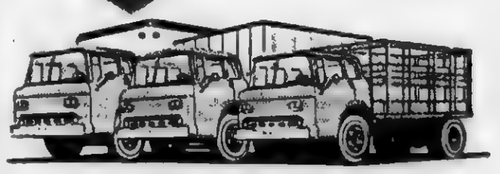
The play of the week will be two plays this week. The increasingly popular series will feature two plays which earned John Martin the title of "1958's most talented writer" in England.

Seen Sunday, Dec. 4 at 11:30 p.m. on Channel 10, Michael Hordern and George Rose will star in "Back to Back."

Esther Williams will make her first appearance in a Western Role on the Zane Grey Theatre program of Thursday Dec. 1, at 9:30 on Channel 10.

She will portray an eastern girl traveling through the West, and is with a wagon train which comes upon the remains of an Apache massacre.

The facile pen of Alexandre Dumas turned out many a historical novel of high adventure. Many of which are highly suitable for presentation via the TV medium.



His "Three Musketeers' returns again, this time on the Family Classic series. Seen Thursday and Friday nights on Channel 10 at 8:30, Vincent Price and Maximilian Schell take their turns on the story.

The dashing D'Artagnan serves his apprenticeship with the king's guards and he and his musketeer companions fight for love and honor through a series of intrigues and a host of opposition.

Dumas also took them through about ten more volumes of swashbuckling heroics, but as yet to my knowledge, no one has seen fit to make use of this material. Even at the fantastic rate with which TV uses up stories, Dumas provided enough adventures to last a long time. The tapping of this stream of historical romance would provide a refreshing series.

Handel's great oratorio will be presented twice at Mershon Auditorium on the OSU campus on Sunday, Dec. 4, by the school of music.

Curtain times will be 3 p.m. and 8 p.m. with both programs open to the public and no tickets necessary. A collection will be taken for the charitable work of the campus YM-YWCA.

HAWK PAPERS—Members of the Southeast Lions Club will be selling the annual community service newspaper in the South and East sections of Columbus this Friday night. Shown loaded with copies of the "Southeast Lions Roar" is Herb Germain who helped with the planning for this year's edition.

SOUTHEAST LIONS TO SELL ANNUAL 'ROAR' FRIDAY

The Southeast Lions have a proud story to tell this year—and it'll be all there in their big newspaper, the Lions Roar, which they will sell this Friday night.

The paper is the Southeast Lions' score sheet which lets you know what the money donated to the club during the past year was used for.

As Larry Egger, president of the Southeast Lions Club, said, "Without this newspaper, which highlights the efforts of the Lions Club over the past year, much of its work would slip by unnoticed."

The newspaper, designed by members of the Lions Club, tells of the group's many charitable and community projects undertaken during the year which have earned the club the nickname of "The Club That Gets Things Done."

And, money raised by contributions for the newspaper will be used by the Lions for new projects in the coming year.

There is no set price for the newspaper, Egger said. You can contribute only as much as you wish to participate in the many Lion-sponsored projects which will take place during the coming year.

Benefiting from the Lions' efforts last year were the Alum Crest Hospital, South High School, Monett House, Bishop Hartley High School, Scioto Trail School, Corpus Christi School, Barrett and Roosevelt Junior High Schools, South Side Day Nursery and many others.

Help to thirty-two institutions in 1960 is just part of the Lions' proud story. And, 32 projects topped last year's record of 17.

Besides informing the public of its accomplishments, the group tries through the newspaper to tell the heart-warming stories of the way in which gifts were received.

No matter how you receive your Lions newsboy tomorrow night, President Egger says, "We need, and must depend upon, your help to meet any challenge that lies ahead for us. Thanks."

Charles W. Collins, manager of the J. C. Penney Department Store, has announced that a special Christmas payment for store associates will be made.

The payment, which will include all regular associates employed on or before Oct. 1, 1960, is being made Dec. 1.

All those eligible will share in the payment except management staff members who participate in the company's long standing profit-sharing or other management incentive plans.

St. Mary's Plans Christmas Music

The orchestra of the College of St. Mary of the Springs, under the direction of Sister Delores, O.P., will present a concert of Christmas music on Dec. 11, at 3:15 p.m., in the Erskine Hall Auditorium.

Mrs. Jean Harriman, harpist with the Columbus Symphony Orchestra, will be the guest soloist on the program which is open to the public with no admission charge.

Two Concerts Scheduled By Capital Choir

Capital University's annual Christmas choir concerts will be held Dec. 11 at 3 and 8:30 p.m. in Veteran's Memorial auditorium, E. Broad-st.

Dr. Ellis E. Snyder is starting his 33rd season as director of Capital's 80-voice choir.

The Chapel Choir traveled over 10,000 miles during a six weeks, midwest summer tour, that covered 20 states and four Canadian provinces.

All seats for the Christmas concerts are reserved, but no admission charge is made. Tickets may be ordered by sending a stamped, self-addressed envelope to Chapel Choir, Capital University, Columbus 9, Ohio.

Parsonage Dedication Set Sunday

Plans are now complete for the consecration of the new Eastview Methodist Church parsonage located at 791 Ross-rd.

The ceremony, conducted by Dr. Louis R. Wolters, District Superintendent of the Columbus District, will be held Sunday, Dec. 4, 2 p.m., followed by an open house.

Claude Sigman, a Reynoldsburg contractor, constructed the tri-level home.

Day's activities are planned by a committee of Mrs. Henry MacRobers, 795 S. Hampton; Mrs. Enos Winfrey, 446 Westphal; C. E. Lecson, 4503 Broadhurst; William W. Shipe, 4276 Mayflower-blvd, and Rev. and Mrs. James B. Foster, now residing in the new parsonage.

'Winter Cotillion' Set

White Cross Hospital Nurses' Alumni Association will sponsor a dance, "The Winter Cotillion," at the Rathbone Ranch on Dec. 9. Dancing will be from 9 until 1, with music by the Hi-Ho's. Tickets at the door, or by calling Mark McPheron, AX. 1-9832.

The most essential element in any home is God.

BEXLEY TROOP 166 CEREMONIES

ONE LEAVES, ANOTHER ENTERS—Last week at Bexley Methodist Church, two important events for scouts of Troop 166 took place. At left, retiring scoutmaster Bertram Japiske was honored and Senior Patrol Leader John Kelly had the honor of presenting him with a gift. At right, newly named Eagle Scout William Ruggles is seen "pinning" his mother. Japiske, of 2363 Bexley-pk, has been a scoutmaster for four years. Ruggles is the son of Mr. and Mrs. S. Holliday Ruggles, of 295 S. Parkview.

Wednesday Play Drawing Crowds

The Wednesday night league at East Columbus Recreation Center filled the stands with their second session. The first game saw the Big Tee's defeat the Falcons 26 to 16.

In the second game the Gee Gees beat Globetrotters 32 to 22. The two high scorers in the league are Nick Miller with 26 and Ted Dickey with 23. League standings are 1. Gee Gees 2-0; 2. Globetrotters 1-1; 3. Big Tee 1-1; 4. Falcons 0-2.

Boy Driving Stolen Car Eludes Cops

Bexley police chased a young boy in a stolen car on Gould and Bryden-rds Sunday but failed to capture the youngster who abandoned his car and hobbled away on one foot.

The boy, according to police, was going more than 60 miles per hour and ran several stop signs.

After driving the car onto the sidewalk at Bryden-rd and Dawson-av the youth leaped to the ground, was knocked down by the car door, but still managed to get up and flee between two houses.

Later police recovered another car stolen in the same vicinity and theorized that the same boy may have taken this car.

Liv-Moor Pool Trustees Elected

Members of the Liv-Moor Heights Pool Co. met at Bishop Hartley High School, Nov. 16, to discuss the 1961 season and to elect three trustees.

Elected to serve through 1963 were Robert Taylor, William Danneman and David Florence. Previously elected trustees include President Ted Metz, Robert Clark and Dean Trimmer serving through 1961 and Donald Dunbar, Jack sabel and Ned Harkless serving through 1962.

The private community pool, located on Deshler-av, just west of Courtwright-rd, was first opened to members July 4, 1958 thruogh the efforts of homeowners of LivMoor Heights.

BERWICK MANOR OFFICERS

NAMED TO OFFICIATE—New officers of the Berwick Manor Civic Association go over future plans. From left are, Maj. Gen. Gerald Van Fleet, of 1495 Argus-rd, president; Mrs. Justin Marin, of 3550 Kirkwood-av, vice-president; Sid Weipert, of 3573 Kirkwood, treasurer; Not present was the group's secretary, Mrs. Morris Gold of 1360 Picard-av.

PAUL R. EBERT

Services for Paul R. Ebert, 57, of 557 Maplewood-av, were to be held Thursday, Dec. 1, at the Cook and Son Chapel, with interment in Forest Lawn Cemetery.

He was a letter carrier and was a member of the South Perry Methodist Church, Excelsion Lodge of Odd Fellows, and National Association of Letter Carriers, Branch 78.

He is survived by his wife, Cordelia; daughter, Paula; brothers, Dwight and Claude.

TIMOTHY LANNAN

Chinese Will Come Back, Says Speaker

Eventually the Chinese will revolt and throw off the yoke of communism. This is the belief of Mrs. William Cameron, wife of Col. Cameron of Lockbourne Air Force Base and daughter of the famed General Joseph W. Stilwell, as expressed when she spoke at the Tuesday noon meeting of the Southern Kiwanis Club.

"The Chinese are family people and remove them individually from the communist influences and they will tell you they are not for communism," she stated.

Mrs. Cameron was the first baby born in the Rockefeller Hospital in Peking.

She points to history to show that while the Chinese have been conquered in the past they have always come back, largely by means of assimilation.

Charity Newsies Know Meaning of "Charity"

About this time of the year many drives and solicitations are in operation and most of them are well founded. Yet so many times we give money and nothing from the heart, largely because we make no opportunity to see for ourselves where the money is spent.

For many years I was a member of Charity Newsies and each year was required to make personal investigations of requests for aid. If you have any doubts about the fine job the Newsies do just take a trip with one of them to make an investigation.

I'll always remember the Saturday afternoon when I called on a small home on McKinley-av, to check one such family. The parents were not home but after checking some five youngsters in the age bracket of about two to five, I was asked, "Did you see Jimmy?" whereupon the older child turned down about four thicknesses of dirty blankets and revealed Jimmy, a tiny baby.

Jimmy was remembered . . . the Newsies always remember. So, when you see the man with the big red heart on the paper bag this Saturday, open up your heart. This is one of the really worthwhile charities in Central Ohio.

Helber, Shipley Take Differing Stands Over Whitehall's Finances

Whether or not Whitehall faces a struggle as far as its financial standing is concerned, proved to be a debatable point at Tuesday night's council session.

The issue came to the fore as solons prepared to take action on an ordinance calling for the employment of three more fulltime firemen.

Auditor Walter Helber said that city could not afford a drain on its finances to hire the additional men. Solon Ray Shipley disputed the point, stating that the city was in "good financial state," reiterating a statement he made some weeks ago.

Mayor Walter Moling reminded council that next year's budget included provision for the hiring of two more men.

Solon proxy Walter Siemer noted that in a letter to council, Fire Chief Arthur Reddy mentioned that with the forthcoming addition of a new "quint" fire truck and with the hardship involved of finding day time volunteers, more men would be needed.

Helber suggested that a revision be made in the income tax plan to give more money to the general fund.

Solons decided to study the matter further by giving the ordinance a first reading only.

Another item on the agenda that evoked quite a bit of questioning was a bill to require the construction of sidewalks and driveway approaches by requiring bond to be posted before issuing building permits.

Applicants are to post a cash bond in the sum of $3 per front foot.

Siemer established that the ordinance was designed to see that new sidewalks are installed into new subdivision. Exceptions in the measure state that requirements may be waived by the Director of Public Service if the construction of sidewalks and driveway approaches would "create unnecessary hardship." Solicitor James Maxwell also commented that the projects could not be required if no grade were established in an area.

The discussion ended with council unanimously okaying the ordinance.

Whitehall School Superintendent Robert Crabbs appeared in council chambers to request that previous ordinances to vacate Beechwood-rd from Mayflower-blvd to English village South and a 10 foot walkway and play area be repealed.

Crabbs brought to council's attention that approximately 120 youngsters attend the Beechwood school who reside north of Mason Run and East of Robinwood. He pointed out that they would be forced to walk in excess of an additional half-mile. They would also be forced to walk along Beechwood-rd where no sidewalks

MAY RUN FOR COUNCIL

Ecker Unloads Against Cost Of Master Plan

By John Poeppelmeyer

A former Whitehall city official, who is not a candidate for mayor, not a Democrat (as erroneously reported in some quarters), but an "interested" council aspirant, has leveled a charge at the financial handling of the master plan.

Don Ecker, who until two months ago was the Whitehall Recreation Director, spoke out against the excessive funds needed to finance the all-inclusive plan, currently under consideration by Whitehall solons.

Ecker stated that he was not against the master plan. In fact, he added, that he felt the master plan is a "good one, the way it turned out. It should be a sound one over a long period of time."

Ecker, however, charged that the city should not have spent $15,000 to draw up the plan, "just to have a master plan." He said that council should have investigated financing procedures more thoroughly by checking with state and federal bodies.

"Whitehall could have had the plan for a lot less money," he pointed out, "with possibly many of the recommendations coming on a free basis."

Specifically, Ecker mentioned the way the recreation angle of the plan was shaped.

"The city could have gone to the National Recreation Association and had the recommendations at no cost. I did, and turned it over to Rackoff Associates." Ecker said that many other suggestions could possibly have been handled the same way.

He said that he feels the city could have spent "$1,000 for investigation of how to get a master plan with many of the local departments gathering information on its own to turn over to a single planner."

Along the same lines,

Single Signal To Beam Aid For Trio Of Fire Departments

It shouldn't be too long now before an 80-foot radio tower is seen rising beside the Whitehall Fire Department.

Fire Chief Arthur Reddy related this week that Mifflin and Truro Township fire units and the Whitehall department are combining efforts to form a single radio network.

Reddy said he assumes that work on the tower will begin sometime during the early part of next year. Cost of the bay station amounts to approximately $2,500, Reddy said.

Reason for the move, he outlined, is that the Federal Communications Commission has issued a directive making it mandatory that all fire departments have their own radio network by 1963.

Previously, fire departments were allowed to use police stations for broadcasting. The Whitehall unit employed the use of the Franklin County Sheriff's radio.

Cost of construction of the bay station is to be shared by the three fire departments. Reddy said that a check is being made with Civil Defense officials to determine if matching funds were available.

Even if they are not, the chief said, "we'll go ahead with the project."

Originally, the single station was to have included all fire departments east of High-st. Inquiries were sent, but only Truro, Mifflin and Whitehall showed any interest in the project, Reddy said.

Yet remaining, according to

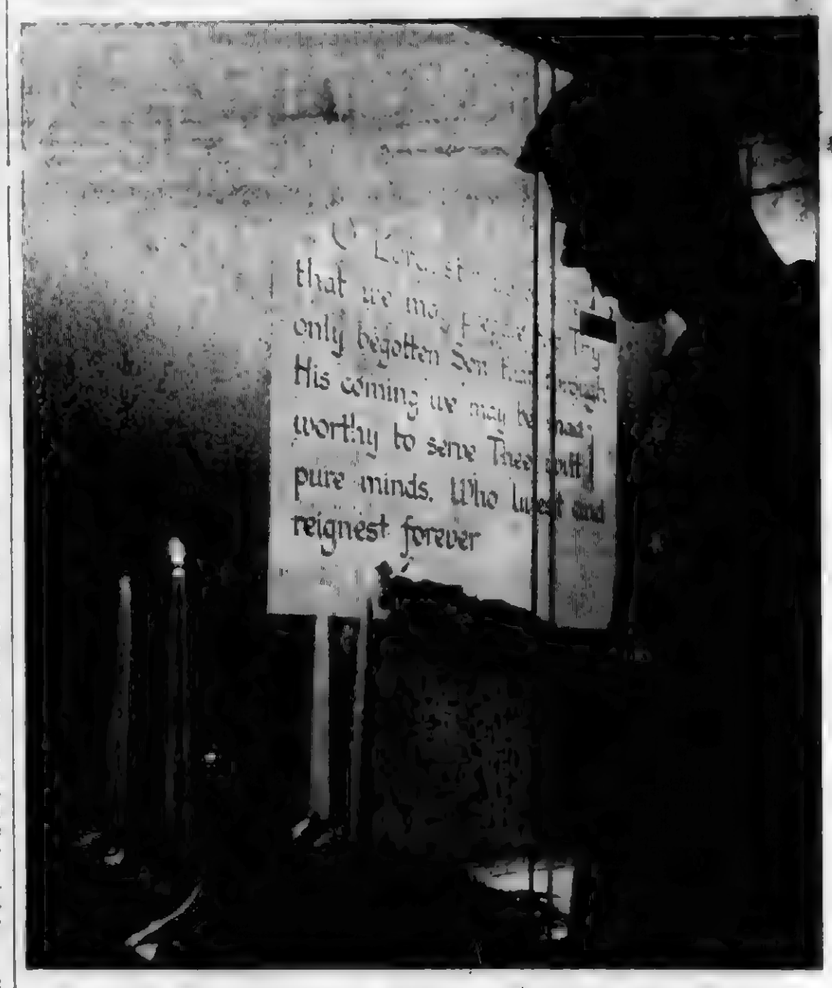
All-Whitehall Sing Slated December 22

Tenors tune up! Baritones start booming!

Whitehall residents, from the youngest to the oldest, can start waxing their vocal chords.

An all community sing has been scheduled for Thursday, Dec. 22, at the lot next to the community municipal building at 7:30 p.m. So stated Recreation Director George Chamblin.



Youngsters and adults will tour the area with a rendition of Christmas carols, Chamblin said. A party is slated at the fire house after the caroling to soothe the musical throats.

Chamblin has also reported that the activities programs for the elementary schools has been approved.

The schedule:

Monday at Etna Road; Tuesday at East Main; Wednesday at Beechwood; Thursday at East Broad; Friday at Rosemore.

Youngsters are to meet after school and the program continues until 5 p.m.

TIME AGAIN FOR THE ADVENT WREATH

A TRADITION ENACTED—As the holy season approaches, one of the traditional scenes to be found among many Christian families is the lighting of the four candles encircling the Advent Wreath. Here, it is being enacted by Phillip Feldmeier, president of the Catholic Student Mission Crusade at Bishop Hartley High School. An additional candle is lighted each week as Christmas time nears.

High School Choral Fest Slated At Central Dec. 11

The West, South, Eastmoor, Marion-Franklin Central High School Choirs will contribute their talents toward making the 1960 Christmas Choral Festival of Columbus Public Schools the most impressive in the 12-year history of the event.

The sacred festival will be presented at 2:30 p.m. Sunday, Dec. 11, at Central High School auditorium. It is open to the public without charge.

West High School's choir, with Edith C. White directing, will sing "Night Journey of the Wise Men" and "Let Carols Ring."

Central High School's Choir, with Paul Ward directing, will sing "Be Joyful, Be Merry" and "We Have Seen His Star."

"Wonder of the Darksome Night" and "Carol Of The Bells," will be presented by Eastmoor Choir, under the direction of Paul Morris.

Marion-Franklin Choir, directed by E. C. Schick, will sing, "Glory To God" and "Midnight

Apartment Rezoning Proposed

A public hearing has been set to consider the rezoning of several lots on Elaine-rd, south of E. Livingston-av, for four-family residential apartments.

The meeting will be held before the zoning committee of City Council at 7:30 p.m., Monday, Dec. 12 in City Hall.

Petitioner Everett L. Richie, 765 Kimball-pl, has asked that five lots now tagged for single family residences be changed to permit apartments to go up.

The City Planning Commission has recommended that the request be approved, but also urged similar rezoning of eight other lots so the surrounding area can conform to the proposed apartments. Lots on both sides of Elaine are included in the separate ordinance.

New Project At Aviation Plant Here

North American Aviation's Columbus Division announced this week it will build a new type of low-cost radar antenna for the Air Force, so precise it will be tuned like a piano to perfect pitch.

Division President W. H. Yahn said the new $1,844,000 contract, won in competition with several other major firms, directs the Columbus Division to "design, construct, erect and test" a high-precision radar and communications antenna which will use a 120-foot solid-face reflector. It will be erected at Tyngsboro, Mass., about 25 miles northwest of Boston.

The new facility dubbed "Project Haystack," will be operated for the Air Force by the Massachusetts Institute of

MRS. MARTIN AND COLLECTION
Plenty of Shaker-Uppers

• • •

Guess What? She's Got 1300 Pairs Of Salt'N Pepper Shakers

They've got a real shaker-upper going at the A. W. Martin homestead—and who wouldn't with 1300 pairs of salt and pepper shakers in their hands.

The Martins reside at 739 Collingwood, but it probably won't be too long before that address will have to be changed, if Mrs. Martin's collection of shakers keeps on growing. She has been collecting them from around the world for the past 25 years.

She had to admit, however, that the "collecting has been dropping off. So far this year only five or six new pairs have been added. I guess it's because I have so many that it is getting hard to find new ones."

She has hopes, however, of getting more. When her sons and friends travel overseas and throughout the country, they always remember to "pick up a few" for her. As yet she has none from Africa, Greenland, Iceland, Greece, most of the oriental countries and lacks but one from the 50 states — an Alaskan pair.

In all she has two china closets plus two trunks full of the holders of savory appetizers.

The collection includes fish, vegetables, pipes, hats, jugs, Indians, feet, hands, hats, birds, shoes, flowers, nuts, Humpty-Dumpties, trucks, golf balls, hot water bottle, windmills, irons, pianos, toothbrushes, tooth paste, marriage license and ring, skulls, waffle ironed and toaster.

That's not all: slot machines, donut and a cup of coffee, electric mixer, wash machine and dryer, TV set, sewing machine, bullets, suitcases and sun bathing beauties.

An unusual pair was made by inmates at the Ohio Penitentiary from two copper pennies in the form of barrels.

A number of years ago, a Bexley lady, Mrs. Lee Howard, stopped adding to her collection and presented Mrs. Martin with 400 pairs of salt and pepper shakers.

What does her husband, "Hap", have to say: "Funny thing. We've got all these shakers, but none of them are filled."

Berwick Manor Group Slates Awards for Home Decorations

Berwick Manor residents who decorate their homes and yards this Christmas may end up $25 richer.

The civic association is sponsoring a contest this year with a $25 Savings Bond going to the first-place winner and a $6.25 cash award for the runner-up.

Many go to great pains and expenses to decorate their homes but the civic group points out that the judges may decide upon a simple, original and inexpensive decoration as being the best.

Judging will take place during the week of Dec. 25 to 31, by an impartial group from another section of the city.

Not forgetting the kids, the program and publicity committee has announced plans for a party for the children. The teenagers will have to wait until spring for an association-sponsored fete. This will be in the form of a dance.

Besides the party and decoration contest plans, the organization elected officers for the coming year at its last session.

Maj. Gerald VanLeet, 1495 Argus, was elected new president. Mrs. Joan Marin, 3550 Kirkwood, will assist him as vice-president. The new secretary is Mrs. Phyllis Gold, 1360 Picard. Sidney Wolpert was picked for the duties of treasurer.

Maj. VanLeet made appointments to the four standing committees. They were Sidney Wolpert, finance committee; Mrs. Robert Fluke, program and publicity; Ray Bichimer, membership committee, and Richard Keefe, civic action committee.

A number of new councilmen were also appointed.

The four representatives from each of the six districts now

FIREFIGHTERS ELECTION ENDS IN DRAW

Verdict in Whitehall firemen's election was a draw.

Three members each from the "Better Government" and Better Leadership" parties moved into officer chairs.

The president post was garnered by Robert Martin (BG); the vice-presidency went to Howard Morgan (BL); Paul Knoblauch (BL) was elected secretary; Tom Reddy (BG) was named assistant secretary; the treasurer post went to A. Wharton (BG); sergeant-at-arms is Donal Diller (BL).

Day Care Nursery Owners To Object To State Rules

Objections to rules and standards proposed by the Division of Social Administration will be forthcoming Friday, Dec. 9, by Franklin County private nursery owners in cooperation with the Ohio Association of Day Nurseries.

A meeting has been set up at the YWCA from 1 to 4 p.m. for the two groups to lend voice to their side of the question concerning rules and standards for day care nurseries.

The Ohio State Legislature last year passed a house bill giving the Division of Social Administration power to establish operating procedures.

Both groups feel that the rules, when they go into effect after the first of the year, would work a hardship on nursery centers and feel certain restrictions about to be imposed are not needed, according to one spokesman.

Some of the objections which have thus far been framed to be presented at the Friday session include the keeping of financial records, required nap periods, education standards for personnel, staff-child ratios, age restriction requirements and space requirements.

The two groups, when they recently convened, pointed out that they would not be able to meet the standards and that the rules would cause fees that would not cover various personnel the division wants them to have.

The new concept developed at Columbus reduces weight, assures critical accuracy in operation and in the manufacture of components, with a sharp reduction in costs, NA officials said.

The division, which several years ago embarked on an extensive diversification program, recently won a Navy contract to fabricate and assemble the giant 600-foot radio telescope reflector at Sugar Grove, W. Va. It also is now a work on the Redhead-Roadrunner, a high or low level supersonic target missile for the Army. The division is also producing the A3J Vigilante, The T2J Buckeye, seat ejection systems and is working on a number of other proposals.

Baton Twirling Class Added At Rec Center

A beginning class in baton twirling has been added to the schedule at the East Columbus Recreation Center. Jack Blackburn, recreation director at the center, reports a large enrollment.

He announced that registration for the class is still open for girls from ages eight to 12.

exist, Crabbs stated.

In August, a group of petitioners requested that council vacate the Beechwood-rd area. This council repealed Tuesday night. But they tabled indefinitely the ordinance relating to the walkway and play area. In affect the first motion, gives the street back to the city, but the play area and walk way revert to the original owners.

At the close of council session, Richard Hyatt suggested that "something be done" about the numerous charity solicitations in the city, especially the "door-to-door" kind.

He said that he thought the United Appeal agency was formed to do away with the multitude of solicitations.

He stated that "maybe the charity situation should be looked into and overhauled," adding that "if they are as good as they say they are, they should be a part of UA. It was formed, he declared, "to take care of all, but now everything is coming back into its own."

Mayor Moling noted that the issue has also been discussed at a recent mayors' meeting.

Council also: accepted a preliminary plan for street improvement for Hamilton-rd; approved resolutions to improve McAllister-av from Ross-rd to Bernhard-rd and to improve Ross-rd from E. Main-st south to McAllister.

Ecker—

(Continued from page 1)

Ecker said that he would be for a tighter rein on the expenditure of the public funds.

"The reason I quit as recreation director," he said, "was because I did not want to be a parasite where no job existed. I was not about to take the people's money for doing nothing."

"I never feel justified in expending public funds just to make an impression on citizens."

Ecker said that he was not a candidate for mayor, as had been rumored, adding, "I would very much like to help in the recreation program, whether the administration would be Democrat or Republican. But I couldn't run for mayor and solve the recreation situation."

As for a seat on council, Ecker said that he had been approached on the possibility, and commented "this I would consider."

Reddy, is to send applications to Cleveland for a license and to the FCC in Washington for an approval of a broadcasting frequency.

Reddy said that the police stations are overworked. At times, he noted, it was hard for fire departments to get messages through.

Included in the project is a need to change crystals in the fire departments mobile units and setting up transmitters and receivers in the Whitehall Fire Department.

Reddy said that Whitehall was chosen for the tower placement because of its central location in regard to the three departments involved. He expects the project would take six weeks to complete after the change-over begins.

LETTER TO THE EDITOR

Club Appreciates Local Support

To the Eastern Review, business firms, and residents of Columbus, Bexley, Whitehall and Gahanna:

The members of the Eastern Kiwanis Club and the Gahanna Kiwanis Club wish to express their appreciation for the community support given to the annual welfare newspaper sale during the past week.

This year the advertisers made possible our largest paper and we urge all to patronize these businessmen. Through their help and through the contributions of the residents of this area the club's community service effort will be carried on and expanded.

This is our only money-raising program and your acceptance of it in such a fine manner will increase our efforts for service to the community.

The best of Season's Greetings to all.

Robert A. Ramsey
President-elect
